Main Street Reconstruction

Road work is underway to reconstruct Main Street between Grand Avenue and Appleton Avenue. The project will replace deteriorated concrete, improve crossings, and add street trees. Traffic impacts during the project include temporary lane closures and a detour. Learn more about summer construction projects at menomonee-falls.org/publicprojects

Fire Station #1 Open House

Join us at Fire Station #1 on Saturday, August 7th for our third Fire Department open house of the year. You'll be able to tour the station, meet first responders and watch the main attraction for the day - an extrication demonstration. Station #1 is located at N84 W18989 Menomonee Ave.

Visit the New Spaces at Menomonee Falls Public Library

This year, Menomonee Falls Public Library unveiled several new areas including *The Forge* makerspace, an improved Local History Room, and a new Teen Space! Check out these rooms to create, research your family tree, or to enjoy a new spot to study/hang out. They are open during normal Library hours, but specific rules apply for each new room. Learn more at menomoneefallslibrary.org
