FALL 2025

In the law enforcement arena, an increasingly popular service to the community is that of a Citizen Police Academy. A Citizen Police Academy is a program intended to educate citizens about police work. Furthermore, it is an opportunity for the department to build a rapport with the citizens we serve. The Menomonee Falls Police Department will be offering its 15th Citizen Police Academy beginning on September 9, 2025. It will run a total of twelve weeks meeting once a week on Tuesday nights. Classes normally begin at 6:00 p.m. and last 2-3 hours. Time and location are subject to change based on curriculum.

The Academy is designed to give the public a working knowledge of our department's organization, personnel, policies, and procedures. The Citizen Police Academy is not designed as a preparatory class for individuals who desire to become a law enforcement officer. Rather, it is intended as an educational and informative offering for adults who either reside or work in our village and have a desire to learn more about their police department.

The Citizen Police Academy will cover a plethora of subjects including police administration, traffic enforcement, police operations, criminal investigations, use of force, tactical operations, etc. If you are interested in participating, please visit our website: www.menomoneefalls.org/618/Citizen-Police-Academy. Please direct questions to Sergeant Christopher Bellows (262-532-8720 / cbellows@menomonee-falls.org).

Upon receipt of all applications, we will review them and select up to 20 citizens for Class #15. It is our intent to have a very diverse class. Citizens accepted into the class will be required to return a signed waiver of liability and a registration fee of \$30.00. The registration fees will be used to purchase an academy class shirt, to purchase a framed class photo which will be displayed in the police department, and to cover all other related

miscellaneous costs associated with the Citizen Police Academy.

Sincerely,
