Village Park Project Lighting

Village Park has become increasingly visible at night with the installation of lamp posts and uplighting on the restroom/shelter and performance stage. In the coming weeks, new bollard lighting and hanging lights will enhance the look and functionality of the plaza space for evening use. For the latest details and images of this project visit

Check out the Village's Permit Portal for Your Next Project

Did you know that you can apply for a building permit online? The total number of residential construction projects in Menomonee Falls is up in 2020, and we streamlined the permit process last spring by launching our online permit portal. Access the permit portal for your project at
