As of September 1, 2014, the regulations pertaining to the use of LP gas and charcoal grills at multifamily residences have been revised.

- The following items are not allowed on a balcony at any time.
  - LP Gas Grills, LP gas tanks, Charcoal burners, charcoal grills, charcoal and charcoal lighter fluid.

- The following items are not allowed to be stored inside the building at any time.
  - LP gas grills, charcoal burners and any equipment associated with a grill or burner.

- LP Gas and Charcoal Grills may be used on the ground floor as long as they are not under any overhanging portion of the building AND at least 10 feet away from the building.

- **NFPA 1:10.11.6.1** "for other than one and two family dwellings, no hibachi, grill, or similar devices used for cooking, heating, or any other purpose, shall be used or kindled on any balcony, under any overhanging portion, or within 10ft (3m) of any structure.

- **NFPA 1: 10.11.6.2** "For other than one-and two-family dwellings, no hibachi, grill, or other similar devices used for cooking shall be stored on a balcony

- **NFPA 1: 10.11.6.3** "Listed equipment permanently installed in accordance with its listing, applicable codes, and manufacturer's instructions shall be permitted."

If you fail to comply with this notice, you may be liable for the penalties provided by law for such violations.

If you have any questions regarding any use of gas or charcoal grills, please contact the Fire Prevention Bureau at 262-532-8808.
