

# VILLAGE OF MENOMONEE FALLS 2020 FINANCIAL RESULTS

Summary Presentation

By Julie Multhauf  
Director of Finance

# Annual Financial Report

# Comprehensive Annual Financial Report (CAFR)

- Report on the financial position of the Village as of 12/31/20 and the results of 2020 operations
  - The overwhelming length of the CAFR (approx. 150 pages) is due to compliance with accounting standards
  - The transmittal (intro) letter as well as management's discussion and analysis (MD&A) are good sources to find summarized information and can be found at the beginning of the CAFR
- Required to be prepared and audited annually (WI Tax 16.05)
  - Audited by Reilly, Penner & Benton LLP
- Will be posted to the Village website

# Major Report Components

- Transmittal Letter (Village profile and policies)
- Independent Auditor's Report
- Management's Discussion & Analysis (MD&A)
- Financial Statements
- Footnotes (plus other required statements)
- Statistical information

# What are Funds?

- In simple terms, funds are like separate entities, with each tracking a separate type of activity.
  - Some Funds are mandatory (such as the General Fund)
  - Others are discretionary (such as Special Assessments Fund)
  - By tracking activities in separate funds, we can more easily see the financial benefit or burden an activity is providing.

# Fund Types

- Most of our funds fall into two categories:
  - Proprietary funds
    - These funds operate like a business where service fees provide a majority of the revenues to keep the fund operating.
    - Examples: Water Utility, Sewer Utility, Solid Waste Collection
  - Governmental funds
    - These funds are focused on reporting the results of specific activities and are largely supported by taxes.
    - Examples: General Fund, Municipal Facilities & Equipment Fund

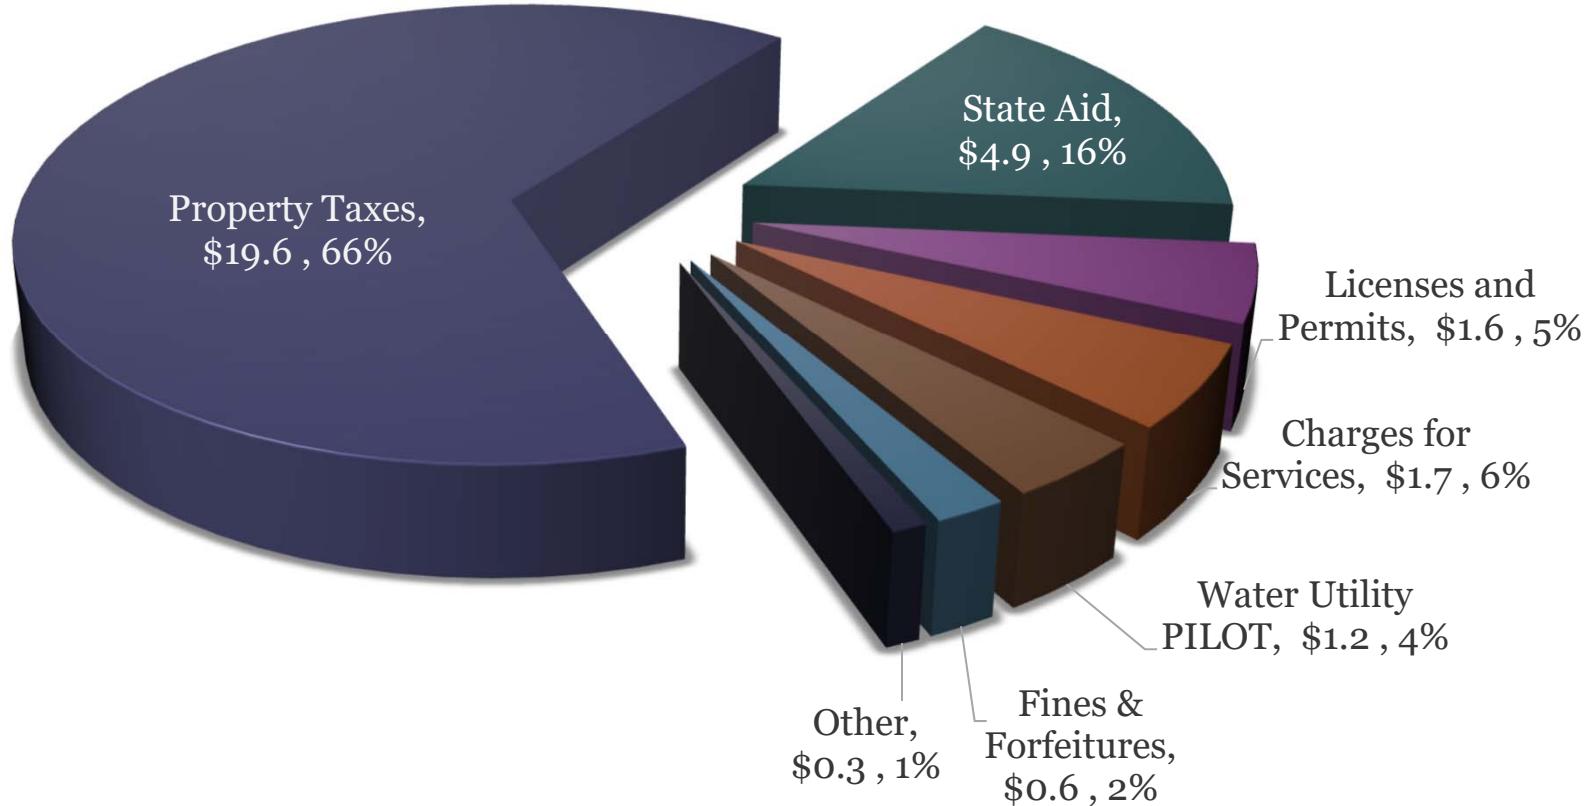

# General Fund

# General Fund

- The main operating fund of the Village which includes:
  - Public Safety (Police, Fire, EMS)
  - Public Works (Right-of-Way & Equipment Maint.)
  - Culture & Recreation (Parks, Old Falls Village)
  - Development (Zoning, Permits, Planning, Engineering)
  - General Government Supportive Services
    - Village Manager, Attorney, Court, Clerk Services, Human Resources, Building Maintenance, Financial Services, IT

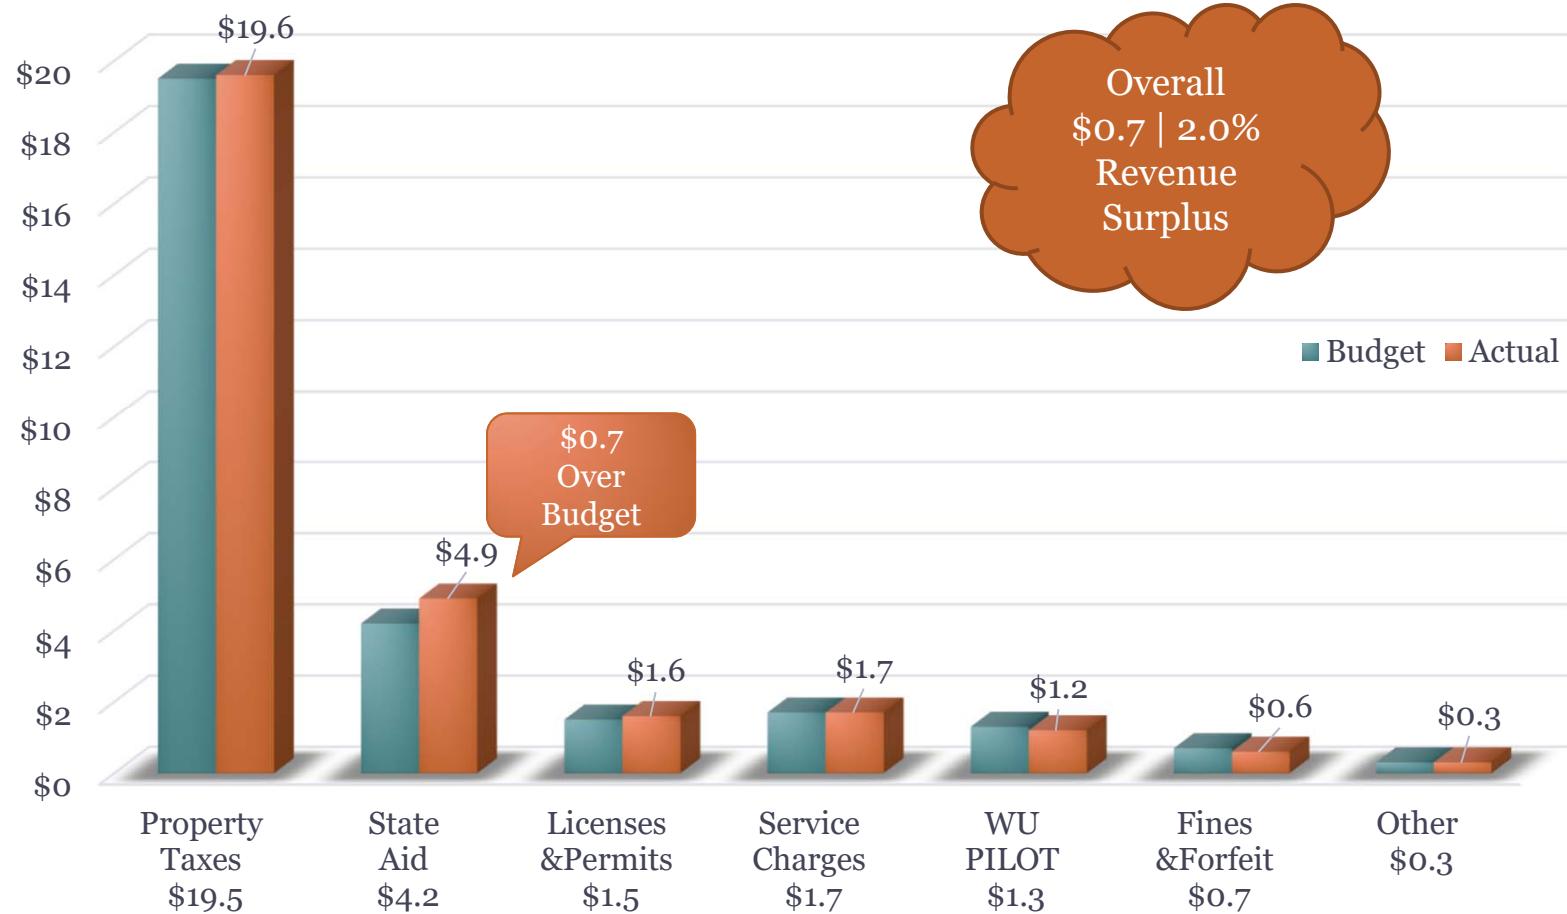

# General Fund Revenues (\$29.9 million)

(in millions)

# General Fund Revenues (Budget vs Actual)

(in millions)

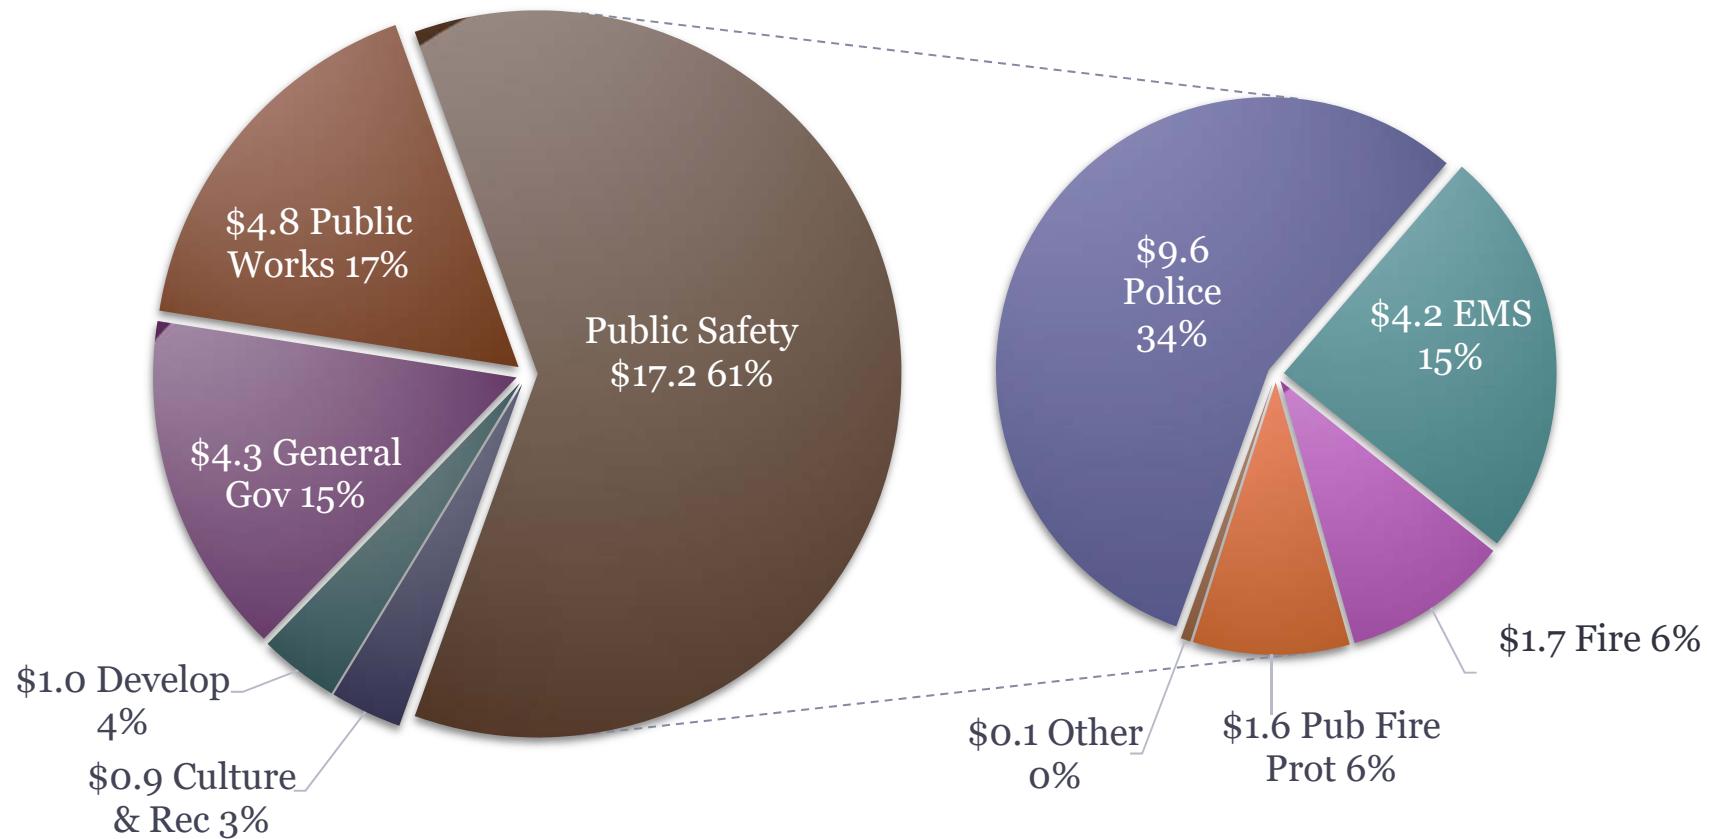

## General Fund Revenues (Budget vs Actual)

- Overall, revenues were higher than budget by \$0.7 million.
  - The most significant reason for the surplus is due to the funds received from the CARES Grant - \$0.7 million

# General Fund Expenditures (\$28.1 million)\*

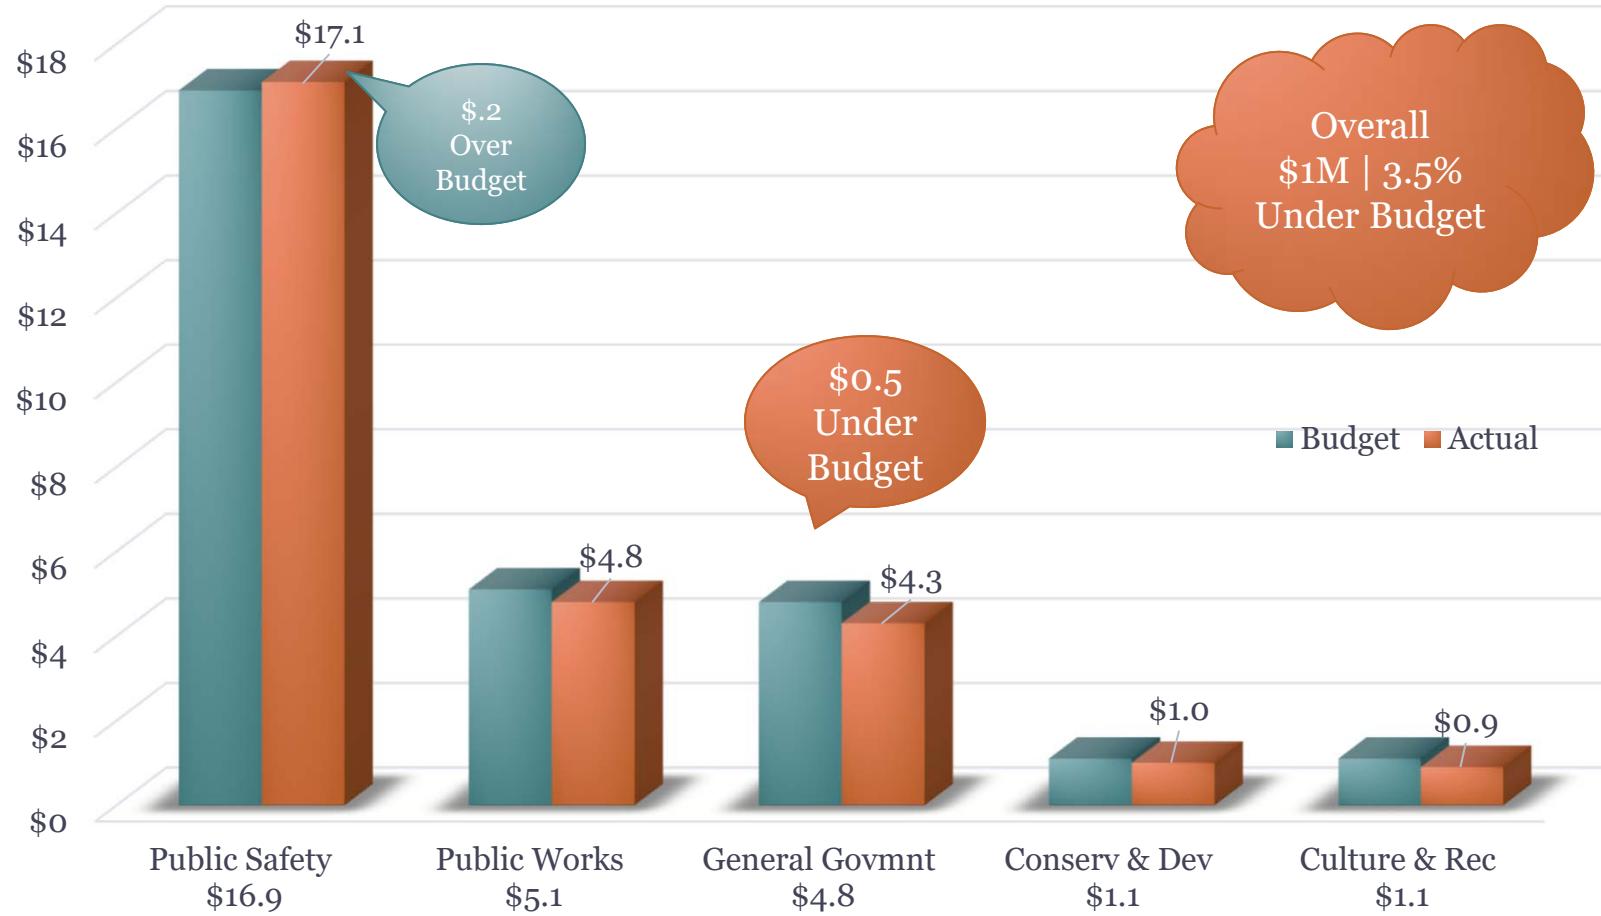

(in millions)

\* Does not include the surplus transfer of \$1.3 million

# General Fund Expenditures (Budget vs Actual)

(in millions)

## General Fund Expenditures (Budget vs Actual)

- Overall, expenditures were under budget by \$1.0 million.
  - The significant savings occurred in several areas such as:
    - Health Insurance - \$0.2 million
    - IT Operations and Projects - \$0.3 million
    - Street Operations & Repairs - \$0.5 million
  - The most significant overages occurred in Fire - \$0.3 million
    - Salaries and Overtime account for this overage

## General Fund (Surplus) (in Millions)

Revenues	\$28.6
Expenditures	- 26.9
<b>Overall surplus</b> (4% of budget)	<b>1.7</b>

Transfer to Municipal Facilities Fund	- 1.3
<b>Change in fund balance</b>	<b>\$0.4</b>

# General Fund (Fund Balance) (in Millions)

Fund balance (beginning of year)	\$10.1
Change in fund balance	0.4
<b>Fund balance (December 31, 2020)</b>	<b>\$10.5</b>

## Fund Balance Breakdown

Nonspendable	\$2.4
<b>Unassigned</b>	<b>8.1</b>

Monthly expenditures (based on 2021 budget)\* \$2.4

**Months of working capital =** 3.4

# Tax Rate Comparison (2020 tax bills)

Municipality	Size in Acres	Population	Eq Val (billion)	Assd Val (billion)	Asmnt Ratio	Oper Tax Levy (million)	TID Tax Levy (million)	Total Muni Levy (million)	Total Tax Levy (million)	Muni Tax Rate	Overall Tax Rate

# Garbage/Recycling Fund

## Garbage/Recycling Fund (in millions)

Operating Revenues	\$ 2.01
Operating Expenditures	- 2.03
Non Operating Revenues	0.08
	<hr/>

Change in Fund Balance      \$ 0.06 

# Garbage/Recycling Deficit History

# Municipal Facilities & Equipment Fund

# Municipal Facilities & Equipment Fund (MFEF)

- Landfill tipping fees are the major revenue source for the MFEF. Total fees for 2020 were \$2.4 million, which is \$.4 million over the \$2.0 million budgeted.
  - The landfill has not been able to maintain typical volumes during expansion activities.
  - Tipping fees are projected to remain lower through 2021, before returning to normal levels.
- Our current projections go out to the year 2040.
  - The future funds available can eventually be used as an internal revolving loan fund available to the Village for our annual capital budgets.
- During 2020 the General Fund transferred in \$1.3 million in surplus.

# Water Utility

# Water Utility (Income Stmt Highlights) (in Millions)

	<b>2020</b>	<b>2019</b>	<b>2018</b>
User service charges	\$7.0	\$6.9	\$6.8
Operating expenses (less depreciation, plus PILOT)	5.2	5.2	5.0
<b>Operating income</b>	<b>1.8</b>	<b>1.7</b>	<b>1.8</b>
Net nonoperating revenues (less contributions)	0.6	0.6	0.6
<b>Net income</b> (less depreciation and contributions)	<b>\$2.4</b>	<b>\$2.3</b>	<b>\$2.4</b>

## *Financial Statement Reconciling Info:*

Depreciation expense	\$1.9	\$1.8	\$1.7
Capital contributions	1.0	1.1	2.5

## Water Utility (Comments)

- The Water Utility is governed by the Wisconsin Public Service Commission (PSC)
  - Rates were updated as of January 1, 2017 in response to an increase in Milwaukee's wholesale supply rates.
- The Water Utility completed the year with positive results.
  - User charges were 4.3% higher than in 2019.
  - Overall consumption was 2.5% higher than 2019.
- There are significant infrastructure projects in the near future, so it's important for the Utility to remain financially healthy.

## Water Utility (Major Expenses)

- Around 90% of the Village's water supply comes from Milwaukee.
  - The Water Utility paid \$1.8 million to Milwaukee for water in 2020, a \$0.1 million (6%) increase.
- The Utility also paid \$1.2 million in tax equivalent charges to the Village in 2020.
  - This amount is determined based on a PSC formula.

# Sewer Utility

## Sewer Utility (Income Statement Highlights) (in Millions)

	<b>2020</b>	<b>2019</b>	<b>2018</b>
User service charges	\$9.5	\$9.6	\$9.0
Operating expenses (less depreciation)	8.9	9.4	9.5
<b>Operating Income (Loss)</b>	<b>0.6</b>	<b>0.2</b>	<b>-0.5</b>
Net nonoperating revenues (less contributions)	0.7	0.6	0.6
<b>Net Income (Loss)</b> (less depreciation and contributions)	<b>\$1.3</b>	<b>\$0.8</b>	<b>\$0.1</b>

### *Financial Statement Reconciling Info:*

Depreciation expense	\$1.5	\$1.5	\$1.5
Capital contributions	.7	1.2	1.6

## Sewer Utility (Comments)

- Cash reserves continue to grow after a 1% fee increase in 2020.
  - A 1% rate increase was implemented as of January 1, 2020
  - The need for additional rate increases is evaluated annually.
- There are no significant infrastructure projects scheduled for the near future, so that helps keep cash demands manageable.
- \$7.0 million was paid to MMSD for contracted services in 2020, a \$0.7 million decrease from 2019.
  - MMSD volume charges increased 4% or \$107,000
  - MMSD fixed capital charges decreased 14.5% or \$800,000

# Storm Water Utility

## Storm Water Utility (Income Stmt Highlights) (in Millions)

	<b>2020</b>	<b>2019</b>	<b>2018</b>
Property taxes and permit fees	\$1.0	\$1.0	\$1.0
Operating expenses (less depreciation)	0.7	0.7	0.6
<b>Operating income</b>	<b>0.3</b>	<b>0.3</b>	<b>0.4</b>
Net nonoperating expenses (less contributions)	-0-	-0-	-0.1
<b>Net income</b> (less depreciation and contributions)	<b>\$0.3</b>	<b>\$0.3</b>	<b>\$0.3</b>

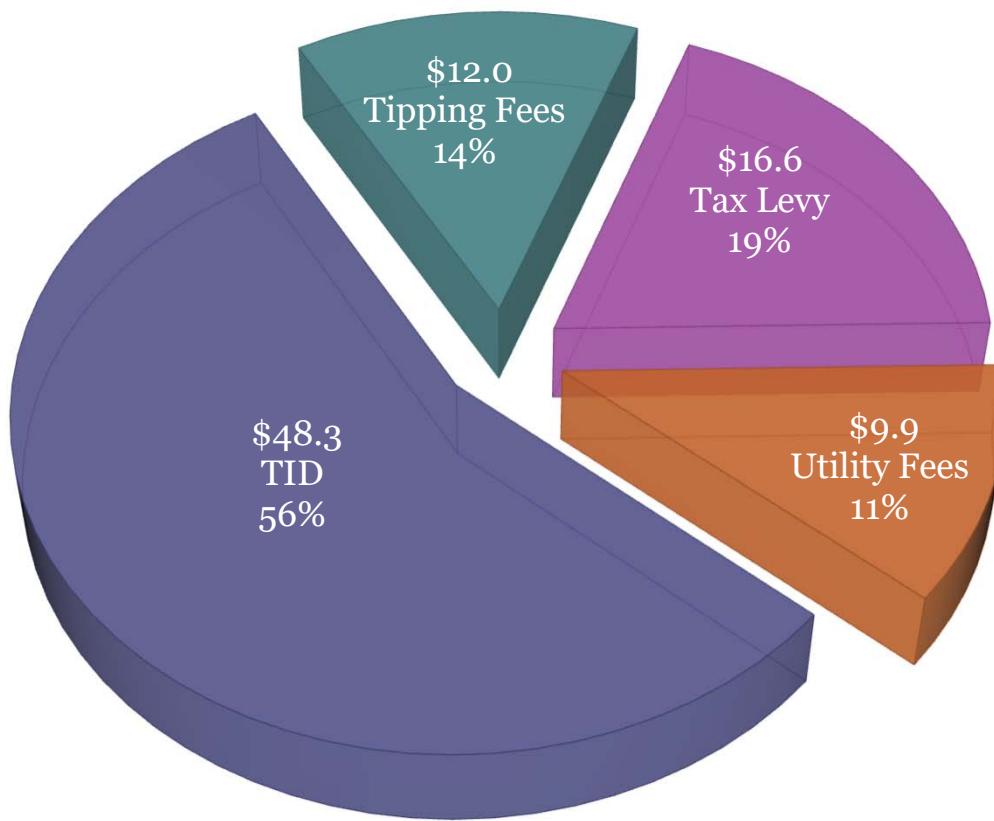

### *Financial Statement Reconciling Info:*

Depreciation expense	\$0.8	\$0.7	\$0.7
Capital contributions	1.8	1.4	2.6

# Storm Water Utility (Comments)

- The Storm Utility does not pay for its own capital infrastructure
  - Since 2015, new debt for Storm infrastructure has been placed on the general debt levy.
- The Storm Water Utility is handicapped in that it is still supported almost entirely by the tax levy.
  - 2013 Wisconsin ACT 20 deters a switch to a more sustainable fee structure. Although, 2017 Wisconsin ACT 317 now limits the loss incurred when switching to a fee-based structure.
- Infrastructure demands for the near future are significant.
  - With levy limits in place, it is difficult to fund necessary storm water projects in the Village.

# Outstanding Debt by Revenue Source (\$86.8 million)

GO debt rated Aa2 by Moody's

(in millions)
