*****News Release*****

February 16, 2021

On Monday, February 15, 2021 at 10:39 p.m. the Menomonee Falls Police Department was dispatched to a single vehicle crash on Interstate 41 southbound near Main Street. As officers responded to the area to investigate, an additional dispatched call was received at 10:41 p.m. reporting that a robbery had just taken place in the parking lot of the Delta Hotel by Marriott located at N88 W14750 Main Street. The victim reported their vehicle was taken at gunpoint by two suspects. As officers arrived to investigate, the vehicle taken in the robbery was found abandoned a short distance away and a search for the suspects began.

As additional information was gathered, it was learned the two aforementioned reported incidents were related to an earlier reported stolen vehicle out of Hartford. The stolen vehicle eventually crashed on southbound Interstate 41 in Menomonee Falls near Main Street. The suspects abandoned the stolen vehicle and fled to the parking lot of the hotel. The suspects then stole another vehicle from a victim at gunpoint. The suspects crashed the second stolen vehicle a short distance away and fled on foot. The two suspects were eventually located and taken into custody. This case is still actively being investigated. We would like to thank the Germantown Police Department and the Washington County Sheriff's Office for their assistance in this investigation and arrest of the suspects. Both suspects are in custody of the Waukesha County Jail with several criminal charges pending. There is no reason to believe there is any current danger to the public at this time. Further information will be released on the suspects after their initial appearance.
