## Enjoy Springtime in the Falls

The thaw is on (at least it is pending), and warm weather is finally on the horizon! We know Wisconsin winters can be challenging, but that makes us even more appreciative of the first signs of spring. On that note, enjoy the longer days, melting snow, hints of green vegetation, and the first 2022 edition of *The Current* newsletter!

This newsletter includes seasonal service reminders, department updates, and details about a variety of upcoming community activities. Page through and follow the embedded links to learn about downtown and Village Park events, CE & Recreation programs, Waukesha County Parks' offerings, the 2022 Old Falls Village calendar, and more.

Because spring marks the unofficial start of construction season, there are a lot of projects getting underway across the Village. Read on for details about the planned improvements at Village Park, major ongoing residential and business developments, and an overview of projects that were approved for construction across the Village in 2021.

It feels like a long time since trees had leaves, flowers bloomed, and we (comforatbly) enjoyed outdoor events and activities. In this issue of *The Current* we've intentionally included spring and summer scenery from across the Village as a reminder of what's just around the corner. Enjoy, and have a great spring season!

# 2022 Elections & Other Spring Reminders

## Elections

Make sure you are registered and ready to vote by visiting [myvote.wi.gov](http://myvote.wi.gov).

MyVote is a great tool allowing voters to register online, update a name or address, request an absentee ballot, find a polling place, and see what is on the ballot.

# Village Park Phase II

Coming Fall of 2022!

In February, the Village Board approved a contract for construction of a second phase of improvements at Village Park. The centerpiece of the Phase II project is a **12,000+ square foot inclusive play area** (pictured above). This project complements the 2020 redevelopment of the eastern end of the park which added an amphitheater, multi-purpose plaza, and great lawn, and it supports the goal of the Comprehensive Outdoor Recreation Plan for Village Park to become a destination park and event space.

This project will create the park system's first fully accessible play space, splash pad, and dedicated pickleball courts. It also includes shade structures and a reservable picnic shelter adjacent to the new features. These improvements contribute to the transformation of Village Park into community gathering space.

The play area and splash feature are expected to be among the most utilized features in the Village's park system. This project is supported by a \$1 million fundraising campaign being led by the Optimist Club of Menomonee Falls. Construction on the Phase II is expected to begin this April and continue through the Fall.

## Phase II Includes:

- A fully inclusive destination play area for kids of all ages and abilities
- A refreshing splash feature – Menomonee Falls' first splash pad – designed with LED lighting to enhance the experience
- New pickleball and tennis courts
- Improved park access – picnic areas, parking, trails, and lighting

# What's Next at Village Park

For more details visit [menomonee-falls.org/villagepark](http://menomonee-falls.org/villagepark)

A variety of new features will make Village Park a special destination for children and families in Menomonee Falls.

- 1 An at-grade splash pad will include large vertical fountains and smaller spray fountains in a circular design
- 2 The We-Go Swing is one of several features designed for children and families of all abilities
- 3 The splash pad will be outfitted with LED lights to create an exciting and aesthetically interesting look – the lights can be programmed for different color combinations throughout the year
- 4 Dedicated pickleball and tennis courts with pickleball lines will be constructed to the southwest of the play area

# Construction & Development Projects

VILLAGE OF  
**Menomonee**  
Falls

## 2021 Year in Review

2021 was a strong year for new development and redevelopment projects in Menomonee Falls. The Village issued a total of 879 building permits, and the total estimated construction value of projects in Menomonee Falls was over \$114 million. Single family home construction/remodeling (\$64 million) and industrial projects (\$29 million) contributed the most to overall value.

### Residential

- 116 new single family home and duplex units
- 72 new apartment units
- 653 residential renovations/additions

A new home in Lilly Creek Highlands

### Commercial

- 2 new buildings
- 43 commercial renovations/additions
- Estimated construction value of **\$10.3 million**

Chick-Fil-A restaurant

### Institutional

- 2 new buildings
- 11 institutional renovations/additions
- Estimated construction value of **\$3.5 million**

Highlands at Aeropark 55+ townhomes

### Industrial

- 3 new buildings
- 30 industrial renovations/additions
- Estimated construction value of **\$29.2 million**

Tailored Label Products corporate headquarters

Menomonee Falls led all communities in southeastern Wisconsin with 98 new single family homes constructed in 2021. The Village had the second highest new construction value in Waukesha County in 2021, and construction moved forward on major business expansion projects from Milwaukee Tool, Tailored Label Products, RJ Schinner, and Amato Hyundai.

- **New construction value of over \$114.2 million**
- **5<sup>th</sup> greatest number of building permits ever issued 879 permits**
- **98 single family homes** and 18 duplex units were approved
- **103 lots for single family homes** were approved in Final Plats
- **Industrial projects totaling \$29.2 million**  
(the highest value in the last decade)
- Activation of the **event spaces** at **Village Park**

The Village of Menomonee Falls issued more building permits for single and two family homes in 2021 than Brookfield and Germantown combined

# Spring Cleaning Reminders

from the Public Works Department

A Public Works crew clearing a terrace area during the annual brush collection week

We recognize that spring is a great time to clean up the yard, organize the garage, and dispose of unwanted items. The following pages include reminders about programs you can utilize to keep your property looking good in 2022. We have also included information about Village initiatives and services that support spring cleaning for the community at-large. Thank you for doing your part to keep our community clean and well-maintained!

## Bulk Item Collection

Waste Management will be conducting a bulk trash collection week again in 2022. Bulk trash includes items that don't fit in the garbage cart, exceed four feet in length, or 60 pounds in weight. This collection includes up to two bulk items placed at the curbside for pickup free of charge. This will occur the first full week of May (week of May 2<sup>nd</sup>). Residents looking to utilize this service need to notify Waste Management between April 11<sup>th</sup> and April 25<sup>th</sup> about their items for pick-up by calling 262-251-4000. Residents will be required to have their bulk item(s) placed at the curb by 6 am on Monday, May 2<sup>nd</sup>, as the items may not be collected on your usual trash collection day. All items must be able to be loaded by two (2) people. This bulk collection does not include hazardous waste, yard waste, tires, or electronics. A complete list of acceptable items can be found at [menomoneefalls.org/bulkitems](http://menomoneefalls.org/bulkitems).

## Brush Collection Week

The Menomonee Falls Public Works Department will begin picking up brush on Monday, May 9<sup>th</sup>.

- Brush materials acceptable for Village pickup are **branches up to six inches in diameter**, cut to a **maximum length of four feet**.
- Brush must be placed on the terrace area (between the curb and sidewalk). In areas without curb, the brush should be placed on the grass area adjacent to the street pavement or adjacent to driveway entrances. All areas should have brush placed parallel to the road.
- For safety reasons, no brush may be placed on the street pavement.
- Please note: yard waste, including grass clippings, leaves, and garden debris will not be picked up.
- No stumps, roots, or shrubs with intact root balls will be picked up.
- Any yard waste that is mixed in with your branches will not be picked up.
- Brush in containers will not be picked up, as too often there is yard waste in the bottom of the container. We encourage you to use your Yard Waste Permit and take yard waste debris (not picked up) to the Orchard Ridge composting facility. Be aware that the Orchard Ridge composting facility will no longer accept cash and accepts all major credit cards and checks.

**The deadline for residents to put out brush for pickup is Sunday, May 8<sup>th</sup>.**

# Spring Cleaning Continued...

## Yard Waste Permits

Yard Waste Permits were mailed in February to each Menomonee Falls property owner. The permit allows residents to dispose of yard waste 35 times in a season (April – December) for no fee at the Orchard Ridge composting facility. Please note: Village residents must provide identification showing proof of Menomonee Falls residency. Have your ID ready to show the scale house attendant upon arrival. If you do not arrive with a permit, all fees will be charged. All businesses are excluded from this program.

2022 Orchard Ridge Composting Facility Program  
Located at W124N9355 Boundary Road

- Acceptable forms of payment include credit card or check – cash no longer accepted
- Residents will be allowed one free visit per day  
After the free visit, additional yard waste will be charged at a rate of \$0.015 per pound, minimum of \$3.00.
- Hours of Operation: Monday through Friday, 6:30 am – 4 pm & Saturday 7 am – 11:45 am
- No large stumps or logs over 6" will be accepted

## Fire Hydrant Flushing

The Village flushes fire hydrants in the spring and fall of each year, and throughout the year if necessary. Hydrant flushing improves water quality, exercises hydrants so they are in good order when needed for an emergency, removes sediment that may cause discolored water, and allows us to inspect each hydrant for defects. If you experience discoloration in your water, we recommend running the cold water for several minutes to help clear the water before use.

## Menomonee River Cleanup

Join us this spring on April 23<sup>rd</sup> to clean up the parks and rivers of Menomonee Falls! Every year since 2008, around Earth Day in April, the community has gathered to clean up the parks and rivers of Menomonee Falls. We will be following protocols again this year to keep all participants healthy and safe. Please visit [menomoneefalls.org/rivercleanup](http://menomoneefalls.org/rivercleanup) for more information and to reserve your spot for the cleanup!

## WATER QUALITY

The U.S. Environmental Protection Agency requires water utilities provide their customers a Consumer Confidence Report annually. This information is designed to educate our customers about the source of the water supply, the water treatment process, and the extensive testing conducted to ensure water quality before the water enters a property in Menomonee Falls. The report can be read at

# 2022 Updates & Events Preview

MENOMONEE FALLS  
DOWNTOWN  
where main & appleton meet

We are looking forward to a great 2022 outdoor season in Menomonee Falls Downtown! Ladies Night was hosted by downtown businesses on March 10<sup>th</sup> and offered promotions, downtown bingo, and prizes. Easter Bunny & Friends on April 16<sup>th</sup> will be a great family friendly event with local businesses and an opportunity to get out and enjoy the spring air.

Falls Memorial Fest and the Lucky Ducky Derby officially kick off the summer with a great weekend of remembrance, honoring, and celebration of those who have served and continue to serve our nation. Please see the great [article by the Knights of Columbus](#) on the following page for details. June brings back the amazing Farmers Market, launches beer garden season, begins the Sunset Concert Series, and the 2<sup>nd</sup> annual Art Walk! Great music and art, amazing community, we're celebrating all things Menomonee Falls Downtown!

The Beer Garden presented by Grace Commons is back in 2022! Beer garden season will start on Wednesday, June 1<sup>st</sup> and end on Wednesday, October 12<sup>th</sup>! This year's beer garden will feature 20 live music acts ranging from vibrant trio's, to solo acoustic artists, to up and coming local musicians! The beer gardens will start each Wednesday at 5 pm, which allows for guests to check out the local Farmer's Market (open from 2 pm - 6 pm). Beer choices will range from classic domestic beers, to local Wisconsin crafts, hard seltzers and Pepsi products. Other than the weekly scheduled entertainment, we are planning other events such as a 5K Run with Silver Circle Events.

Do you want to be more involved with downtown events? We'd love to work with you! Scan this QR code to tell us more! Stay up to date with news and announcements for downtown by visiting our website [menomoneefallsdowntown.com](http://menomoneefallsdowntown.com) and following us on Facebook and Instagram.

# Falls Memorial Fest 2022

**Saturday, May 28<sup>th</sup>**

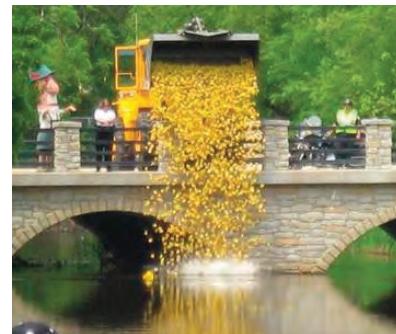

Thousands of people visited street vendors on Main Street during Falls Memorial Fest, 2021

Mark your calendars for Saturday May 28<sup>th</sup> for the **6<sup>th</sup> annual Falls Memorial Fest!**

Once again, we will honor our fallen veterans on Memorial Day Weekend with this community event which starts with the 10 am Remembrance Ceremony at Village Park. The Menomonee Falls Legion will honor the Gold Star families of Menomonee Falls at this ceremony by reading names of veterans that have fallen in battle for freedom. This ceremony will be followed by a parade at 10:45 am which will proceed from Village Park, down Main Street, to the east end Main Stage for the Memorial Fest opening ceremonies. There will be more remembrance and tributes to veterans, and the Village will be represented by the Police and Fire Chiefs and the Village President. After the ceremony, the festival will begin with events continuing throughout the day until 10 pm. This is a great event to kick off your summer!

## Falls Memorial Fest Activities

- Street vendors , food , live music on two stages until 9 pm, beer , wine and other refreshments along Main Street. Downtown businesses also open for your enjoyment.
- 6<sup>th</sup> annual 5k for Operation Finally Home Race registration at 8 am , Race start 9 am , Post-race party until 10:30 am. All held at Mill Pond Park Pavilion.
- The Knights of Columbus Lucky Ducky Derby will be held at Mill Pond park from 11am – 4 pm. Food and live music at the Pavilion until 3 pm. At 3 pm, 4,000 rubber ducks will be dropped into the pond for a swim down the pond. Winners announced at beer tent on Main Street by 5 pm.

Main Street Main Stage

- Kids area at Village Park by YMCA. 11 am – 4 pm. The YMCA will once again provide a wonderful kid's area with bounce house, face painting, games and other activities. Family friendly entertainment on the main stage, food and refreshments will be available at Village Park.
- Main Street Muscle Car Production Show at Village Park. 11 am – 4 pm. Entry fee \$10. Contact Doug at 262-388-3570 or check out the show's facebook page [@MainStreetMuscleCarProductions](https://www.facebook.com/MainStreetMuscleCarProductions)

Family fun the entire day, so come out and chase the winter blues away!

# FARMERS MARKET

## 2022 Schedule

Wednesday 2 pm – 6 pm  
June 1<sup>st</sup> through October 12<sup>th</sup>

Sunday 10 am – 1 pm  
July 10<sup>th</sup> through September 11<sup>th</sup>

The 2022 Farmers Market season in Menomonee Falls will offer even more of the good things you enjoyed the past year. The Wednesday market will open the season on June 1<sup>st</sup>, and a Sunday market will begin in July during the height of the growing season. A long list of your favorite vendors has already committed to 2022, and new farmers, vendors and artisans continue to join in at our popular Village Park location. Watch our Facebook page and website in May for all of the updates.

Some of the newest vendors include Miltown Eats (bringing locally-sourced meal kits) and Fiddlesticks Kettle Corn & Lemonade on Sundays. The market will continue to offer a unique blend of farmers, local producers and artisans, as well as restaurants offering prepared foods and drinks.

Follow us on Facebook  
[facebook.com/GMFF.FarmersMarket](https://www.facebook.com/GMFF.FarmersMarket) or visit our website at [fallsfarmersmarket.org](http://fallsfarmersmarket.org)

## Able to Lend a Hand?

We are seeking individuals and organizations to lend a hand for set up and take down of the market this summer. The Farmers Market is actively seeking volunteers (high school age and older) to sign up for particular days to help our vendors more quickly set up and take down vendor booths. If you or your organization, team or group, are interested in supporting this vital community opportunity, please reach out to Dana Newman, Market Manager at 262-327-4756 or email [mffarmersmarket@gmail.com](mailto:mffarmersmarket@gmail.com).

# New in 2022 at Old Falls Village

Guess who is 50 years old this year? In 1972, Old Falls Village was officially named a park and will be 50 years old. Come celebrate this great milestone with the Menomonee Falls Historical Society all this year by checking out the newest events and see the renovated Train Depot!

## Events

Our season at Old Falls Village will begin on May 21<sup>st</sup> - 22<sup>nd</sup> with a new event: Old Falls Revolutionary War Days. May 21<sup>st</sup> is also the opening day of the fifth Beer Garden Season. Watch out for additional park improvements for the Beer Garden and other amenities throughout the summer. New in 2022, we are hosting Sci-Fi Family Day on August 13<sup>th</sup>. Dress up as your favorite Sci-Fi character while enjoying a cold beer! Activities for children as well as adults.

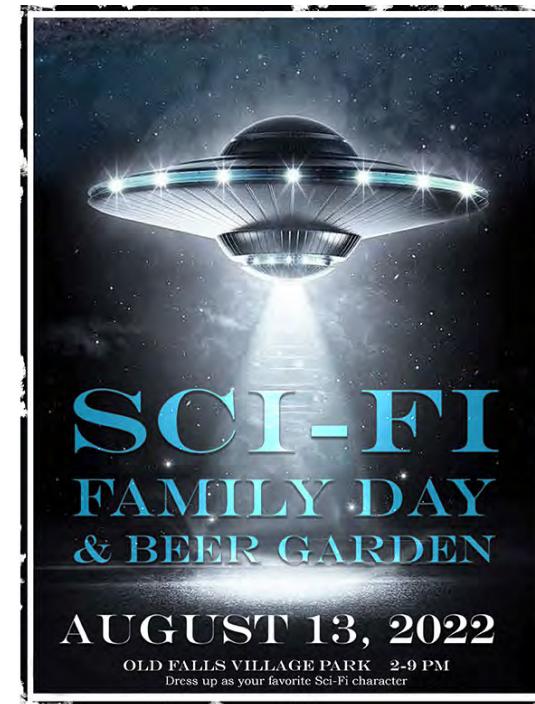

## Train Depot

This year, the Menomonee Falls Train Depot will be 132 years old and it is getting a makeover. The Train Depot was moved to Old Falls Village in 1980. It was originally located on Water Street (near the Knights of Columbus building) built in 1890. The Train Depot will be transformed into a "working" Depot as it would have appeared originally with custom made benches and a ticket booth. There will also be museum displays located within the baggage area. This will pair nicely with the caboose that was added to the park recently. Next time you are out at Old Falls Village for an event, check out the newly renovated Train Depot. We want to thank our donor for such a wonderful gift to the Historical Society to renovate the Depot.

## Saturday Depot Beer Gardens at Old Falls Village

Free. Outdoor, Held every Saturday from May 21<sup>st</sup> to October 8<sup>th</sup>. Most of the Depot Beer Gardens are from 3 pm, until 9 pm, however if there is an event that weekend, the beer garden opens earlier. Check the schedule for exact times. What a great family destination! There is plenty of room for the children to run and play while there is entertainment on the Depot platform. Live Music. Activities for the kids. Scrumptious food. Cold beer and soda available.

All the proceeds go to support the work of the Menomonee Falls Historical Society. This is a family-focused event. Come visit Old Falls Village Historical park on the corner of Pilgrim road and Highway Q. Beer Gardens and events are weather permitting. Parking is always free and admission happens only with special events.

## R.M.S. Titanic Dinner Fundraiser

On April 28<sup>th</sup>, The Hot House on Appleton Ave will be transformed for a unique evening experience remaking a first-class dinner marking the 110<sup>th</sup> anniversary of the unsinkable Titanic. This Titanic themed "All Hands on Deck" fundraiser is to help raise funds for improvements at Old Falls Village Historical Park. There will be a silent auction, raffles, and entertainment throughout the evening while enjoying a six-course meal similarly served on the Titanic's first-class dining hall. Attend in optional formal black tie or period appropriate attire for this immersion themed fundraiser to benefit the Menomonee Falls Historical Society. Tickets are available for purchase at the Menomonee Falls Historical Society office, also at [www.OldFallsVillage.com](http://www.OldFallsVillage.com). For more information, contact 262-250-3901 or mfhistory@yahoo.com.

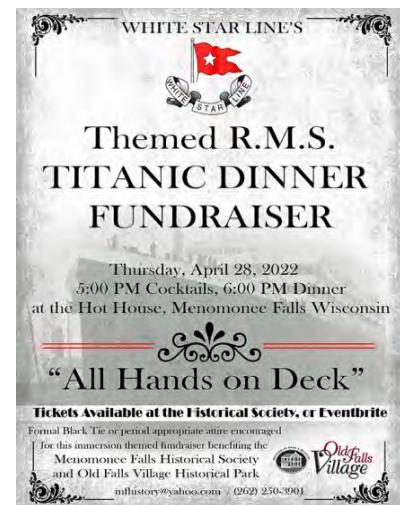

## Recreation

Come enjoy a day in the park anytime! Old Falls Village park is open all year from dawn to dusk for relaxation, walking, photography, and enjoying the rustic scenery. The park is free to roam at your leisure. Check ahead for special events happening within the park. Old Falls Village is a great parking location to use as a trail head for the Bugline Trail which begins just 1.1 miles to the south.

# Getting to Know the Village's Police Department

In last year's spring newsletter, we introduced Police Chief Mark Waters.

This spring, we would like to introduce more members of our department by sharing some photographs of some of the officers and professional staff who serve the citizens and visitors to Menomonee Falls.

In order to properly serve the community, the day to day scheduling of our staff is varied over three different eight-hour shifts. These varying schedules make it close to impossible to take complete group photographs. However, we thought it was important to share the friendly faces you will see throughout the village.

## Day Shift: (pictured above)

Often referred to first shift, is composed of one Lieutenant, two Sergeants and several officers. They handle a variety of calls and are generally the most veteran officers of the department and have a wide variety of skills, knowledge and experience. The call variety ranges greatly with a large volume of calls dealing with retail theft. This shift spends the greatest amount of time with community engagement.

## Early Shift: (pictured above)

This shift name is often confused with first shift, but is actually our second shift. Early shift is similar in structure to our day shift, but handles the highest volume of calls. Early shift has the largest staffing for this reason. It provides an excellent opportunity for officers to be exposed to a large variety of calls. As a result, this shift contributes to well-rounded and experienced officers.

## Late Shift: (pictured at right)

This is our third shift or graveyard shift. The staffing structure is the same as day and early shift. This shift's calls for service vary greatly, but many calls involve intoxicated subjects and drivers. There are other serious crimes that occur during these overnight hours such as burglaries. Some veteran officers choose to work this shift for family reasons. Regardless, serving during overnight hours can be quite challenging.

## Getting to Know MFPD Continued...

### **Special Investigations Bureau (SIB):** (pictured above)

This work group consists of a Lieutenant, Detectives and Juvenile Officers. SIB overlaps with the patrol shifts and is responsible to investigate the most serious crimes, assist in major incidents, and handle sensitive juvenile crimes. They are a valuable resource to help in investigations and mentor the junior officers.

### **Office of the Chief:**

The Chief of Police, his administrative assistant and the two police Captains comprise the Office of the Chief. The Chief has overall authority for the department with tasks related to support of the department delegated to one Captain. The other Captain has oversight of the department's operations.

### **Police Support Specialists:** (pictured above)

This work group is part of our professional staff. There is a civilian supervisor who oversees three shifts of support specialists. They are responsible for supporting the officers and handle several different tasks. Most importantly these are the friendly voices you hear on the phone or see in our front police lobby. The entry of a stolen auto or a missing person to helping an officer track down a vehicle or phone number for a suspect is just in a day's work. The list goes on and on.

Not pictured: Patrol Support Unit and the Services Unit

The Menomonee Falls Police Department employs a total of 62 full-time sworn police officers, 9-14 police aides, 13 civilian support personnel, and 11 crossing guards

# Spring Service Updates From the Menomonee Falls Fire Department

## Safety through Prevention

### The Inspection Bureau

The Menomonee Falls Fire Department is responsible for a bi-annual inspection of all commercial properties in the Village. The COVID pandemic caused the department to drastically scale back the inspections while run volume continued to grow. The department is back to its original inspection schedule, and to accommodate this increase in volume, we have established a formal bureau with members whose only task is to perform inspections. This allows the inspections to proceed without being interrupted by runs which was becoming a common occurrence.

### Grass Fire Review

The grass fire in the spring of 2021 was one of the largest events in Wisconsin to use MABAS, the Mutual Aid Box Alarm System. Follow the link below to view the newsletter where the incident is reviewed.

[MABAS-WI-Newsletter-Vol-12-Issue-4](#)

## Training Academy

Our newest members had the opportunity to have the final session of their training academy at the Milwaukee Fire Department Bureau of Instruction and Training burn tower. The group was able to practice search and rescue, hose line advancement, ventilation, and building laddering techniques under live fire conditions with heat and smoke.

### New Command Vehicle

The department put into service a 2021 Chevrolet Tahoe. This replaces a 13 year old car that will be re-purposed. The new vehicle will be the Shift Commander's car, carrying the designation 2710. The cargo area is outfitted with a command console including remote radios to give the Incident Commander a desk to work at while on scene.

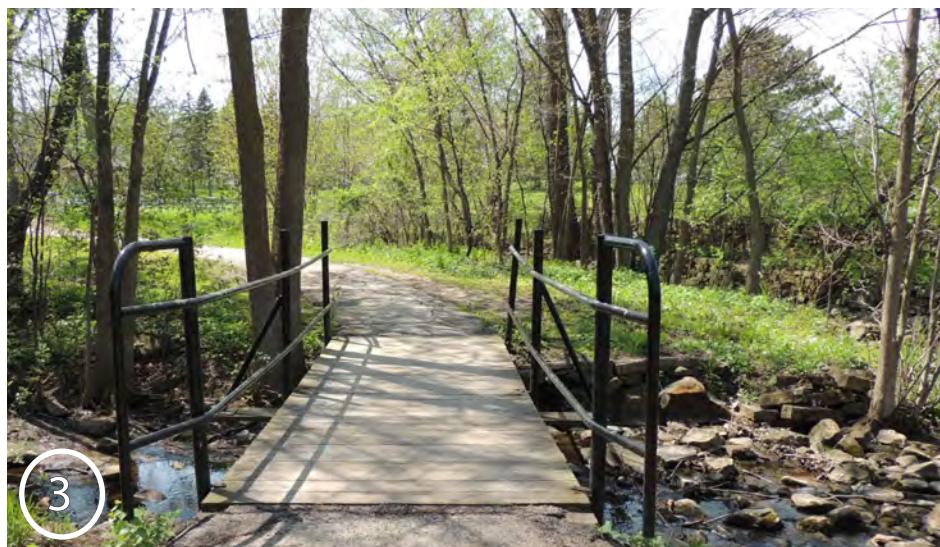

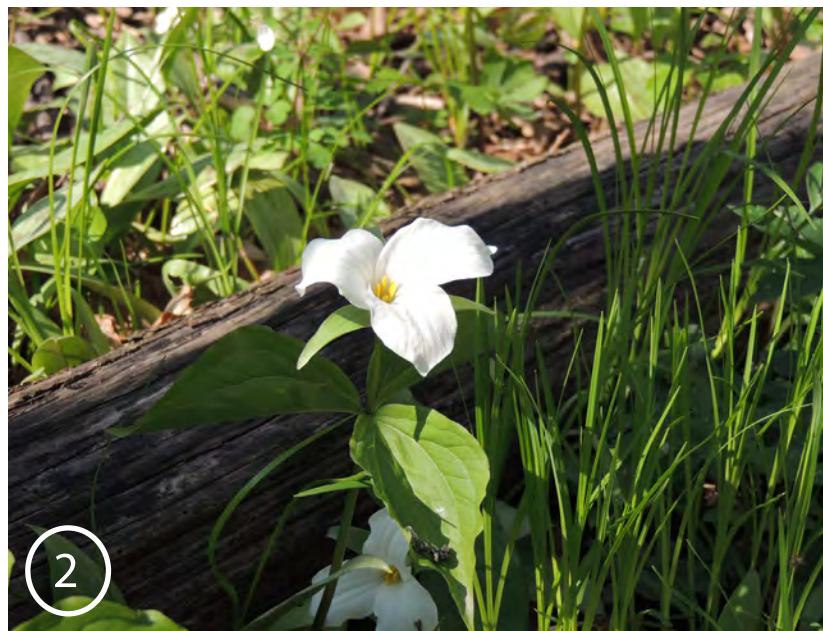

The car also includes a vented area to store firefighting gear while directing carcinogens or contaminants to the exterior.

## Opportunities to Give Back

**Menomonee River Cleanup** – Come join us this spring on April 23<sup>rd</sup> to clean up the parks and rivers of Menomonee Falls. Every year since 2008 (except 2020), around Earth Day, the community has gathered to clean up the parks and rivers of Menomonee Falls. This event is organized by the Milwaukee Riverkeepers and sponsored by Waste Management. Visit [menomonee-falls.org/rivercleanup](http://menomonee-falls.org/rivercleanup) to learn more and to register for the 2022 Menomonee River Cleanup.

**Falls Area Food Pantry** relies solely on donations and the time and talents of volunteers from the community. Consider getting involved this spring by donating food and/or money, hosting a food drive, adopting a shelf or utility (to cover operating expenses), or volunteering at the pantry. Learn more at [fallsfoodpantry.org/volunteer](http://fallsfoodpantry.org/volunteer)
