## **ARTICLE 2**

### **NO STRIKE - NO LOCKOUT**

**SECTION 1. NO STRIKE.** The Association affirms that it does not assert the right to strike against the Employer, to assist or participate in any such strike, or to impose an obligation upon its members to conduct, assist or to participate in such strike. However, the Association shall not be held responsible for the independent actions of any Association members provided it exerts its best efforts to prevent such actions.

**SECTION 2. NO LOCKOUT.** The Employer agrees that there shall be no lockout of the employees covered by this Agreement.

## **ARTICLE 3**

### **DISCRIMINATION**

It is mutually agreed that there shall be no coercion, intimidation or discrimination by the Employer or the Union against any employee because of membership or non-membership in the Union. The Employer and the Union agree not to discriminate against any employee for any reason prohibited by applicable Village, State and/or Federal laws. Any dispute related to this article shall be resolved through the resolution procedures provided in this Agreement.

## **ARTICLE 4**

### **MANAGEMENT RIGHTS**

The normal functions of management and the direction of working forces including, but not limited to, the hiring of employees, suspending, discharging, or otherwise disciplining of employees, establishing reasonable rules and regulations, scheduling of work, the determination of methods and means of operations, and the control and regulation and use of all equipment are exclusive functions of the Employer; provided, however, that in the exercise of such functions the Employer shall observe the provisions of this Agreement and applicable State and local laws.

## **ARTICLE 5**

### **DUES**

#### **VOLUNTARY DUES DEDUCTION**

Membership in the Association is not required. Employees have the right to join, not join, maintain or drop their membership in the Association as they see fit subject to certain limitations set forth herein. Neither party shall exert undue pressure on or discriminate against any employee in regard to these matters.

The Employer shall deduct, biweekly, dues and assessments, in an amount certified by the Secretary-Treasurer of the Association from the pay of those employees who have individually and voluntarily signed an authorized payroll deduction card. Deductions may be terminated by the employee filing written notice with the Village and the Association at least thirty (30) days prior to the first paycheck from which the deductions will not be made.

An employee may revoke such authorization at any time, upon written request to the Village.

## **ARTICLE 6**

### **SENIORITY**

**SECTION 1. PROBATIONARY PERIOD.** New employees shall be on a probationary status for a period of 365 calendar days. If still employed after such date, seniority shall date from the first date of fulltime employment with the Fire Department. For purposes of calculating exhaustion of the probationary period only, paid time off shall count toward the number of hours worked, but unpaid leave for partial or full shifts shall not count. Probationary periods may be extended by mutual agreement between the Association and the Employer.

**SECTION 2. SENIORITY LIST.** The Employer shall prepare and maintain an up-to-date master seniority list of all bargaining unit members. Seniority shall be determined by continuous full-time service in the Fire Department. Such list shall be kept up-to-date and posted on department bulletin boards. If a situation arises where two employees have the same length of service, the person with the higher rank will be considered senior. In the event the individuals have the same rank, seniority will be determined by initial test scores for employees hired prior to December 31, 2024. For individuals hired on the same date after January 1, 2025, seniority placement shall be determined by the Chief after consultation with the Union.

**SECTION 3. LOSS OF SENIORITY AND TERMINATION.** An employee shall lose his/her seniority rights for the following reasons only:

Temporary changes in schedule assignments may be made to assure that no schedule assignment has more than one employee than another schedule assignment. In no event will a temporary change be made if it would result in no employee being assigned to a given schedule assignment. Temporary shift changes for training purposes do not require such advanced notice and may be made by agreement between the employee and the Fire Chief or his/her designee.

## **APPENDIX C ADVANCED EMT OR PARAMEDIC LICENSURE**

Employees hired on or after September 1, 2023, will not be required to have Advanced EMT or Paramedic licensure upon hire but shall be required to secure and maintain said licensure within 24 months of hire, as a condition of their continued employment. The Employer shall cover the costs associated with the course including tuition, books, and fees. No member enrolled in class shall be mandated to work overtime for the time period in which they are actually in class on any required day to fulfill this educational obligation. Notice of the employee's class schedule, or changes thereof, shall be provided to the employer at least fourteen (14) days prior to the class.

### **EMT LICENSING**

All Department employees shall maintain their license as a State of Wisconsin EMT-Intermediate Technician (AEMT). The license will be required for all new employees. This requirement has been added to the employee job description.

The Department will:

1. Will pay in full all registration fees for the AEMT Transition, Paramedic, EMT-IT (AEMT), and EMT-Basic refresher classes.
2. The EMT-Basic/AEMT refresher classes will be scheduled by mutual agreement between the MFFD and WCTC to take place at Fire Station #3 while he/she is on duty and at straight time pay. Paramedic refreshers will be scheduled by MFFD when available at an acceptable neighboring location during duty time when available.
3. The WCTC instructor may vary from the schedule as needed. The instructor will schedule a lunch break that may be a "working lunch" if needed to accomplish the class goals.
4. Full-Time personnel attending the EMT-Basic/AEMT/paramedic refresher class outside of their regularly scheduled shift will be paid overtime for the actual class time. (Punch in immediately before class and punch out immediately after class.) Due to the class schedule, overtime is not evenly distributed between the blue, green, and red shifts and cannot be offered by seniority.
5. Every effort will be made to have on duty full-time personnel designated as the last station out for emergency calls.
6. The intent is to provide the best opportunity for Local 3879 members to take the refresher class at MFFD while on duty, eliminating the need to bank stand by time to be taken at a later date.
7. Local 3879 members who choose not to attend the EMT-Basic/AEMT refresher at the MFFD need to locate and schedule a refresher at an alternate date/time/location and attend on their own time. They will not be compensated for class time. Paramedics who choose not to attend the MFFD scheduled refresher will need to locate and schedule a refresher at an alternate date/time/location and attend on their own time. They will not be compensated for class time.
8. Not require that the employee sign a service commitment agreement for this training.
