A Springtime State of Mind

March is hard in Wisconsin, but we also know that warmer weather is on the way! Join us in thinking spring and setting the stage for the beautiful season ahead.

One way the Village gets ready for spring is by coordinating cleanup efforts across the community. These include the Milwaukee Riverkeeper Spring Cleanup (scheduled for April 26th), the annual brush collection, and the Waste Management bulk-item collection. We also distribute yard waste permits to property owners and maintain parks and trails so they are clean and clear for the busy season to come. Grab your yard gloves and contribute to the Village's spring glow up in 2025!

Fortunately, there is (even) more to look forward to than yard work in the Falls this spring. This year's community event calendar opens with the Downtown Pub Crawl (April 5th) and continues with Old Falls Revolutionary War Days (May 3rd - 4th), Falls Family Movie Night (May 16th), and Falls Memorial Fest (May 24th). The Menomonee Falls Farmers Market starts on June 4th.

This edition of *The Current* newsletter provides a preview of these events and dozens of other upcoming programs and initiatives across Menomonee Falls. We've also included seasonal service updates, content from the Police and Fire Departments, and important stories from our many community partners. Enjoy, and have a wonderful spring season!

Spring Cleaning Reminders

from your Public Works Department

A Public Works crew at work during brush collection week

Spring is a great time of the year to tidy up the yard, organize the garage, and dispose of unwanted items. The following pages include reminders about programs you can utilize to keep your property looking great in 2025. We have also included information about Village initiatives and services that support spring cleaning for the community at-large. Thank you for doing your part to keep our community clean and well-maintained!

Bulk Item Collection

Waste Management will be conducting a bulk trash collection week again in 2025. Bulk trash includes items that don't fit in the garbage cart, exceed four feet in length, or exceed 60 pounds in weight. This collection includes up to two bulk items placed at the curbside for pickup free of charge. This will occur the first full week of May (week of May 5th). Residents looking to utilize this service need to notify Waste Management between April 14th and May 2nd about their items for pick-up by calling 262-251-4000. Residents will be required to have their bulk item(s) placed at the curb by 6 am on Monday, May 5th, as the items may not be collected on your usual trash collection day. All items must be able to be loaded by two (2) people. This bulk collection does not include hazardous waste, yard waste, tires, or electronics. A complete list of acceptable items can be found at menomonee-falls.org/bulkitems

Brush Collection

The Menomonee Falls Public Works Department will begin picking up brush on Monday, May 12th.

- Brush materials acceptable for Village pickup are **branches up to six inches in diameter**, cut to a **maximum length of four feet**.
- Brush must be placed on the terrace area (between the curb and sidewalk). In areas without curb, the brush should be placed on the grass area adjacent to the street pavement or adjacent to driveway entrances. All areas should have brush placed parallel to the road.
- For safety reasons, no brush may be placed on the street pavement.
- Please note that yard waste, including grass clippings, leaves, and garden debris will not be picked up.
- No stumps, roots, or shrubs with intact root balls will be picked up.
- Any yard waste that is mixed in with your branches will not be picked up.
- Brush in containers will not be picked up, as too often there is yard waste in the bottom of the container. We encourage you to use your Yard Waste Permit and take yard waste debris (not picked up) to the Orchard Ridge composting facility. Be aware that the Orchard Ridge composting facility will no longer accept cash and accepts all major credit cards and checks.

The deadline for residents to put out brush for pickup is Sunday, May 11th.

Spring Cleaning & Service Reminders Continued...

Yard Waste Permits

Yard Waste Permits were mailed in February to each Menomonee Falls property owner. The permit allows residents to dispose of yard waste 35 times in a season (April – December) for no fee at the Orchard Ridge composting facility. Please note: Village residents must provide identification showing proof of Menomonee Falls residency. Have your ID ready to show the scale house attendant upon arrival. If you do not arrive with a permit, all fees will be charged. All businesses are excluded from this program.

2025 Orchard Ridge Composting Facility Program

Located at W124N9355 Boundary Road

- Acceptable forms of payment include credit card or check – cash no longer accepted
- Residents will be allowed one free visit per day. After the free visit, additional yard waste will be charged at a rate of \$0.015 per pound, minimum of \$3
- Hours of Operation: Monday through Friday, 6:30 am – 4 pm & Saturday, 7 am – 11:45 am
- No large stumps or logs over 6" will be accepted

Recycling & Disposal Requirements

Things like chemicals, electronics, and appliances cannot be disposed of using your curbside collection service, so residents are encouraged to utilize the following resources to determine the most appropriate way to dispose of these types of items. A listing of various household items and instructions for disposal can be found on pages 16-19 of the [Public Works Department Resident Guide](#). Waukesha County has also compiled information on how to dispose of various electronics, and that information can be found at the [Waukesha County electronics disposal options web page](#). Additionally, the University of Wisconsin-Green Bay has created a Wisconsin Recycling Markets Directory in conjunction with the Wisconsin Department of Resources which provides state-wide information about landfill diversion opportunities for various items. The directory can be accessed at uwgb.edu/recycling. Any additional questions about recycling and disposal can be directed to the Public Works Department via email at pw@menomonee-falls.org or via phone at 262-532-4700.

Menomonee River Spring Cleanup

Join us this spring on Saturday, April 26th to clean up the parks and rivers of Menomonee Falls! Every year since 2008, around Earth Day in April, the community has gathered to clean up the parks and rivers of Menomonee Falls. Please visit menomonee-falls.org/rivercleanup for more information and to reserve your spot for the cleanup!

2023 Menomonee River Cleanup

Lime Kiln Park is one of dozens of locations for the annual Menomonee River Cleanup

Fire Hydrant Flushing

The Village flushes fire hydrants in the spring and fall of each year, and throughout the year if necessary. Hydrant flushing improves water quality, exercises hydrants so they are in good order when needed for an emergency, removes sediment that may cause discolored water, and allows us to inspect each hydrant for defects. If you experience discoloration in your water, we recommend running the cold water for several minutes to help clear the water before use.

Construction & Development Update

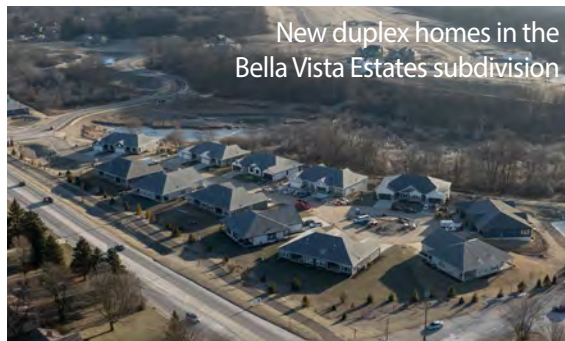

2024 Year in Review

2024 was a very strong year for new development and redevelopment projects in Menomonee Falls. The Village issued a total of **1,041 building permits**, and the total estimated construction value of projects in Menomonee Falls was nearly **\$205 million**. Single family home construction/remodeling (\$116 million) and senior housing projects (\$43 million) contributed the most to overall value.

Menomonee Falls ranked first among SE Wisconsin communities with 223 new single family/duplex homes constructed in 2024. The Village had the second highest new construction value in Waukesha County in 2024, and construction moved forward on major business projects for Alto-Shaam, Boucher Ford, Laser Center, Jilly's Car Wash, and Wanaki Golf Course.

Residential

- 223 new single family home and duplex units
- 53 new apartment units
- 786 residential renovations/additions

Commercial

- 3 new buildings
- 19 commercial renovations/additions
- Estimated construction value of **\$14 million**

Institutional

- 1 new building
- 16 institutional renovations/additions
- Estimated construction value of **\$45.6 million**

Industrial

- 3 new buildings
- 30 industrial renovations/additions
- Estimated construction value of **\$28.7 million**

- New construction value of nearly **\$205 million**
- The highest residential construction value ever **\$116.4 million**
- **143** single family homes and 80 duplex units were approved
- **166** lots for single-family homes approved in Final Plats - 2nd most since 2005
- **Dickson Hollow Phase II project \$28.9 million** in estimated construction value
- Major renovation completed at **Centennial Plaza**

The Village issued more building permits for single family and duplex homes than any community in the state except Madison in 2024

Check out the Village Park Beer Garden!

Every Wednesday night (starting June 4th), the park transforms into a lively beer garden, inviting the community to unwind and enjoy an evening of good food, drinks, and entertainment. Guests can savor a selection of beers and wines, along with refreshing soda options, while indulging in delicious offerings from rotating food trucks.

The atmosphere is enhanced by the sounds of live music, creating a perfect backdrop for relaxation and socializing. As the event overlaps with the farmers market, visitors can also browse fresh produce and artisanal goods before settling in for the evening festivities. Families and friends gather at picnic tables, on blankets and lawn chairs, fostering a sense of community as they enjoy the vibrant ambiance.

With a blend of great food, drink, and local talent, this weekly gathering has quickly become a highlight of the community, encouraging everyone to come together and celebrate the season!

ERAS Senior Network Pen Pal Program Connects Generations

Eras Senior Network provides meaningful connections between Menomonee Falls students and community members through their **Retired and Senior Volunteer Program (RSVP)**

Although the partnership has been in place for over 20 years, Eras contributions to the Menomonee Falls School District are a well-kept secret. Eras provides a network of community members aged 55+ who support the School District and enhance student learning through various programs and placements.

Eras RSVP is part of a national movement of senior volunteer service programs through AmeriCorps Seniors. Seniors 55 and older are placed in community and government agencies to address pressing community needs. Volunteers serve in a variety of settings.

In the School District, our volunteers serve as classroom tutors, help maintain the community resource room at Ben Franklin, and participate in our Readers Café, Literacy Café, and Pen Pal Program. They help bridge gaps to support students and staff.

Through the **Pen Pal Program**, every fifth grade student at Riverside Elementary School is matched with a senior volunteer. This program was recently revamped to align with the new English Language Arts (ELA) curriculum, adopted by the state last year. The traditional program, which consisted of students and seniors exchanging one handwritten note per month, was in jeopardy. The program was becoming outdated, and there simply was not enough instructional time in the day to complete additional projects.

The new program was launched in October

While seniors and students still correspond monthly, students share a project they have worked on in school, and the volunteers serve as an authentic audience for their learning. Each month, the volunteers receive the project along with details about what the students have learned and how they can respond to support their learning. Students receive positive feedback on their work and build connections with community members. The senior volunteers participate in the learning process and stay connected to the School District.

The program is both relevant and personal, with students sharing narratives, articles, and digital invitations that they have learned to create. The annual Pen Pal Parties are a highlight for both students and senior volunteers. Students finally get to meet their pen pals face-to-face and celebrate their connection.

“The Pen Pal Program has always been a vehicle to promote connections between our senior volunteers and students. This year, that connection has broadened and become even more impactful, with students sharing their unit projects with our volunteers and, in turn, receiving feedback on their learning. Our volunteers have filled a gap and provided another venue for our students to share their work.” – Scott Walter, Principal, Riverside Elementary School.

For more information about our Pen Pal Program, please visit our website at www.Eras.org.

Celebrate Fussville!

Historical Marker Dedication

Save the Date: May 21, 2025 – 3 pm

Southeast Corner of
Appleton Ave. and Good Hope Rd.

View of Fussville looking north
& St. Anthony's Catholic Church

The Village of Menomonee Falls, with a team of researchers and past residents would like to invite you to celebrate Fussville with the dedication of the first Wisconsin State Historical Marker in Menomonee Falls. Brief speeches will reflect on Fussville's past, present, and future.

By 4 pm, the celebration will continue at Third Space Innovation Brewhouse, conveniently located on the corner, with live music, food, beverages, photographs and opportunities to remember and reminisce.

Come be part of this historical celebration!

A Brief History of Fussville

In the mid-1800s, a small community called Fussville arose around the intersection of Appleton Avenue and Good Hope Road. It was made up of immigrants, primarily German speaking, including Johann Fuss, his wife Anna Clara, and their eleven children. The spiritual center of the early community was St. Anthony Parish. Over time, Fussville grew to include a post office, brewery, blacksmith shop, stagecoach inn, and several taverns.

At the turn of the century, Fussville began to change. Mail service to the community was discontinued in 1903 and better transportation meant travelers had fewer reasons to stop along their way.

In 1958, the Village of Menomonee Falls annexed the Township of Menomonee, including Fussville, yet the little community maintained its unique identity.

Then, in 1971, improvements to Appleton Avenue from two-lanes to a four-lane road meant the demolition of most Fussville homes and businesses which were built right along the highway's edges.

Celebrate Fussville Continued...

All that currently remains of the community are St. Anthony Parish, North Hills Country Club, and a small collection of residences.

In 2017, "Glimpses: Memories of St. Anthony the Hermit Parish and the Lost Community of Fussville, Wisconsin" was published by Carole McGibany. Additionally, Mary Jane Peschmann and Tom Zimmer published their own works based on the farm journals of Fussville farm wife, Tonie Claas. Together these historical volumes and the stories they tell give a voice to the rich history of life in Fussville.

"We found that people remember Fussville," McGibany shared.

The State Historical Marker at the southeast corner of Appleton Avenue and Good Hope Road is the most recent chapter in the Fussville story. With new developments, the four corners continue to serve those who live, work and play in Menomonee Falls, just as they did in the olden days of Fussville.

A New Season for Old Falls Village Park

Spring Preview from the Friends of Old Falls Village Park

As we gear up for the advent of the 2025 event season at Old Falls Village Park, we are thrilled to announce an exciting lineup of events this spring by Friends of Old Falls Village Park. As a cherished historical community park, our goal is to bring the community together at the park for an exciting immersion and learning about history. Mark your calendars for these fantastic spring events:

Community Easter Egg Hunt

Sunday, April 13th 1 – 2 pm

- Make memories with your youngsters at Old Falls Village Park at the inaugural Easter Egg Hunt. Join us starting at 1 pm for children's activities before the big dash at 2 pm for eggs hidden and not so hidden in the park. Ages 1-10 with the youngest children getting a head start for their eggs. Meet the Easter Bunny for a great photo op!

Work Day and River Cleanup Event

Saturday, April 26th 9 am – noon

- As the long winter melts away, the park needs extra care and love to get ready for the summer season. Please join us Saturday morning to help cut and remove invasive species, trim trees, pick up trash, and more.

Revolutionary War School Day

Friday, May 2nd 9 am – noon

- Have you ever wondered how people lived in the Revolutionary War period of American History? This is a rewarding and immersive field trip for your class and students as they rotate stations of different speakers and activities. Home schoolers are welcome. Sign up today to be a part of this historical educational school day at Old Falls Village Park. Register soon at www.oldfallsvillagepark.org/school-days

Old Falls Revolutionary War Reenactment

Saturday & Sunday, May 3rd - 4th

- Join us for the fourth annual Revolutionary War Reenactment as the British and Colonial troops and civilians demonstrate life during the late 1770s. The event opens at 10 am both Saturday and Sunday with a highlight of battle reenactments, demonstrations, vendors, speakers and children's activities. A fantastic family-friendly historical educational event to attend!

Spring Preview Continued...

Old Falls Biergarten Mai Fest Celebration

Friday & Saturday, May 9th -10th

- The Old Falls Biergarten opens on May 2nd for the Biergarten Season at Old Falls Village Park. Join us at the Mai Fest Celebration on May 9th and 10th for our German Biergarten with bier, brats, and bands.

We invite you and your family to Old Falls Village Park for our exciting 2025 event season. Your support helps us preserve this historical community treasure and continue to bring joy to our community. For more information, please check out www.oldfallsvillagepark.com for up-to-date information.

Park Projects

Thank you to Scouting America for their Eagle Scout Projects at Old Falls Village Park which in the past years have included a new flag pole, bark landscaping, fire pit, benches, and a new trail in the forest. Future projects, such as invasive species removal, trail development, and building a firewood shelter are fantastic initiatives to continue improving the park. Kudos to everyone involved for their hard work and dedication! Contact Friends of Old Falls Village Park for any project suggestions or any groups that would like to participate and volunteer for projects at the park.

Rentals

Did you know that you can rent Old Falls Village Park for your family reunion, wedding, corporate party and more? Contact info@oldfallsvillagepark.com for more information and find out available dates for rentals.

Volunteers Needed

There are so many volunteer opportunities at Old Falls Village Park available during events such as help for parking, admissions, bartending, and setup for events to list a few. Volunteers are also welcome to help with grounds activities such as grass cutting, garden maintenance and tree care. We want to thank the community for all of their support for the amazing events and activities at the park as well as preserving your historical park for everyone to enjoy. Friends of Old Falls Village Park would like to send out a heart filled Thank You to all the volunteers who have taken care of the grounds at Old Falls Village Park in 2024!

Spring 2025 Update from the Menomonee Falls Historical Society

The Menomonee Falls Historical Society is thrilled to embark on its 59th year serving the Village of Menomonee Falls. Our commitment to the mission of collecting, preserving, and sharing the rich history of the Village remains steadfast, and we are pleased to announce that this summer will bring new opportunities for our visitors. The local history museum is undergoing further development, with the completion of the "Four Corners" exhibit on the horizon. Following this, our efforts will shift towards enhancing the second half of the museum, which will feature additional displays, artifacts, and educational resources that highlight the rich history of our community.

An exciting new initiative is set to launch this spring, aimed at improving the dissemination of information about the historic structures located within Old Falls Village Park Historic Park and Museum. Stay tuned for additional updates and details regarding this program!

On April 10th, we will host an informational evening aimed at individuals and groups interested in supporting the Historical Society and its mission. This event presents an excellent chance to gain insight into our organization and its various activities. We offer a wide range of roles, including support for building maintenance and development of the local history museum, serving as museum docents, and assisting with educational programs and events. The

session is scheduled to take place from 6 pm to 7 pm at the Public House in Old Falls Village Park, located at N96W15791 County Line Rd. Refreshments will be served.

The opening of our season is scheduled for the weekend of May 16th and 17th, marked by the tapping of the first kegs at the Depot Beer Garden. On May 16th, the musical talents of *Windy Hope* will be featured on the Depot Stage, while Wisconsin Meat & Sausage will present a wonderful shrimp and fish fry for our guests. The following day, May 17th, will showcase *Bourbon in the Basement* performing live, accompanied by a selection of delicious menu items provided by the Depot Grill.

Planning is already underway for our 60th anniversary in 2026. Contact us to be a part of history at mfhistory@yahoo.com or 262-250-3901.

No Mow May

With spring upon us, the topic of No Mow May is fast approaching. The Village of Menomonee Falls does not observe No Mow May and the enforcement of Village ordinances Sec 71-70 Lawns & Sec 71-71 Weeds will still be imposed. Action will be taken by Village Code Enforcement if a formal complaint is filed to the Engineering and Development Department. This can be done by on our webpage under "I want to..."

Menomonee Falls Police Department Recruitment Video “For Honor”

Throughout 2024, members of the Menomonee Falls Police Department collaborated to produce a recruitment video aimed at inspiring individuals interested in a career in law enforcement to join our department. In partnership with Captivate Film Co. of Madison, WI, we created a compelling film that highlights our deep commitment to community service and seeks to encourage others to become part of our mission.

This project took nearly a year in the making, and we believe the effort was well worth it. The individuals featured in the video are not actors but dedicated Menomonee Falls Police Officers. Their heartfelt narration reflects their genuine pride in serving as members of this department.

The video premiered in January 2025, and we would greatly appreciate your support in sharing it with your family, friends, and community.

Fall 2025 Police Citizen Academy

The Menomonee Falls Police Department is now accepting applications for the 15th session of the Menomonee Falls Police Citizen Academy. The Academy is scheduled to begin on Tuesday, September 9th, 2025, at the Menomonee Falls Police Department and will meet weekly into December 2025.

The Police Citizen Academy is designed to give the public an educational and informative experience for adults who either reside or work in our Village and have a desire to learn more about our department.

The session is limited to 20 applicants. Each class will be held on Tuesday evenings, lasting about 2 – 3 hours per class. If you would like more information or to complete an application, please visit menomonee-falls.org/618/Citizen-Police-Academy

Spring Updates from Fire & Emergency Medical Services

Introducing the Off-Road Ambulance

The Menomonee Falls Fire Department applied for and received a grant for a new vehicle to our fleet: the Off-Road Ambulance.

The Off-Road Ambulance is designed to aid in patient movement from the areas in the Village that do not have easy access to a traditional ambulance. The need for a vehicle like the Off-Road Ambulance has increased since the Village adopted the *Comprehensive Outdoor Plan* in 2018, encouraging greater use of parks and outdoor spaces in Menomonee Falls. Upwards of 5,000 guests attend the larger events, creating challenges in accessing a patient in case of an emergency.

The current utility vehicle has a cot that is mounted to the rear bed, leaving the patient visible and exposed to the elements. This new vehicle enhances the Department's ability to care for patients by offering a fully-enclosed compartment to allow treatment while providing privacy.

The Off-Road Ambulance's patient care compartment also has heat and air conditioning, enhancing patient comfort. The Off-Road Ambulance is also a fraction of the size of a traditional ambulance while offering greater maneuverability than the utility vehicle, making it an asset at events such as Memorial Fest, Lavender Fest, and the July 3rd celebration.

MFFD provides Fire and Emergency Medical Services to the citizens of both Menomonee Falls and Lannon. We respond to over 5,500 incidents per year. Learn more about the Department at www.menomonee-falls.org/159

Citizen Fire Academy

Consider signing up for the MFFD Citizen Fire Academy! Fire Academy classes will be held Tuesday, September 2nd through Tuesday, October 21st from 6 – 9 pm, with a class Saturday Oct 18th for auto extrication and Stop The Bleed. Attendees will also receive a CPR card at the September 9th class. For more information, and to register contact kporter@menomonee-falls.org

Little Free Libraries of Menomonee Falls

Take a Book – Leave a Book

Did you know that there are over 175,000 registered Little Free Libraries located all over the world with 400 million books being shared? Menomonee Falls has a number of both registered and unregistered Little Free Libraries located throughout the community. You can find out where these Little Free Libraries are located on the website: www.LittleFreeLibrary.org

The beauty of these libraries is that you are welcome to take one or more books as well as leave books for others to enjoy. And this is all FREE. There are 17 Little Free Libraries currently registered in Menomonee Falls at www.LittleFreeLibrary.org. If you have a Free Library box on your property, think about having it registered so your Library will appear on the Little Free Library map.

What a great outing for families to enjoy a quick trip to a Little Free Library and browse the selection of books! Some locations even have a bench for you to sit down to read a book. Little Free Libraries are also great projects for families, Scouts, and other groups to build and maintain. Embark on an adventure of words at the many neighborhood locations this summer in Menomonee Falls and see how many you can find.

Disclaimer: the Village of Menomonee Falls and the Menomonee Falls Public Library have no connection to and are not responsible for the selection of books available in these private book boxes.

WATER QUALITY

The U.S. Environmental Protection Agency requires water utilities provide their customers a Consumer Confidence Report annually. This information is designed to educate our customers about the source of the water supply, the water treatment process, and the extensive testing conducted to ensure water quality before the water enters a property in Menomonee Falls. The report can be read at menomonee-falls.org/consumerconfidence

Opportunities to Give Back

Menomonee River Cleanup – Come join us this spring on April 26th to clean up the parks and rivers of Menomonee Falls. Every year since 2008 (except 2020), around Earth Day, the community has gathered to clean up the parks and rivers of Menomonee Falls. This event is organized by the Milwaukee Riverkeepers and sponsored by Waste Management. Visit menomonee-falls.org/rivercleanup to learn more and to register for the 2025 Menomonee River Cleanup.

ERAS Senior Network is looking for volunteers to support student learning at Riverside Elementary School by serving as pen pals for 5th grade students. Volunteers provide feedback on student projects and build connections through monthly correspondence. For more information about our Pen Pal Program, please visit our website at www.Eras.org.
