**Bella Vista Dr/Main St**

An officer conducted a traffic stop for a vehicle registration violation. While speaking with the driver, the officer detected the odor of intoxicants emanating from within the vehicle and observed signs of possible impairment from the driver. The driver submitted to standardized field sobriety tests, and additional clues of impairment were observed. The driver was arrested for OWI-6th and transported to Froedtert Menomonee Falls Hospital for a consensual blood draw. The driver was then taken to the Menomonee Falls Police Department for booking procedures before being transferred to the custody of the Waukesha County Jail.

**25-019972 8-9-2025 Battery to a Law Enforcement Officer, Possession of Narcotic Drugs and Marijuana, Resisting an Officer**

**Hwy 145/Main St**

An officer was conducting stationary traffic enforcement during the overnight hours along Highway 145 and Main St. The officer observed a speeding violation and conducted a traffic stop of the speeding vehicle. As the officer contacted the driver, the officer detected the odor of marijuana emanating from the vehicle. Additional officers arrived on scene to assist with the investigation. The officer conducted a probable cause search of the vehicle based on his detection of the marijuana odor and located a bag in the trunk of the vehicle containing suspected marijuana. As the officer began taking the driver into custody, the driver suddenly began resisting arrest. The suspect fled across all lanes of traffic before losing his balance and falling to the ground. The officer was able to stabilize and handcuff the suspect on the ground. During the struggle, the officer sustained an injury to his hand. A Field Evidence Technician recovered the bag of suspected marijuana to test for the presence of THC. During the test, the officer located several prescription pills within the bag, which were determined to be controlled substances. The driver was conveyed directly to the Waukesha County Jail, with charges being referred to the Waukesha County District Attorney's office.

**25-020338 8-11-2025 Assist Person/Water Rescue**

**16400 Block/Main St**

Officers were dispatched to the Menomonee River near the 16400 block of Main St for the report of two people who fell into the river and were in distress. Officers and Fire Department personnel arrived and learned that the two individuals had gone into the river in an attempt to rescue their dog; however, they found themselves in distress due to the river's strong current. Rescue personnel were able to quickly pull one of the individuals from the river, but the second person was swept downstream, over the falls, and under the bridge near Arthur Avenue. This information was relayed to other officers who were able to position themselves downstream. An officer observed this person moving downstream and entered the river to intercept them. The officer was able to grab hold of the person and keep him afloat. More officers responded, entered the river, and worked together to remove the person from the river. The patient was quickly tended to by Fire Department personnel, and both patients were transported to Froedtert Menomonee Falls Hospital for treatment. The family dog was also located and is safe.
