MFFD WELCOMES NEW FIRE CHIEF

On March 4, 2024 Fire Chief Joe Pulvermacher took his oath of office at Village Hall. Following the oath, his mother and daughters pinned his badge and collar pins on his uniform. Our new chief then addressed the board reiterating his determination

to fulfill his duty and provide the best service possible to residents of Menomonee Falls and Lannon. On behalf of the Menomonee Falls Fire Department, we wholeheartedly welcome Chief Pulvermacher and look forward to accomplishing great things together!

RENOVATION UPDATE

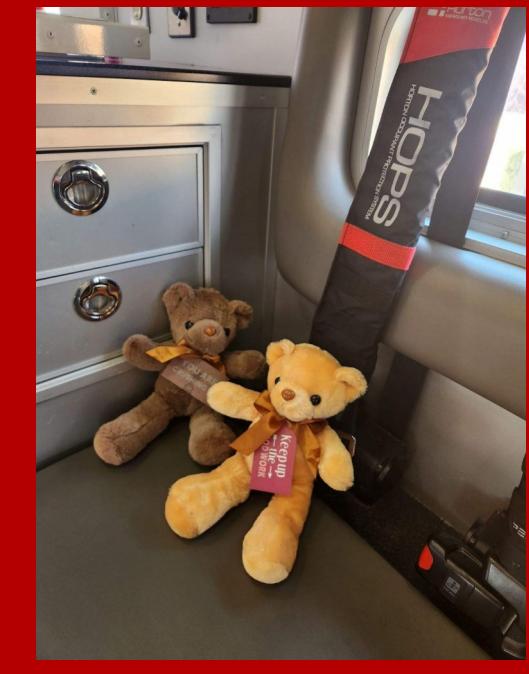

Progress continues on the Station 99 renovation. This week the addition on the west side had the metal roof decking installed, with the roof itself scheduled for next week. Once this area is dried in, the walls connecting it to the old station will be opened up, and we will really get an idea of what the space is going to look like. Inside the renovated areas of the station the rough plumbing, heating, and electrical is done with drywall installed. I have been busy working on getting the equipment for the station ordered. I have been able to collaborate with many of you and appreciate your recommendations, opinions, and the feedback I have received for these things. The weather has helped, but the many contractors have worked hard to keep us on schedule to be complete sometime in May, with an anticipated move-in around the first of June. I hope you enjoy the attached pictures of the work in progress.

- Deputy Chief Kevin Rokenbrodt

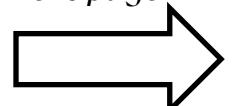

THANK YOU

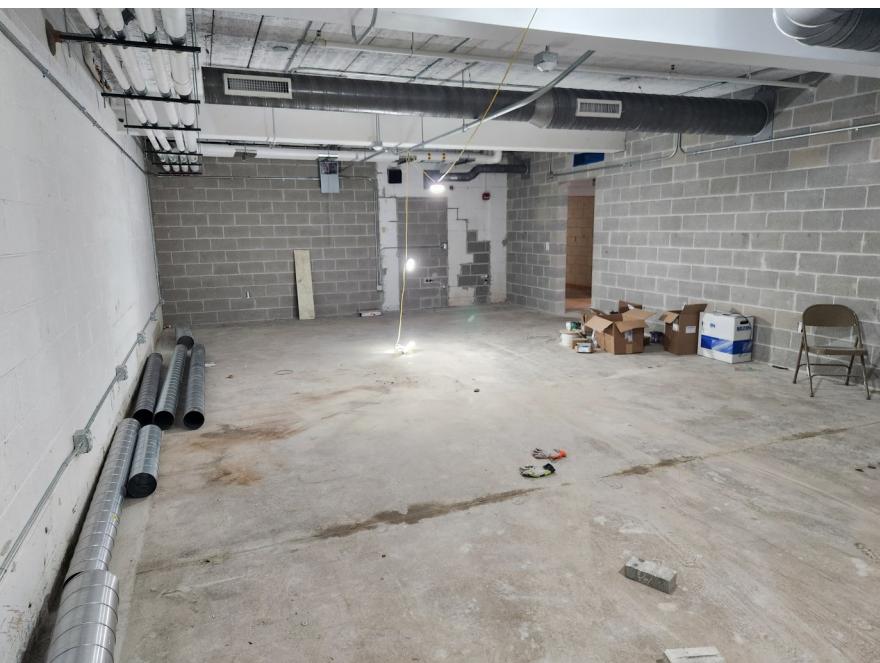

Thank you to Village at the Falls resident for these adorable bears that were donated to the MFFD crew members.

Blue Shift firefighters from Station 98 had a chance to meet with Mr. Stoller who had suffered a sudden cardiac arrest in January.

Because Mr. Stoller received bystander CPR shortly after collapse and the high quality advanced care provided by EMTs and paramedics from MFFD, Mr. Stoller regained a pulse and was eventually discharged from the hospital with no lasting deficits. Way to go Blue Shift!

Chicken Cobbler

Ingredients

1 rotisserie chicken, shredded

12 ounce bag of frozen peas and carrots

Salt and pepper

Sautéed garlic or garlic powder (optional)

2 cups Red Lobster Cheddar Bay biscuit mix

2 cups milk

2 cups chicken stock

10.5 ounce can cream of chicken soup

1 stick salted butter

Step 1: Turn on the heat and melt

Heat oven to 350°F. Place butter in a 9-by-13-inch pan and pop the pan in the oven to melt the butter as it heats.

Step 2: Layer the chicken and vegetables

Once butter is melted, add the chicken and spread into an even layer. Next, layer the frozen vegetables over the top. Season with salt and pepper, garlic if desired, and any other spices or herbs.

Step 3: Pour the liquids

Mix together the milk and biscuit mix along with the seasoning packet that comes with Red Lobster Cheddar Bay mix. Pour that milk-biscuit mix over the chicken and vegetables as a layer—do not mix together. Next, whisk together the chicken stock and cream of chicken soup, then pour over the top as another layer. Do not mix that either.

Step 4: Bake it, rest it and serve

Bake uncovered for 45-50 minutes. It is going to look runny, but let it sit for at least 10 to 15 minutes. The sauce will thicken to a gravy consistency. Serve with cracked black pepper.

From the firehouse to your house, enjoy!
