## 2022 Development & Community Status Report

Curious about what is being built in the Village?  
This report provides an overview of development  
projects for 2022 and includes information about  
demographic and economic trends impacting  
Menomonee Falls. Check out this report to learn  
more about development in our community at

## Respect Our Waters: Reduce Stormwater Pollution this Spring

Mild temperatures bring rain showers (and snow melt) which contribute to stormwater run off. The Village encourages residents to do their part to keep stormwater free from contaminants that can end up in our rivers and lakes. Learn about stormwater pollution and some simple actions you can take to keep waterways clean at [respectourwaters.org](https://respectourwaters.org)

## Temporary Roadway Load Limits

Beginning on March 10<sup>th</sup>, load limit signs were placed along Village roadways restricting all non-essential heavy vehicle traffic in excess of six tons. These temporary weight limit restrictions are meant to limit damage to pavement during the spring thaw, and they will be enforced by the Police Department. For more details, see the [roadway limits news flash](#)

## Participate in the Egg-cellent Egg Hunt

Sign up today to be emailed a list of all participating Falls businesses that will display a colorful egg in their front window with a letter on it. Between March 20<sup>th</sup> - April 3<sup>rd</sup>, hunt around Menomonee Falls and decode the hidden phrase. Email your family name and answer to [cerd@sdmfschools.org](mailto:cerd@sdmfschools.org) by April 4<sup>th</sup>. [Register at www.fallsrec.org](https://www.fallsrec.org)
