Jun 23 2024 10:52 AM	<p>Currently we cannot sell our nicely but not entirely remodeled four bedroom, three bath home in a secluded neighborhood and swap for a two bedroom condo nearby. We will need to downsize before complete retirement but can't afford to stay in this market. So we stay "trapped" in a house that's getting difficult to keep up and the market is not friendly for buyers. Hate the HOA rackets and unhinged increases on a fixed income many would have trouble. Same with renting. I bought my first house at age 24 in 1993 off 145 in the Falls. Then married and Lannon bound 2001 and here since. I love it but don't like the idea of apartments requiring low income, and others not invested in their property and neighbors getting closer. Want to keep the community feeling! Sadly safety is becoming more of a factor. When you don't feel safe in the crowd you don't participate. I believe you are attempting to foster the opposite?</p> <p>I'm glad the Falls has space to offer many a solid foundation for a future but our schools are suffering from too many new families and there's not much room to expand them. Close to a billion in referendums in Sussex/ Hamilton in the last five? Years and not enough. They keep asking for more and we don't have kids.</p>

Sep 25 2024 01:06 AM	No more rentals
Sep 18 2024 10:12 AM	Rental unit availability continues to be low per feedback from friends who live in the village.
Sep 13 2024 05:40 PM	There is always a need for smaller homes.
Sep 13 2024 04:41 PM	I really can't speak to these other areas. We never rented, always have owned our home. But the Village has really added way to many apartment complexes in the last few years. It's changed the look and feel of this town.
Sep 11 2024 10:13 AM	The cost of housing, particularly apartments, here in the Falls is ridiculous.
Sep 11 2024 10:10 AM	Rents are ridiculously high right now for what you are getting.
Sep 02 2024 08:21 AM	Not enough affordable apartments and housing

### Question 15 continued

Aug 30 2024 09:32 PM	I have no knowledge of other housing situations/costs.
Aug 29 2024 12:39 PM	From my observation the ownership housing is kept up. I am not sure about ownership supply or the cost of rental housing. I would like to see more affordable housing in Menomonee Falls. It seems that much of the new construction is high end.
Aug 26 2024 05:18 PM	It is almost impossible to find housing that is disability accessible and affordable.
Aug 26 2024 04:45 PM	We have not shopped around at all. Looked at one condo and bought it.
Aug 26 2024 02:10 PM	By "poor" housing costs, I mean "expensive." By "poor" housing supply, I mean not enough supply.
Aug 26 2024 01:36 PM	There's pretty good variety of price points and types of rentals. It seems like there's something for everyone.
Aug 26 2024 01:17 PM	There are almost no options for affordable housing in the area for disabled people. We have to live next to two playgrounds, and a gym, Burn Bootcamp, which is often noisy early in the morning.
Aug 26 2024 01:12 PM	Have owned two homes in the Village over the past 50 years, but can't envision staying given what I perceive to be a politically hostile environment
Aug 26 2024 01:08 PM	no more appt this will turn out like 97th brown deer rd looks bad on main now you want low income put them where you tore down evs they can walk to all jobs bus route woodmans put police sub station in there if other buiss have that many calls you shut them down or take away beer liscense do something if bars have that many calls you shut them down that's why people dont want come to falls that area , what do you have on silver spring lisbon rd for people nothing lot 24 hour factorys nothigs open we are not all 8 to 4 like office people in the village
Aug 26 2024 12:47 PM	Stop building apartments. They age terribly.
Aug 26 2024 12:43 PM	Currently there's a very limited number of homes listed for sale. Lots of apartments, but many dated ones that could use heavy remodeling.
Aug 26 2024 12:10 PM	I have not looked into the rental market in over a decade and have not perspective
Aug 21 2024 11:15 AM	Everything has gotten SO expensive, young families are being priced out which is sad.
Aug 21 2024 11:12 AM	you should allow smaller lot subdivisions
Aug 16 2024 12:26 PM	Density Overbuilding Urban Sprawl is VERY DISAPPOINTING AND CAUSE TO MOVE
Aug 13 2024 08:06 PM	Unfamiliar with rentals
Aug 13 2024 06:04 PM	High cost of living here can be problematic for all age groups
Aug 10 2024 02:40 PM	When we bought our house, we wanted to buy in the falls, but could not afford it.
Aug 09 2024 08:54 PM	Don't know
Aug 09 2024 03:53 PM	You should include an "N/A" option.  I don't know anyone that rents.
Aug 09 2024 01:43 PM	Answers are because thus economy we are in right now is terrible and the housing prices are out of line through out our nation.
Aug 09 2024 01:10 PM	Too many apartments going up and too many smaller cheaply made home subdivisions imo
Aug 01 2024 10:43 AM	Don't know rental info

### Question 15 continued

Jul 26 2024 11:16 PM	There are many new apartments being built, but none of them are reasonably priced for the people who actually need housing in the area. There aren't any decent middle-of-the-road apartments around, they're either cheap and falling apart or the rent is astronomically high. As someone who grew up in the falls, I tried to stay here and move out on my own, but it is impossible if you're living paycheck to paycheck.
Jul 26 2024 05:01 PM	I'm out of the house-buying market, so I don't have experience with these things. Across the board, I think home costs and apartment rental costs are out of control. Not sure how anyone can afford to rent or buy today.
Jul 26 2024 07:37 AM	Unanswered questions are because I have no knowledge about them. We have WAY TOO MUCH RENTAL HOUSING AVAILABLE!
Jul 25 2024 03:19 PM	Not really sure on this
Jul 25 2024 12:24 PM	Can't comment specifically, but as we have considered downsizing, housing prices seems inflated and there are limited 1 level, 3 br housing options with small lots (1/4 acre) that are less than 50 years old.
Jul 24 2024 03:15 PM	Not enough new starter homes; need homes that fit a variety of budgets. Not just one big new subdivision or expensive apartment complexes after another
Jul 24 2024 11:34 AM	I have no idea about present rental cost/supply/quality.
Jul 22 2024 08:43 PM	It is very expensive to rent now a days! Crazy!
Jul 22 2024 01:20 PM	I have owned two homes in Menomonee Falls and have been in my current home 19 years. I am not knowledgeable of the rental housing situation.
Jul 20 2024 02:26 PM	You should have an option for these questions: I do not know. I have no idea what houses or apartments are available nor do I know the prices.
Jul 19 2024 10:10 AM	It's over priced it's shot up so bad that you have have 3 jobs so you can pay rent
Jul 18 2024 08:27 AM	No comment as I don't live here
Jul 17 2024 10:59 PM	New housing and rental properties are all "luxury". I have no idea how anybody can afford them. We need affordable starter homes (a house you could buy for \$115,000 twenty years ago is now \$350,000. Salaries have not more than doubled during that time)
Jul 17 2024 10:45 AM	Even here in Menomonee Falls, I find rental costs to be exorbitant. Thankfully, I am in a lower priced unit, but even so, the rent goes up every year.
Jul 16 2024 04:46 PM	Rental housing prices are way too high. There is too much housing construction going on in Menomonee Falls
Jul 15 2024 09:09 AM	Lots of rental units but very expensive for a single family household
Jul 14 2024 11:17 PM	Housing prices are high in most communities
Jul 14 2024 09:59 PM	Affordability for retirees is not available. Retirement communities and condos are being built with too many costly upgrades that price many of us out of the market.
Jul 12 2024 02:46 PM	I am actually not aware of the housing or rental costs in MF.
Jul 12 2024 10:39 AM	No facts or opinion
Jul 12 2024 09:25 AM	Rent costs are super high (but that's everywhere basically), house prices are high even for ones not in the best condition.
Jul 11 2024 05:40 PM	rents are able to rise 8% every year. This is too high

### Question 15 continued

Jul 11 2024 10:24 AM	I consider my housing situation comfortable and affordable. I rent a small room for myself. However, in general it has not been easy finding a small studio apartment. They are few and so rarely available in Menomonee Falls.
Jul 11 2024 09:24 AM	I don't appreciate all these new rental apartments which cost more than a house payment
Jul 11 2024 09:06 AM	Honestly, I'd prefer apartment construction slow way down. The village is becoming overly populated, traffic has increased.
Jul 11 2024 07:53 AM	I don't know real estate and have no facts on which to base an opinion other than my own experience with my own home.
Jul 11 2024 07:31 AM	Not familiar with the rental market
Jul 11 2024 07:28 AM	The cost of a starter home (I own one) in the Falls is prohibitive, as it is everywhere. The Village needs affordable housing.
Jul 11 2024 07:15 AM	For the cost of my home, it shouldn't need as much work as it did/does. The overall market is overpriced and has been for some time.
Jul 11 2024 07:01 AM	renters do not have typically (not all) have the investment of their community that a home owner does - bring more homes
Jul 10 2024 06:56 PM	Not aware of rental pricing. Need to cut down on rental units though
Jul 10 2024 05:41 PM	Menomonee Falls is starting to look like an apartment slum!
Jul 10 2024 12:23 PM	Not familiar with renting costs/supply/quality. I personally feel ownership quality is not worth what people are currently paying; however, that is not specific to Menomonee Falls.
Jul 09 2024 10:01 PM	There are not enough starter homes in the community or ~1800-2000 square foot homes. Additionally, there's a huge (~200,000) jump in starter gimes and the next "size up"
Jul 09 2024 08:38 PM	We need more housing of all sorts! We need to loosen zoning restrictions to allow for different housing types, such as ADUs, pocket neighborhoods, and smaller homes built on smaller lots. This will help affordability and make the community more welcoming to everyone, but especially first-time homebuyers and working class folks who wish to move from renting to owning.
Jul 08 2024 07:46 PM	Way too many apartment complexes are being built with no thought as to whether there is now a glut of high priced units.
Jul 08 2024 11:03 AM	My daughter's family had been trying to move here for the past couple years, but there is little to no affordable 3-bedroom housing. She did just recently find a place in Sussex that is very nice.
Jul 08 2024 08:31 AM	Too many multi-family properties being built as well as new houses being shoe-horned onto tiny lots
Jul 07 2024 07:59 PM	Unsure of the rental housing market in the Falls, but the rental apartments are too expensive. If my family was renting we would not afford Menomonee Falls.
Jul 07 2024 05:47 PM	I actually have no idea of any of this,
Jul 07 2024 05:38 PM	Can't comment on rental
Jul 07 2024 09:52 AM	I answered "satisfactory" on the rental questions because there was no option to answer "I have no idea"

### Question 15 continued

Jul 07 2024 09:17 AM	I wish the community had more sidewalks...not many neighborhoods are very walkable or bike friendly for our family, outside of the older neighborhoods.
Jul 07 2024 06:37 AM	I'm not currently aware of the renting supply, pricing or conditions, since I've owned a home in the village for over 13 years.
Jul 06 2024 11:59 PM	PLEASE CONSIDER LOW INCOME COMMUNITIES FOR US FAMILIES THAT HAVE LIVED HERE OUR WHOLE LIFE AND WANT TO STAY HERE AS OTHERS HAVE FLED TO WEST BEND, JACKSON...
Jul 04 2024 02:46 AM	While I appreciate growth in the Village, I'm concerned about maintaining our character/significant open space, particularly related to the Northwest portion of the Village.
Jul 03 2024 11:05 PM	Need more not so expensive 2 bedroom apartments.
Jul 03 2024 10:45 PM	Need more choices for apartments that my wife and i can handle the rent.
Jul 03 2024 04:17 PM	I am not familiar with rental opportunities
Jul 03 2024 10:31 AM	Too many condos and apartments are being built near me. Would prefer to see more single family homes being built in the falls.
Jul 02 2024 05:04 PM	Very expensive small apartments .
Jul 02 2024 02:46 PM	I am not familiar with these statistics and could not answer fairly
Jul 02 2024 10:05 AM	Rental property ( buckthorn) growing to tree size.
Jul 02 2024 08:36 AM	I do not know much about rental properties in Menomonee Falls, just rental trends in general being too low in supply/high in cost
Jul 01 2024 05:28 PM	Again, enough apartments. Young people want homes that they can actually afford to pay the mortgage on.
Jul 01 2024 01:51 PM	Too much rental building and not enough condo building - not just Menomonee Falls but everywhere.
Jul 01 2024 08:54 AM	I am really not sure...
Jul 01 2024 08:27 AM	It's sad when rent is so high and young people cannot get a mortgage which is usually lower than rent.
Jun 30 2024 08:31 PM	I've never rented or investigated rentals in the Falls, hard former to answer.
Jun 30 2024 08:23 PM	Unsure about Rental responses because I don't know anyone who rents housing in Menomonee Falls
Jun 30 2024 04:45 PM	Unsure of rental housing supply, but know some rental housing is of poor quality.
Jun 30 2024 10:20 AM	I love being in the Falls but how the price of rent is going, a regular hard working person is getting to the point of not affording cost of living.
Jun 30 2024 04:08 AM	Not enough luxury type condominiums like in Brookfield
Jun 29 2024 03:13 PM	Don't know
Jun 29 2024 08:52 AM	Don't know how to answer-rental housing is easy to identify- no one seems to care for the landscaping - homes on our street are run-down and uncared for.
Jun 28 2024 05:51 PM	I know nothing about rental
Jun 28 2024 02:15 PM	It's pricey to live here and there is limited supply. I still love it, though
Jun 28 2024 12:19 PM	With the real estate market it is very much inflated for housing. A smaller, older ranch home is way over priced , causing the taxes to rise.

### Question 15 continued

Jun 28 2024 11:54 AM	Too many homes and apartments being built here for too high a cost!
Jun 28 2024 11:23 AM	Do not know what rentals are currently
Jun 28 2024 06:58 AM	PLEASE no more rental units, that only takes away from our community. We already have way too many.
Jun 27 2024 07:58 PM	I don't pay close attention to housing conditions outside my own condo
Jun 27 2024 02:26 PM	Considering the market, as I am a realtor, the housing conditions are Satisfactory. There is no place in the country where there is an adequate housing supply at affordable prices. Rental costs are thru the roof. Inflation is causing this problem and the low interest rates are causing people not to put their home up for sale and move to another home. Such is life.
Jun 27 2024 12:31 PM	I don't know about the renting opportunities, so I just chose the middle option. For the ownership options, I know Menomonee Falls hosts everything from the trailer park to million dollar mansions, so, again, I just chose satisfactory. I am satisfied with my home, but the housing market was slim when we bought, and it was the only home available in our price range. Satisfactory, but not excellent.
Jun 27 2024 10:39 AM	Can't reply to this, not having been in the marketplace
Jun 27 2024 09:41 AM	Seeing way to many apts buildings popping up wonder what the fulfillment rate is of occupancy?
Jun 27 2024 07:52 AM	Way too many apartments and so many more going up
Jun 27 2024 06:23 AM	Fewer homes available = Higher costs
Jun 26 2024 05:40 PM	Frankly, the new housing developments suck. Families with 100k household income should be able to actually afford a new home. These big houses on big lots price out a lot of young couples wanting to start a family in a safe village. the supply of existing smaller single family homes is very small. New home and business developments like the existing neighborhoods in central Menomonee falls should be allowed, not just large houses on bigger lots. Some people want a new house but not a large yard.
Jun 26 2024 03:01 PM	I left the questions about rentals blank because I do not have direct experience with the rental situation in Men. Falls. These questions really needed a 'N/A' or 'Don't know' option.
Jun 26 2024 10:47 AM	Why are there so many apartments being built
Jun 26 2024 10:13 AM	I am not particularly thrilled with all of the new rental units being built.
Jun 26 2024 10:02 AM	Housing market impacts a lot of this which isn't the Falls fault but there is way too many "luxury apartments" being built. We need affordable housing for all types of families!
Jun 26 2024 07:38 AM	I'd love to see the village stay a village - i don't think it's technically a village any longer with the population getting so large that it's not as desirable for those interested in a small town feel
Jun 26 2024 06:35 AM	Not enough supply and variety. Most new homes are large single homes and few villas or condos of good quality
Jun 26 2024 06:22 AM	I have not looked into rent. Housing prices across the country went but in my neighborhood went up over 50% in the last 2 years
Jun 26 2024 03:55 AM	I feel being a single mom I can't afford the price of a good living for my kids

### Question 15 continued

Jun 25 2024 10:48 PM	Need less rentals
Jun 25 2024 10:02 PM	I have been a licensed Realtor since 1998 and feel there are not enough homes to choose from, they are usually needing repair and upgrades, they are over priced to do lack of inventory, and it has become a detriment to our society to set out ground and raise a family.
Jun 25 2024 09:15 PM	There should be an unsure answer for accurate data. If you aren't in the market for an apartment or home how would you know ?
Jun 25 2024 09:03 PM	Very expensive to rent in falls
Jun 25 2024 08:10 PM	As we are all aware, the costs with home ownership and rentals is outrageous currently. I am not currently in need, therefore my answers are purely based from an outsiders view who is not in need of new / searching for housing.
Jun 25 2024 08:03 PM	We have too many apartment complexes. This creates too much traffic. It's horrible. I can't comment on rental as I haven't rented since 1984.
Jun 25 2024 06:08 PM	I am not qualified to speak to the cost or availability of housing whether rental or ownership.
Jun 25 2024 06:01 PM	Property taxes are very expensive here.
Jun 25 2024 05:13 PM	No more development by the river. It looks hideous.
Jun 25 2024 04:51 PM	Rent is almost twice our mortgage which seems absolutely insane
Jun 25 2024 02:37 PM	We own 3 homes in the falls with no mortgages. Kids live in two of them. Our income is sufficient to cover taxes. We have not needed to look for housing for 8 years so can't comment on rental costs, supply, etc.
Jun 25 2024 01:56 PM	I can't really speak to the renting options as it was not someone we really ever looked at when moving in
Jun 25 2024 01:24 PM	I have no idea
Jun 25 2024 01:06 PM	rent is so expensive and i can barley afford it now
Jun 25 2024 12:51 PM	No true opinion on rentals. Not looking nor interested
Jun 25 2024 12:48 PM	Prices for rent and housing and interest rates are high and drive up these prices... across the country
Jun 25 2024 12:37 PM	Really haven't looked in too much. Know housing has gone up immensely in the last 20 years.
Jun 25 2024 12:16 PM	I don't know
Jun 25 2024 12:11 PM	Property taxes are too high compared to comparable communities in Washington County. Too much affordable housing - increase in crime and net drain on Village resources.
Jun 25 2024 12:02 PM	Not too familiar with rental costs or supply so I wrote satisfactory. There should be an option for "Do Not Know".
Jun 25 2024 12:00 PM	Too many very expensive apartments and those that are cheap, barely meet basic needs. Where's all the housing for lower middle class?
Jun 25 2024 11:52 AM	I do not know about rental housing.
Jun 25 2024 11:52 AM	I am concerned about the amount of rental housing/property that is being built in comparison to single family housing.

## Question 15 continued

Jun 25 2024 11:46 AM	To get a apartment almost all places require your income to be 3 times the rent.
Jun 25 2024 11:46 AM	Menomonee Falls is pricing itself out of single family housing. Both my wife and I are educators. We were born and raised in the Falls and now live in the Falls when we bought our house in 2013. It's a 3 bedroom 1.5 bath. If we wanted to "upgrade", anywhere in the Falls would cost us \$600,000+. It's absurd these houses going up for \$650,000 in the newer subdivisions. You're pricing out hard working people like us.
Jun 25 2024 11:39 AM	Would have been nice to see more shops in Downtown instead of apartments.
Jun 25 2024 11:37 AM	Too many apartments
Jun 25 2024 11:35 AM	I can't comment on rental info, I have not rented in the falls or looked into doing so.
Jun 25 2024 11:33 AM	Substantial and diverse housing inventory for renters. Great diversity in terms of housing stock, genres, neighborhoods and point prices.
Jun 25 2024 11:33 AM	Housing is fine for me in my \$700K+ home but a disaster for young starting-out families or those of modest means.
Jun 25 2024 11:32 AM	I haven't looked at housing in 19 years so really cannot comment on this
Jun 25 2024 11:10 AM	Seems like an over abundance of apartments
Jun 25 2024 10:18 AM	It took us over a year to have an offer accepted on a home in the falls. We were living in an apartment, which was not ideal for our family. Luckily we were able to find an affordable option, but it took much longer than we had hoped. I am also disappointed that with all the new sub-divisions going in, the starting price of homes is near \$600k. This is wildly out of touch for many families.
Jun 25 2024 01:02 AM	ENOUGH WITH THE RENTAL PROPERTIES!
Jun 24 2024 08:15 PM	You should add N/A to these because a majority of these I have no idea.
Jun 24 2024 12:50 PM	No more condos
Jun 24 2024 09:38 AM	Not really up to date on some of this.
Jun 24 2024 07:41 AM	Single family homes, specifically starter homes, nearly unavailable. Rental properties being added it seems everywhere, but rental prices are way too high.
Jun 24 2024 05:51 AM	I do believe too many units in one area are being allowed which will bring in transients and crime
Jun 23 2024 08:23 PM	We need more affordable rentals, not more luxury ones.
Jun 23 2024 03:24 PM	Stop adding more apartments!
Jun 23 2024 01:35 PM	Unaware how to answer this question as I am not looking to buy, sell, or rent. I don't know the cost comparisons in the falls to other communities.
Jun 23 2024 11:41 AM	I
Jun 23 2024 07:57 AM	Apartment rental rates are high
Jun 22 2024 09:20 AM	Haven't looked so I'm guessing.
Jun 22 2024 07:04 AM	Too many apartment and condo buildings
Jun 21 2024 09:13 PM	"I don't know" should be an answer option
Jun 21 2024 06:51 PM	Can't answer questions about rental
Jun 21 2024 05:53 PM	Growing concern about the number of apartment complexes being built in the Falls. Transient population. Seeing many private properties not being kept up.

### Question 15 continued

Jun 21 2024 05:07 PM	There's not enough in the middle - either very large single family or ridiculously expensive rental. No enough median options.
Jun 21 2024 04:54 PM	Costs of properties continue to be high- we lucked out that we bought our house before covid and were able to afford the prices. Not sure how younger people can afford it today
Jun 21 2024 04:47 PM	The rental situation is more than satisfactory. We have enough rentals.
Jun 21 2024 01:03 PM	Homeowners don't keep up their property like they should, when other do keep up appearances.
Jun 21 2024 12:31 PM	Too many apartment complexes, only one garage; too expensive; lack of green/forested spaces. Looks like overbuilt Milw now.
Jun 21 2024 11:37 AM	It is costly to live in the Falls - property taxes are too high for home owners and utilities (including water/sewage) are very high. Too many businesses are given the gift of tax incremental financing at residents' expense. Rents are generally known to be very high. Too many apartments and condominiums are being built increasing the population density at the expense of greenspace and significantly increased refuse to a rapidly filling landfill and strain on the environment in terms of pollution. Unsightly urban sprawl is destroying the original character of the community. This is no longer a village and governance should reflect that change.
Jun 21 2024 11:31 AM	Badly need entry level housing for young professionals
Jun 21 2024 10:46 AM	Not familiar with rental property
Jun 21 2024 10:31 AM	Don't know current rental information but do see many more multiple family units going up in Menomonee Falls and subdivisions with single family units.
Jun 21 2024 10:03 AM	Too many rental housing options!
Jun 21 2024 09:07 AM	Not aware of renting situations
Jun 21 2024 08:26 AM	Families want to stay together. Our adult struggled to find a place in Menomonee Falls to rent for his age as a young adult. He had to have a roommate to afford being close to home and starting a life for himself so he can have involved grandparents someday.  We have a ton of elderly options but for young adult families in the early 20s who need support of families to stay afloat, options are very limited keeping young adults home longer. (Or moving to undesirable areas. We need to keep the future of Menomonee Falls IN Menomonee Falls.
Jun 21 2024 07:24 AM	My recently married son and his wife of one year moved to Menomonee Falls after graduating from college one year ago. The rents in Menomonee Falls are insanely high! They are paying close to \$1800 for a two bedroom apartment. Meanwhile, one of my other sons bought/owns a two bedroom two bath condo in Germantown near shopping in the police department and is paying \$400 less per month TO OWN His living quarters.
Jun 21 2024 07:06 AM	I would rather have expensive rentals, than over build. The future is not in quantity but quality. Am against 100% low income except for seniors. Subsidized housing gives too much control to the government. We are overwhelming our infrastructure, and wanting more cookie cutter housing/neighborhoods. Home ownership is always the BEST to keep a community a good place to live.

### Question 15 continued

Jun 21 2024 05:40 AM	I don't know much about rentals other than hearing from people looking about the outrageous prices
Jun 20 2024 11:45 PM	I don't know anything about rental market.
Jun 20 2024 11:26 PM	Price of rentals is unfair
Jun 20 2024 06:43 PM	Don't care for rental properties. That's why I had to move from my last location. Rental properties ruin neighborhoods.
Jun 20 2024 04:50 PM	I can't speak to rentals as I have no knowledge of that.
Jun 20 2024 02:48 PM	These were not clear questions regarding the housing market here. All new homes being built are unaffordable to middle class. We don't see any new homes under \$600,000!
Jun 20 2024 01:41 PM	I don't know.
Jun 20 2024 01:21 PM	Can't say. IDK
Jun 20 2024 12:58 PM	I don't feel that I can comment on the rental housing market as I don't know enough about it at this time. The ownership housing supply is very cyclical.
Jun 20 2024 12:45 PM	I have no idea what the real estate market is like outside of homes selling in my neighborhood.
Jun 20 2024 10:23 AM	The tax hikes in the last 1 - 2 years are absolutely insane. I moved to Menomonee Falls for the reasonable pricing, beautiful area, and great community. My property taxes rose over 70% last year and I received no response from the village or city to get a new appraisal. The cost and taxes are all on the rise while construction, noise, and clutter are all rising too with no positive improvement. I love this area, but am seriously considering selling my house and moving as there is no end in sight and it seems that the village is only concerned with the main park area and nothing else, while forcing the residents to pay more.
Jun 20 2024 09:12 AM	Rentals cost more than a mortgage.
Jun 20 2024 09:11 AM	Menomonee Falls seems like a sweet community to live in, but I can't afford to live here. There are very few rental or homeownership options that my family could afford, and those would all be at the top end of the budget.
Jun 20 2024 08:22 AM	Houses are fine, they were more affordable back 20-30 years ago than say Brookfield, same with property taxes 20-30 years ago lower than Brookfield  Not anymore
Jun 20 2024 06:14 AM	senior living costs are out of control and not sure about trying to fit all the new apartments in town. don't overgrow simply manage money better as higher revenue is always the answer given about expansion
Jun 19 2024 10:05 PM	Rentals are ample but very expensive. Who lives there?
Jun 19 2024 09:02 PM	Too many rental units
Jun 19 2024 08:45 PM	Not familiar with rental conditions
Jun 19 2024 06:53 PM	Too many apartment buildings are going up. Developments of subdivisions, creating longer term residents are preferred.
Jun 19 2024 06:46 PM	Way over building in our village.
Jun 19 2024 06:17 PM	I am unfamiliar with the rental market

### Question 15 continued

Jun 19 2024 06:13 PM	Apartment building is outpacing new homes built.
Jun 19 2024 06:09 PM	We have owned our house for over 15 years. The price and cost of housing has skyrocket in the last year everywhere as well as rent. The houses/rental all seem satisfactory but buying now and even renting is really high. Which is why I put poor.
Jun 19 2024 05:34 PM	Nobody is asking for more "luxury" apartments, stop approving building permits for them. Just make them regular apartments and charge less money.
Jun 19 2024 05:23 PM	no idea
Jun 19 2024 05:15 PM	This isn't something I have looked into. Though a lot of my parishioners are worried about senior housing quality and costs.
Jun 19 2024 04:30 PM	Unable to comment on rental housing. No idea. Have owned home entire time living here.
Jun 19 2024 04:20 PM	No idea on renting prices or availability
Jun 19 2024 03:13 PM	Inflated house prices. I am a master's level social worker and can't afford to buy a small ranch house in village. The village is turning into a "rich people only" place to live.
Jun 19 2024 03:09 PM	I honestly don't know. Haven't looked into it.
Jun 19 2024 02:31 PM	Not sure on this one because we've been in the same home for 40 years and have not looked for other housing.
Jun 19 2024 01:32 PM	I don't rent so I don't know.
Jun 19 2024 01:31 PM	We have lived in several cities/towns/villages/suburbs in three state (MN, CA, WI) and property taxes vs. services is the worst in MF
Jun 19 2024 01:02 PM	Unsure about rentals
Jun 19 2024 12:08 PM	Unsure of rental availability or costs.
Jun 19 2024 12:00 PM	All of the above options are mostly unaffordable for a young family starting out. High school graduates wanting to stay here find rental rates starting at \$1300. way too expensive for an apartment and move elsewhere.
Jun 19 2024 11:51 AM	Other then I've heard that it's all expensive I can't comment. I've not shopped for any places.
Jun 19 2024 10:59 AM	I have no idea about the rental costs, supply or quality
Jun 19 2024 09:18 AM	I'm lucky that I was able to buy my house from my mom during the pandemic when mortgage rates were super low. I would not be able to afford a house in this current market in the Falls and there's very little for quality apartments that are 1,500+. The apartments that are affordable look worn, outdated, and are an eyesore (particularly the ones on Main St). I wish we had affordable housing options (rent and own) that looked nice. The new(er) low-income/affordable housing that has been built in Milwaukee in the last few years looks beautiful and has been well-maintained by residents. People take pride in quality!
Jun 19 2024 08:42 AM	In general I believe housing costs are too high for the average person.
Jun 19 2024 08:33 AM	HAVE NOT CHECKED
Jun 19 2024 08:31 AM	Don't know what rental costs are since we own.
Jun 19 2024 08:00 AM	No information on Rental Info
Jun 19 2024 07:30 AM	I have no experience with rental costs but from what I have seen, it's expensive.

### Question 15 continued

Jun 19 2024 07:11 AM	Assessment was too high compared to other homes on our street.
Jun 19 2024 07:00 AM	house Prices are to high considering the age, size and conditions of most homes in the falls.
Jun 19 2024 06:50 AM	Have not investigated current housing costs.
Jun 19 2024 06:30 AM	I have no idea
Jun 19 2024 05:33 AM	Cannot comment on renting since I own, I know friends who have been looking for a decent house to own in the falls for over a year. Quality supply is limited
Jun 19 2024 02:14 AM	Nothing seems affordable in meno falls
Jun 19 2024 01:20 AM	Cost of living, quality for what you get is unacceptable
Jun 19 2024 12:46 AM	Probably not real good for me to answer since I haven't really checked into rental properties
Jun 18 2024 10:05 PM	Unsure
Jun 18 2024 09:51 PM	Unknown
Jun 18 2024 09:13 PM	Stop raising prices on the little guy. We can barely find affordable places to rent. And no. It has NOTHING to do with Biden being president and everything to do with greedy landlords. Kick the slumlords out of Menomonee Falls and maybe it would be of better quality.
Jun 18 2024 09:02 PM	Rent in this community has gone up way too high and housing prices in general are too high as well those of us renting ahve out grown our places but can't afford to move so we stay and put up with it.
Jun 18 2024 09:00 PM	There is far too many residential areas in Menomonee Falls. Our schools are busting at the seams.
Jun 18 2024 08:58 PM	Really tired of the mega pricey homes/subdivisions everywhere in town.
Jun 18 2024 08:52 PM	Not exactly sure, not currently looking
Jun 18 2024 08:42 PM	Rental property prices have skyrocketed recently. Most "decent" rental properties cost more than a mortgage payment on a single family home. BUT, it's so hard to buy a home, most are stuck having to pay crazy high rental payments while trying to buy a decent home in the area. This is not just my experience, but something I've heard from friends in the 18-26 age range also living in this area.
Jun 18 2024 08:32 PM	Village is getting expense to live/buy a house
Jun 18 2024 08:18 PM	Haven't looked into renting
Jun 18 2024 08:15 PM	Everything costs so much
Jun 18 2024 07:59 PM	The prices for house have gone up astronomically to the point where most in my age bracket can't afford one even though we'd like one. As for apartments, that vast majority have the term "luxury" slapped on them which translates to charging more money but the tenet doesn't get a return on equity for renting. It's basically tossing \$1300 or more a month away for what? Granite countertops? I understand the cost of living has gone up since I lived in the Falls as kid but it feels like it's at the point where the Falls is pricing people out.
Jun 18 2024 07:41 PM	Building too many large homes, need more homes under 500k
Jun 18 2024 07:30 PM	Too many rentals
Jun 18 2024 07:12 PM	Not enough entry level homes of quality at entry level prices

### Question 15 continued

Jun 18 2024 07:10 PM	Rents are WAY TOO HIGH.
Jun 18 2024 06:59 PM	We don't need any more subsidized rental properties or lower end rentals. We need to keep our school districts top notch and any more low/moderate housing will bring our schools down and we'll become the next Wauwatosa
Jun 18 2024 06:56 PM	not sure on the ones I did not check
Jun 18 2024 06:52 PM	Sadly going the route of keep the rents and housing costs high to keep certain people/ types out ....
Jun 18 2024 06:49 PM	I don't know the answers to these questions. I'm not looking for housing.
Jun 18 2024 06:42 PM	Need more section 8 and low income apts
Jun 18 2024 06:41 PM	Too many luxury apartments.
Jun 18 2024 06:39 PM	Quality rentals tend to be overpriced and many affordable rentals are also overpriced and old. That said, it is a more affordable rental community in general.
Jun 18 2024 06:34 PM	I own my own home, what the hell do I know or care about the rental market, stupidly formatted question
Jun 18 2024 06:27 PM	MF is too expensive for the crap that's been going on here. School district has serious issues, Village Board members are rude and unwelcoming.
Jun 18 2024 06:26 PM	I've lived here so long and have little to no real information about housing supply, costs, etc., that I really cannot intelligently answer this.
Jun 18 2024 06:24 PM	Don't know anything about these rates so really it's N/A.
Jun 18 2024 06:18 PM	Any new apartment is double our current mortgage
Jun 18 2024 05:50 PM	Unsure of rental options. I would prefer a "don't know" or NA choice
Jun 18 2024 05:47 PM	Too many low end units. Too many units overall.
Jun 18 2024 05:45 PM	I don't really know since I am not looking. When I do see a house for sale in the falls it doesn't last long.
Jun 18 2024 05:37 PM	Since my house is paid for, and I'm not looking for another house, or someplace to rent, I have no knowledge of the housing conditions in the Falls. But I have heard from others, that rental housing costs, supply, and quality are all pretty poor And very over priced.
Jun 18 2024 05:34 PM	Very difficult to purchase a house under \$320,000 and with interest rates so high, that lowers the amount one can afford
Jun 18 2024 05:31 PM	Way too many high income apartments, which will turn into low income housing in a few years as they won't be rented.
Jun 18 2024 05:28 PM	There are too many apartments being built
Jun 18 2024 05:28 PM	Taxes and assessments on the high side.
Jun 18 2024 05:26 PM	Not sure I would be able to upgrade from my 1960s house due to the prices of the houses out there now. The prices are ridiculous. Rent prices are ridiculous as well. Who can afford 500,000 to 750,000 for a house?
Jun 18 2024 05:24 PM	Rent is way too high in area.
Jun 18 2024 05:23 PM	Too many apartments
Jun 18 2024 05:21 PM	Too many new apartments that are overpriced for young families.

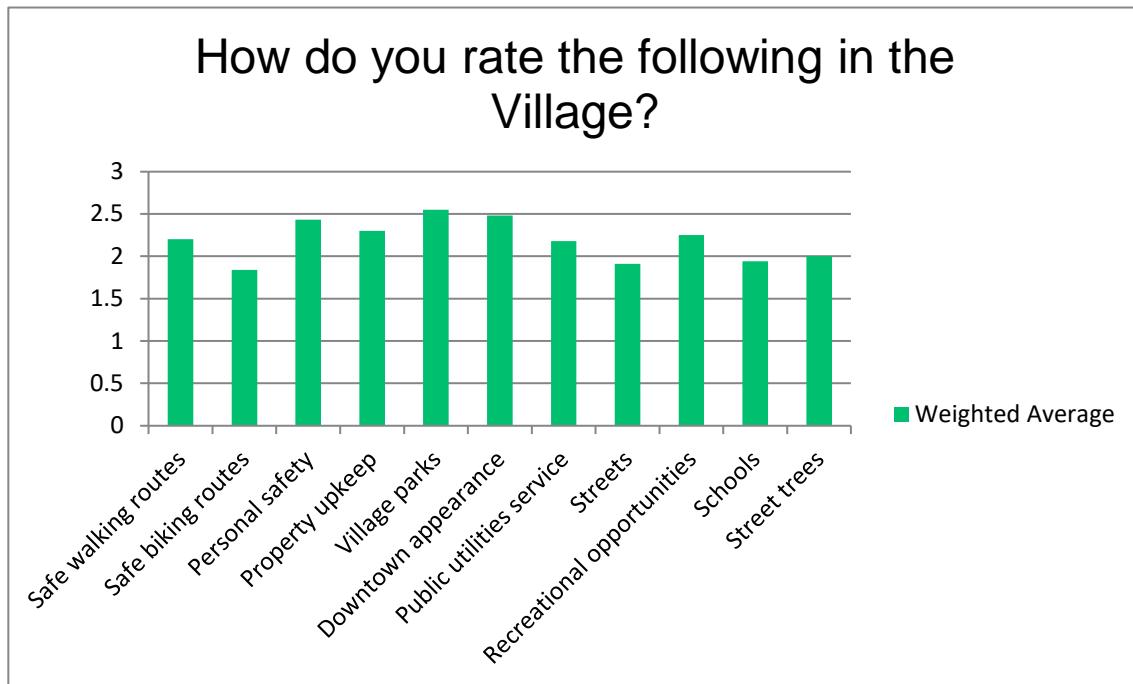

### Question 15 continued

Jun 18 2024 05:21 PM	Too many apartments are being built right now. I am concerned for our community and concerned about my future home value.
Jun 18 2024 05:20 PM	Not a renter no comment
Jun 18 2024 05:04 PM	totally overpriced and out of reach for most
Jun 18 2024 05:04 PM	I feel we have too much low income housing here now.
Jun 18 2024 05:02 PM	I do not feel qualified to answer about rental. I just know that one of our children could not afford a Men Falls house (a decent one, that is). She bo't in Milwaukee where the SAME house in the Falls would have probably been \$80,000 more.
Jun 18 2024 04:53 PM	Continue focus on quality housing
Jun 18 2024 04:53 PM	As none of the above affect me at this time, I don't feel qualified to comment.
Jun 18 2024 04:45 PM	No more rental units.
Jun 18 2024 04:38 PM	Not enough variety in lower cost homes and apartments. Not everyone wants to live in a McMansion or can afford one.
Jun 18 2024 04:36 PM	Housing is hard to find, and the costs of homes has risen very fast.
Jun 18 2024 04:32 PM	No idea about the rental market
Jun 18 2024 04:29 PM	No actual idea on rental questions
Jun 18 2024 04:27 PM	I don't feel I'm able to speak to the availability and affordability of rental properties
Jun 18 2024 04:24 PM	Way too many apartments. If I had known that was the direction the village was going I would have moved to Brookfield or further west
Jun 18 2024 04:24 PM	I feel like there are way too many apartments going up. Would be happier with more single family homes.
Jun 18 2024 04:22 PM	No knowledge of rental costs, supply, quality
Jun 18 2024 04:17 PM	The home prices here do not reflect the overall quality of the community, particularly the school district. We expected more from the schools. Unfortunately the community and school board don't prioritize the future of the community.
Jun 18 2024 04:17 PM	Little to know affordable starter homes. A preponderance of dull, grey McMansions
Jun 18 2024 04:17 PM	I haven't looked for Rentals in the area, and I haven't looked to purchase since we bought our current home
Jun 18 2024 04:17 PM	Everything has become so expensive that many people are unable to actually purchase a home and those individuals still end up paying way too much for a rental residence. I would like to see less apartment complexes going up that bring in more low income and crime and the community prioritize, sustainability and longevity, with building an elevated community.
Jun 18 2024 04:13 PM	Need more affordable housing with multi-tenant buildings.
Jun 18 2024 04:13 PM	All the above answers are pretty much guesses. I don't really look at rental properties and I haven't really looked at housing prices
Jun 18 2024 04:12 PM	Very high end housing, and much on the low end, but very little in the mid range.
Jun 18 2024 04:09 PM	Rents everywhere are ridiculous.
Jun 18 2024 04:07 PM	I have not actively looked at rental cost or availability in some years.
Jun 18 2024 04:04 PM	Not sure of rental properties

### Question 15 continued

Jun 18 2024 03:34 PM	House and apartment costs are expensive, especially in Menomonee Falls. Hard for family to consider moving closer due to lack of availability and high costs.
Jun 18 2024 03:14 PM	Rent not affordable for low end income earners.
Jun 18 2024 03:11 PM	I cannot respond regarding rental as I don't rent. I do know there are too many available units and too many people moving in.
Jun 18 2024 03:10 PM	Too many apartments being built.
Jun 18 2024 02:58 PM	Largest factor prohibiting the individual taking this survey from owning a home/ being an independent renter is uncontrolled rent/mortgage costs that continue to rise.
Jun 18 2024 02:54 PM	Houses are now VERY expensive to own in MF. If we sell our home bought in 2001, we will have to move to a cheaper community.

## Question 16 continued

Response Date	Comment
Sep 22 2024 05:29 PM	Historical Park should be on the list and rated excellent.
Sep 18 2024 10:20 AM	Request to fix open potholes in community streets and roads, this leads to higher car maintenance and upkeep costs. There also has been an increase in car thefts across several neighborhoods in the village. Request Village PD to do more patrolling and partnering with HOAs to promote safety and security.
Sep 15 2024 02:21 PM	We need more.
Sep 13 2024 05:47 PM	Lack of sidewalks on parts of Fond Du Lac and no shoulder.  The bike/walking paths through Rotary Park are in need of major repair.
Sep 12 2024 08:18 PM	There are some walking routes but they are separated by busy streets. Connect bike routes to brookfields bike routes and make a huge bike route
Sep 12 2024 09:41 AM	No ongoing maintenance and pruning of trees. No requirement to clear snow from walking paths including those that are adjacent to road but are asphalt.
Sep 11 2024 10:46 AM	Biking routes, I do not feel safe riding in the falls unless I am on the bug line. The streets are terrible. The road in front of my house looks like it's going to cave in.
Sep 11 2024 10:00 AM	I live on Manchester Drive. The street, along with neighboring streets, are in terrible condition. It is not safe to ride a bike on the street. Also, all our street trees were cut down several years ago and never replaced.
Sep 10 2024 01:26 PM	While Village Park is nice, there could be greater effort put towards communal green space. Village Park additionally has no shade making it difficult to bring small kids to. Downtown lacks diversity in restaurants and I dislike a gun store opening in my village let alone so close to a school. Streets in general are adequate however there are some roads that should not just have crack repairs over and over but need proper repair, Schools, main reason I would leave the falls is because the schools are too political which doesn't sit right with me.
Sep 10 2024 12:34 PM	streets are more than poor, but less than satisfactory. please stop planting ginkgo biloba trees, the seeds stink horribly. however, more trees should be planted along the streets where trees have been removed; specifically thinking along shady lane, but am sure there are many areas that could use replacements. i understand there are probably more cons to a fruit tree, but it would be kind of cool to have "community trees" or whatever which the community could benefit from, ie apple, pear, peach trees
Aug 30 2024 09:46 PM	Sewer covers on Pilgrim are not level with pavement, making the drive very uncomfortable.
Aug 29 2024 12:55 PM	I am concerned that the schools are moving in the wrong direction. Books are being banned, certain parts of text books are not able to be taught, LGBTQ students are not supported, and not enough support is given to emotional health. The district needs to be more inclusive. It is concerning that some of the banned books are written by people of color and are about LGBTQ topics. It is concerning that parts of history are being eliminated. Our students need to learn the truth about our country's history. It is demeaning to deny historical truth.
Aug 28 2024 04:47 AM	So many potholes. Roads with weeds growing out of cracks and curbs.
Aug 27 2024 02:50 PM	Where are there street trees? Just see on people's property unlike Milwaukee or Tosa.
Aug 26 2024 08:47 PM	Many arterial streets lack sidewalk, making it feel dangerous to walk or bike in many places. There are many gaps in sidewalk, or other busy streets without sidewalk at all.
Aug 26 2024 06:47 PM	The loss of Ninos and it's replacements are really bringing down the quality of our village

## Question 16 continued

Aug 26 2024 05:32 PM	So many sidewalks and parking lots are in disrepair and dangerous. As a wheelchair user and a pedestrian, traveling the sidewalks in Menomonee Falls can be hazardous for sure. There is very little to do in Menomonee Falls as well, unless you are someone with a lot of money. The lack of public transportation in this area denies so many people their freedom of movement.
Aug 26 2024 03:49 PM	No way for me to bike or walk from my home safely.
Aug 26 2024 02:43 PM	The schools are quickly going down hill. Something needs to be done about that
Aug 26 2024 02:24 PM	There are not enough sidewalks, and walking in the street is inherently dangerous. There are tree and bush branches that obscure traffic signs. Keep Wokeness out of schools.
Aug 26 2024 01:22 PM	have no side walks have not seen cop people doing 40 in 25 called many times nothing done streets u repaved made smaller never filled in dirt right on sides trees in blvd been missing for 20 yrs but downtown gets redone all time so who gives shit right
Aug 26 2024 01:18 PM	Once great school system no longer represents what it once stood for.
Aug 26 2024 12:47 PM	Our quaint welcoming downtown is now ruined by a gun shop.
Aug 26 2024 12:47 PM	Lack of walking and biking routes in many areas of the village - many neighborhoods can effectively only be reached by car. Winter makes things much worse because the village stupidly designates many sidewalks as "multi use trails" even though they are actually sidewalks by every other definition, except for the villages invented legal fiction.
Aug 26 2024 12:20 PM	From the far east end of town it is difficult to get to the off-street biking trails without traveling along high-speed corridors.  The village needs better winter activities in the parks. Historically the ice rink that is put in is full of shale ice and becomes more of a hazard that could be avoided with simple white liner or paint on the underlying asphalt.
Aug 21 2024 02:13 PM	There are too many homes and businesses that do not keep up their properties. The Village does not police these. Private citizens have to complain first. Many other communities in the area appear to have more pride. Crime is working its way into the outer limits of the community.
Aug 21 2024 11:18 AM	We NEED more green space/parks, trees, and there are multiple buildings downtown that look worn/abandoned/super out-dated. Appleton and Main need more shade (trees and cute canopies)
Aug 18 2024 04:10 PM	The schools have gotten worse over my last 2 years there - divisive not accepting I've been called the "n" word which is very immature on their part.
Aug 14 2024 12:05 AM	I LOVE the flowers and planters around downtown. Would be nice to have more trees and perennials on the median down Appleton Ave.
Aug 09 2024 04:06 PM	The village keeps cutting down all the trees!  Shady Lane used to be "Shady"!
Aug 09 2024 01:50 PM	I wouldn't go walking alone at night anymore.

## Question 16 continued

Aug 09 2024 01:27 PM	There are far too many homes where the grass is almost to the knees or full of tall weeds. I thought the village would cut the grass and then charge the home owner. If the village doesn't, they should. My drive takes me down Marcy Rd and Townline Rd's frequently and there are multiple homes like this. These unkept homes bring down the entire village aesthetics. There are two homes on Marcy that last summer they NEVER cut their grass. I'm talking all summer long! Why is this?
Aug 08 2024 09:01 PM	Could use sidewalks and bike lanes on Appleton Ave
Aug 05 2024 09:38 PM	More sidewalks need to be added to promote safe walking and biking, especially on main roads like Pilgrim (on both sides). For recreation, please consider a public outdoor pool. Something similar to Hoyt in Tosa could provide a lot of income by hosting multiple kinds of events
Aug 04 2024 08:43 PM	Schools rated poorly primarily due to poor school board and high turnover among central office staff. Individual school staff--from, teachers, building administrators and support staff very good, but laboring under too many constraints.
Jul 27 2024 09:28 AM	Too many bumpy roads. Pilgrim road was dug up to replace the water main and is now a patchwork of surfaces. Come on!
Jul 26 2024 05:41 PM	Re schools: my opinion is that we, as a community, must closely watch our schools' leadership motives and control... as a retired educator, who is watching closely, the lack of educated & bipartisan decision making puts our schools, students and teachers at risk!
Jul 26 2024 05:11 PM	Overall, things are fine. I don't utilize many of the features since my children are grown. I live in an older neighborhood(70's), and while most homes are kept up well, many are an embarrassment. Rental across the street makes all the homes look bad.
Jul 26 2024 07:42 AM	WE NEED GREEN SPACE, NOT APARTMENT BUILDINGS WHICH MEANS MORE CEMENT.
Jul 24 2024 03:19 PM	Asphalt roads are crumbling. Pot holes...  Look how Minneapolis makes so many streets biking & walking friendly. Drivers go too fast for safe biking on many main roads in MF
Jul 23 2024 11:06 AM	Our neighborhood was dug up to replace water laterals and mains. The street is full of potholes that were not there before and the repairs are embarrassing when we have guests at our home. Milwaukee has better streets than what ours looks like after last summer. I also think that the grass repair looks like hay and weeds. Terribly embarrassing. St. Stevens Ct.
Jul 22 2024 08:51 PM	Seems to be a lot of dead trees around rotary in the medians etc  As far as the schools question it's tough to answer seeing I work in education. I agree with most, disagree with some things. I just want the best for our children. So there is always room for improvement. When I was in the falls school district as a student the falls schools was the place to be. Now it's, satisfactory. We need to improve!
Jul 19 2024 04:03 PM	My primary reason for completing this survey is to suggest a guarded crosswalk at the intersection of Pilgrim and Crossway. It is for this reason that I assign the poor ranking for walking routes

## Question 16 continued

Jul 19 2024 01:36 PM	<p>In my neighborhood, majority of the homeowners keep up on mowing their lawns. There is one home that doesn't seem to be keeping up on their lawn maintenance. Not sure if they don't have a lawnmower or someone that can mow the lawn. It is a concern, it seems like this home owner really doesn't care what their property looks like.</p> <p>As for the streets, most are maintained. In my neighborhood, the road is very worn and the asphalt is coming loose near the grass line, especially on corners. I've had people walk by my property and push pieces of asphalt into my grass to get it out of the road.</p>
Jul 19 2024 10:40 AM	The parks should be better, more splash pads , other then down town, up garde the other parks in our area get rid of the mulch in the rest of the parks
Jul 19 2024 10:26 AM	The downtown is lovely with all the planters and blooming flowers
Jul 19 2024 08:20 AM	Garbage service isn't great
Jul 18 2024 12:58 PM	More trees and flowers please.
Jul 17 2024 11:12 PM	Schools used to be excellent, but the current School Board is doing their best to make them poor. We can use more street trees, and plant native flowers in the grassy medians
Jul 17 2024 04:07 PM	<p>Schools the teachers and principals and special needs staff are all fantastic.</p> <p>The school board is abysmal and more interested in politics than unbiased, non-partisan collaboration.</p>
Jul 17 2024 11:58 AM	Main Street, near the waterfall, needs to be cleaned. When I was there last week there was a lot of thrash and debris on the sidewalk and near the curb.
Jul 14 2024 10:10 PM	Too much residential development. I like the small town feel.
Jul 13 2024 11:17 AM	Access to more biking trails would be nice
Jul 13 2024 10:22 AM	Wish there was a safer way to cross Main Street and Appleton Ave on foot and/or bike. So many people are speeding and running red lights I fear my kids will be hit crossing the street to get to school. The lights by Main Street and Shady I see people run that light pretty much daily.
Jul 12 2024 07:07 PM	Live in forgotten area of Falls. Northwest corner. No walking, no bike paths. No free parks. No sidewalks.
Jul 12 2024 07:36 AM	Need basketball and skate park. Things To Do for teenagers
Jul 11 2024 06:50 PM	Many streets need to be resurfaced - especially Menomonee Avenue
Jul 11 2024 12:47 PM	Heard concerning things about village park with behavior of young teens and have not visited it. Love the park by the library and Rotary Park.
Jul 11 2024 11:26 AM	I have been living in the village for the last 23 years and the snow plowing of the streets have gotten pretty questionable in the past the snow plow would cock the blade little bit toward the street for the last few years the snow plow has cocked the blade right at curb make it difficult to shovel or snowblower because the snow is so deep at the end of driveways
Jul 11 2024 11:00 AM	Disgusted by the school board banning books. A preschool book on diversity in particular. I would not recommend this school district to a friend due to recent unwelcoming and frankly frightening decisions made by this highly conservative and political school board.
Jul 11 2024 10:24 AM	Management of village in general steadily declined over past 5 years or so

### Question 16 continued

Jul 11 2024 09:30 AM	I'm aware of only two bike trails (Bugline which is fabulous) and the one that follows Menomonee River which is too short and narrow for 2 way traffic. It's also pretty badly patched and uneven.
Jul 11 2024 08:48 AM	Potholes, manhole covers that are not set correctly, general poor main roads.
Jul 11 2024 08:21 AM	Crossing Appleton Avenue on foot south of Main Street is difficult. Often long wait times till there is no traffic to safely cross. Car traffic is used to zipping through there, not making it pedestrian friendly. Perhaps making it more like a pedestrian area like you did in the downtown area would help, especially since south of downtown has residential area too.
Jul 11 2024 07:55 AM	The current trend of school policy regarding banning books is disturbing. It smacks of the Nazi era. We need to allow school librarians to offer the wide range of age-appropriate books to our kids, while adhering to individual parents' wishes (restrictions) for their kids. Our libraries need to show real world subject matter.
Jul 11 2024 07:14 AM	Replant trees you chopped down on shady lane Blvd between main st and menomonee ave
Jul 11 2024 06:34 AM	basketball hoops at oakwood park a problem, i live near there and have witnessed fights where I have to take my small children and leave, i do not believe the people utilizing the hoops live in the neighborhood. there needs to be more police presence in the park or the village should take the hoops down.
Jul 11 2024 05:54 AM	Pleas provide walking/bike path along Mill Rd between Lilly and Pilgrim and consider planting trees along the street on Mill
Jul 10 2024 06:20 PM	For years people worked to enliven the downtown...many of their goals have been reached. Stores, restaurants, housing, beautiful river walk
Jul 10 2024 05:46 PM	Why is our student testing dropping? Reading, writing and math
Jul 09 2024 08:43 PM	More pedestrian infrastructure, such as a better sidewalk system, protected bike lanes, and road diets. Public right of ways should cater to all, not just cars. The school board also needs to get its act together and become more accepting of all, not just conservative residents.
Jul 09 2024 09:36 AM	Menomonee Ave needs to be repaved. Our library is EXCELLENT. I wish the new Village Park Playground had a fence.
Jul 08 2024 07:50 PM	Book banning is not ok. Unfortunately this is not a pedestrian friendly community.
Jul 08 2024 05:14 PM	Na
Jul 08 2024 04:50 PM	We need sidewalks on Silver Spring connecting Lannon road to Town Line. Lots of houses and lots of kids will be walking running and riding bikes. And connecting to Hamilton schools will help and get us closer to the bug line.
Jul 08 2024 11:05 AM	Really don't like the huge apartment buildings you allowed developers to erect right beside the water fall and practically into the street!! It ruined the open feel of that area and makes it all seem so boxed-in and congested. It's difficult to enjoy Mill Pond Park.  The streets are so crowded now with all the vehicles (mostly SUVs) of the hundreds of new residents. I definitely avoid the downtown area during rush hours.
Jul 07 2024 05:53 PM	I think the downtown needs trees. It looks just like every other small city downtown. What actually differentiates it from anywhere else?? I wish you have fiber optics available for everyone.
Jul 07 2024 11:50 AM	Property upkeep of businesses on Appleton Avenue is poor. The landscaping in particular at CVS and Dunkin Donuts is very unkept.

## Question 16 continued

Jul 07 2024 11:11 AM	The walk paths along Pilgrim and Fond du Lac need to be plowed during winter. Some paths in the village are. This is a safety issue as pedestrians will then walk in street.
Jul 07 2024 09:38 AM	There are hardly any areas near our subdivision with safe places for us to bike or scooter as a family - no sidewalks and where there are it's a busy main road...not pleasant. The newest park was plopped right across from the middle school and is always overrun during the school year with pre-teens who hang on the equipment, use foul language in front young children, and discourage families from using the playground altogether. Our downtown is a mish-mosh of old and new - no consistent theme, with outdated buildings from the 70's scattered in. We have some valid businesses and restaurants downtown, but it's so poorly designed and laid out - we go to nearby Delafield and Cedarburg to experience quaint and enjoyable villages. And the educators and administrative staff in our schools are EXCELLENT - it's the school buildings and grounds that are severely lacking. One of our gradeschools shares space with the community center - we are the largest village IN WISCONSIN...we should have the funds and space to do better.
Jul 07 2024 12:07 AM	SCHOOL MORAL IS LOWEST ITS EVER BEEN ESPECIALLY WITH BOOK BANNING WHICH DIRECTLY AFFECTED MY SON
Jul 05 2024 07:08 PM	Village parks such as lime kiln in totally bad condition.
Jul 05 2024 05:12 PM	More biking lanes or bike routes
Jul 04 2024 02:50 AM	Too much political discourse at the School Board level without the focus on the kids. How the Sussex Hamilton school district has passed Menomonee Falls for quality is beyond me. We can and should be better (not just related to Sussex, but using it as an example).
Jul 03 2024 10:48 PM	We do not have young kids but we have heard the school ranking has gone down quite a bit.
Jul 03 2024 10:48 AM	The walking paths on Pilgrim road between Good Hope & Appleton Ave need to be cleared in the winter!! They are heavily used by walkers & runners and are impassable for weeks when it snows
Jul 03 2024 10:35 AM	The downtown area is well kept for years except recently, there are a lot of trash around and green spaces are not kept up.
Jul 03 2024 08:26 AM	I have lived in various parts of the country and Menomonee Falls exceeds many other areas
Jul 02 2024 02:48 PM	It is difficult to answer these questions with the scale offered. Most of our walkways are safe with the exception of the Pilgrim and Crossway intersection which is difficult to cross from one side of Pilgrim to the other. There is always room for improvement so satisfactory is not always the correct answer nor is poor.  With the new road construction, please be conscious of beautifying the landscape around the streets as well as the streets themselves as budgets will allow.
Jul 02 2024 10:10 AM	Winter..... sidewalks along pilgrim road from Appleton Ave. to Silver Spring rd should be plowed by village, so people don't walk in the street.
Jul 02 2024 08:50 AM	Pilgrim Rd/Appleton Ave/Menomonee Ave intersection needs to be safer for pedestrians, it really hampers a lot of walking to the Library from the west.
Jul 01 2024 05:38 PM	I have been feeling less safe in the the Falls due to crime at retail locations. I feel safe in my own walking areas. The downtown looks great, but it is way too congested. I can't get through main Street and I have to travel it almost daily. The blvd on my road is full of long grass and weeds. When trees die, they are not replaced. The streets are in poor shape with many pot holes. Seems like there is great upkeep on certain streets. (Falls Parkway) Why?

## Question 16 continued

Jul 01 2024 08:22 AM	Need to continue to replace lost trees. Please improve amount of bike paths and walking paths/sidewalks to better access parks and schools.
Jun 30 2024 08:28 PM	Animal friendly neighborhoods, parks, events!
Jun 30 2024 02:14 PM	Our street is unevenly paved, very unsightly for a high end neighborhood and has only been semi-fixed one time in the last 22 years I have lived here.
Jun 30 2024 10:31 AM	Traffic in downtown area have gotten horrible.
Jun 30 2024 04:17 AM	It would look nice to have more flowers in the median on streets like Appleton Ave to add more color and beauty
Jun 29 2024 02:30 PM	Need walking/biking path on Lilly Rd. from Good Hope Rd. to Fond Du Lac Ave. Other communities such as Brookfield and Germantown have safe paths everywhere. Why has Menomonee Falls not done the same for its community and the children that live here?
Jun 29 2024 10:35 AM	Downtown area is clean and inviting, but it needs a bit of a facelift. It looks a bit old. Especially signage.  Regarding utilities, more power outages, and for longer times than what I've experienced in the past in other communities.
Jun 29 2024 08:58 AM	Downtown could be so much more inviting if business owners took care of their property. So many areas downtown could be unchanged - the bar & grill on Appleton & Main, the path from the parking lot at Lime Kiln between AJ's and Stanford.
Jun 28 2024 01:46 PM	More side streets need to be redone.
Jun 28 2024 01:22 PM	The south end of Menomonee Falls needs sidewalks, especially on Marcy Road. The lack of sidewalks combined with heavy traffic and speeding vehicles makes it really unsafe for kids and families to walk/bike.  There need to be more parks in the south end of the Village. There are basically none. We do appreciate the upgraded Village Park though.  Parks and Rec does not have sufficient athletic rec opportunities for children under age 5.
Jun 28 2024 12:23 PM	I'm commenting on this page to add more women's bathrooms to the Village Park if you want to increase the venues in the park, there should be more women's bathrooms. Very disappointing!!!
Jun 28 2024 11:35 AM	Infrastructure is aging rapidly. Side streets need repairs, water mains, power lines, phone, cable etc. Bump outs in downtown area make it difficult to maneuver.
Jun 28 2024 07:00 AM	Beautiful community.
Jun 27 2024 10:02 PM	The bike trails are limited and not well connected. There is the bulging but very little else especially on the south side of the Village.

## Question 16 continued

Jun 27 2024 02:37 PM	Some older neighborhoods are not kept up. It doesn't matter if it is middle aged or older residents. People don't care about landscaping or cutting the grass or painting their home or just collecting stuff and leaving it outside. Since we now have these huge garbage and recycling cans I am sick of seeing them outside of everyone's house facing the street. It looks like a Milwaukee city street area now. As a realtor, this affects the value of a neighborhood. As a past village trustee, I know there is an ordinance that says garbage cans cannot be outside but this ordinance is not enforced unless a neighbor reports a neighbor. This will not be done. Subdivisions where there are restrictions are not affected by this. I feel the older neighborhoods near downtown will deteriorate over time and affect the value of the homes in the area because they are not kept up.
Jun 27 2024 12:45 PM	<p>My fave road for trees is Lilly rd, between Appleton &amp; the high-school b/c the trees make an arch that covers the road in Summertime.</p> <p>Schools are fine.</p> <p>CE&amp;Rec catalog is ample &amp; offers lots of options!</p> <p>Main roads are better than neighborhood roads. Instead of asphalt, our street got this weird, sticky gray gravel covering... it stuck to my shoes when I walked on it. Looked &amp; felt like a cheap substitute.</p> <p>This town needs sidewalks &amp; better bike paths!!!</p>
Jun 27 2024 09:56 AM	It's hard to get around on foot anywhere that is not the immediate downtown area. Most areas have a lack of sidewalks and safe crosswalks.
Jun 27 2024 09:44 AM	Love the displays at the 4 corners and the Potts on the lamp posts and parks . Very well taken care of.
Jun 27 2024 09:05 AM	The school board makeup should be politically neutral. The current conservative swing is devaluing our teachers. Also the district has so much land where Thomas Jefferson used to be; soccer fields, basketball court or even an indoor gym space should be built over there as our gymnasiums are overcrowded with community rec activities and decreases the use for our local sports teams.
Jun 27 2024 06:30 AM	I'm seeing more trees cut down, more ugly box homes going up, no really good restaurants, and the infrastructure is just patched up and repaired as needed. For example the patch repair job along pilgrim rd near the library.
Jun 26 2024 05:29 PM	Schools have changed in the past 5+ years. I am not happy with the school board these days.
Jun 26 2024 04:52 PM	What is a street tree, and what are we being asked to rate about them?
Jun 26 2024 03:05 PM	I am deeply concerned about the direction of the school district and its effect on housing prices. If the school board continues on its path, Menomonee Falls will be less of a destination than it has been in the last 20 years.

## Question 16 continued

Jun 26 2024 02:58 PM	One main MAJOR concern I have is for those that are differently abled and people with limited vehicle access. In the winter time most paths are not cleared from ice and snow making it unsafe for them to travel. But they have no other options. I know that the path on pilgrim is considered a bike path and not required to be cleared. Yet I have seen people need to use it despite the conditions. Requiring all paths that are accessible during spring, summer and fall to be cleared of ice and snow will ensure safer travel for these populations as well as continue recreational use- a major plus for communities.
Jun 26 2024 12:55 PM	We also have kids who go to school in Elmbrook (split custody) and their communication, especially for special needs is far superior.
Jun 26 2024 12:19 PM	Road conditions are terrible
Jun 26 2024 10:57 AM	The schools could use some renovations.
Jun 26 2024 10:50 AM	Glad they have started cutting down dead trees! Thank you for replacing them with new ones.
Jun 26 2024 10:25 AM	Could use native plantings along roads & boulevards.
Jun 26 2024 09:42 AM	The village could do a lot more to use trees as a natural barrier to mitigate light and noise pollution from busy roadways and industrial development adjacent to residential areas. This is an ongoing and increasing problem in certain areas of the village, contributing to deteriorating quality of life and unrealized property values.
Jun 26 2024 07:12 AM	Pilgrim road could use more and the village Centre
Jun 26 2024 06:39 AM	Need more trails around notnjust one big one and also need to have them availabe during winter time. They dint get cleaned during winter and some of us use them during this time
Jun 26 2024 03:59 AM	The Village Park gets ruined by immature children we have their who act like they are adults
Jun 25 2024 11:09 PM	I heard your banning students reading books, that is not right.
Jun 25 2024 10:34 PM	I believe an effort is being made and I can appreciate the work.I feel the public utilities do not get responded to quickly and properly (I am a general contractor and have waited at length for information and then it was not accurate) I have repeted asked for tree trimming along the areas up handel that need work and they have gone un answered
Jun 25 2024 09:19 PM	Our school board seems intent to run the district into the ground. Paying 2 superintendents, banning books, infuriating teachers, we are an embarrassment.
Jun 25 2024 06:03 PM	Other than the bugline, there are not many trails around town, and most roads don't have sidewalks. This is not a great area to bike in, especially with kids.
Jun 25 2024 05:28 PM	People need to do the speed limit! Too fast! Sounds like a race track around town!
Jun 25 2024 05:18 PM	Don't screw things up. Stop being so partisan and make MF a great place to live.
Jun 25 2024 04:56 PM	I wish this was more of a walkable town with public transportation options. Bike lanes are practically non-existent. I feel safe, but I consistently see BIPOC people targeted by police in our village. Fiber optic internet is lacking. No competition for energy/internet providers. Would prefer a weekly recycling or a 24/7 drop-off location within the village. Families should be allowed to own chickens & bees on personal property, not just in agricultural zones. The school board has become highly political, and focused on conservative policies that do not benefit student education and learning.
Jun 25 2024 04:50 PM	Schools were excellent. Not sure about that anymore.
Jun 25 2024 03:56 PM	Would LOVE a public pool!
Jun 25 2024 03:45 PM	Side streets are riddled with pot holes

## Question 16 continued

Jun 25 2024 03:42 PM	<p>-I would love to feel that our family could bike around town a lot, but I don't feel safe doing so (other than on a designated biking trail or residential streets).</p> <p>-I wouldn't feel comfortable having my kids walk or bike on Silver Spring as there is no sidewalk. Lily road has a wide shoulder on one side, but no sidewalk.</p>
Jun 25 2024 02:49 PM	There are no sidewalks on Maple Road to safely get to the Bug Line Trail.
Jun 25 2024 02:25 PM	I would love to see more recreational paths on arterial roads like Lilly Rd. And more sidewalks to enhance walkability.
Jun 25 2024 02:12 PM	There are subdivisions in the SE section of Menomonee Falls that lack sidewalks and bike paths to connect to commercial areas. For instance Mill Rd (between Lilly and Pilgrim). Mill and Lilly connecting to Silver Spring and Pilgrim.
Jun 25 2024 02:09 PM	Streets it depends- some are poor some are satisfactory
Jun 25 2024 01:42 PM	<p>Schools have declined, you drive by the high school there are weeds growing up the building and sidewalks. Weeds all of grounds.</p> <p>Fights in the middle schools constantly.</p> <p>Hopefully the board continues to turn things around</p> <p>There are limited things for teens to do in the falls the ones who are too old for babysitting but to young to work. Limited programs at the school district and through the park and rec.</p>
Jun 25 2024 01:38 PM	The landscaping is amazing in the medians and parks
Jun 25 2024 01:28 PM	Concerned about the direction of the school board banning books
Jun 25 2024 01:19 PM	The direction of the school board is enough to make us consider moving. The village trustees are also disappointing. It's akin to middle schoolers playing politics at a student council meeting.
Jun 25 2024 12:54 PM	Electricity on tamarack hills is an issue. Goes out a lot. Streets need a lot of work!
Jun 25 2024 12:50 PM	Need more bike lanes or especially between trails and on busier roads.
Jun 25 2024 12:41 PM	Road conditions are atrocious and drastically need work. So many pot holes that take months to years to fix.
Jun 25 2024 12:28 PM	Appreciate the hard work of our law enforcement, but wish they would spend less time on speed traps in relatively safe areas and more time on deterring property crimes, retail theft, and reckless driving (swerving/running red lights) from cars coming from/to Milwaukee County line, especially around high crime areas like that bounded by the following streets Appleton, Lilly, Good Hope, and Pilgrim Rd.
Jun 25 2024 12:27 PM	We REALLY need more unique, high quality restaurants like the Hot House. Please, no more fast food, pizza or bar food restaurants. It's devaluing the area. How about about a place like Double B's BBQ?
Jun 25 2024 12:24 PM	There is no reason Appleton Ave from pilgrim to the high school needs to be 3 lanes each way. It makes it very difficult/dangerous to cross the street as a pedestrian.

### Question 16 continued

Jun 25 2024 12:24 PM	I've lived in a variety of locations over the last 35+ years, and I've never lived in an area with as poor of infrastructure as here. Menomonee Ave has been in bad condition since the day we moved here, and there are many more just like it. And the constant power outages around the village shock me.
Jun 25 2024 12:20 PM	There should be much more walkability to amenities and options for biking. Much of the falls is only connected by car travel and there is not much in the way of public transportation that I can gather.
Jun 25 2024 12:13 PM	Originally one of the reasons that I moved to Menomonee Falls was for the schools. I felt strongly for a long time that we had some of the best schools in Waukesha County. Today - the schools would be my #1 reason to leave the community. The school board and new superintendent are ruining the opportunities for our students.
Jun 25 2024 12:12 PM	Ash trees that have been impacted and killed by the recent influx of the beetle need to be removed. It is not only an incredibly unattractive eyesore, which is an instant turn-off, but are getting to be a safety hazard since they are now starting to dry out and have been dead for a long enough point to be vulnerable to weather and falling. Boulevard upkeep and mowing needs to be monitored so that some parts don't get over grown. Neighbors who want to report poorly kept homes in their neighborhood are asked to put down personal information in the report, which puts out a concern of neighborly relationship issues. I would appreciate being able to report an unkept property without concern my neighbor would find that information out and create an unfriendly neighborhood environment.
Jun 25 2024 12:06 PM	I live in Hamilton SD
Jun 25 2024 12:05 PM	Would love more bike lanes and would love some public transportation.
Jun 25 2024 12:01 PM	I wish the village would invest more in safe biking routes to school or require developer to install recreational trails in new development. The village missed a big opportunity by not requiring the developer to put in a recreational trail on along Lilly Road.
Jun 25 2024 12:00 PM	The streets in my area of Dardis Ave, Ann Ave and Theodore Av are in poor condition. The curbs are rolled back from the road way by 4 to 10 inches. I have complained with no feed back from anyone in the village government. This has been like this for years.
Jun 25 2024 11:59 AM	We often lose power and the cell service in town is non-existent. Not likely MF services but impacts the quality of life in our village.  The increase in crime makes us feel unsafe when walking especially on the Bugline or areas that are less visible and public.
Jun 25 2024 11:58 AM	Roads are rough.
Jun 25 2024 11:56 AM	If the Village could partner more with the MFLL, it would help lower the cost to families and bring life back into that program!
Jun 25 2024 11:51 AM	Your sidewalks on busy streets don't get plowed or shoveled in the winter. Pilgrim Rd between Appleton and Good Hope is a prime example.  The schools are run by a right wing extreme group pushing their own agenda and not one suited for the children. Some of your Trustees are openly racist and bigots on social media.

## Question 16 continued

Jun 25 2024 11:50 AM	I live near good hope and pilgrim road and that intersection will never be a spot I feel comfortable letting my kids navigate walking or on a bike and still feel very uncomfortable crossing myself. Although this is the only thing stopping me from letting them bike to school or other areas of downtown. I am also very dissapointed that the bike/walking path on Pilgrim is never plowed. We can go months with nice weather and no snow but cant utilize it because of the piles of snow left there. Even if it can't be done every time it snows, it would be good if it was done a few times a year to take care of the piles of snow that get plowed onto the trail. It does not allow for the recreational activites available in our village.
Jun 25 2024 11:47 AM	Road conditions are deplorable in many areas. Massive chunks missing. Sewer systems can't keep up. Electrical grid can't keep up.
Jun 25 2024 11:44 AM	School staff is excellent, the school buildings need updates.
Jun 25 2024 11:42 AM	The village was told about a tree bulging roots that is causing the concrete to rise and unsafe walking/ running Conditions
Jun 25 2024 11:41 AM	The intersection of Appleton, Pilgrim and Menomonee is still dangerous and a nightmare to navigate.
Jun 25 2024 11:41 AM	City Hall takes good care of its residential homeowners!
Jun 25 2024 11:40 AM	MF intentionally doesn't clear paths in the winter like EVERY other neighboring community. It's a huge safety problem. Calling walks that people use on a regular basis a recreational path just so the snow doesn't need to be cleared is a cop out. It's still a public walkway and a giant disregard for public safety when not cleared.
Jun 25 2024 11:39 AM	Need more restaurants, shops and things to do around Menomonee Falls
Jun 25 2024 11:38 AM	Unable to Satisfactorily rate schools, as while they are not poor, they are certainly neglected and diminishing in value every year.
Jun 25 2024 11:37 AM	Could always use more trees!
Jun 25 2024 11:36 AM	There should be more sidewalks. Why doesn't MF have local community swimming pools. Look at Wausau-similiar size city with more vibrant downtown, festivals, advanced parks, trails, and swimming pools.
Jun 25 2024 11:35 AM	Would like to see enhanced walking/biking trails
Jun 25 2024 11:35 AM	Would like more biking/walking paths
Jun 25 2024 11:35 AM	I have noticed that some of the low-income housing is sometimes not great to look at. Also some of the children are causing issues in the community and it doesnt seem like anything is being done to prevent it.
Jun 25 2024 11:34 AM	Walking still a concern for middle schoolers too close to get a bus. 1.5+mile walk across multiple major intersections is problematic for 11 year olds.
Jun 25 2024 11:34 AM	Our neighborhood is older and the streets are in horrible shape, at this point its unsafe for our kids to even ride their bikes or scooters on.
Jun 25 2024 06:55 AM	Many trees died and were cut down and have not been replaced.
Jun 25 2024 05:36 AM	Nothing for teenagers to do. You removed the skate park and basketball
Jun 24 2024 08:19 PM	More parks on the Southwest end of the Village.
Jun 24 2024 05:40 PM	Plant more trees
Jun 24 2024 01:20 PM	There aren't any great family pools nearby. I would love to see something like Buchner in Waukesha. Even the splash pad is very small.

### Question 16 continued

Jun 24 2024 12:43 PM	There is a remarkable lack in pedestrian infrastructure in the village, particularly in the southern end. There are very few parks, and no sidewalks or bike paths. We tend to leave the village for most activities because we are required to drive to get to anything.
Jun 24 2024 09:41 AM	wish I knew what kind of trees some of the street trees are!
Jun 24 2024 09:09 AM	The medians on some street are an eye sore
Jun 24 2024 07:45 AM	Biking on bugline is great. Beyond that don't always feel safe biking on streets. No great way to head east to far side of Falls.
Jun 24 2024 06:05 AM	There is room for improvement crossing streets -any area on Appleton Ave and -Main Street (between Fondulac Ave and Main and Appleton).this impacts both pedestrian and cyclist.
Jun 23 2024 09:54 PM	I've lived in Menomonee Falls my entire life. It truly saddens me how much growth has been allowed to happen. It now reminds me of the situation of a downward slope that took place in Brown Deer over the years. It was a tiny Village in 1965 & now I do worry about Crime without enough Police Presence.
Jun 23 2024 07:42 PM	The radical changes in the school district and their agenda are concerning.
Jun 23 2024 04:58 PM	Recycling is too limited. Need the option to get another bin or needs to be picked up weekly. Unable to properly recycle currently due to this.  Need to build another splash pad at another park like Oakwood. Village park is too crowded and over ran with middle school kids.  Terrible traffic congestion on Appleton Ave in downtown.
Jun 23 2024 03:31 PM	Desperately needing more trees, better landscape and visual appeal especially in common boulevard areas on main routes (ie Silver Spring, Pilgrim). Increase safe pedestrian pathways from broader neighborhoods to instill a community feel throughout the village and help people access the great downtown amenities.
Jun 23 2024 02:27 PM	More trees and native flowers
Jun 22 2024 05:44 PM	Many trees have died and not replaced!
Jun 22 2024 03:03 PM	The Village needs to start putting some money into fixing a large portion of the roads. Especially roads that have become more heavily traveled roads, like Menomonee Ave.
Jun 22 2024 12:55 PM	Roads in neighborhoods need work

## Question 16 continued

Jun 22 2024 12:52 PM	<p>There are not enough parks and reserved greenspace/wild space created to counter the effect of increased density housing. Rotary Park, a local treasure, has inadequate walkways - much of the park is all but inaccessible because there are no paths to walk completely around and through the park. One of two bridges in the park leads nowhere. There was talk of paving walks along Lilly Road which is the only remaining scenic drive in town with no walks proposed for the park - why? Walks along Lilly Road would destroy trees, interfere with wildlife, and completely alter the natural beauty of the road which drivers enjoy throughout all seasons. There was talk of a multi-purpose trail to disrupt the private properties along Lilly Road - why not make Rotary Park, already public land, more available to the community with trails, environmental plantings, and parking areas? Where are the parks in the southern areas of town where there has been so much development and so few trees planted and preserved? New subdivisions seem to sprout wherever land can be grabbed with no thought to greenspace preservation. It is past time to consider the unwanted effects of overpopulation - we do not have to continually grow and lose fertile farmland and edify forests with more pavement everywhere! The downtown has all but lost its historic character with high-rise apartment buildings robbing the community of access, both physically and visually, to the falls which gave it its name - and was that tax incremental financing awarded there, too? Bump out curbs only make the downtown businesses less accessible by removing parking spaces. Recreational opportunities can be created in new areas being destroyed by rapid housing construction - the only ones to benefit from unrestrained construction are the contractors and landlords. Renters are not tied with any loyalty and concern for the welfare of the community - home owners are.</p>
Jun 22 2024 08:05 AM	<p>River bridge in poor condition.</p> <p>Crossing at Park Blvd and Mill Street.</p>
Jun 22 2024 07:10 AM	Trees on neighborhood streets need trimming
Jun 21 2024 11:24 PM	The highway grass and tree areas need more attention
Jun 21 2024 08:59 PM	Our street plowing in winter pales in comparison to neighboring communities even after identical snowfall. Also the recent resurfacing project replacing asphalt with a composite surface was very poorly executed.
Jun 21 2024 05:57 PM	Menomonee avenue is a mess.
Jun 21 2024 05:44 PM	<p>Roads (county) Pilgrim and Good Hope are in need of repair, especially after the roadwork between Main Street and Appleton.</p> <p>We have always wanted a Boulevard for the ONLY section of Pilgrim that doesn't have one!!!!</p>
Jun 21 2024 05:06 PM	Hoping the village replaces street trees as they need to be removed
Jun 21 2024 04:57 PM	We wish that yard waste pick up would be included in our public utilities, safe biking routes do not exist on silver spring road
Jun 21 2024 04:54 PM	Schools need to get back to teaching how to think instead of what to think.
Jun 21 2024 04:15 PM	Hamilton schools
Jun 21 2024 02:28 PM	Need more consistent walking paths that don't just stop or force you to cross over a busy street like Silver Spring. One Mile Road needs a walking/biking path. Would love more mature trees in medians of major roads.

### Question 16 continued

Jun 21 2024 12:53 PM	Inadequate green, natural space and parks for the development done; more bike/walk routes needed; MF has lost its' charm due to overbuilding and overpopulation; is developing a Milw attitude and climate
Jun 21 2024 12:37 PM	My steer has not been repaved in 22 years. It has pot holes. Pilgrim road is a mess. Somehow tho Woodview gets replaced about every other year.
Jun 21 2024 11:40 AM	Most items are solid but the schools performance as compared to neighbors is poor. Hard to attract quality educators with a school board that is so imbalanced in philosophy.
Jun 21 2024 11:18 AM	Many roads are bumpy need taring in cracks. Pilgrim road especially.
Jun 21 2024 10:43 AM	I love the improvements completed downtown with the exception of 3 story apartments and the Village park improvement. The fairs, parades, bands and events are great for the community and families.
Jun 21 2024 09:36 AM	Please remove the dead ones and cut the grass in the mediums.
Jun 21 2024 09:12 AM	Dead ash and pine trees really need to be removed, especially along the River Pkwy - it's a mess
Jun 21 2024 06:20 AM	Wish village would have replaced trees on the tree lawns on my street when removing over 20 trees a few years ago
Jun 21 2024 05:48 AM	Poor for walking- Place park trails are horrendous in the older section. Bridge is wrecked and the path is so beat up  I have gotten hurt several times. I have brought the issue to the village, but really didn't feel heard. Trees have not been replaced. Lack of shade
Jun 20 2024 11:48 PM	Some trees need trimming! The ones on Pilgrim are literally gonna start hitting windshields
Jun 20 2024 11:34 PM	Appleton and Arthur Ave needs a stop light. Trees on Menomonee Ave and Arthur should be taken down as they block the view of cars. Power goes out on Arthur Ave during storms due to overgrown trees.
Jun 20 2024 10:42 PM	Our school system is better than Milwaukee, but definitely could use improvement. The last year they do seem to be moving in a better direction.
Jun 20 2024 10:33 PM	Need more trees-Shady Lane has lost many trees & they have not been replaced!! Why is the street named Shady Lane?
Jun 20 2024 06:01 PM	Need more keystone native trees
Jun 20 2024 05:13 PM	Right wing school board will destroy the fabric of the community.
Jun 20 2024 04:54 PM	I wish we had more sidewalks to encourage the healthy habit of walking. For example, I wish there was a sidewalk along Marcy Road so the children and parents who were able could safely walk to Marcy School and not walk along busy Marcy Road on the road's shoulder.
Jun 20 2024 03:21 PM	There aren't enough sidewalks outside of the downtown area and that's a bummer because I would love to not have to cross a crazy-busy and dangerous street to reach the only sidewalk.
Jun 20 2024 02:29 PM	Can always use more trees!
Jun 20 2024 02:02 PM	I live in an older neighborhood and I feel we are left behind in terms of upkeep and maintenance of public roads, trees, etc.
Jun 20 2024 01:26 PM	Few home in the falls that are not well cared for but not many. Beautiful place to live
Jun 20 2024 01:03 PM	Trees should be trimmed. So they are off the electric lines.
Jun 20 2024 01:02 PM	Hamilton School District is Excellent. I don't know about Menomonee Falls School District.

## Question 16 continued

Jun 20 2024 01:00 PM	My daughter goes to Marcy Elementary...There is no sidewalks either side on Marcy road, though a big chunk of kids families lives next to the school. Sidewalks and crossing could highly help kids and parents to pick and drop by walk or bikes. It is worth to have sidewalk there as it will increase walking score of the area and help kids parents to walk pickup and drop in summer.
Jun 20 2024 12:51 PM	I am glad our son graduated high school a number of years ago. I would not send him to the Menomonee Falls public schools now. I realize that is probably a minority opinion, but the politicization of the school board and departure of key administrators has negatively affected many public schools.
Jun 20 2024 10:51 AM	Improved bike lanes would be nice to ensure biker safety. I feel safe when walking.
Jun 20 2024 10:31 AM	The utilities and roads in the village of Menomonee Falls have been getting worse and worse every year. The pot holes on Shady lane get deeper and deeper with only temporary fixes occasionally that immediately get worse a month later. I have seen bikers fall and cars blow out tires on these holes and nothing is ever done. Now Shady Lane is being torn up for water service and it has been taking weeks, with many days having no workers working at all. The gigantic holes in the road are not filled either. The utilities have poor communication and the price of water and electric are at an all time high while service continues to be poor. I have no idea why my property taxes were raised over 70% last year while the quality of the services it should be going to suffer. I do not want to move from this location but it is becoming more apparent that the village will continue to take more and more of our money while giving little back in return.
Jun 20 2024 10:22 AM	I dislike how our downtown area has transformed over the recent years. I believe that apartment complex next to the waterfall is a monstrosity. Its far too large, overbearing, and the design feels out of place / has no tie ins to Menomonee Falls. I feel its ruined the character of our village's namesake. Utilities have been a struggle these last few years as well, between power outages, internet outages, and water mains bursting. Even the trash service seems to be declining, with multiple missed days. The streets seem to be crumbling, and the patchwork isn't holding up as well. Whenever theres major road construction (including updating or fixing burst water pipes), the replacement roads are uneven and patchy. It looks so poor and uncared for.
Jun 20 2024 09:48 AM	Park maintenance could be better - trash and/or brush removal after storms was better several years ago.
Jun 20 2024 09:00 AM	I love off of Lisbon and Pilgrim. The safe walking and biking routes to the west are non-existent. As development continues to the west on Lisbon, it would be nice to have sidewalks and biking lanes connecting these communities.
Jun 20 2024 08:34 AM	With the growth of business and the new park, all are great, problem is, total traffic congestion at main/appleton, not enough parking, or need for a parking lot or small parking structure, big job but streets need to be expanded by old village, the park, and apartments/condos by the falls
Jun 20 2024 08:25 AM	Need more police patrols, recently a car drove over my lawn in the middle of the night. Also, lots of reckless speeding on our street (Aspen Dr.) which is making our neighborhood unsafe especially for our young children.
Jun 20 2024 08:08 AM	I think the school board being controlled by wisRed is very concerning. They seem like childishly bullies who want to push a conservative agenda on students rather than empower teachers

## Question 16 continued

Jun 20 2024 06:24 AM	There are numerous streets where the trees need to be trimmed back from the power lines so there are not big outages again like like winter due to heavy snow/ice.
Jun 20 2024 06:19 AM	streets are horrid and planning is weak. Pilgrim road was redone only to be ripped up months later and during school. Crews hired to do sidewalks, trees, etc. don't seem to care and language around kids is EXTREMELY poor
Jun 20 2024 06:04 AM	Down town area aesthetics are improved. Village park continues to improve and more events are being offered.
Jun 19 2024 10:39 PM	Trees in drainage ditches do not get taken care of even though that is village property.
Jun 19 2024 10:11 PM	Schools are excellent bit the school board is very political and too extreme Right Wing. Let's leave books alone shall we. Additionally Let's work on attracting better quality restaurants than chains or pubs. Village Board trustees should NOT be making comments on their page about the events at private businesses unless a law is broken. Looming at Ann Lessilla's comments about Batter and Mac. Who does this benefit? Does this make MF a more attractive place for diverse businesses? Does this attract business to the downtown MF area?
Jun 19 2024 08:28 PM	Need more trees
Jun 19 2024 08:16 PM	Will warn young families about incompetent and politically extreme school board; high teacher turnover and mediocre test scores
Jun 19 2024 07:21 PM	There are streets in the village that are horrible. As a bus driver I can tell you there are streets that need to be fixed and are overlooked.
Jun 19 2024 07:03 PM	Neighborhood streets are awful.
Jun 19 2024 06:59 PM	Many walkways and biking paths need more tree and bush trimming.
Jun 19 2024 06:17 PM	I would like to see dedicated bike lanes especially on busier routes and downtown. And have more bike racks.
Jun 19 2024 05:32 PM	We could always use more trees.
Jun 19 2024 05:07 PM	Our school district needs to grow with the times and be more inclusive. The current Board of Education is living in the 60's. They need to wake up and smell ALL the flowers! Village Board members too!
Jun 19 2024 05:03 PM	Our street just like other neighborhoods are patchy with the same potholes being filled and refilled. We should have more pride. Menomonee Ave is the worst from Appleton to the YMCA with flooding or patch jobs that are not well filled.
Jun 19 2024 04:54 PM	The work the village has undertaken to calm the four corners (appleton/main) is great -- would love to see more traffic calming applied along pilgrim, menomonee, and appleton where those three intersections meet. Being a cyclist or pedestrian in the falls is terrible and dangerous.
Jun 19 2024 04:34 PM	Should try to make places more walkable and bikeable, starting with Lilly Road.
Jun 19 2024 04:22 PM	Does the village not own weed wackers?
Jun 19 2024 04:15 PM	Not happy with conservative school board and their one-sided views. Also unhappy with the threats that were made against Batter & Mac.

## Question 16 continued

Jun 19 2024 03:42 PM	<p>There is a very dark element visiting Menomonee Falls that causes a lot of concern for safety and security mainly at shopping areas that unfortunately are spilling over into residential areas when confronted by our excellent Police Staff.</p> <p>A Public Safety and Security Summit needs to be immediately held with the Court System, the DA's Office, the Sheriff's Office, the MFPD, Village Board, Village Manager, Corporate Security Teams, victims, and local residents to get out in front of this ongoing and potentially explosive situation.</p> <p>There needs to be a specific plan to assure residents, businesses, visitors and the greater community at large that this behavior and mentality is not welcome in Menomonee Falls and violators will be prosecuted to the fullest!</p>
Jun 19 2024 03:41 PM	<p>You really need to put in a sidewalk along Lilly Rd between Fond du lac and and Appleton. There are so many kids trying to get to the school or riding their bikes and they have to ride directly on the road with oncoming traffic in both directions. It is a hazard waiting to happen. Also some roads like ours still are on Well service for water. This really should not be the case in a modern city. We need modernization.</p>
Jun 19 2024 03:16 PM	<p>Appleton Ave is too congested, with many accidents, it's too fast heading south onto pilgrim. I inquired about a possible roundabout there, was told it's a state hwy and that has to go through Madison. Schools could improve. When the new playground/splash pad was created, why wasn't a community pool installed? Obviously a huge investment and taxes would increase, but the area is only increasing in size with all the new subdivisions. MF is already a large area. Our electricity goes out multiple times a year. It is crazy. Where is our grid located and why isn't it protected? That may be a WE energies question. MF needs new coffee shops, boutique stores and restaurants.</p>
Jun 19 2024 02:53 PM	<p>Need improvement/maintenance of weeds growing on business properties. Also many streets seem to have broken or cracked paving</p>
Jun 19 2024 02:25 PM	<p>Paths need to be repaved, other parks need updates</p>
Jun 19 2024 01:56 PM	<p>School district superintendent has zero leadership skills and is only concerned about his political agenda and being a fall guy for the board. He destroyed an amazing district in a matter of months.</p>
Jun 19 2024 12:09 PM	<p>Pot holes all over the roads that need filling/repair.</p>
Jun 19 2024 11:44 AM	<p>Lots of gaps in the sidewalk and trail network - these make it difficult to walk or ride to destinations across the Village</p>
Jun 19 2024 10:45 AM	<p>Kiln Park and Rotary parks the river going through Menomonee Falls could be cleaned out so people could see it. It would be nice from the walkway to see the river. Also, more unique small restaurants not bar and grill food. We have plenty of those type of restaurants.</p>
Jun 19 2024 10:39 AM	<p>Bike paths/walking paths should be cleared of snow (Pilgrim Road) and be repaved.. they're uneven.</p> <p>Streets need to be repaved also (&amp; new sewer grates).</p> <p>Why some newer subdivisions get replaced and older ones do not!</p>

### Question 16 continued

Jun 19 2024 10:37 AM	Village does not appear to uniformly upkeep the overgrowth of grass in the neighborhood creek systems in front of the homes (some years the overgrown grass is trimmed everywhere, other years only some areas are and there isn't any obvious communication with the home-owners or neighborhood community about when this happens)
Jun 19 2024 10:36 AM	It would be nice to have a few more bike tracks or safe areas on the major roads. The down-town in improving, but it would be nice if there was more of a uniform old-world charm feeling. The streets are also improving, but there are some rough areas, and the grass cutting in the mediums and along the curbs could be improved. Especially along good hope and pilgrim. There are a lot of dead trees around, thanks to the ash borer, but it would be nice to get them replaced,
Jun 19 2024 10:22 AM	In my subdivision there are several open land spaces that could be repurposed as a dog/children park or even a field/court for families to utilize. I live 10 minute drive away from down-town falls so it's not convenient for me to take my family there often.
Jun 19 2024 09:59 AM	This is a beautiful community
Jun 19 2024 09:44 AM	Do not have children in the school system, therefore no opinion.
Jun 19 2024 09:36 AM	I worry about the future of our school district because of the school board.
Jun 19 2024 09:26 AM	I would love to see more BIG trees on Appleton and Main Street along with more native flowers in our parks (less grass/huge mowed fields). I love what has been done in the park by the middle school BUT it's way to hot in the summer time to enjoy the music/ampitheater area because there's no shade. Same with the festivals on Main Street. It would be great to have misters set up to help deal with the heat and kids would love them.
Jun 19 2024 09:00 AM	Water went up 20% which is disappointing. Not enough for YOUNG families to enjoy. Hot House, Third Space and the new park is a nice start. It would be great to see more coming to the Falls like that. It would definitely draw more attention to the Falls.
Jun 19 2024 08:48 AM	We are concerned about an increase in crime as our vehicles were broken into last summer and we live in the south western part of Menomonee Falls. We appreciated the police response.  It would be appreciated to have a sidewalk on the north side of Lisbon Rd. Brookfield has put in sidewalks everywhere except their southside of Lisbon Rd. It is dangerous to walk or bike.
Jun 19 2024 08:34 AM	Pilgrim overhanging on path
Jun 19 2024 08:20 AM	Would like to see more of the dead elm trees removed
Jun 19 2024 08:19 AM	Bought our house when the streets were lined with trees and since then they've all been cut down. Very disappointed by this.
Jun 19 2024 07:55 AM	Our street has not been resurfaced in all the years we have been here. How and Mineola Dr
Jun 19 2024 07:38 AM	I think there is definitely room for improvement. The Falls is nice, but it could be so much better. When I have family visit we like to go to Oconomwoc, Pewaukee or Cedarburg for shopping and restaurants. It'd be nice if the Falls could be our choice of destination.
Jun 19 2024 07:32 AM	We are in the Hamilton School District
Jun 19 2024 07:32 AM	The power goes out all the time. Whenever we contact the village about potholes they are always fixed quickly and any questions have been answered efficiently.

## Question 16 continued

Jun 19 2024 07:09 AM	compared to the street conditions of Germantown the Falls streets are amazing. only safety concern around the Delta Hotel on Main st. There are a lot of individuals that walk down Main street that reek of weed and drugs.
Jun 19 2024 06:43 AM	more roundabouts
Jun 19 2024 05:38 AM	Kids are not in school yet
Jun 19 2024 02:19 AM	We need a sidewalk on lisbon from pilgrim to the west--so dangerous
Jun 19 2024 12:57 AM	so many potholes in our streets! We recently got our street repaved after years of bad bad street condition and we're very grateful, but it took so long and many of the streets around us are in bad shape
	also there are a few neighbors on the street not too far away who are allowed to have junk and unkempt lawns....very unsightly
Jun 18 2024 11:45 PM	Our neighborhood roads always have pot holes. They all could use some new asphalt.
Jun 18 2024 10:57 PM	Aside from the punk teenage kids at the village park causing trouble. They need a skate park area
Jun 18 2024 10:52 PM	Need more trees and green spaces
Jun 18 2024 10:12 PM	Need plan to plan more citywide
Jun 18 2024 09:27 PM	More accessibility and information about sports teams/ clubs.. if you are not aware and looking for a new team, very difficult to find!!
Jun 18 2024 09:16 PM	The schools were 100 times better before WisRed took over.
Jun 18 2024 09:03 PM	There is nothing for kids to do besides the movies or Gascade
Jun 18 2024 08:56 PM	Menomonee Ave is in dire need of full redo
Jun 18 2024 08:51 PM	Street repaving lags behind what it was 15-20 years ago. It's especially noticeable in more established, smaller home neighborhoods, such as around the high school.
Jun 18 2024 08:39 PM	Hamilton School District is excellent. I cannot rate MF district. Also, recreational opportunities are confusing, considering the close knit relationship between the Village and the MFSD, who runs what?
Jun 18 2024 08:34 PM	Maybe make the water bills low, they are always way to much!
Jun 18 2024 08:28 PM	So many needed to be taken down and there's been no effort to replenish. Rotary park was beautiful and now so many trees are gone.
Jun 18 2024 08:25 PM	Streets and parks lack mature desirable species of trees but the new plantings at Village park are great! Keep it up! Allow people to plant trees in right of way with restrictions.
	Updating the old trails in the park would be great!
Jun 18 2024 08:11 PM	I would love to see the Falls more bike and walking friendly. Being active is really important to my family and I don't feel safe biking around town with my kids.
Jun 18 2024 08:05 PM	I think adding bike lanes could be beneficial as I don't believe there are any
Jun 18 2024 07:43 PM	In Hamilton school district
Jun 18 2024 07:34 PM	I hear that people in wheelchairs want more plowing immediately following a large snowfall. No excuses!
Jun 18 2024 07:33 PM	We lost so many of our trees off of Menomonee Ave near Schlafer and I am sad to see nothing was replanted. With our smaller homes, the trees always provided a cozy, beautiful backdrop.

### Question 16 continued

Jun 18 2024 07:31 PM	When requested a tree for our boulevard was told we would be put on a list. That was 17 years ago still no tree.
Jun 18 2024 07:18 PM	Excellent library
Jun 18 2024 07:15 PM	Downtown ambiance was ruined by the HUGE apartment complexes, loss of parking & bump-outs that back traffic up into the main intersection.
Jun 18 2024 07:02 PM	We need more trees! That would make the Village much more attractive.  We need more accommodations for bike riding into downtown.
Jun 18 2024 06:54 PM	The growth and development of downtown over the past few years has been awesome. Prior to the development and improvements of the plaza, village park, the programming like the farmer's market and festivals/concert nights there wasn't anything cool to talk about when speaking about the falls-it was a cookie cutter chain store burn. Love the additions of Fiddleheads, Hot House, Batter & Mac, Third Space. Would love to see continued focus on growth in locally owned businesses/mid-high dining as well.
Jun 18 2024 06:53 PM	Would have rated schools higher if they weren't highly politicized. The teachers are amazing.
Jun 18 2024 06:53 PM	Needs more enticing restaurants. Parks themselves have so much to offer, but behavior at them is a big issue in this village.
Jun 18 2024 06:52 PM	Not only are there not safe walking routes, busing is also refused for children going to school.
Jun 18 2024 06:50 PM	some side streets are very poorly paved~ seems like village is trying to replace these slowly
Jun 18 2024 06:49 PM	School scores have dropped as well as inclusion.
Jun 18 2024 06:49 PM	I wish there was a sidewalk from FDL to main past where it ends currently. Too many people walking along there and it's a curvy and unlit road.
Jun 18 2024 06:44 PM	Over the years there have been many improvements. The downtown area has improved tremendously from how it looks to how it is activated. It is now something to be proud of, more of a destination. Love the new businesses. Would love to see more locally owned dining options on the mid to higher end but love additions like fiddleheads, hot house, batter & Mac etc.
Jun 18 2024 06:37 PM	school system has gone downhill
Jun 18 2024 06:30 PM	Schools used to be excellent. Huge slide in test scores in last 2 years and behavior issues at all schools are very concerning.
Jun 18 2024 06:29 PM	The village needs a public pool, and the school board
Jun 18 2024 06:27 PM	Wish there were more
Jun 18 2024 06:23 PM	It is extremely dangerous on our road when walking or biking because the road is too narrow. I know we are in an older subdivision, however the other half of Northpoint Dr. has curb and gutter and is much wider and also has sidewalks.
Jun 18 2024 06:09 PM	When was the last time the roads were asphalted? They are in terrible shape
Jun 18 2024 06:09 PM	Schools were the reason we moved here originally. Now, it is a detractor. If I had school age kids, I would consider another district. Very unsatisfied with board and leadership the last few years. Would love to go back to a strong, highly-educated scholar-focused leader like Pat Greco.

## Question 16 continued

Jun 18 2024 06:00 PM	The Bugline is nice. It would be nice to have some kind of Riverwalk with a paved trail beyond just Lime Kiln park.
Jun 18 2024 05:55 PM	We must stop building huge structures in our village. We need more land preservation. As it is, the village is not taking care of the streets properly and there is too much litter strewn about. We need more green spaces and parks instead of buildings that get easements right up to the street or sidewalk.
Jun 18 2024 05:54 PM	The busy downtown is terrible. Lots of cars, exhaust, and noise. I don't feel safe walking on those streets. The trail from downtown to rotary park is the reason to mark walking satisfactory. Without that walking is bad. Can't live in MenFalls without a car.
Jun 18 2024 05:53 PM	Bike paths/walking paths could be wider to accommodate both when meeting on paths
Jun 18 2024 05:42 PM	I personally like to walk along the river. The west side is wonderful, with benches to sit on, and a nice walkway. But the other side is just grass. Why can we not have a bench or two and a nice walkway on that side?
Jun 18 2024 05:38 PM	School board is destroying the district
Jun 18 2024 05:37 PM	Not enough green space, too many subdivisions going in. No eating places outside of downtown.
Jun 18 2024 05:36 PM	Need more green spaces. Downtown horrendous with those huge apartments blocking the view of the Falls. Empty store fronts on the 4 corners. Empty space where Fresh Tyme and Wal-Mart foods used to be. Not short term, but years. Sad that the Chamber of Commerce and the Visitor's Center are difficult to find for visitors.
Jun 18 2024 05:28 PM	We have several neighbors with junk yards, people park across sidewalks, our leashed dogs have been attacked several times by loose dogs.
Jun 18 2024 05:19 PM	Vision & practice of current school board & village board are concerning this decrease the scores
Jun 18 2024 05:19 PM	Being on the neglected SW corner of the Village, I believe the Village has ignored the recreational needs of the area. Silver Spring Recreational Trail is nothing more than a sidewalk alongside a busy road. Will 'Aero Park' ever be finished? Village missed a great opportunity for a REAL park with the destruction of the Silver Spring Golf Club. Nothing here but houses. Not even safe walking without road shoulders.
Jun 18 2024 05:18 PM	The village works very hard to keep it clean, we have an amazing full downtown that is growing and we ove all the family & community events planned like Lavender Fest, Memorial Fest ect...
Jun 18 2024 05:16 PM	We have beautiful parks. The rough and wild teens ruin the atmosphere. You can't read a book in the park after about 2:30. There is swearing, and poor behavior.
Jun 18 2024 05:14 PM	I wish we had a tree program like Milwaukee where trees are planted in the grass area between the sidewalk and road. We live off of Sheridan Dr. Also, the storm sewers are non-existent on our street. Water is everywhere during the wet seasons. All the homes in our area have sump-pumps that run a lot all year. I think the two are connect somehow. Would love to see Sheridan Drive rebuilt.  I would also like to see the intersection of Shady Lane and Main st. relined with dedicated turn lanes and through lanes. It is a really dangerous area. I'd like to see the section of Main street from Sheridan Dr to Village Bowl reduced to two lanes and add bike lanes to help connect the neighborhoods to the bug line trail.

### Question 16 continued

Jun 18 2024 05:11 PM	School are going in the wrong direction. They were excellent and now it's almost like they don't want public schools to succeed. The school board is responsible for that. Also, I feel like all effort has been put into the new park by the middle school and the trustees could care less about the other parks.
Jun 18 2024 05:11 PM	For 25 years road replacement has been a sore spot for many in our Village. Village Board members have neglected this area for far to long by refusing to increase taxes for these needed repairs and or resurfacing. Roads are Trees should be replace and or put on all streets wherever possible to create a positive friendly vibe ad for the environment improvement.
Jun 18 2024 05:07 PM	could use many more trees along roadways and sidewalks. The potholes and road conditions are in TERRIBLE condition
Jun 18 2024 05:04 PM	I believe the condition of the streets in the village are a disgrace. We have lived in the village for over 50 years and it is unbelievable how they have been left to deteriorate under the current administration.
Jun 18 2024 05:03 PM	The roads in some parts of our subdivision are absolutely crumbling.
Jun 18 2024 05:02 PM	The direction of the schools, book banning, making certain groups feel unwelcome has us thinking of leaving. More street trees, more sidewalks and dedicated biking lanes. Downtown has come along way. More needs to be done on appearance and empty spaces.
Jun 18 2024 05:01 PM	Serious lack of ways to connect to existing off-road bike paths. Not enough sidewalks to reach the ones that do exist.
Jun 18 2024 05:01 PM	Schools used to be better. Last couple of years they've gone downhill.
Jun 18 2024 04:57 PM	Menomonee Park is a fantastic place. The rangers and workers there do a great job.
Jun 18 2024 04:55 PM	I'm surprised how far behind Menomonee Falls is on recreational options for adults. It's wild that we are just getting a brewery now, for example. Seems years too late. Very few options for independent dining also. I feel there is a lack of community here as well. There's not much to attract young/mid-life professionals who might eventually settle down and have a family. Big box stores and chain restaurants don't resonate as much with the younger generation.
Jun 18 2024 04:54 PM	Appleton Avenue/Pilgrim/Menomonee intersection by CVS and McDonalds unsafe for pedestrians and bicyclists of all ages. Also Arthur Ave and Appleton hard to cross for all ages. Traffic refuses to slow down here. Needs a temporary flashing stop sign that walkers and bikers can use to cross safely here. I have seen such in other communities. Please consider this here as Junior High students also try to cross here.
Jun 18 2024 04:53 PM	I feel infrastructure is simply a patch and repatch approach that leaves many of our streets looking like a patchwork quilt. Same with WE energies. I have had more power outages in the 7 years here than in my 35 years living in our previous community and I have underground electric. Lots of dead trees in the Tamarack nature preserve and little to no work has been done in it to prevent a fire from torching all the homes along Tamarack. The trees and brush should be cut back 20 feet further from the road along all of tamarack.
Jun 18 2024 04:52 PM	Worried about our wonderful public schools because of the School Board driving high-quality professionals out of the district.
Jun 18 2024 04:51 PM	N/A
Jun 18 2024 04:43 PM	Our school board doesn't actually care about students learning a wide variety of things, they're only interested in their personal agendas. The trees along Menomonee were removed and it's now a concrete, hot, wasteland

## Question 16 continued

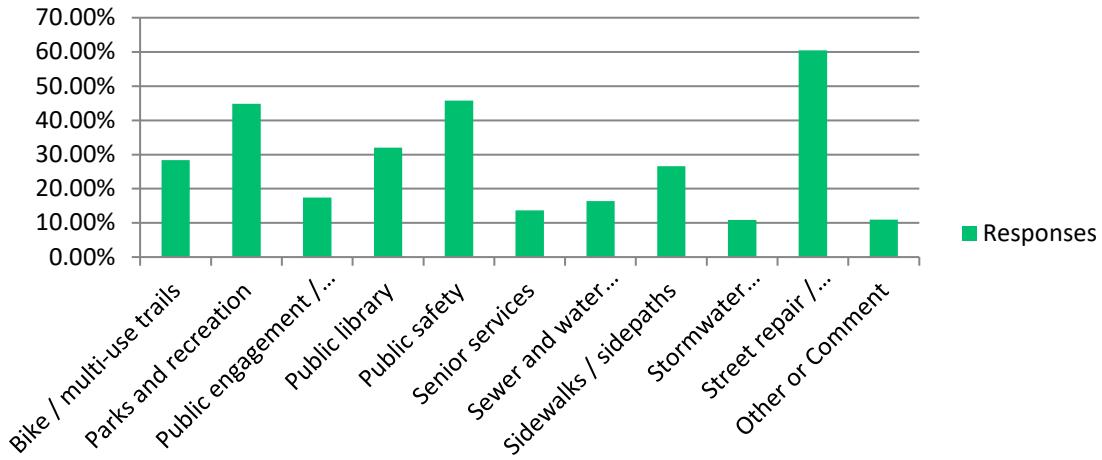

Jun 18 2024 04:40 PM	Would like more trees. Love the walking paths in the parks. I also love the fact that they are maintained during the winter months. Germantown does not do this. They do not plow the park trails or their public sidewalks in a timely manner.
Jun 18 2024 04:36 PM	At the falls you should have created along the river more retail space. Maybe a few more restaurants that have views
Jun 18 2024 04:31 PM	Subdivision roads need repaving
Jun 18 2024 04:31 PM	Property/landscape/parking lots maintenance compliance both residential and commercial is failing, along with Village street and roadside, sidewalk maintenance. Most ppl here would rather have taxes reflect what is needed to maintain an attractive village vs keeping taxes artificially low to reduce needed staff and maintenance.
Jun 18 2024 04:29 PM	Need more Supervision in the village park play area. Too many older kids, using foul language, causing fights , very disruptive and disrespectful. Which makes it an unsafe atmosphere for little children.
Jun 18 2024 04:26 PM	Our public works has been awesome! I always see them out doing something
Jun 18 2024 04:24 PM	Most of the streets need re-paving. The homes look so nice but the streets take away from that.
Jun 18 2024 04:23 PM	You need pickleball!!!!
Jun 18 2024 04:23 PM	The community would greatly benefit from sidewalks in all neighborhoods, and bike lines in major roads. As a road cyclist, I do not consider Menomonee Falls to be at all bike friendly.
Jun 18 2024 04:22 PM	We need more diversity in town! Less big box stores and a few quality staples. Pretty much every restaurant offer some variety of the same food and we often find ourselves leaving the community to go out to eat rather than be able to go someplace in town. There is not a community gathering feel and also not a night life of any sorts even 8-10pm
Jun 18 2024 04:21 PM	Enforce lawn maintenance for home owners. No one mows anymore. All Menomonee Ave is swerving to not hit pot holes and instead of putting money to fill pot holes, we are installing a coffee shop in the library with our money
Jun 18 2024 04:18 PM	Need more biking paths and sidewalks. I've almost been hit twice walking on residential streets without sidewalks. The village heavily prioritizes car traffic to the detriment of other modes of transportation. There isn't a single bike rack at oakwood park!
Jun 18 2024 04:16 PM	Older subdivision roads are absolutely terrible.
Jun 18 2024 04:16 PM	Need more street trees
Jun 18 2024 04:16 PM	Need more parks with trails/paths other than the Riverwalk. I see on the county GIS that the village has tracts of lands labeled parks but they are all overgrown and unusable
Jun 18 2024 04:15 PM	I would like trees to be replaced once they have been cut down.
Jun 18 2024 04:12 PM	Hamilton exceeds expectation. Falls is poor.
Jun 18 2024 04:11 PM	Would not consider public schools. No desire to be elite it seems. Downtown and surrounding areas have many run down looking businesses and lack of options for dining/ restaurants. Just sports bars. Look to Tosa
Jun 18 2024 04:10 PM	Winter park recreation lacks a reliable skating rink.

### Question 16 continued

Jun 18 2024 04:10 PM	Other parks besides Village Park could use updating/better landscaping. I also think there could be more trees throughout the village. The downtown area could use a little more charm and more festive Christmas decorations. The schools seem to be going downhill with problematic students on the rise.
Jun 18 2024 04:09 PM	With all of the new development, it seems some of the older neighborhood roads are being neglected.
Jun 18 2024 03:59 PM	Don't like when furniture, mattresses etc are left on the curb. People need to mow their lawns. And all dogs should be on a leash at all times. Mandatory!!
Jun 18 2024 03:54 PM	We need more shade trees to lower heat while walking
Jun 18 2024 03:41 PM	Ehh
Jun 18 2024 03:35 PM	It can be difficult to walk in the village of Menomonee Falls because there are few sidewalks in some areas; walking against traffic on the village's streets requires a lot of attention and awareness for safe walking
Jun 18 2024 03:13 PM	Downtown area has become too large and unsafe for pedestrian traffic. Large buildings make it difficult to visualize pedestrians near crosswalk. The waterfall area looks junky with all the pots and large chair.
Jun 18 2024 03:07 PM	Wish there was more recreation and bike trail along the west side along townline road.
Jun 18 2024 03:06 PM	I called last year about a village tree branch growing into power lines. I received no response which is typical and pretty sad. A crew came through trimmed the tree this year but did not trim the branch wrapped around an electrical wire.
Jun 18 2024 03:01 PM	Please paint pickleball courtesan all tennis courts to make them all dual purpose. The Falls is getting good reputation for having nice, clean courts
Jun 18 2024 02:22 PM	Rotary Park trail needs repaving and many trees need to be trimmed. Menomone Avenue (street) needs repaving.
Jun 18 2024 02:12 PM	Streets and Recreational opportunities need improvement, but are closer to satisfactory than poor. It would be nice if we had a "Needs Improvement" box to check.

## Question 17 continued

Response Date	Other or Comment
Sep 18 2024 10:41 PM	Extend water services to the entire village
Sep 15 2024 02:21 PM	Some of the businesses landscaping looks like crap. Why is this allowed? Walgreens, Sher-winn Williams, Dunkin' Donuts, Pizza Hut to name a few.
Sep 13 2024 04:47 PM	Really think about the expenditures and how you are using our taxpayer dollars. I've lived here for over 30 years, did not attend school here NOR have any children in the school system, but we really pay for it. I feel that million dollar improvements on the schools do NOT benefit me.
Sep 10 2024 12:34 PM	i believe each point above is equally important, however, i am not aware of the state of each to comfortably state which i personally would prioritize. With that said, public safety, i feel would have a trickle down effect on people wanting to use bike/multi-use trails, parks, sidewalks/side paths due to people feeling safe then wanting to use these offerings. if people don't feel safe then there would be less use, which then poses the trickle of prioritizing upkeep and improvements of said offerings
Sep 04 2024 12:25 PM	please put a green turn arrow at the intersection of Appleton Ave and Menomonee Ave, heading East. This is a very, very dangerous intersection
Sep 04 2024 11:42 AM	Streets are terrible. Sunken manholes are worse than potholes. They all seem to be where wheels go not between lanes. why aren't manholes in the boulevards not in the streets? Then if the manholes sink, unlightly since no dump trucks drive on the boulevards.
Aug 29 2024 12:55 PM	I think the revitalization of Village Park was a good move. I appreciate the improved playground for all children and a better space for the farmers' market and other events.
Aug 27 2024 09:33 AM	Lone oak  Meadowview  Terrible roads for too many years
Aug 26 2024 08:47 PM	New sidewalk and trail connections should be a top priority. This will improve perceived safety and encourage recreation. Many busy streets in the village lack any sidewalk.
Aug 26 2024 06:47 PM	Let us have backyard chickens!
Aug 26 2024 05:32 PM	PUBLIC TRANSPORTATION. It makes no sense, whatsoever, that Waukesha County has a bus system, but that the service does not extend to Menomonee Falls.  The freedom of movement of many people is severely limited by the lack of public transportation that connects the falls to the rest of Waukesha County, and to Milwaukee County Transit. Menomonee Falls' biggest issue is lack of transit, as well as lack of disability accessibility.
Aug 26 2024 03:49 PM	I live east of the highway and there is no sidewalk or bike path to enable me to get the the rest of the Falls. Not by Main Street or Highway Q
Aug 26 2024 03:01 PM	Village reps that are not on facebook talking nasty to people who don't align with their politics
Aug 26 2024 02:29 PM	H

## Question 17 continued

Aug 26 2024 02:24 PM	Street signage tends to be bad. Street signs are usually much too small. There need to be more signs ahead of a major thoroughfare alerting drivers to that thoroughfare. Speed limits need to be re-visited - sometimes it is to high, and sometimes it is too low. As much as possible a consistent 35-mph speed limit is desirable.
Aug 26 2024 01:30 PM	Clean up on and off ramps; make them attractive (ex. mow the grass, pick up trash, trim bushes/trees, plant flowers in flower boxes)
Aug 26 2024 01:22 PM	fix the stuff other then downtown the new park you did is not for falls people its all milw or others same as willow wood so go to willowood on sunday look
Aug 26 2024 01:18 PM	Diversity in government which no longer exists
Aug 26 2024 12:47 PM	Many gaps on the sidewalk and trail network could be filled with small investments
Aug 23 2024 07:04 PM	I don't feel as safe as I use to feel. We have had several residential instances of crime a block from my home. Also increase crime at local businesses. Excellent library and bug line!!
Aug 21 2024 02:13 PM	General aesthetic upgrade and requiring a higher level of overall Maintenance.
Aug 21 2024 07:04 AM	Please keep the street lines painted - they are hard to see at night especially when it is raining.
Aug 10 2024 02:44 PM	Please bring back a skatepark!
Aug 09 2024 01:50 PM	Safety is #1
Aug 09 2024 01:27 PM	I'm not feeling as safe in Menomonee Falls as I once was.
Aug 05 2024 09:38 PM	The library is very important to our young family- we love their programs and access to endless books. The parks are maintained beautifully , we checked this because we want that to continue. Sidewalks are of GREAT importance to us. We have actually discussed moving to a different city just so we could have access to sidewalks so our children could safely bike, walk, and play.
Aug 01 2024 12:35 PM	Police officer staffing
Jul 27 2024 09:28 AM	Too many cars speeding on Appleton Avenue and Main St.
Jul 26 2024 11:28 PM	Power issues (outages in the same areas). I'm guessing there are ways to improve the stability of the power grid, but I'm not sure if that would be in the scope of the village or not.
Jul 26 2024 08:16 AM	Menomonee Falls is a nice and safe community. More bicycle paths to connect the existing parks and keep our young riders safe are needed.
Jul 25 2024 10:30 PM	We never get our recycle container picked up.
Jul 24 2024 05:55 PM	Outdoor pool, gym at a community center
Jul 22 2024 08:51 PM	Bring back the big name bands we had at music in the park and not bands/artists that play their own music that we don't know! Bring back Trippin Billie's! The Dave Mathews band cover they were amazing! Or too hype crew!
Jul 22 2024 09:07 AM	Our street is flooded EVERY winter which then causes a HUGE ice dam across the entire street and about 3-4 feet at the end of our driveway. VERY dangerous for anyone, especially my kiddos.
Jul 19 2024 01:36 PM	The streets in my neighborhood are worn, and the asphalt is coming loose near the grass lines.
Jul 19 2024 10:40 AM	Fix all the pot holes
Jul 18 2024 12:58 PM	More police monitoring neighborhoods. Too many cars going the through stop signs without stopping. Lots of people walking with children & dogs along Dolphin Trail.

## Question 17 continued

Jul 18 2024 08:28 AM	Businesses (variety)
Jul 17 2024 05:37 PM	Add crosswalk lights downtown. It is horrible. The downtown the events are great, but people are scared because of fast drivers not paying attention
Jul 17 2024 05:31 PM	Improve snow removal
Jul 17 2024 03:20 PM	Safe bikeways along/adjacennnt to main roads...Appleton, Goodhope, Main Street...does not exist. Roads in older subdivisions need maintenance/replacement.
Jul 17 2024 11:58 AM	Cross walks need to be repainted and signage added.
Jul 17 2024 09:10 AM	Investing in getting businesses to the Falls. We ALWAYS go out to eat in another town because it's primarily pub food in the Falls. There is nowhere for a nice brunch or breakfast. The Odessey and Cafe Agora do not have nice atmospheres and Cafe Agora is very expensive for what it is. I'd happily pay those prices in a better restaurant. The outlier is Su Casa. They are amazing.
Jul 13 2024 09:15 PM	Schools
Jul 13 2024 10:22 AM	Having a place residents can go and participate in free programs, receive free entertainment, a cooling center, and a spot to study to further education is a priority to a great community. And I feel Menomonee Falls has one of the best libraries in the area. T cost of living is so high that having the library available to my family is such a gift.
Jul 12 2024 07:36 AM	See above
Jul 12 2024 06:40 AM	Bike lanes on streets and roads.
Jul 11 2024 02:25 PM	Snow removal for public areas like crosswalks and Village owned property. You haven't done a good job in the past. Enforce regulations for keeping up private property (mowing and shoveling).
Jul 11 2024 09:30 AM	This is a poor question. Common sense says the last 4 are critical "have to's" to protect the basic value of home and property. Public safety shouldn't be even considered a priority because it is THE priority; most important, no debate and leaders must think that way. I would love to have been able, with a separate question, to prioritize the others. If I could, I'd pick library,trails, parks
Jul 11 2024 08:21 AM	Stormwater management to alleviate any future flooding issues. Public safety is always first priority. Senior services is probably important with all the baby boomers aging. They will need good, safe, AFFORDABLE housing.
Jul 11 2024 08:08 AM	Affordable housing
Jul 08 2024 04:50 PM	See above.
Jul 08 2024 10:34 AM	dog parks
Jul 07 2024 05:53 PM	I think the present Village Board is made up of people who are not very broad-minded in their thinking. They criticize things that may be outside of their comfort zone. No one on the board should criticize a downtown merchant on FACEBOOK. That shows how small-minded the board actually is!!
Jul 07 2024 11:50 AM	Need more trails/connectivity around the Tamarack Nature Preserve.
Jul 07 2024 06:41 AM	More funding for fire department staffing.
Jul 07 2024 12:07 AM	SHUTTLE BUSES TO GET AROUND
Jul 05 2024 05:12 PM	Skate park and pump track for bicycle is much needed. Also a dog park in the village.
Jul 02 2024 09:27 PM	Youth athletic facilities

Jul 01 2024 05:16 PM	Allow home owners to use their land. Stop controlling.
Jul 01 2024 01:06 PM	Electricity reliability. Power goes out about 3-4 times a year. Should not happen.
Jul 01 2024 08:58 AM	The library is WORLD CLASS. Keep supporting it.
Jun 30 2024 02:53 PM	Education curriculum and more diverse teachers
Jun 30 2024 02:14 PM	see above for my comments about street repairs.  I think MF has a distinct opportunity to be a top notch desirable area to live in, but to do this, need to more publicly engage with its residents about the Village's priorities as well as take into consideration what needs to be improved.
Jun 29 2024 02:30 PM	Sidewalks are the #1 item missing from this community to make family's safe.
Jun 28 2024 01:22 PM	The addition of sidewalks is essential for the safety of our community. Trails or multi-use paths would be a wonderful addition. We currently drive out of Menomonee Falls to spend the day. The library is absolutely wonderful and deserves our continued support. They do an amazing job with all of their programs.
Jun 27 2024 10:06 PM	We live on a street which has no sidewalks and the sides of the road are only about 1 foot. I have kids who love to ride bikes but are unable to be outside.
Jun 27 2024 06:34 PM	The Village is too focused on developing senior living facilities and new apartment communities. Focus should be on growth for both young and maturing families. Walking paths and bike trails are non-existent, particularly for those of us in large neighborhoods on the south-east side of the Village. It would be great to see diminished focus on senior living and chain restaurants/stores and more focus on single family homes, recreational opportunities like walking trails and new/unique restaurants and businesses.
Jun 27 2024 02:37 PM	People move to the suburbs because of the rural feeling. We do not need sidewalks in the area. My children grew up without sidewalks and all lived to be adults riding their bikes in the road. I think money could be spent elsewhere. If subdivisions want them that is fine. But please don't put them in older areas where they are not now.
Jun 27 2024 10:33 AM	Skateboard park
Jun 27 2024 10:25 AM	AFFORDABLE HOUSING ESPECIALLY FOR SENIORS
Jun 27 2024 09:10 AM	Routes for safe travel to schools due to bus restrictions
Jun 27 2024 09:05 AM	The library is amazing and adequate funds need to stay at the library. I think street repairs and bike lanes to safely connect our streets to the bus line and around our school locations are needed.
Jun 26 2024 02:58 PM	Obviously all are important components and should not be neglected. A robust public library- free from politics- is essential to a healthy community. Supporting our senior population and providing services/enrichment opportunities is critical. And safe- usable paths, year round is critical for so many and often overlooked by others that do not need them, but just enjoy them occasionally.
Jun 26 2024 02:50 PM	Fiber internet
Jun 26 2024 10:57 AM	Primarily the school system.
Jun 26 2024 10:25 AM	Recycling, roadside clean-up. Too much discarding of cans & bottles along certain roads.
Jun 26 2024 06:39 AM	And fourth is street repair.

Jun 25 2024 06:21 PM	Appropriate maintenance and upkeep of existing features and services
Jun 25 2024 06:03 PM	Restaurants
Jun 25 2024 05:32 PM	Cleaning up what us already here! So many dead trees throughout Lime Kiln Park. And walking under that bridge to cross Pilgrim by Trenary Field is scary. It needs to be pressure washed. Gobs of cobwebs hanging everywhere. Filthy lights. Birds swooping at you to defend their nests as you walk through. Couldn't an Eagle Scout take that on as a community service project or something?
Jun 25 2024 05:27 PM	Nicer restaurant
Jun 25 2024 05:21 PM	We walk a lot. trimming trees to allow use of sidewalks would be helpful for safety/sidewalk use. (ex/ Main Street leaving downtown heading west)
Jun 25 2024 05:18 PM	Stop the shoplifting from the stores on the frontage road. Fix the sidewalks so they can be ridden on with scooters and other hard wheeled recreational pieces, and fix the streets so I don't have a 6 foot ice shelf in front of my driveway in the middle of winter.
Jun 25 2024 04:56 PM	Public transportation connected to regional transportation
Jun 25 2024 04:38 PM	More for kids to do, controlling these teens at parks. Won't even go to north anymore, ridiculous
Jun 25 2024 03:43 PM	Additional tennis courts to replace what was removed from village park. More pickleball courts.
Jun 25 2024 03:42 PM	I love our library! I'm not sure what people are thinking in terms of improvements, but I think our library is great as is.
Jun 25 2024 03:34 PM	Speeders on Appleton Ave; Thefts at ULTA and surrounding shopping centers

Jun 25 2024 02:01 PM	I would like to maybe see a disc golf course somewhere inside of the Menomonee Falls parks
Jun 25 2024 01:42 PM	Sewer and water bills are sky high
Jun 25 2024 01:03 PM	Updated electrical (repair aging infrastructure) and internet distribution/buried lines, proactive partnership with WE energies, neighborhood lighting
Jun 25 2024 12:05 PM	Public transportation. Buses, trains, city managed ride share to name a few.
Jun 25 2024 12:04 PM	Sidewalks on all roads would be appreciated, especially Lilly Rd.

### Question 17 continued

Jun 25 2024 11:59 AM	Focus on bringing in quality businesses and restaurants. One of the things that originally brought us to the Falls was the quaint family owned restaurants and little shops. We are getting more discount chains that is taking away from the feel of being a tight knit village.

Jun 23 2024 11:05 AM	I am constantly shopping in the Falls. More issues with homeless or desperate people. Not long ago teenage friend working at Target got pinned into her car by a lady screaming she needed money as she had in tow crying children. Then saw suspicious man nearby... it was all a scam and a dangerous one! This makes us all feel unsafe.
Jun 23 2024 09:25 AM	School district

Jun 22 2024 05:44 PM	Trails are not being kept open during winter months like out Brookfield neighbors.
Jun 22 2024 03:03 PM	Judging from comments I have seen by the Village board members, I would definitely advise that someone teach them to listen to the residents concerns, without being disrespectful and obnoxious. Being a homeowner in the Village of Lannon, as well as a former trustee on the Village board.....I can vouch for how much damage can be done by a Village board that has no concern for the people who live there. As well as residents who don't keep an eye on what is being done by their local government. A village board that only listens to a portion of its residents, or friends ..... Can divide a community so badly that it never recovers.  Plus~~Janel Brandtjen is a total embarrassment to all of our communities. She couldn't care less about the people who live here. She's right in there with the dirty crap being done by the village board in Lannon. Dealing with her when I was attempting to help our residents was the worst experience I have ever had with a leader.
Jun 22 2024 01:00 PM	Schools
Jun 22 2024 12:52 PM	Control of waste generation is essential - food composting for the community would prolong the life of the rapidly filling landfill. There are established programs for the village to access. Likewise, increased options for recycling are needed. Education of the community about waste, recycling, and landfill operation is imperative. When was the last time the board members toured the landfill? Where will the trash from a burgeoning population go when that unsightly landfill is out of space?

Jun 21 2024 05:44 PM	Pilgrim needs the sidewalks repaved between Appleton and Good Hope.
Jun 21 2024 04:54 PM	The village has been becoming less safe. Our stores are being robbed and cars are being broken into. Our group leaves village park before school is let out because the students are obnoxious and rude. We are considering moving.

### Question 17 continued

Jun 21 2024 12:37 PM	Development planning. Villages that are cute and destination villages have a theme... not random buildings and designs. Require faux fronts on the downtown village businesses... to look alike.. a fresh update.
Jun 21 2024 07:22 AM	Some of these fall under the same category. Education on the difference between a side-path & a sidewalk. Communication as to what is allowed/not allowed on bike paths. I see "bikes" traveling easily 25 mph on paths shared by children/strollers/walks. While I don't use them (I should), it is concerning that they aren't licensed as the old days in Milwaukee when we had them inspected and were asked a few safety questions about sharing the road with motor vehicles. No problem with simple "pedal assist" bikes, but motorized bikes ...

Jun 20 2024 06:01 PM	Planting native trees and plants and removing invasive plants
Jun 20 2024 04:10 PM	This is an unfair question and I feel as if you purposefully did that. You're not looking for true opinions on what people think. If you were, you would've asked these things to be ranked one through 10. Very disappointed in this question.
Jun 20 2024 01:43 PM	Skate area
Jun 20 2024 01:00 PM	Reduce spending ! Reduce taxes. Auto increases are not ok ! Get rid of bookish bureaucrats who increase taxes constantly

Jun 20 2024 06:24 AM	Better internet access for all areas of the community. Many areas, including where I live don't have access to fiber except through Spectrum who constantly has issue. AT&T is still DSL in my area even though there are many housing developments close by

Jun 19 2024 04:34 PM	Streets are in poor condition, especially Appleton Ave, pilgrim rd. and good hope rd.lily rd could be added too, between Appleton Ave. and good hope rd.
Jun 19 2024 04:18 PM	Enforcement of driving laws to include red light runners and ignoring stop signs. Also regarding street maintenance, I live in an upscale subdivision with horrible streets with potholes and a surface that did not hold up to even a few years of use.

## Question 17 continued

Jun 19 2024 03:42 PM	<p>Continue with the downward trend of lower property taxes due to controlled growth with more taxpayers helping to pay taxes.</p> <p>The downtown area is finally coming to life after ideas from 20+ years ago are finally coming to fruition.</p> <p>The Village Board is the best we have had for the last 50 years. Keep up the good work! The Village Manager has been a godsend.</p>
Jun 19 2024 03:41 PM	You really need to put in a sidewalk along Lilly Rd between Fond du lac and and Appleton. Jun 19 2024 07:42 AM	The northwest side of the village near the border with Sussex is one of the fastest growing areas in the village. Unfortunately, the public infrastructure does not match that of many other areas within the village. Having sidewalks that would provide access to the Hamilton schools on Silverspring and Townline is long overdue. Additionally, there are very few park options in that area. With the increase in housing that is going into this area, these types of investments need to happen.
Jun 19 2024 07:32 AM	Please fix the playground at Menomonee Park. It is a hazard.
Jun 19 2024 05:58 AM	Many of the streets in Hiawatha estates are poorly maintained and many of the new surrounding streets have been resurfaced. It's confusing to see newer streets get more attention than the older ones.

### Question 17 continued

Jun 19 2024 05:31 AM	More areas that are safely walkable. Make cars actually stop at crosswalks
Jun 19 2024 12:57 AM	Right now our neighbor has placed a pipe from his backyard into the low spot in our back yard to remove his groundwater drainage I'm guess from his sump pump. The pipe actually runs three feet or so right onto our property. When we get lots of rain we get a swamp in the lower area of our yard. This is very disturbing since we actually took care of our ground water with a few ponds to catch the ground water and now have to deal with his...I don't know how to stop this or if you can do anything about it, but it seems pretty unfair since just because the ditch is on our property I don't see why he is allowed to put a pipe right in our property.

## Question 17 continued

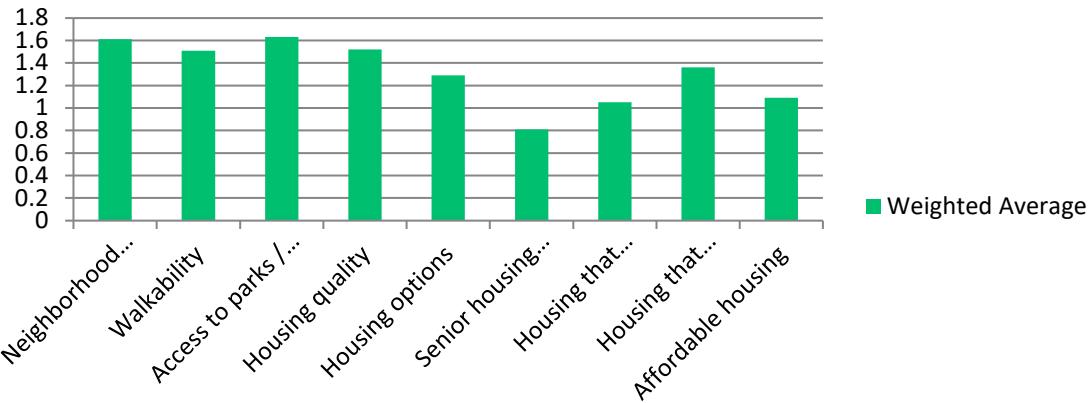

Jun 18 2024 05:55 PM	I listed street repair and parks in the prior question. We need to better support our library. And I think communication by the Village Board and other committees is appallingly lacking. So much subversion! You know we are all going to find out whatever you are trying to hide anyway. Just deal with our villagers like adults, even when the conversations may be difficult.
Jun 18 2024 05:54 PM	Water is very important. Having plastic/lead/PFAS free water is one important reason to stay in an area. Not making water worse (storm water management) is very important. E-bikes are important to reduce car traffic. I don't know many safe paths between home and work (Brookfield). You want reduce traffic in downtown without improving bike/walking. Rickshaw bikes are really nice and fun taxi services.
Jun 18 2024 05:47 PM	PLEASE DO NOT PUT IN SIDEWALKS
Jun 18 2024 05:33 PM	Traffic is a huge issue
Jun 18 2024 05:30 PM	Weekly recycling
Jun 18 2024 05:28 PM	Less, much less, power outages.
Jun 18 2024 05:28 PM	It would be nice to receive info and see a local trustee bully and fight with neighbors on social media.
Jun 18 2024 05:25 PM	Education, teachers and buildings.
Jun 18 2024 05:24 PM	To many people ignoring cross walk right aways down town and by Shady Lane Elementary. These areas need to be monitored more heavily.
Jun 18 2024 05:19 PM	No real recreation without hopping in a vehicle and driving somewhere.  Now that we're paying for stormwater management, will the Village begin to clean up Willow Spring Creek so it can flow to the Fox River?
Jun 18 2024 05:16 PM	I'm afraid to shop in some of our stores. There is stealing all the time. I feel like our village is getting overrun by crime as of late.
Jun 18 2024 05:11 PM	I feel like the trustees want all green space to be taken up by more and more housing. Driving down the road in this village is extremely dangerous for bike riders. There isn't any place for them so they end up riding their bikes in the middle of the lanes which causes problems
Jun 18 2024 05:05 PM	We need pedestrian yield signs on Main Street by the waterfall and park. Cars go too fast and don't stop. I have also witnessed several cars going through the 4 way stop between the park and Costco. I also see a car going at least 40-50 mph on that 25mph road.
Jun 18 2024 05:04 PM	We need a village pool
Jun 18 2024 05:03 PM	We rarely see a police presence where we live. Maybe that's a good thing, but I am sick of the speeding on Pilgrim now that it's double lanes each way. People also go too fast in our subdivision.
Jun 18 2024 04:57 PM	Cars drive too fast down Greenview Avenue.
Jun 18 2024 04:53 PM	Dead tree removal on public lands
Jun 18 2024 04:52 PM	A village board that listens to ALL residents, not just their extreme right-wing agenda.
Jun 18 2024 04:45 PM	Disc golf
Jun 18 2024 04:42 PM	schools
Jun 18 2024 04:35 PM	Lower taxes

### Question 17 continued

Jun 18 2024 04:32 PM	We need to do a much better job with services like "leaf collection" in the fall, where there are not enough pick ups... Frequently due to the fact that in the past, we have always "rented" our equipment, and there is limited equipment out there and when it breaks, we are out of luck. Resident should not have to have branches stacked up on the edge of their property for three weeks while the village Dilly-dallies in collection. And why aren't collection weeks rotated from year to year. I have lived here for a quarter of a century, and my neighborhood is always dead last for branch collection in the spring as well as leaf collection in the fall. Let's have a little equity.
Jun 18 2024 04:31 PM	Residential/commercial property maintenance.
Jun 18 2024 04:22 PM	Pocahontas street specifically is very bad. Will like to see more recreational sports for older children (7-12) and more classes and options for swimming for all ages.
Jun 18 2024 04:22 PM	I'd love to see mental health in this list! I'd also love our water to be less contaminated per EWG standards. Health and wellness should be a priority.
Jun 18 2024 04:21 PM	Fiber Optic Internet Service
Jun 18 2024 04:20 PM	Schools
Jun 18 2024 04:20 PM	Power management (reduce power outages as much as possible)
Jun 18 2024 04:16 PM	Education (Public K-12) We cannot invest enough in our young people!
Jun 18 2024 04:14 PM	support local police and fire
Jun 18 2024 04:13 PM	In
Jun 18 2024 04:13 PM	I really can't think of anything. What I see and use are wonderful.
Jun 18 2024 04:10 PM	It would be great if walkability was expanded throughout the village. With the village growing we need to focus on public safety more than ever. I would also like to see the area of Pilgrim, Appleton, and Menomonee to be revamped. It is a mess of an intersection.
Jun 18 2024 04:09 PM	Business development
Jun 18 2024 03:41 PM	Ehh
Jun 18 2024 03:39 PM	I think we have enough Police. The Fire and EMS Department should be funded at the same level as the police.
Jun 18 2024 03:29 PM	Nicer restaurants!
Jun 18 2024 03:01 PM	Hard to pick just 3.....I think they are all really important!
Jun 18 2024 02:12 PM	maintenance of existing multi-use trails also need to be budgeted for - maybe before new trails are created.

### Question 18 continued

Response Date	Comment
Sep 25 2024 01:09 AM	No low income
Sep 19 2024 10:24 AM	We don't need to build more residential areas.
Sep 18 2024 10:20 AM	People who reside and work in the village are generally very friendly and neighborly.
Sep 15 2024 02:21 PM	I DON'T want any more low income housing!!
Sep 10 2024 03:56 PM	Affordable housing is needed in Menomonee Falls. Desperately. But given the political stance of our elected officials, I'm sure they would never consider that.
Aug 28 2024 04:47 AM	Highly inflated starter homes leave first time buyers with little opportunity here
Aug 27 2024 02:50 PM	It's been awhile-not sure if affordable to young folks.
Aug 26 2024 06:47 PM	Enough senior apartments already
Aug 26 2024 05:32 PM	Menomonee Falls is neither affordable, nor a decent place for people with disabilities to live.
Aug 26 2024 01:22 PM	look down lisbon rd come on on senior stuff and all appt on silver spring
Aug 26 2024 12:47 PM	Rental apts are very high
Aug 23 2024 07:04 PM	I am a long time resident. My guess is young families are renting apartments as they are not able to afford purchase of a home.
Aug 21 2024 02:13 PM	Affordable housing can provide a very well-rounded community. I feel it is important not to let crime be a part of that equation.
Aug 18 2024 04:10 PM	Like I said we are cramped.
Aug 16 2024 12:29 PM	Maintain Greenspace
Aug 14 2024 12:38 PM	The houses are too expensive for the size for new families.
Aug 11 2024 04:19 PM	The prices of houses continue to climb and there are new, young professionals and families that can't afford the homes in Menomonee Falls
Aug 10 2024 02:44 PM	When we bought our house in Milwaukee (on the border of the Falls), we wanted to buy in the falls, but could not afford it
Aug 09 2024 04:06 PM	It seems like the majority are out-pricing homes/housing for small/young families.  It's the very reason we moved to the Falls.  The family oriented environment.
Aug 09 2024 01:50 PM	I don't like the rapid growth of the new subdivisions that seem to be made cheaply on very small lots that are way over priced
Aug 09 2024 01:27 PM	Too small of lots that the new subdivisions houses are on. The subdivisions are just jammed together one next to the other. There should be a considerable amount of green space in each subdivision and between each subdivision.
Aug 08 2024 09:01 PM	Section 8 Apartments are needed
Aug 05 2024 09:38 PM	Again, access to parks and trails is extremely weak because of the lack of sidewalks, especially on main roads that are further away from downtown: Good Hope and Pilgrim's lack of sidewalks makes it extremely unsafe for us to walk or bike to parks
Aug 01 2024 10:44 AM	Don't know much about housing
Jul 26 2024 07:42 AM	WE USED TO HAVE NICE NEIGHBORHOODS, UNTIL EXPANDING THE TAX BASE AND BUILDING TOO MUCH HOUSING BECAME A PRIORITY.

### Question 18 continued

Jul 25 2024 01:23 PM	Our neighborhood does not have sidewalks which deters me from taking my granddaughter out for a walk due to safety. I also think we should look into affordable home ownership for younger families. I have 4 children and the cost is so far out of reach and we need to have young families moving here!!
Jul 24 2024 03:19 PM	We need to have options for all
Jul 22 2024 08:51 PM	I have no opinion for affordable housing because I don't know about this situation in the falls.
Jul 19 2024 04:03 PM	Again, my choice focuses on one primary concern.
Jul 19 2024 10:40 AM	All the high end apartments are causing rent to go sky high
Jul 17 2024 05:31 PM	I do not approve of the new subdivisions with small yards and houses/condos built by one builder with little individuality. Neighborhoods with houses built by different builders and different styles/exteriors are far more desirable.
Jul 14 2024 10:10 PM	Affordability is subjective. \$1500 and up is not affordable for me.
Jul 12 2024 03:21 PM	The new houses and apartments are lovely quality, but the pricing is very inaccessible for most young working people.
Jul 12 2024 10:41 AM	Don't have an overview
Jul 12 2024 09:27 AM	Prices are high here, but that is not specific just to MF
Jul 11 2024 12:38 PM	The cost of housing is high everywhere
Jul 11 2024 10:05 AM	Sidewalks on at least one side of a street really make a difference in creating a neighborhood community!
Jul 11 2024 07:14 AM	Affordable housing is not the role of the village
Jul 11 2024 06:34 AM	It's expensive to live in MF, it's also expensive to live in the surrounding communities. It's all relative
Jul 11 2024 06:12 AM	Too much senior housing. Need affordable homes
Jul 10 2024 04:35 PM	We definitely need more housing that the working middle class can easily afford, as opposed to new subdivisions that are created with 2000+ square foot houses as the only options.
Jul 09 2024 08:43 PM	As I said before: We need more housing of all sorts! We need to loosen zoning restrictions to allow for different housing types, such as ADUs, pocket neighborhoods, and smaller homes built on smaller lots. This will help affordability and make the community more welcoming to everyone, but especially first-time homebuyers and working class folks who wish to move from renting to owning.
Jul 08 2024 08:38 AM	You don't define the term "Affordable housing". If you mean low-income housing, then no, we don't need any more.
Jul 07 2024 11:50 AM	Need better road connection to the Woodman's side of the village without having to get on and off the freeway.
Jul 07 2024 12:07 AM	NEED LOW INCOME COMMUNITIES
Jul 05 2024 05:12 PM	Try crossing Appleton Ave on foot or bicycle. Not a pleasant or safe experience.
Jul 05 2024 07:43 AM	This is only because of the disastrous economy at this time
Jul 04 2024 07:33 PM	I do not want any affordable housing in Menomonee Falls because it attracts the wrong element of people.
Jul 03 2024 12:07 PM	From what I am seeing in new home construction, young families would not be able to afford the homes that are going up.

### Question 18 continued

Jul 02 2024 08:50 AM	Greater distribution of smaller neighborhood parks would be an improvement, many neighborhoods do not have parks you can walk to. They do not need to be as large as Oakwood or Willowood. For example, a playground at the Thomas Jefferson baseball field would serve many families south of Menomonee Ave and west of Pilgrim Rd who otherwise would have to drive to a park or walk long distances and cross busy streets.
Jul 01 2024 05:38 PM	Again, we have too many expensive apartments and senior living options. Access to parks is good however I'm tired of everything being set up at Village park creating traffic and noise all summer and fall. Spread the noise and traffic to other areas.
Jul 01 2024 02:59 PM	We don't need additional affordable housing in the Falls
Jul 01 2024 08:22 AM	If more older people transition to appealing retirement options, entry level housing becomes available to young families.
Jun 30 2024 04:17 AM	It's just the housing market in general in the US causing this issue
Jun 28 2024 10:06 PM	Too many apartments
Jun 28 2024 12:02 PM	Figuring in my area
Jun 27 2024 12:45 PM	No opinion doesn't mean I don't have one. That's a poorly worded option. I chose those options when I wasn't informed enough to know if it was a strength or weakness.
Jun 27 2024 09:56 AM	We find it difficult walking to nearby businesses because of a lack of safe crosswalks especially with children.
Jun 27 2024 07:54 AM	The smaller houses are priced way to high
Jun 26 2024 05:55 PM	Existing housing, the quality is hit or miss depending on the long term maintenance. Existing neighborhood house prices are more affordable than new development, but still too expensive as a whole, given the fact that houses prices have doubled in 20 years and the average household income has not increased accordingly. This is not specifically a Menomonee falls problem but it is a problem our village faces.
Jun 26 2024 03:05 PM	I believe that the recent events in the school district and public library are turning young professionals and new families away from Menomonee Falls.
Jun 26 2024 02:58 PM	It is hard for me to form an opinion on topics that I have not experienced or witnessed. I can say that most neighborhoods that I pass by are well kept and often charming. As far as the other topics: I have not experienced any weakness but I am not in the market for a house and am not a senior.
Jun 26 2024 10:50 AM	Limited options besides luxury apartments that cost too much.
Jun 26 2024 07:12 AM	Keep housing prices higher for more professionals and due away with affordability and subsidized housing on don du lac and Menomonee Ave apts
Jun 26 2024 06:39 AM	Not enough house and the new ones are mostly all the same. Single family and very large. No options for families that are downsizing but still young. When kids move out we keep the same big house because there are no options
Jun 26 2024 03:59 AM	A single mom of three on one income can't afford a home out here
Jun 25 2024 08:19 PM	Neighborhood Character: there are many different neighborhoods in the falls that each have their own feel. Overall they are a strength, but I cannot speak for all.  Walkability: not all neighborhoods have sidewalks. As we have two little kids, I chose a neighborhood with sidewalks for peace of mind on family walks regarding safety.

### Question 18 continued

Jun 25 2024 05:28 PM	We build more and more houses. But, they are at too high of a price. I know my daughter just starting her family can't afford a house for \$500,000 or more
Jun 25 2024 05:18 PM	I don't want "affordable" housing. I want people who care about making MF a great place to live.
Jun 25 2024 01:14 PM	Median house price in the Falls is approximately \$400,000, this is a steep price for first time homebuyers.
Jun 25 2024 01:13 PM	I have been trying to buy a home in Menomonee Falls for four years now. There isn't anything in my price range, and there is very little inventory of any kind available. These are wide-spread problems, of course, and probably not specific to Menomonee Falls. But it's a very real struggle, and I very much worry that if I want to own a home, I will have to leave Menomonee Falls.
Jun 25 2024 01:07 PM	High house prices are not attracting young people who want to live in the village. Huge difference in "old falls"-SDMF and "new falls"-hamilton
Jun 25 2024 12:38 PM	More sidewalks within some of the neighborhoods would be nice.
Jun 25 2024 12:20 PM	I think most young professionals are priced out of the new housing market here and the older neighborhoods don't have much in the way of availability. Not sure yet on new apartments that are going up.
Jun 25 2024 12:12 PM	Concern with too many apartments is the impact it could have on bringing in too many people who don't access schools and impact voting in important school-based elections.
Jun 25 2024 12:05 PM	1) Need more affordable housing 2) public transportation
Jun 25 2024 11:59 AM	The downtown area has been getting better regarding the character of the neighborhood but it is only that small little area when the rest of the village is deteriorating.
Jun 25 2024 11:57 AM	Affordable house is an issue everywhere not a MF issue
Jun 25 2024 11:51 AM	How many senior living areas do we need? Are we catering to 60+ year olds are looking to the future and inviting families with \$300-\$400,000 new housing builds?
Jun 25 2024 11:44 AM	I don't believe housing is the issue. Lack of quality retail businesses, restaurants, etc.. detracts people from visiting and living here.
Jun 25 2024 11:41 AM	The Falls has spent a considerable amount of time and money building up the west side Hamilton school district. The houses built in those areas are expensive and on small lots (McMansions). The rest of MF has been neglected and those areas are more affordable and realistic for young professionals and families
Jun 25 2024 11:38 AM	Young families may not be able to really afford the houses you are building in the village.
Jun 25 2024 11:35 AM	The cost of owning a home seems to have gone through the roof. The cost of utilities plus taxes seems to be on the rise. I have also noticed the cost of homes is up about \$100,000 since we bought our home in 2020.
Jun 25 2024 11:34 AM	I think it used to be affordable but like everything else today it's way more expensive to live here now.
Jun 25 2024 01:04 AM	New construction is not designed or intended for new families and starter homes are a thing of the past. MF is too busy trying to be something that it isn't
Jun 24 2024 08:32 AM	This is difficult to control, but homes for small families either "fixer uppers" or very expensive. The market currently has a low supply of either of these types of homes.

### Question 18 continued

Jun 23 2024 09:54 PM	Too many Apartments especially in our Beautiful Old Original Downtown. Menomonee Falls I do not believe made a scape plan in advance of all its growth & now subsequently it looks completely Hodgepodge & not well thought out or organized to be a appealing area in the Old Downtown area. SAD
Jun 23 2024 07:56 PM	.
Jun 23 2024 03:31 PM	Village would strongly benefit from encouraging active neighborhood associations, "bike to school day" and other events to engage families in neighborly communities.
Jun 23 2024 03:29 PM	Need stand alone senior housing in \$350,000 and up.
Jun 23 2024 12:49 PM	This question is impossible to answer. It is very dependent on the specific location. I can think of areas where both answers apply.
Jun 23 2024 09:25 AM	There is a lack of housing available for young families. Many neighborhoods are full of older residents still residing in homes that are too big for them. They also don't have a lot of affordable options to move.
Jun 22 2024 05:44 PM	Village needs to rethink the minimum square foot of new homes, not affordable or practical for consumers!
Jun 21 2024 11:24 PM	Would like to see more affordable places in Memonee Falls for young couples and young families
Jun 21 2024 05:48 PM	A master housing plan should look to group living communities so that the density is high enough to support small businesses, which strengthen the local community. Currently, you will see new home construction spreads the customer base for non-national chain businesses, which causes unnecessary travel and reduces the business's daily customer count, removing the potential of these important parts of a successful neighborhood.
Jun 21 2024 02:54 PM	Too many apartments and huge homes.
Jun 21 2024 12:53 PM	The above questions are poorly designed as there are existing structures which are older(1950s+) and newer (2019+). My answers would be different for these areas.
Jun 21 2024 12:37 PM	1. There is a lack of affordable housing for new low to middle income families. 2. Too much development on the Hamilton school side. If you want to continue to be D1 quality school and offer multiple programs in the Falls, put water out past the Bowlibg Alley. Develop land on the west side. 3. STOP building more apartments and senior living. The Vilkagexeil literally die out!!! 4. Buy up several of the homes along the river in downtown.. build restaurants and bars like TOSA. make this a regional dining/bar destination.
Jun 21 2024 11:40 AM	New construction "affordable housing" has gotten a bad rap. Thank goodness it was more prevalent when I was in my late 20's.
Jun 21 2024 10:43 AM	If affordable housing means 300 people on a 25 acre site, I am not for this or the 3-4 story apartments that brings into Menomonee Falls a non-family atmosphere. In addition, building houses on very small lots with allies belongs in the city - not in rural areas of Menomonee Falls where the current residents have purchased land to get away from the city environment. There seems to be a good amount of senior housing now which is wonderful.
Jun 21 2024 09:12 AM	Prices are high throughout the country. The Falls seems right in line.
Jun 21 2024 08:32 AM	Need sidewalks on Lisbon and Marcy road given the elementary school and many young bike riders.
Jun 21 2024 08:06 AM	Sorry. do not understand where to start.....does this mean the Village as a whole?

### Question 18 continued

Jun 21 2024 07:30 AM	Housing is massively overpriced in the Menomonee Falls area... From older existing homes to newer homes as well as the majority of two bedroom/2 bath apartment units. And don't get me started on the cost of senior housing... We're seniors are charged such exorbitant rates even when they are still. "independent"... As these seniors have an unlimited and unending supply of income when they are no longer working. We need to make a better effort as a community to allow these longtime residence of over 20+ years to remain in the community that they helped maintain for so long.
Jun 21 2024 07:22 AM	I feel these questions are leading to government assisted housing. Please do NOT destroy our Village with them (not speaking of senior housing-privately held by religious organizations). Seniors (of course, I am one) contribute greatly with their wisdom and influence.
Jun 21 2024 12:21 AM	It has been very difficult to find a house to purchase without spending >50% of our household income a month which isn't feasible so we've been renting.
Jun 20 2024 11:34 PM	Why build new apartments and housing and nobody can afford them. \$1500-\$2000 for an ONE BED is nuts.  Makes me wonder - Are corporations are renting them?
Jun 20 2024 07:03 PM	Stop putting in walking paths in existing neighborhoods that have no sidewalks. It looks terrible and not worth the expense vs the amount of people that use them. Stick to new subdivisions.
Jun 20 2024 04:10 PM	This is difficult question to answer because so much of Menomonee Falls is spread out into both urban and rural. The housing market here is not good. It's expensive and there is not a lot of affordable housing for people. Is there a lot of new housing going up absolutely but is attracting the right type of people for our community? Well as certainly attracting rich people.
Jun 20 2024 03:21 PM	I think only older neighborhoods can appeal to young families because who in the world can afford the McMansions that all the new subdivisions have? Single family house prices are not really affordable here unless you buy something very old/not updated
Jun 20 2024 02:51 PM	Again tough one to answer on a few if talking new builds only
Jun 20 2024 02:02 PM	Housing for a new family (which I would count us as) is not almost not feasible in Menomonee Falls - similar to much of America. We need more affordable housing options for young families (250K 3 bed two bath)
Jun 20 2024 01:03 PM	Rents are way too high, so I've heard
Jun 20 2024 01:00 PM	No more 'affordable housing'. Ruining our village is not an affordable idea.
Jun 20 2024 10:31 AM	Housing affordability was why I moved to this area and bought my house. But with taxes being hiked massively in the last 2 years, I would not recommend it to anyone.
Jun 20 2024 09:50 AM	While I see available housing, I have not investigated if the condos and rental units are affordable or not.
Jun 20 2024 09:15 AM	Housing outside town need drive to parks and bike paths. Hopefully rates go down soon.
Jun 20 2024 08:49 AM	Senior living is so important as older adults are living longer more independently. Would be great to have a program to attract younger buyers of new homes that are smaller and more affordable. Brush pickup is a great thing to have in the village, but this year was delayed to much.

### Question 18 continued

Jun 19 2024 06:59 PM	Way over building in our village!!  We are starting to bust at the seams. Which increases all public costs.
Jun 19 2024 06:17 PM	Major development is going on in the Falls now.
Jun 19 2024 05:53 PM	Housing especially apartments both market value and for seniors seem to be exceptionally high. It's understandable you want good quality citizens, but too high rent rates can possibly mean more vacant apartments and less financial stability from the owners in paying taxes.
Jun 19 2024 05:50 PM	Need new development of smaller homes and plots. All new development is houses that are too large, or apartment/condos. There is no middle ground new developments.
Jun 19 2024 04:54 PM	The falls needs more affordable housing overall. There are lots of parks that are well-maintained, but to get there safely you have to drive in many, if not all, cases, because of how dangerous biking and being a pedestrian is.
Jun 19 2024 04:34 PM	My house is too far from a park for kids to walk too and not enough trails to send them there on a bike
Jun 19 2024 03:50 PM	We need more lower cost homes for young families. "Starter homes".
Jun 19 2024 03:42 PM	No low-income subsidized housing. Been there and done that. Go to Fon du lac Ave. and Lilly Road. Let the free market dictate what's considered "affordable".
Jun 19 2024 03:14 PM	Everything is so expensive these days
Jun 19 2024 12:09 PM	Home prices are really high and interest rates are high making it very expensive for new homeowners to afford living in the Falls.
Jun 19 2024 10:43 AM	The new developments popping up all over the place are all far too expensive for new families with young children. it's unrealistic, and half of those houses are under the Sussex school district, rather than MF.
Jun 19 2024 10:29 AM	Too many expensive apartment complexes.
Jun 19 2024 09:44 AM	Many smaller older starter homes need serious repairs and are too expensive for the families to replace windows or mitigate the asbestos still in many houses. And the basements are in serious need of repair
Jun 19 2024 09:44 AM	Affordable housing is tough to say is a strength because the price for a plot of land is astronomical if wanting to build.
Jun 19 2024 07:32 AM	A lot of houses that are more affordable seem to be fixed uppers and not everyone can fix themselves. Options are limited.
Jun 19 2024 07:31 AM	In general, house costs and rent costs are out of control in the last 3 years. Perhaps it's the administration in charge of this country.
Jun 19 2024 07:16 AM	There are no sidewalks where we live and hills, so it makes it difficult to walk.
Jun 19 2024 05:05 AM	Allows for continued diversity
Jun 18 2024 10:14 PM	"Affordable housing" -- let's be honest, nothing is affordable right now
Jun 18 2024 09:41 PM	There isn't a lot of affordable housing in the Falls
Jun 18 2024 09:07 PM	The weakness in housing remains with the reduction in quality of school district education.
Jun 18 2024 08:52 PM	If we can get rid of the liberal bullshit, and nonsense, along with the rising crime from the trash coming over from the north side....maybe we could entice more young families and get this great village back to where it once was in its HEY DAY!!
Jun 18 2024 08:39 PM	definition of what is affordable housing?

### Question 18 continued

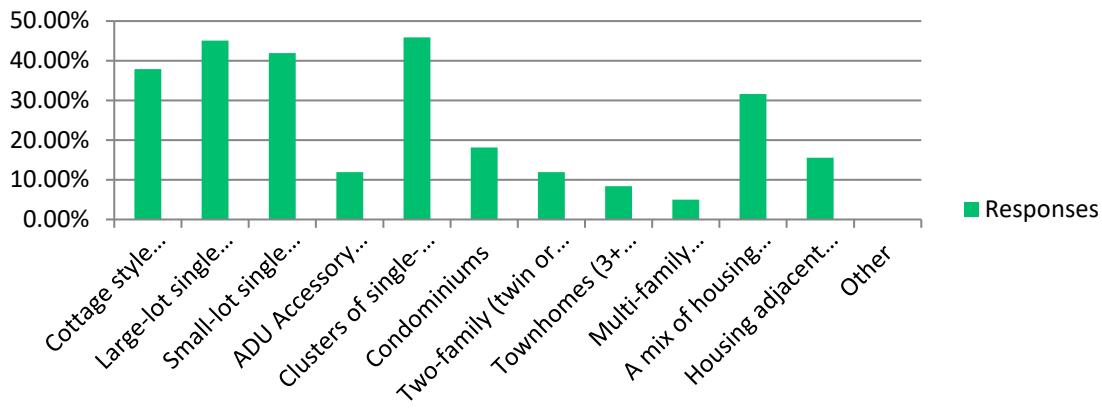

Jun 18 2024 08:05 PM	My response on housing that appeals to young professionals would tie back into my response on feeling like we are being priced out. Additionally, while I respect the generations prior to mine, it feels like there are far more reasonable housing options for senior living than people in my age bracket.
Jun 18 2024 07:34 PM	We don't need cheap/affordable housing. That's what old homes are for.
Jun 18 2024 07:17 PM	So many of the trails and parks cannot be accessed by the existing neighborhoods in a safe way. For example, the shoulders on Townline are almost not existent. Once you get to the trails and parks, they are amazing! There are few options for small, starter homes. All the new subdivisions are putting in only homes that are outside of most first-time homebuyers' budgets. If a developer dares to put forth a plan that may include some more affordable options, residents complain. Weren't most people first-time homebuyers themselves at some point? Can't we attract young families and professionals that will be lifelong residents by creating more entry-level options for them?
Jun 18 2024 07:07 PM	On the south side of MF there's little to no access to trails or paths for activities. We could use additional trails/paths to connect with the Bugline
Jun 18 2024 06:58 PM	Walking along or across Appleton Avenue is a nightmare. It is very dangerous, cars are going very fast and don't stop and there are not enough areas to help people cross between Main Street and Menomonee Avenue.
Jun 18 2024 06:53 PM	Our area of the village is walkable and there is access to biking to some places, but overall, MF needs more accessible biking and walking routes.
Jun 18 2024 06:49 PM	The market is what it is.
Jun 18 2024 06:37 PM	Again, foolish question format, completely disparate options unrelated to each other
Jun 18 2024 06:09 PM	This is highly dependent on the area you live in. I am in an older area with culverts (no curbs) and no park in walking distance (Near Thomas Jefferson site). This was a real issue when our kids were growing up. This specific neighborhood does not have a community park close enough.
Jun 18 2024 06:07 PM	Getting to the parks and trails requires driving or walking in traffic
Jun 18 2024 05:55 PM	We can't be everything to everyone. What we don't want is to become cheap or low-quality housing like nearby Brown Deer.
Jun 18 2024 05:51 PM	We're overpopulated.
Jun 18 2024 05:34 PM	Too many rental properties going up are changing the family atmosphere of the village.
Jun 18 2024 05:33 PM	1800 a month studio apartments.
Jun 18 2024 05:28 PM	I would like to see the most effort put into attracting mid to high income families / couples expecting families into our community. We definitely do not need any more apartment buildings!
Jun 18 2024 05:22 PM	Biden and inflation is the blame for this
Jun 18 2024 05:16 PM	Affordable housing is usually a word for low income housing. We need to get back to community values.
Jun 18 2024 05:11 PM	There is very little affordable housing so with that, I had to go weak for options
Jun 18 2024 05:09 PM	Too many apartments being built. Would rather see neighborhoods built IN Menomonee Falls and homes in Menomonee Falls that are ACTUALLY IN falls schools district

### Question 18 continued

Jun 18 2024 05:05 PM	<p>The houses are poorly maintained in village center.</p> <p>The house next to me is vacant but I wasn't allowed to make an anonymous complaint at village hall.</p>
Jun 18 2024 05:03 PM	We have neighbors that have an incredible amount of junk in their yards, like an old, unusable car sitting in the same place for over 35 years!!!
Jun 18 2024 04:32 PM	<p>I bought my house in the Falls 25 years ago for \$133,000. My neighbors very similar three bedroom, 1.5 bath home just sold for \$325,000! New families cannot afford to live in Menomonee Falls.</p> <p>My son and his Former college girlfriend got married one year ago and moved to Menomonee Falls. They are paying \$1750 for a two bedroom two bath apartment! That is the state of housing in Menomonee Falls... Massively overpriced! I suppose it serves the effect That too many of our residents, thinking their minds, but our often hesitant to say, which is "high prices help to keep the "undesirables" out of Menomonee Falls. That kind of thinking around here is a big problem.</p>
Jun 18 2024 04:30 PM	More affordable housing and less apartments
Jun 18 2024 04:27 PM	Affordable housing that appeals to young professionals and seniors!
Jun 18 2024 04:21 PM	No families want to move to a community that is banning books. Again, embarrassing for elected officials.
Jun 18 2024 04:18 PM	There aren't many good restaurants or walkable areas for young professionals.
Jun 18 2024 04:10 PM	It would be nice if there were housing options for smaller single family homes. Most of the new construction homes are way too big and expensive for a young couple.
Jun 18 2024 04:09 PM	New homes start at \$400k is not an option to attract young people
Jun 18 2024 03:59 PM	Stop building all of these way too expensive apartments. Singles certainly can't afford them.
Jun 18 2024 03:54 PM	There is not enough inventory of starter homes in the area. New homes are too large and older homes are not for sale
Jun 18 2024 03:41 PM	Ehh
Jun 18 2024 03:35 PM	I believe that housing costs for single unit dwellings are significant high; this might attract some buyers, but not everyone can afford to purchase a home that costs more than \$400,000
Jun 18 2024 02:12 PM	Its hard to consider all existing residential areas together as they are not equal. Some neighborhoods have great walkability, while others are remote with little connection to the community. In general all is good - but some areas need improvements.

What type of residential development would you prefer to accommodate future household growth in Menomonee Falls?

### Question 19 continued

Response Date	Other or Comment
Sep 19 2024 10:24 AM	We don't need to build more residential areas
Sep 16 2024 12:52 PM	None- Falls is already too big and full.
Sep 15 2024 02:21 PM	No low income housing!
Sep 11 2024 10:00 AM	The village is developing way too much of the natural areas we used to have. Also, many of the new structures are huge and too close to the road. It takes away from the charm of the village.
Sep 07 2024 05:28 PM	None
Sep 06 2024 02:17 PM	Tiny homes on small lots, 400-800 sqft.
Aug 29 2024 12:55 PM	The main type of housing that is needed is affordable housing in different varieties.
Aug 28 2024 04:47 AM	We have enough luxury and high end apartments. The high rises should never have been built downtown. Heavy tax burden for Highway snow removal and slower emergency vehicle response due to one lane traffic. There are so many vacant units all over. Staging to make a building appear more full is obvious. Next step to section 8.
Aug 26 2024 08:54 PM	You seem to be way too many apartments in Menomonee Falls for those people who are under 55
Aug 26 2024 08:47 PM	Large-Lot single family should be used sparingly as it lacks land value intensity and may give less taxes.
Aug 26 2024 08:19 PM	I'm a firm believer that the most wholesome community or neighborhood has a combination of housing styles accommodating a mixture of age groups as long as there exists an attempt to include those various groups as part of the community/neighborhood. That's very difficult to achieve, I realize, as people/families naturally prefer to be among others of their social-economic status. That said, I still believe such a homogenous community is most healthy in terms of commerce, safety, and education.
Aug 26 2024 05:43 PM	Stop building. Just because there is land, doesn't mean you need to build on it. Wildlife has no where to go.
Aug 26 2024 05:32 PM	Menomonee Falls needs affordable and disability accessible housing. Disabled people are limited severely when it comes to housing opportunities, and this is an injustice.
Aug 26 2024 04:53 PM	I wish they would use the buildings that are vacant
Aug 26 2024 02:43 PM	Where are you going to put them? You already are putting new houses on every bit of open land that you can find. I would say just stop.
Aug 26 2024 02:24 PM	A variety of homes for middle class people because the bigger the middle class, the stronger the society.
Aug 26 2024 01:56 PM	No comment
Aug 26 2024 01:40 PM	Our mix is on the right track. We should continue to strive to have something for everyone.
Aug 26 2024 01:25 PM	No more rental apartments
Aug 26 2024 01:22 PM	no more appts i dont see cope now and fireman cant keep up
Aug 26 2024 12:47 PM	There are places for all of these housing types in the village! Our large diverse municipality can and should integrate many different types of housing.
Aug 21 2024 02:13 PM	It needs to be well done, attractive and to provide a sense of community and place.

### Question 19 continued

Aug 20 2024 08:01 PM	Ideally, I would love more single family homes on larger lots, but the cost of those would be too expensive for most to afford...
Aug 19 2024 10:40 AM	Stop developing big acre lots and huge houses. You're going to be an old folks community rather than a young family community. Young people can't afford these \$800,000 homes.
Aug 14 2024 12:00 PM	We are crowded enough
Aug 13 2024 06:24 PM	Homes for new families transitioning from apartments to single family houses
Aug 13 2024 09:23 AM	There are a lot of huge and expensive houses being built. These are out of the price-range of a lot of regular people. People have to leverage all that they have and put themselves into incredible debt to own a new home. It would be great if the village could encourage smaller homes, like 1200-1500 square feet on 1/4 acre to 3/4 acre lots. I know this would appeal to my friends. I think there is an untapped market of Millennials that are interested in new builds, but not interested in the McMansion style new builds that developer encourage and HOAs require.
Aug 09 2024 04:06 PM	Less huge-house subdivisions and ultra-expensive high rise apartments.
Aug 09 2024 01:27 PM	See above comment
Aug 08 2024 09:01 PM	Low income housing
Aug 05 2024 09:38 PM	Menomonee Falls needs to expand the businesses they have. Many residents, especially younger, are spending money on restaurants in Brookfield, Tosa, Mequon because there are not enough quality restaurants here. The same can be said for boutique clothing stores or kids stores. If building apartments, please consider creating space for businesses on the first floor. All the new, young families would appreciate it
Jul 27 2024 08:05 AM	to many apartments already
Jul 26 2024 11:28 PM	It depends on where these would be developed and what kind of buyers are interested, but in my opinion, the important thing is that there are affordable options that don't force lower income individuals/families to live in run-down residences
Jul 26 2024 05:11 PM	There are way too many apartments being built in MF. As soon as a space opens up it seems to fill with apartment(maybe some condos), and I'm guessing they are not very affordable.
Jul 26 2024 07:42 AM	NO MORE EXPANSION, PERIOD! THE STREETS CAN'T HANDLE THE AMOUNT OF TRAFFIC COMING THROUGH THE VILLAGE AS IT IS.
Jul 25 2024 01:23 PM	Affordability is key, of course!
Jul 25 2024 12:33 PM	#1 cottage style homes  #2 small lot "smaller" single family homes  Menomonee Falls does not need more oversized, overpriced housing.
Jul 22 2024 08:51 PM	I think we have enough apartments in the falls now personally
Jul 20 2024 01:47 PM	Bigger lots with smaller homes. Great concept. Try it. Also no more required city water. We should have the option to have a well if we want
Jul 19 2024 01:36 PM	I feel that Menomonee Falls is growing too fast. The amount of houses that go up in a small area of land is crazy. More people equals more traffic and the need for more services.
Jul 19 2024 10:40 AM	The cost of living is way to high

### Question 19 continued

Jul 18 2024 01:37 PM	Nick's use one is definitely the best. I like it when businesses have apartments on top and businesses on the bottom. European style is oftentimes good.
Jul 18 2024 12:58 PM	There are actually too much housing development. Should put a moratorium in place for awhile.
Jul 17 2024 11:12 PM	We need AFFORDABLE housing options. My household is multi-generational, and if I could, I would love to own a duplex/triplex instead - so my parents, myself, and my kids would all have our own space, yet we are still together. I think having owner-occupied houses is the key, and affordable apartments for young people.
Jul 17 2024 03:18 PM	We don't need more housing
Jul 17 2024 02:15 PM	Menominee Falls does not need more apartments or rental properties. The community is built around and thrives with single family homes. There are plenty of other communities around the Falls that have those things - we should invest in our unique identity.
Jul 17 2024 11:58 AM	No more apartments!
Jul 17 2024 09:10 AM	Whatever the direction you go - make it out of traditional materials, like Lannonstone. The new developments, where all of the houses look the same, take the character out of the village.
Jul 14 2024 10:10 PM	I would prefer to not have the village grow with additional households.
Jul 11 2024 05:42 PM	So many houses being built. Can see the negative impact to wildlife (cranes and turkeys)
Jul 11 2024 02:25 PM	We have too many apartments now. Stop adding so many new developments without letting infrastructure catch up.
Jul 11 2024 10:05 AM	We DO NOT need any more so called 'luxury' apartments!
Jul 11 2024 09:30 AM	As I wrote earlier, we have enough apartments/ condos. I appreciate that they are high end but we have enough.
Jul 11 2024 08:08 AM	Ranch style - no stairs
Jul 11 2024 07:26 AM	Stop cutting down all the beautiful trees and evicting animal from their homes to build more overpriced homes that no one can/should afford. Invest in what exists already. One of my biggest regrets about moving to Menominee Falls is all the new housing development. I moved here for the tree filled nature spaces that made me feel like I was living in a more country feel with the accessibility of a city. Now all I see is construction, inconvenience, overpriced giant homes, and crap roads.
Jul 11 2024 05:11 AM	There needs to be more new construction at a price point of \$400-\$450K.
Jul 09 2024 08:43 PM	The only housing type we have too much of is large-lot SF homes. We need more of everything else. Let's be proactive and flexible with our zoning code and allow more uses
Jul 07 2024 08:17 PM	New developments that only have large homes and lot sizes are not for everyone and they price out the working class that want to live in a good neighborhood with decent schools and public safety. Personally I would have liked to buy a new medium sized home on a small lot as a starter home but the options were smaller existing homes built round the 70s that end up needing costly updates or brand new homes that are hardly affordable for the working class.
	New mixed use developments, single family, duplex, apartments w/ storefronts with homes slightly larger (1700-2000 sf) than the average size of the homes up and down menominee ave subdivisions with similar lot sizes could be attractive to young families.
Jul 07 2024 05:53 PM	I have no opinion on this

### Question 19 continued

Jul 07 2024 12:07 AM	LOW INCOME COMMUNITY HOUSING
Jul 06 2024 08:28 PM	In my opinion, all this development has actually diminished my opinion of the Falls. It is getting very crowded, and traffic is increasing. Quality of life has gone down due to rampant building in my opinion.
Jul 05 2024 01:32 PM	No opinion
Jul 04 2024 02:50 AM	The Village has made a lot of investments in apartments and smaller lots in the last few years. Recognizing these can significantly impact the tax base, we also need to consider what makes Menomonee Falls special and not just developing ourselves to the max. We need to be differentiated vs. other communities and our open space provides us this opportunity if we leverage it.
Jul 03 2024 10:35 AM	No more apartments and condos. Too many of those are being built on the border of Menomonee Falls and Milwaukee between good hope and Appleton. We need more single family homes.
Jul 02 2024 08:50 AM	In general, every community needs more starter homes that can serve families looking for affordable options while building home equity.
Jul 01 2024 05:38 PM	You left out single family homes that are affordable. Not everyone wants to live in a mcman-sion and have the mortgage that goes with it.
Jul 01 2024 12:44 PM	All of the above. Something for everyone.
Jul 01 2024 12:37 AM	Affordable rent for young professionals.
Jun 30 2024 03:48 PM	Too much development already for main roads like Appleton Ave to handle. Newer recent apartment complexes made it even worse.
Jun 30 2024 02:28 PM	None. Things are way too built up here already. Too many people for a village.
Jun 30 2024 10:31 AM	With affordable homes/apartments for single mothers/fathers
Jun 28 2024 01:22 PM	I would prefer to limit further growth, especially if it is in the Hamilton district portion of Menomonee Falls. The schools are already at capacity and there are so many new developments in progress!
Jun 28 2024 12:23 PM	Too many apartments are going in, more people, more congestion for the town, more traffic!
Jun 27 2024 06:34 PM	No more apartments or senior living communities!
Jun 27 2024 12:45 PM	It would be nice to have diverse housing options to interest diverse residents.
Jun 27 2024 10:41 AM	No opinion
Jun 27 2024 09:44 AM	No more apt buildings....they destroyed the downtown falls area
Jun 27 2024 07:39 AM	More green space. No more apartments!
Jun 26 2024 06:00 PM	Home style condo complexes need to be 4 plexes. I would love to see Townhomes again
Jun 26 2024 05:55 PM	New development that includes many styles of residences and businesses together would accommodate the needs and wants of those that may not want all the same things as each other but do want to live in a safe place to live and start families. as well as incentivize new neighborhood businesses.
Jun 26 2024 02:58 PM	Having a diverse population in all aspects is important for the vibrancy of a community. I believe this is most attractive to younger generations that are searching for a community to live. Building areas with all of the above will provide more options for people with different resources; Making Menomonee Falls a more attractive place to live and work.

### Question 19 continued

Jun 26 2024 12:55 PM	There are far too many 3,000+ sq ft homes on tiny yards. More .5-1 acre properties would be much more favorable.
Jun 26 2024 10:50 AM	more options that people can afford
Jun 26 2024 03:59 AM	Accommodations for a single mom as myself to live comfortably with my three children
Jun 25 2024 11:27 PM	Cheaper apartments so we can save for a house there
Jun 25 2024 11:09 PM	Apartments that are affordable like connected to each other where people with little income can afford to live.
Jun 25 2024 10:50 PM	No apartments inside by side, less rentals, don't need to turn into Milwaukee
Jun 25 2024 05:32 PM	NO MORE APARTMENTS!
Jun 25 2024 05:18 PM	No more condos, or multi family units, It's destroying the character of the village.
Jun 25 2024 03:42 PM	I'm not sure; I just want a safe community.
Jun 25 2024 03:42 PM	I feel like we need to stop building so much. The schools are already becoming overcrowded and we are losing so much land to housing that could be farms and golf courses, parks etc.
Jun 25 2024 02:54 PM	Anything that does not take away more wildlife areas. We need to conserve what's left of undeveloped areas and prioritize keeping MF beautiful, clean, and calm that way.
Jun 25 2024 02:12 PM	Too many new subdivisions have lots that are only available if you build with a particular builder. Many subdivisions require you to build with a specific builder only (ie. Stepping Stone or Veridian). There needs to be more opportunities for residents/future residents to build their homes without being locked into a particular home builder.
Jun 25 2024 02:06 PM	I am concerned that future residential developments do not need to be approved with the school district and take into account our already overcrowded public school system
Jun 25 2024 01:51 PM	No opinion
Jun 25 2024 01:13 PM	New housing needs to actually be affordable to families that are trying to break into the housing market. Additional luxury housing doesn't help a family on a budget.
Jun 25 2024 12:38 PM	...or just leave the open spaces as-is. Building more housing in town (especially apartments) is sort of ruining the charm of the village.
Jun 25 2024 12:35 PM	No low income housing
Jun 25 2024 12:15 PM	Too many apartments & rental properties will negatively affect property values, may lead to more public safety and possible school issues (socio-economic status aside - rich kids can participate in nefarious activities).
Jun 25 2024 12:01 PM	NO MORE APARTMENTS. WAY TOO MANY
Jun 25 2024 11:58 AM	Enough with the apartments.
Jun 25 2024 11:49 AM	We have enough apartment buildings.
Jun 25 2024 11:43 AM	Do not need more apartments/rentals
Jun 25 2024 11:41 AM	Large Lot single family homes need to be in neighborhoods with lots of conservation space. Also the condos should NOT be side by side, but 4 unit minimum (i.e. Cornerstone style)
Jun 25 2024 11:38 AM	Let the market decide. I'm not even sure why this is a question. There should be no subsidies or other taxpayer funding used to push zoning or development decision making.
Jun 25 2024 11:38 AM	If you are looking to grow please consider what younger families can really afford.
Jun 25 2024 11:35 AM	Please, no more apartments!!
Jun 25 2024 09:29 AM	There are enough apartments

### Question 19 continued

Jun 24 2024 05:40 PM	If you are planning to take away a park of historical significance with historically significant buildings on it I have no interest in this question! PLEASE LEASE OLD FALLS VILLAGE PARK ALONE!!!! DO NOT DEVELOP ON THE PARK! PLEASE LET THR EVENTS STAY AND THRIVE THERE!! Unless you plan on moving the buildings to another park for us. DO NOT TOUCH OLD FALLS VILLAGE PARK!
Jun 24 2024 03:58 PM	Affordable senior living
Jun 24 2024 01:20 PM	Seems like it's mostly been overpriced apartments being built.
Jun 24 2024 12:53 PM	No more condos and town houses
Jun 24 2024 12:43 PM	The village is lacking in more affordable housing options, and has a plethora of large lots that are now priced out. We should focus on infill and dedicating more shared spaces, rather than building 1 acre single family lots.
Jun 24 2024 09:41 AM	Don't like housing taking over the green spaces. Don't like when all the houses look the same.
Jun 24 2024 08:32 AM	I'm concerned about the rapid development and loss of natural habitat due to building more homes in the Falls. I know the population is growing, but we need to manage our natural spaces better.
Jun 24 2024 06:05 AM	Avoid dense units per square foot
Jun 23 2024 09:54 PM	Too many Apartments in Menomonee Falls with ridiculous and overpriced rental costs. Not really sure how these youngen's afford anything anymore.
Jun 23 2024 07:56 PM	.
Jun 23 2024 03:31 PM	Nothing. Must leave some undeveloped spaces to maintain the "charm" of the village. Before authorizing new builds - assess the current usage and vacancies of existing buildings.
Jun 23 2024 03:29 PM	Senior citizen housing community.
Jun 23 2024 11:05 AM	The Falls was built on businesses that had housing adjacent. Have had a friend looking for ages who had a regular business but needed to live in same space.  Yes! Keep families together and have options for common areas with options separating retirement from young families. We like it quiet! I personally can't live near noisiness and skipped renting because of it. I do put up with obvious train noise and quarry blasts but they are all within a window done by 2:15pm
Jun 22 2024 05:44 PM	More affordable housing
Jun 22 2024 12:52 PM	Growth needs to be drastically slowed
Jun 21 2024 05:48 PM	We have seen how diminished head counts @ schools has been happening for 30+ years. We don't need large homes for large families. Both parents work and we need an affordable base for these potential new citizens.
Jun 21 2024 05:44 PM	NO MORE APARTMENT DEVELOMENTS!!
Jun 21 2024 05:06 PM	I bought my ranch house because there are no ranch style condos affordable for a single person
Jun 21 2024 04:08 PM	Way too much high density apartments going up. Ruining the village character imho
Jun 21 2024 12:53 PM	No apt style condos; 2-3 stall garages for any housing; large lots only w plenty of green space. MF should focus on revitalizing existing structures and land - not destroy remaining green space.

Jun 21 2024 11:18 AM	To many apartments in this Village.
Jun 21 2024 09:36 AM	No granny flats. Please zone residential areas, so there is no airbandb allowed. They are a nuisance.
Jun 21 2024 07:30 AM	AFFORDABLE senior housing that is specifically written up in such a way that it is for ages 55 and up Especially focusing on retirees so that these units are not snagged by younger folks who still have jobs.
Jun 21 2024 07:22 AM	I purposely didn't select the others. Unfortunately, these tend to be owned by off-site, un-accountable, unreachable & even foreign entities. We have way too many apartments regardless of their rental cost, and please STOP taxing our infrastructure. Learn from the areas around Northridge and limit how many living units are on an acre!
Jun 21 2024 06:22 AM	senior Living
Jun 21 2024 12:21 AM	Main priority should be affordable housing of any type to purchase not rent.
Jun 20 2024 11:34 PM	How about converting empty commercial buildings into ACTUAL AFFORDABLE HOUSING.
Jun 20 2024 07:03 PM	Any type of rental properties will destroy Menomonee Falls long term. We have more than enough already. I don't want to have to move again.
Jun 20 2024 02:29 PM	No more building at all!!! The animals are being pushed out of everywhere!!!
Jun 20 2024 01:00 PM	No more apartments. You have done enough damage  Senior housing is needed and should be supported

Jun 19 2024 06:59 PM	Acre lots or bigger...this is not a city.
Jun 19 2024 05:53 PM	Less of the "McMansions" and simply more affordable housing options for singles, families and seniors.
Jun 19 2024 05:23 PM	No opinion. There seems to be plenty of existing
Jun 19 2024 05:07 PM	Again, a Tiny House community would be great!
Jun 19 2024 04:54 PM	No more large-ot single family homes! Density is key.
Jun 19 2024 04:18 PM	I am opposed to big box stores adjacent to residential developments but would support some strip mall development nearby since it is easier to keep occupancy at a higher level.
Jun 19 2024 04:05 PM	More businesses less housing.
Jun 19 2024 04:02 PM	Affordable, affordable, affordable!
Jun 19 2024 03:42 PM	Menomonee Falls currently has a proper balance of all types of housing. No additional low-income subsidized housing.

## Question 19 continued

Jun 19 2024 02:30 PM	We have enough apartment buildings
Jun 19 2024 12:11 PM	Whatever is built, the most important factor is WE NEED AFFORDABLE HOUSING.
Jun 19 2024 11:44 AM	I see numerous apartment buildings being built around the city, but I think we really have plenty--no need to build more now.
Jun 19 2024 10:39 AM	No more townhouses or apartments
Jun 19 2024 10:22 AM	We need more walkable communities, similar to Tosa Village.
Jun 19 2024 10:04 AM	As long as household growth continues to mean higher taxes for me because our schools need more resources, I prefer to halt household growth. Why would I want household growth when all it means for me is higher taxes and more traffic?
Jun 19 2024 09:44 AM	Help smaller families
Jun 19 2024 09:44 AM	Comment: The newer subdivisions are small lots with houses squished together. Would like to see larger lot sizes with space to breathe between neighbors. The Sanctuary at Good Hope is a great example of what I'd like to see more of!
Jun 19 2024 09:26 AM	We have a TON of expensive apartments, condominiums, and large single family homes...we need a balance of options, especially if we want to continue to attract young families and single parent households (I'm a single mom who works in education...my boyfriend and his kids are moving into my house next month--without him, my household income is much lower than what I checked on my demographic info).
Jun 19 2024 08:08 AM	Ability to park large RV on land with infrastructure.
Jun 19 2024 07:51 AM	We need more & cheaper housing. Duplexes, 3-4 story apartments, ADUs all can help.
Jun 19 2024 07:09 AM	affordable homes for the younger generation that can get people out of rental units. most of the lower valued homes in the falls are older homes that see a lot of issues that come with age in this area.
Jun 18 2024 11:24 PM	None . The Falls is rapidly losing its small village appeal and green spaces are becoming less and less .
Jun 18 2024 11:09 PM	ENOUGH apartments already
Jun 18 2024 10:10 PM	No more apartment complexes
Jun 18 2024 09:55 PM	More affordable housing for young/single parent houses
Jun 18 2024 09:41 PM	I'm actually sad to see all of our open space/farm land being developed. I miss the country feel we used to have.
Jun 18 2024 09:14 PM	Getting g to be all over built.
Jun 18 2024 09:03 PM	I can't even answer this question. Every time we turn around there is a new bank, apartment complex or subdivision. Stop growing the area and create things that make people want to stay.
Jun 18 2024 08:52 PM	NO LOW INCOME SECTION 8 BULLSHIT
Jun 18 2024 08:50 PM	More businesses and services are needed in the newer subdivisions!
Jun 18 2024 08:35 PM	Less apartment complexes!
Jun 18 2024 07:43 PM	NONE. I moved to Menomonee Falls to have a more country experience and all that's happening is that it's being built up and suburbia nation. It's definitely lost it's charm.
Jun 18 2024 07:35 PM	No more giant houses! Affordable houses!
Jun 18 2024 07:34 PM	No more apartments or condos!! Enough already!!

### Question 19 continued

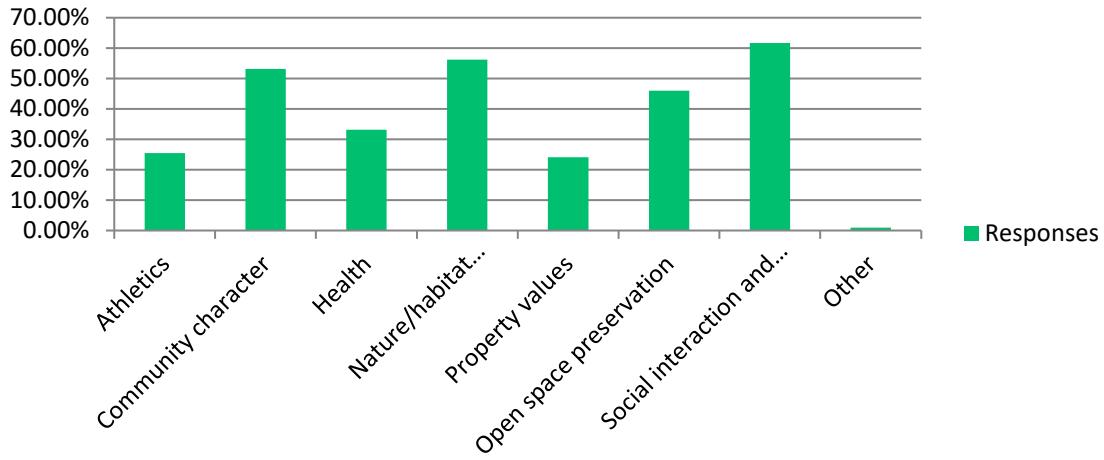

Jun 18 2024 07:33 PM	Less apartments less liberals
Jun 18 2024 07:18 PM	Seems as though we have plenty rental units
Jun 18 2024 07:14 PM	None
Jun 18 2024 07:07 PM	In an effort to keep the community viable and active with outdoor space I think we need to minimize mass developments and focus more on family style where people are more 'invested in community due to ownership'. Let's see less rentals and more ownership
Jun 18 2024 06:49 PM	Low income housing
Jun 18 2024 06:49 PM	Enough with the McMansions and the luxury apartments.
Jun 18 2024 06:40 PM	No opinion
Jun 18 2024 06:23 PM	Large lots without an HOA. We would love to build a new house but I don't want an HOA telling us what we can or can't have in our yard
Jun 18 2024 06:18 PM	I think there is too much building going on. Are all of these new apartments actually filling up?
Jun 18 2024 05:55 PM	We cannot keep building houses on top of each other. It's not good for our environment. Larger lots are better to deal with climate change and for the groundwater supply. Green space attracts a better quality of resident.
Jun 18 2024 05:51 PM	Don't need more houses.
Jun 18 2024 05:49 PM	No. More. Apartments!!!! There are ZERO starter homes on the market. The new homes are too big on lots that are too small, too expensive, and no trees
Jun 18 2024 05:33 PM	Stop with the new apartments or banks going up everywhere.
Jun 18 2024 05:30 PM	Please stop building. Slow growth limit to 1 acre+
Jun 18 2024 05:28 PM	There's PLENTY of household growth now in MF. Let's fill all those vacancies first before putting the horse before the cart.
Jun 18 2024 05:28 PM	No multi family or apartments.
Jun 18 2024 05:27 PM	Please no more high end apartments. Don't scoop up all the land and leave some open space.
Jun 18 2024 05:22 PM	Less apartments
Jun 18 2024 05:21 PM	Homes under \$300k for new homeowners would be nice
Jun 18 2024 05:19 PM	The unrelenting building in this Village leaves me regretting being here. Open land is disappearing so fast, we might as well be in Waukesha.
Jun 18 2024 05:16 PM	No more apartments. We have so many right up to the road. We could use a community pool.
Jun 18 2024 05:11 PM	Be done!! Where else do you want to put more houses?? Going down Silver Spring is nothing but sad! I really feel like the trustees could have done better. Look into other successful communities such as Wauwatosa, Madison, etc. They have green space, walking trails, bike paths. There's more than enough residential development in this town! Stop already!!
Jun 18 2024 05:10 PM	Please no more enormous apartment complexes.
Jun 18 2024 05:03 PM	I like we have some apartments, but I worry if we have too many not rented, they could be used as low income. In my experience, with too many low income opportunities, there tends to trend higher crime rates. Being so close to Milwaukee and the crime reported on Ring- it is very concerning. My extended family wants to move north- I want to stay - Menomonee Falls is my home and right now the police are doing a fabulous job-
Jun 18 2024 04:59 PM	We have enough apartment complexes.

### Question 19 continued

Jun 18 2024 04:47 PM	Affordable housing to attract a better workforce
Jun 18 2024 04:34 PM	I think more housing of all kinds are needed
Jun 18 2024 04:32 PM	I hesitated answering the housing types question because I'm confident that there are pros and cons of each... And I'm not sure that most people in this village are aware of what those are and this question did nothing to "inform" Respondents about those things. This question should be discarded.
Jun 18 2024 04:30 PM	Family friendly
Jun 18 2024 04:27 PM	Community open spaces should be incorporated into mixed housing projects, with bicycle foot trails, where appropriate.
Jun 18 2024 04:22 PM	SoDoSoPa is cringe, we're not going to get a Whole Foods. Stop building areas only old retirees can afford.
Jun 18 2024 04:09 PM	Don't want any further development
Jun 18 2024 04:08 PM	No more housing.
Jun 18 2024 03:54 PM	I want to there to be less mcmansions and more housing where people can walk to businesses. I love being able to walk downtown. As a young professional with a child, I would prefer smaller yards and mid sized homes.
Jun 18 2024 03:41 PM	Ehh
Jun 18 2024 03:39 PM	Medium size lots in walkable neighborhoods with shared open space.
Jun 18 2024 03:38 PM	Ranch townhomes side by side
Jun 18 2024 03:32 PM	Please, nothing that would attract blight or crime.

Jun 18 2024 03:14 PM	NONE!!!
Jun 18 2024 03:13 PM	Stop building apartments
Jun 18 2024 03:05 PM	Affordable housing based on the current minimum wage in Wisconsin.
Jun 18 2024 02:12 PM	A mix of housing types, sizes and price points benefits the community the most

Aug 18 2024 11:17 AM	There is a need for updated swimming pools!
Aug 13 2024 06:37 PM	The playground in village park is something to be proud of, lots of fun

## Question 20 continued

Aug 05 2024 09:44 PM	We have noticed many empty lots within subdivisions presumably owned by the people who have a house next door. It would be wonderful if the city would purchase these lots and turn them into small parks. This would increase the availability of parks, increase property values throughout multiple neighborhoods and help provide safe access to parks by making them accessible without needing to access big roads with unsafe traffic
Jul 26 2024 05:28 PM	So many natural areas have been cleared for construction. The poor deer don't know where to go when they leave the limited wild areas.
Jul 08 2024 07:53 PM	Menomonee Falls needs to get its act together. There is no urban planning; just buy up land and throw up a bunch of buildings. There needs to be an eye to the future as to how it all flows together, and there needs to be a consideration for preserving natural spaces.
Jul 08 2024 06:53 PM	can't be athletics because you took the base ball field from use at fourth we played there all the time now it's hard to find some where to play
Jul 08 2024 01:10 PM	Entertainment in Village Park.
Jul 07 2024 08:22 PM	Menomonee Falls needs a public basketball court at village park or the park by the library.
Jul 05 2024 07:10 PM	The Miller Davidson property forest has fallen trees that have never been removed.
Jul 04 2024 02:53 AM	This continues to be an opportunity to differentiate ourselves vs. other communities given our available open space. Please don't just develop it into more housing stock that makes our village like any other community and thereby decreases its appeal vs. other communities.
Jul 01 2024 05:42 PM	Not exactly sure what to answer here, but we need to have some green space that is not noisy and congested all the time. Can't even sit down in the green space area at village park anymore because there is only 1 picnic table. My kids are grown, I don't want to listen to the screaming at the play area all the time when I'm there. I have concerns for the people who own homes in that area. I live near Shady Lane School and I can hear the bands on the big stage at my house. Would hate to live closer to the park.
Jun 30 2024 04:31 AM	Part of Menomonee Falls' community character is the social aspect that provides lots of events and family friendly atmosphere, promotes good health and offers lots of activities through the rec dept
Jun 27 2024 11:02 AM	I live on oakwood park..please work on keep the space safe. I have had to leave several times due to fights on the basketball courts. I won't let my kids go without supervision. Something needs to happen to make it a family, friendly space without fights and vulgar language .
Jun 27 2024 09:09 AM	We need more playing fields and gymnasiums for our growing community.
Jun 26 2024 10:53 AM	Upkeep is very important
Jun 26 2024 06:41 AM	This is a community with a large number of young kids and teenagers. Having spaces for them to hangout safely is important
Jun 26 2024 04:01 AM	Places for my children to run and play
Jun 25 2024 10:40 PM	keeping our parks, quarry, river, and all the natural areas clean and flourishing is what keeps us living healthy, life styles and allows us to teach our family and children and grandchildren what is really important
Jun 25 2024 07:45 PM	Dog friendly spaces.
Jun 25 2024 01:43 PM	Limited
Jun 25 2024 12:11 PM	add an aquatic park with pool in the village

## Question 20 continued

Jun 25 2024 12:02 PM	Having activities to keep busy.
Jun 25 2024 11:58 AM	Huge negative is the volleyball people that set-up their courts on the soccer fields in Oakwood Park. They are loud and not neighborly.
Jun 25 2024 11:44 AM	We have enough trails/ dog parks/ walking paths/ bike paths/ regular parks. Please stop destroying wildlife areas to make more. We need to preserve wildlife areas.
Jun 25 2024 11:33 AM	Stop building condo's where people rent/don't plan on staying and build a community pool
Jun 24 2024 06:36 PM	Like the activities at Old Falls Village
Jun 24 2024 06:09 AM	Get to meet neighbors
Jun 23 2024 10:03 PM	Concerts in the new Park by my old High School Falls Indians- You Built it now why not use it each week as it was intended for Music in the Park??? Each week would be wonderful in the Summer Months.
Jun 23 2024 07:58 PM	.
Jun 23 2024 03:33 PM	Need more offerings!!
Jun 23 2024 11:31 AM	Menomonee Park is next to my subdivision so am a frequent visitor. The dog park is a huge plus and am grateful. Was sad when they changed the areas because now the all dog area has limited walking. Why don't they just put up a sign that measures 20" so people can measure up their dogs for small or large? I believe this was the issue that caused the change?  I'm also grateful for the markings near the crosswalks for the bug line. I cross them several times daily.
Jun 22 2024 11:37 PM	Not applicable.
Jun 22 2024 05:49 PM	Green space
Jun 22 2024 08:38 AM	I wish we had an outdoor community pool
Jun 21 2024 05:09 PM	Dog parks
Jun 21 2024 04:58 PM	We enjoy the walking trails and the bug line. The village needs to have more drinking fountains and restrooms available.
Jun 21 2024 11:46 AM	Athletics is the least benefit. Creating beautiful spaces like Oakwood Park is a massive benefit to so many!
Jun 21 2024 10:49 AM	Menomonee Falls needs to preserve the nature and open space that are left now. There has been so much development that clear cuts the woods and destroys the habitat of the animals and natural beauty.
Jun 20 2024 02:03 PM	I would like to see the falls do more to preserve the natural environment when considering park space.
Jun 20 2024 10:54 AM	Improved conservation efforts and habitat conservation could be employed to improve the natural spaces in parks. Right now it appears little management activity is being done, when these spaces could be turned into quality habitats.
Jun 20 2024 10:34 AM	I would say property value, but the village has just used this supposed value to validate raising property taxes by a massive amount. I am strongly opposed to this and feel that me and many other community members are being robbed of our hard-earned income. The huge tax hikes have left me and others strongly considering leaving the area since there is no end in sight for these tax increases and more projects being invested into.

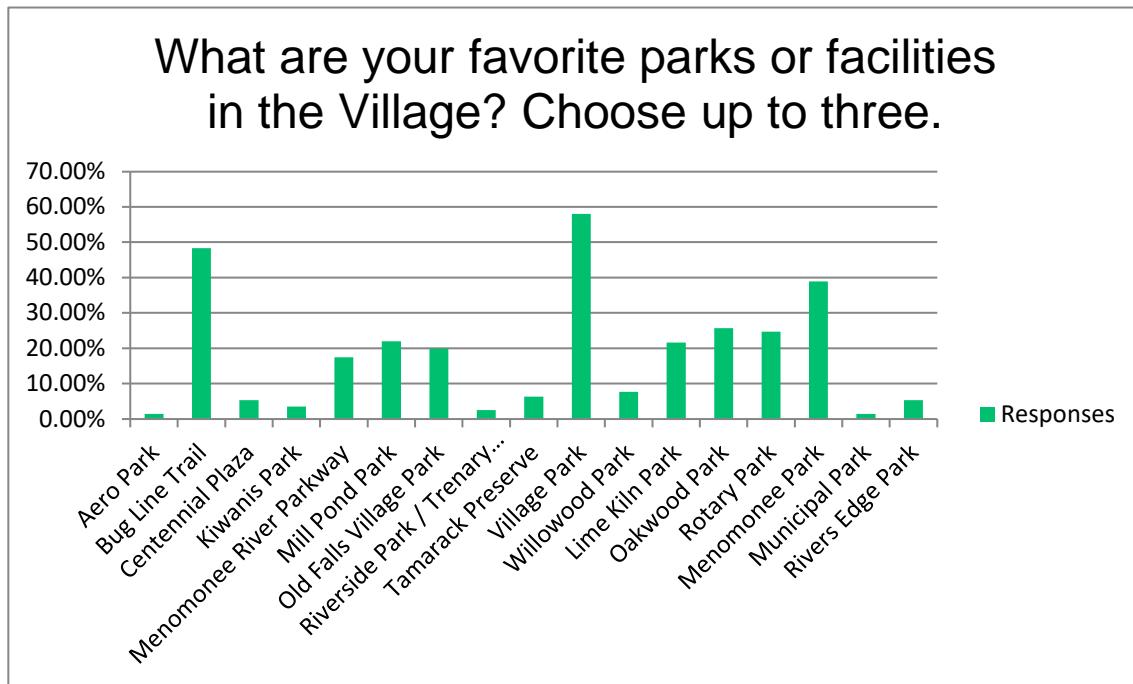

## Question 20 continued

Jun 20 2024 09:17 AM	The monthly activities. Will never replace falls fest, Evs festivals, Memorial Day festival or church festivals. But love all currently offered.
Jun 19 2024 09:06 PM	Add more accessibility to playgrounds
Jun 19 2024 07:06 PM	Need more benches near athletic areas.
Jun 19 2024 05:57 PM	As long as parks are well maintained and patrolled as often as possible by the police and/ or sheriff's departments, they will help make the community a desirable place to come. Your parks are part of why I patronize them as well as the local businesses.
Jun 19 2024 03:46 PM	Menomonee Falls has plenty of workers and funds to take care of these types of facilities. Menomonee Falls has plenty of "park fees" assessed to developers. The "tipping fees" can also be used for projects. Menomonee Falls needs more neighborhood parks to accommodate those areas according to state and national standards.
Jun 19 2024 02:40 PM	Destroying the ball field across from the middle school was criminal in my mind I played ball there when I was young. Outsiders with no regard for village history are destroying it.
Jun 19 2024 01:36 PM	Needs work
Jun 19 2024 09:28 AM	Dog friendly.
Jun 19 2024 07:40 AM	I'd love to see what we do have promoted more. I'm sure there is more available than I am aware of. Unfortunately, I'm not close to the village center so we have less options close to us (Lily and Hampton).
Jun 19 2024 06:29 AM	Should not be a governmental concern
Jun 19 2024 01:01 AM	When our kids were growing up here there were a number of summer activities they participated in. We appreciated that very much...Our library and its offerings are fantastic as well
Jun 18 2024 10:53 PM	need more nature preservation and less new housing developments
Jun 18 2024 09:34 PM	We need the preservation... I don't see this happening. We're putting up stages and concrete, not making the existing wildlife accessible for residents to enjoy
Jun 18 2024 09:06 PM	Love our parks. Some need more maintaining. Bike paths are bad need to be repaved, overgrown trees, need better mowing or clearing by river. Can't see the river from some paths due to long grass and weeds.
Jun 18 2024 08:13 PM	This is so important and could be so much better!
Jun 18 2024 07:36 PM	Don't need middle schoolers swearing at toddlers in Village Park
Jun 18 2024 07:11 PM	We want to keep our community healthy and active and that's thru keeping green space available
Jun 18 2024 06:37 PM	don't care
Jun 18 2024 05:03 PM	Too bad Men Falls has never had a nice outdoor pool like Wirth in Brookfield. Also, too bad they took the low diving board out of the North Jr. High pool.
Jun 18 2024 04:51 PM	Access to nature and green space
Jun 18 2024 04:43 PM	Dog walking
Jun 18 2024 04:36 PM	don't know of benefits when I don't typically use any
Jun 18 2024 04:31 PM	We wish there were more activities in Menomonee Falls. Having to travel to germantown for some events is hard some days.
Jun 18 2024 04:15 PM	Adding outdoor exercise equipment to all of the parks would be nice.
Jun 18 2024 04:10 PM	Entertainment

Aug 26 2024 08:53 PM	Bugline trail lacks connections to sidewalk from other streets. If intersecting streets like Lannon Rd, Town Line, Good Hope, or Menomonee Ave had sidewalk that connected the trails to neighborhoods on those streets, the trails would be much more accessible to neighbors.
Aug 26 2024 06:48 PM	No one knows these parks
Aug 26 2024 05:36 PM	I can only get to 3 of these parks because of lack of public transportation.
Aug 26 2024 02:37 PM	The new playground at Village Park is the best playground I've ever seen. My grandkids love it.
Aug 26 2024 01:29 PM	areo not open so thats useless post willowood full on weekennds milw people menomonee park is nice why dont you ask the people who have to clean it up on mondays what its like bathrooms hmmmmmm
Aug 21 2024 11:23 AM	<p>Most of these 'parks' are just open fields with minimal play structures. Add more nature conservation and interactive engagement/exploration (and maintained bathrooms with garbage cans so they're family friendly).</p> <p>And there needs to be regular maintenance of the spaces. The Bug Line Trail (which I live near) gets trashier and trashier looking every year. A community clean up (garbage pick up, removal of invasive plants --buckthorn--, removal of excessive undergrowth/dead trees, and native plants) would be awesome.</p> <p>The farmer's market area needs more BIG trees for shade and beautification.</p>
Aug 09 2024 04:11 PM	The park (??) opposite North middle school. My kids loved it and my grandkids play there now.
Jul 26 2024 05:28 PM	Didn't know there were so many parks in the Falls. The Village doesn't do a great job of letting residents know what is available. Rivers Edge isn't very nice. So many "trails" are really just sidewalks on busy, noisy roads. The Bug Line is so much nicer once out of the Falls.
Jul 25 2024 01:34 PM	Still discovering all the parks in the area.
Jul 25 2024 01:28 PM	Love the large dog park at Menomonee Park, thank you
Jul 25 2024 12:37 PM	Bug Line Trail is #1. I like the improvement to Village Park but Oakwood Park is more convenient for me to use on a regular basis.
Jul 25 2024 12:17 PM	Have no favorite
Jul 19 2024 10:42 AM	The parks are under rated need to due better
Jul 17 2024 11:16 PM	My parents walk the Bugline Trail daily. I try to go at least once a week. I think it's wonderful that we have it. Kiwanis Park was a great place to take my kids to play at when they were little.
Jul 11 2024 10:09 AM	We take our dog to at least two parks every week and have not been disappointed! All are well maintained and enjoyable...great job Menomonee Falls!
Jul 11 2024 09:12 AM	Haven't discovered the rest to determine whether they are nice.
Jul 08 2024 06:53 PM	village park has no base ball
Jul 08 2024 11:06 AM	The improvements made to Village Park are very nice but with the hundreds of new residents (and many non-residents) using them, it can often be difficult to enjoy that park anymore.
Jul 07 2024 11:55 AM	Need more trails/connectivity around the Tamarack Nature Preserve.

## Question 21 continued

Jul 07 2024 09:59 AM	These parks are referred to in the newspapers and in newsletters but, even after living here for 7 years, I have no idea where some of these are.
Jul 06 2024 08:30 PM	The Bug Line trail is a treasure and a great amenity.
Jul 06 2024 01:59 PM	No opinion
Jul 06 2024 11:23 AM	<p>The walking path could use some gravel.</p> <p>It would be nice to stock and clean up the plants that have infested in and around the pond, so that you could fish.</p>
Jul 03 2024 07:52 AM	Oakwood Park has had rising behavior issues. Please consider removing the basketball courts.
Jul 02 2024 02:51 PM	Please accept four rather than three. Thanks. Municipal Park has a lot of potential given its close proximity to the library. Please consider partnering with the library to improve this park - a walking book among other improvements would be an excellent addition.
Jul 01 2024 09:21 AM	It was hard to just pick three!
Jul 01 2024 08:58 AM	Next time you survey provide a map. I may frequent some parks and don't know their names.
Jun 30 2024 04:31 AM	We like the park variety. Rivers Edge is great for taking a quiet walk, village park is great for community events and sports, Rotary offers affordable space to rent for personal and group events, as well as Oakwood Park
Jun 28 2024 01:24 PM	Is there any available space to add a park on the south side of the village? Willowood park is really underwhelming, so to go to a nice park in MF we have to drive 10-15 minutes.
Jun 27 2024 11:02 AM	Safety and family friendly parks are a priority.
Jun 27 2024 09:47 AM	Parks tucked in neighborhood and their walking paths around a pond.
Jun 26 2024 03:02 PM	So impressed with the development of Village Park. It has really made the downtown come alive. The developers thought of all needs and made it happen. WELL DONE!
Jun 25 2024 10:40 PM	Pick 3 come on!!!
Jun 25 2024 09:06 PM	Would like archery bales in multiple parks
Jun 25 2024 04:39 PM	Not village park by north, can't even take my kids there. Certain groups of kids ruining it
Jun 25 2024 03:45 PM	There are so many great ones; it's hard to pick three
Jun 25 2024 02:25 PM	The new Village park is very awesome, but sometimes we like something quieter. :)
Jun 25 2024 12:38 PM	I am a bit sad to lose our open space on the Menomonee River Parkway.
Jun 25 2024 12:34 PM	Need bike trails and hiking trails from dolphin drive to willowood And to connect the parks via bike trails
Jun 25 2024 12:16 PM	Would have helped to have had a general location for these parks for quick context, as names of parks are not always known.
Jun 25 2024 12:06 PM	Willowood Park has, in recent years, trended downward in character and safety.
Jun 25 2024 11:58 AM	Menomonee Falls Little League Complex
Jun 25 2024 11:58 AM	Huge negative is the volleyball people that set-up their courts on the soccer fields in Oakwood Park. They are loud and not neighborly.
Jun 25 2024 11:52 AM	Make a smoother connection from the Bug Line Trail to Oak Leaf Trail!!!!!!!
Jun 25 2024 11:49 AM	We tend to drive to other communities' parks.
Jun 24 2024 08:21 PM	It would be great if Aero park development was accelerated.

### Question 21 continued

Jun 24 2024 09:19 AM	Village Park is great but too many issues with teenagers damaging or causing a ruckus around smaller children.
Jun 24 2024 09:12 AM	I don't even know where some of these parks are located
Jun 23 2024 10:03 PM	Anything in Old Downtown Falls within walking distance to shops & restaurant's.
Jun 23 2024 07:58 PM	.
Jun 23 2024 05:18 PM	I don't know where some of these parks are.
Jun 23 2024 11:31 AM	Already mentioned in previous comments
Jun 22 2024 05:49 PM	Parks are extremely important asset!
Jun 21 2024 11:16 PM	All the parks are nice and have different uses. All are well kept too.
Jun 21 2024 04:58 PM	Rotary and Village would've made the list too!
Jun 21 2024 12:57 PM	I love all the parks
Jun 21 2024 11:46 AM	Falls really has many great parks! Best part about the village.
Jun 20 2024 11:55 PM	Menomonee park area, but the structure is so high it is a bit dangerous and often very over crowded
Jun 20 2024 04:13 PM	There are many parks on here that I didn't even know we're in my community. That is one of the things that I think is lacking ; Signage and or information that is easy to find. I probably would have rated workability and some of the other things higher if it was easier to find some of these things. For instance I know there is bug line through Menomonee Falls, it is not very clearly marked and to be honest, I don't know where you pick it up or wear it in our area. I can look at the overall picture of it but we are talking about my own community. I think Menomonee Falls should do a much better job highlighting the beautiful parks that we do have
Jun 20 2024 01:45 PM	All
Jun 20 2024 01:02 PM	Willowood Park is not well maintained.
Jun 20 2024 01:01 PM	Rivers edge I walk daily
Jun 20 2024 07:11 AM	I really like the improvements made to Village Park and I'd like to take my family there more often for movie/concert nights. However, I have young children and I am concerned for their safety especially during the evening hours because of inappropriate activity I've seen there from teenagers. I think this needs to be addressed in the short term if you want families to be utilizing the wonderful events planned there.
Jun 20 2024 06:47 AM	Maple Road Park. Ignored by the Village of Menomonee Falls.
Jun 19 2024 07:06 PM	Need more bike paths to parks.
Jun 19 2024 05:24 PM	All of them
Jun 19 2024 04:37 PM	Need some variation in playground sets. Library park is exact same as Oakwood.
Jun 19 2024 04:17 PM	Village Park is lovely but wish there was some sort of fence between the road and the playground, as well as more clear hours for the splash pad. Difficult for younger kids to use.
Jun 19 2024 03:21 PM	We usually go to a park around the water or one with a nice trail for walking and playground equipment for all ages, not just little ones. Used to go to kindergberg in Germantown a lot.
Jun 19 2024 03:16 PM	No comment

## Question 21 continued

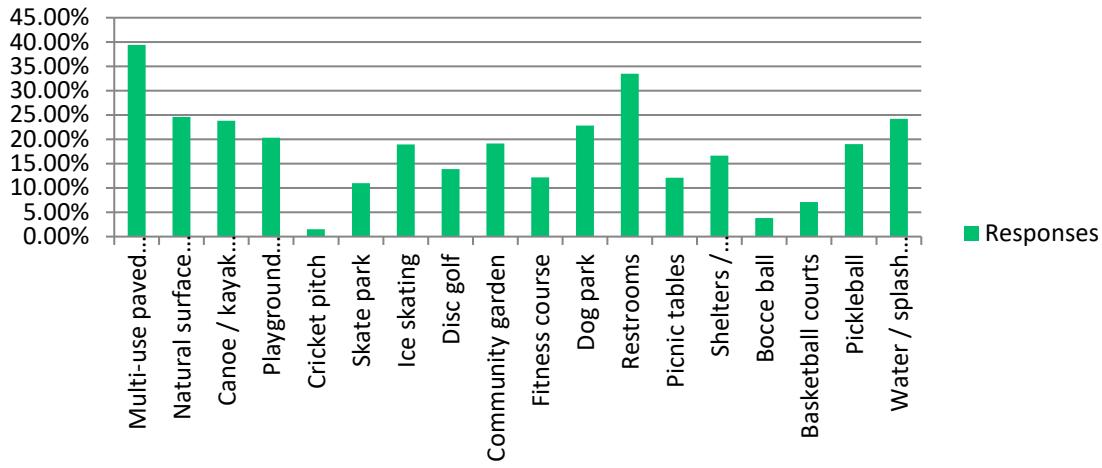

Jun 19 2024 12:13 PM	So hard to decide love many of them!
Jun 19 2024 11:36 AM	Rivers edge is a great walking path and natural area but is in dire need of invasive management
Jun 19 2024 09:30 AM	The one across from the middle school is the best! Love the splash pad and playground.
Jun 19 2024 09:28 AM	Dog friendly!
Jun 19 2024 07:35 AM	I hate the new playground location at Village Park. The park is amazing but the middle school kids are terrible around the younger kids.
Jun 19 2024 07:20 AM	We can walk to Willowood so that would be my fourth choice.
Jun 19 2024 01:01 AM	Thanks for the new Village Park with splash pad, our younger grandkids love it
Jun 18 2024 09:41 PM	I like all of them
Jun 18 2024 08:48 PM	Please complete Aero Park. The number of houses has grown significantly in this area and the closest park is 10 minutes away.
Jun 18 2024 08:08 PM	Kiwanis park is nice, but has no shading so if it's a hot and sunny day you can't stay there for a very long time.
Jun 18 2024 07:26 PM	Not much in the western part of the falls
Jun 18 2024 07:12 PM	Cleanest, best kept, safe, friendly staff, great baseball complex
Jun 18 2024 07:11 PM	I'd love to see more accessible fishing spots for kids esp... areas they can bike to with friends that are stocked appropriately
Jun 18 2024 06:57 PM	Also value the old falls village park.
Jun 18 2024 06:56 PM	Also Menomonee park if I could pick 4
Jun 18 2024 06:47 PM	Have not been to all of them
Jun 18 2024 06:37 PM	don't care
Jun 18 2024 06:07 PM	Aero Park isn't developed yet
Jun 18 2024 05:58 PM	I did not include Menomonee Park since that is a county park. It is excellent.
Jun 18 2024 05:49 PM	I dont really know the names we just find a bike trail and go.
Jun 18 2024 05:26 PM	Most are located far from this area in SW MF.
Jun 18 2024 05:21 PM	All the wonderful wildlife in the Tamarack preserve I get to see while walking or biking is absolutely wonderful.
	It's lease don't ever build on this land.
Jun 18 2024 05:20 PM	The village needs to repair the air tank at Menomonee Park so when the bikers need air in their flat tire there will be air available. Note, the tank was empty on Monday, 6/17/24.
Jun 18 2024 05:19 PM	A group of us were talking the other day that bathrooms and a bubbler would be a great addition to the Tamarack preserve walkway. Maybe where TJ used to be.
Jun 18 2024 05:17 PM	Is Aero Park even done yet? How can anyone rate that
Jun 18 2024 05:08 PM	Park by the library
Jun 18 2024 05:08 PM	Just need more parks located evenly throughout the Village.
Jun 18 2024 05:07 PM	Not a fan of Centennial Plaza in four corners especially since Village Park has been redeveloped. Building should go there that matches the other three corners.
Jun 18 2024 05:04 PM	Have not used most of the others.

### Question 21 continued

Jun 18 2024 05:00 PM	Again, the back woods (Best Trails) and Trout Lake at Menomonee Park are so fantastic. .... but do not tell anyone about the Best Trails. :)
Jun 18 2024 04:57 PM	Tamarack Preserve is a mess and it needs to be addressed. Too many dead trees and they are just kindling.
Jun 18 2024 04:36 PM	none
Jun 18 2024 04:31 PM	We do go to municipal park occasionally but it seems like it needs repair. Also, it is odd that municipal, oak wood, and wildwood, all have the same play structure.
Jun 18 2024 04:29 PM	Tamarack Preserve should have a bike path that surrounds it as it is a perfect size
Jun 18 2024 04:28 PM	A beer garden would do great at Rotary Park. It's a huge park with a lot of character
Jun 18 2024 04:26 PM	We don't go to village park as often because we've had issues with middle schoolers using really inappropriate language around my young kids.
Jun 18 2024 04:18 PM	I didn't realize there were so many parks. I should check more of them out.
Jun 18 2024 03:43 PM	Ehh
Jun 18 2024 03:41 PM	I'm fairly new here and am still getting to know the parks and haven't seen most of them yet
Jun 18 2024 03:25 PM	Would like to see continued development of Aero Park. Seems like work has substantially slowed.
Jun 18 2024 02:24 PM	request to pave path at Rivers Edge Park, request repaving Rotary Park

## Question 22 continued

Response Date	Other or Comment
Sep 25 2024 01:10 AM	Remove all basketball courts
Sep 11 2024 10:50 AM	Definitely need a skate park for tweens and teens, not much for them to do in the falls. Plus, the one we had was taken away with the upgrade to Village Park. Volleyball courts would be nice too.
Sep 10 2024 06:33 PM	Pool/water park
Aug 28 2024 12:20 PM	Need additional rest rooms at Village park
Aug 27 2024 09:09 AM	Benches for elderly to rest on
Aug 26 2024 09:46 PM	Desperately need off leash dog space.
Aug 26 2024 08:53 PM	I love multi-use trails! Multi-use trails everywhere!
Aug 26 2024 08:24 PM	water for dogs
Aug 26 2024 05:36 PM	They should be completely disability friendly, and all have bus stops which connect to Waukesha County Transit, which should have bus lines running through Menomonee Falls. The lack of mass transportation in Menomonee Falls is a result of poor planning and poor management.
Aug 26 2024 02:37 PM	More shade is needed at playgrounds for the adults, and even for the kids when they catch their breath. Put in a trail/path through Tamarack Preserve, e.g., from Countryside Drive & Tamarack Trail to Shady Lane & Wildwood Drive.
Aug 26 2024 01:29 PM	security if kids act up there out downtown its bad took grandkids lot bad mouths for 6 to 8 yr olds to hear
Aug 26 2024 12:51 PM	More pickleball courts needed.
Aug 26 2024 12:43 PM	We need more pickle ball courts. Everyone seems to favor village park but there's only 2 courts with actual nets. The line gets long waiting to play in the evening.
Aug 23 2024 07:22 PM	I appreciate the pickle ball courts and they are very active. I am disappointed in the new splash pad at Village park. It does not compare to other near by communities. But the play area is outstanding.
Aug 20 2024 08:05 PM	Just maintaining our current parks to a more pristine level would be preferred over adding more facilities...ie removing weeds, planting perennials, trimming trees, etc.
Aug 18 2024 11:17 AM	Actual swimming facilities - not splash parks
Aug 13 2024 08:12 PM	Fix paved paths in village park before someone gets hurt
Aug 10 2024 02:47 PM	Skatepark please! It was a mistake to remove the old one and not have a plan for replacement.
Aug 05 2024 09:44 PM	Public outdoor pool!!  Paved walking paths like those at Rotary Park
Aug 01 2024 12:39 PM	No more dog park areas - too much prime area of Menomonee Park has been devoted to dogs
Jul 25 2024 01:34 PM	So many good ones. It is hard to choose!!
Jul 23 2024 11:11 AM	When Germantown added basketball courts, we continue to hear friends complain that crime and disruption greatly increased.
Jul 22 2024 04:39 AM	Pickleball!!!!!! Existing courts are always full

## Question 22 continued

Jul 19 2024 04:06 PM	I feel places like the Tamarack Preserve should be left in their current condition, without additional trails or facilities, leaving it a preserve for the wildlife that is slowly losing their habitat.
Jul 19 2024 10:42 AM	More shade
Jul 18 2024 01:06 PM	Downhill sledding and cross country skiing.
Jul 18 2024 11:29 AM	Accessibility for all. Easy access for people who use wheelchairs. I am surprised disability accessibility was not an option to choose from. That is very sad indeed because it does not complete true inclusion. Please do better.
Jul 11 2024 11:29 AM	Executive par 3 golf course
Jul 11 2024 07:29 AM	Can't some of the school playgrounds be used for the different sports during the summer months when schools are not in session
Jul 11 2024 05:56 AM	Community pool outdoors
Jul 10 2024 05:48 PM	Do not add anything that will become a money drain on the village.
Jul 10 2024 05:25 PM	Too many places are replacing basketball courts with pickle ball courts. Kids need a place to bring a ball and shoot hoops. It's easy and cheap and they can be alone or with any number of friends.
Jul 10 2024 07:25 AM	Roller skating area
Jul 09 2024 08:49 PM	Tennis
Jul 09 2024 09:38 AM	The playground at Menominee Park desperately needs to be updated for more safety. I've seen kids fall off on 2 visits. Offer something toddler friendly as well.
	Would love to see investment in refurbishing/using the baseball diamond at Rotary Park. A pickleball court at Rotary would be fantastic.
Jul 09 2024 07:33 AM	Diaper changing station at bathroom at rotary park
Jul 08 2024 06:53 PM	base ball fields
Jul 08 2024 11:06 AM	Skateboard area for the young people.
Jul 08 2024 07:21 AM	Some toilets are unaccessible for some handicaps. Toilets are too far from a bar and too low for sure!
Jul 07 2024 08:22 PM	a public golf course closer to the heart of the falls would also be cool
Jul 07 2024 11:55 AM	Need more trails/connectivity around the Tamarack Nature Preserve.
Jul 07 2024 09:45 AM	Please repair/update the playgrounds throughout the village. I know a lot of money was sunk into the newer downtown park, but all the other playgrounds are outdated and in need of serious repairs or replacement.
Jul 06 2024 08:30 PM	Would love to see the addition of a proper ice skating setup
Jul 05 2024 05:14 PM	Skate park and bicycle pump track
Jul 04 2024 05:55 PM	Add trash cans on the trails!
Jul 03 2024 10:36 AM	The village is very disjointed. The nature of the residential areas are separated subdivisions in much of the village. Paths that connect some of them will expand the connections to existing park resources. Maybe a trail or two that run the length (north-south) of the village will connect it all.

## Question 22 continued

Jul 02 2024 09:30 PM	Baseball diamonds
Jul 02 2024 02:51 PM	Not for profit gardens in partnership with the Menomonee Falls Food Pantry would be an exciting opportunity to explore.
Jul 01 2024 08:58 AM	Please dredge the mill pond. It is becoming solid/choked with weeds and algae.
Jun 30 2024 04:31 AM	More security at Village Park- we don't let our kids play there unfortunately because it attracts unfriendly, uncivilized people who don't attend to their kids, the kids are not well behaved and seem to be not from Menomonee Falls. If there was a charge to use the playground and it was contained, then the residential children would feel safer utilizing the park amenities and playground area. The splash pad is the main issue and abnegative free aspect to non-residents that don't respect our community.
Jun 28 2024 10:13 PM	More softball diamonds.
Jun 28 2024 12:26 PM	More Parking around Menomonee Falls Village- especially if you want to keep venues, more handicap parking/bathrooms
Jun 28 2024 07:03 AM	We already have a great selection with a lot of the amenities listed above.
Jun 27 2024 06:53 PM	I live on the border of Oakwood park and I am frustrated with the amount of volleyball courts that are being setup in the soccer field. The soccer field should be just that! Soccer! It ruins the grass and brings in people who speed and swear.  Similar to the basketball courts. I would take the basketball courts out because it also attracts people who swear and are disrespectful.
Jun 27 2024 11:02 AM	Add in family friendly choices...
Jun 27 2024 10:28 AM	Swimming pool
Jun 27 2024 09:09 AM	Basketball/Baseball/Soccer
Jun 27 2024 08:15 AM	Public access swimming pool
Jun 26 2024 03:02 PM	All are wonderful ideas!!! Just make sure that you try to include different ability populations in planning as much as possible.
Jun 26 2024 08:53 AM	We need a facility similar to surrounding communities (Cedarburg, New Berlin, Waukesha, etc) that can house numerous indoor sports (i.e. numerous basketball courts, volleyball courts, etc) so that we have more indoor spaces for kids athletics and can host tournaments/leagues for our community and surrounding communities.

## Question 22 continued

Jun 25 2024 10:40 PM	Myself and many many others were completely disappointed that you paved the Bugline. You did this for bikers. The natural gravel was easier on the body and joints. The natural gravel was fun to ride bikes on. The natural gravel allowed walkers to hear bikers coming up on them. Once you paved the Bugline, the bikers rode faster, they feel they own it, they do not announce themselves coming up on you, they scare you and your children and pets you are walking on the line. ALSO you do not have the RULES of the line PROPERLY listed - all walkers should walk against traffic (bikes) just like on the road!!!! You have it so we all walk and ride in the same direction~ This is dangerous!!! Bikers will not announce themselves. They will ride right up behind you and not say a word. It scares your kids and your dogs. Your dogs will jump out at the biker due to this and cause harm to the dog, the biker and the owner!!!! The RULES OF THE BUG LINE SHOULD BE... (and anyone that trains their dog knows this) Dogs walk on your left side, you walk against traffic, this keeps the dog on the outside of you by the grass and woods, the bikes ride up toward you and can move around you, you can see them coming!!! Just like walking against traffic!!!! When you have us all walking on the same side as the bikes coming up behind us the bikes do not announce themselves, the dogs and or kids get spooked and can jump out and get us all hurt!!!! ALSO, THE IMPROPER SIGNAGE GAVE THE BIKERS PERMISSION TO LITTERALLY RIDE STRAIGHT FORWARD UP TOWARD A WALKER AND GET ANGERY THAT WE ARE WALKING AGAINST TRAFFIC AND THEY ARE MEAN AND DANGEROUS AND SWERVE AT THE LAST MINUTE ALMOUST HITTING US!!! CALL ME I WOULD BE HAPPY TO TRAIN YOU IN THE PROPER WAY TO LIST YOUR/ OUR SIGN RULES FOR SAFETY ON THE BUGLINE!!!! 4145-617-4407 GERMAN SHEPHERD PROTECTION - POLICE DOG TRAINING - I HAVE BEEN WANTED TO FIX THIS FOR 23 YEARS!!!
Jun 25 2024 08:19 PM	Softball fields
Jun 25 2024 07:11 PM	Water fountains that are actually useable (Willowood)
Jun 25 2024 05:10 PM	I always wished MF had an outdoor pool when my kids were young
Jun 25 2024 04:43 PM	Filtered water bottle fillers
Jun 25 2024 04:00 PM	Pool!!!!
Jun 25 2024 03:46 PM	We need more softball fields with lights for youth softball teams. When the new village park was constructed, we lost a lit softball field which could be used at night. With so many Men's/ Coed softball leagues, there isn't much time for youth softball teams to use the parks at night for practice or games. The fields at the Little League complex are not shared with private club teams.
Jun 25 2024 03:14 PM	Community pool
Jun 25 2024 03:08 PM	Add the ice rink back to Oakwood Park
Jun 25 2024 02:56 PM	Would love to see another park with a splash pad in our area. Village park is great but gets a little crazy. Having another great children's park would help with that problem.
Jun 25 2024 02:25 PM	A canoe rental somewhere along the river could be very fun.
Jun 25 2024 02:11 PM	Softball and baseball upgrade parks to draw more youth tournaments
Jun 25 2024 01:18 PM	Please more hiking trails!
Jun 25 2024 01:15 PM	A community garden would be a huge asset, especially for those living in one of the many new rentals that have recently been built who don't have their own yard in which to garden.
Jun 25 2024 12:52 PM	We need outdoor spaces for the teens and tween to hangout beside the playgrounds.

## Question 22 continued

Jun 25 2024 12:36 PM	Soccer facility to house rec/select soccer. Schwabenhoff was sold, so they have no home park besides high school.
Jun 25 2024 12:21 PM	Beer garden would be a big draw as well
Jun 25 2024 12:15 PM	Happy with the way they are
Jun 25 2024 12:15 PM	A community pool
Jun 25 2024 12:03 PM	turn on the water fountains at Willowood park
Jun 25 2024 12:03 PM	NO NEW MULTI PURPOSE TRAILS. ESPECIALLY ON LILLY ROAD ON EAST SIDE OF RIVER. LEAVE THE WILDLIFE ALONE
Jun 25 2024 11:58 AM	Help the MFLL get restrooms and shelter areas.
Jun 25 2024 11:48 AM	These would all be wonderful additions to any park.
Jun 25 2024 11:44 AM	No more multi use trails, especially on Lilly road on the West side of the River.
Jun 25 2024 11:43 AM	Would love a trail/boardwalk in Tamarack preserve
Jun 25 2024 11:42 AM	na
Jun 25 2024 11:39 AM	Better handicap access. Some of the paths and walkways are too rough for all walkers.
Jun 25 2024 11:38 AM	TENNIS--WHY IS THERE NO TENNIS FOR THE MIDDLE SCHOOL? SUCH A FAIL TO REMOVE THE COURTS WITH NO REPLACEMENT. SWIMMING POOL- SUCH A FAIL THAT THERE IS NO COMMUNITY SWIM POOL AND SPLASH PAD FOR FAMILIES.
Jun 25 2024 11:34 AM	Baseball field
Jun 25 2024 11:32 AM	Baseball Fields
Jun 25 2024 10:25 AM	I would love to see a skate park in the falls. We often travel to other communities to skate and it would be fantastic to have one in the village!
Jun 24 2024 01:25 PM	Like previously mentioned, I really think we need a pool in this area. They are all very far. Something with a fenced zero depth area and slide for littles and a big pool and slide for older kids.
Jun 24 2024 09:42 AM	Haven't actually used the parks in recent years, so am not sure what is needed
Jun 24 2024 06:09 AM	At least one public restroom open all year long somewhere between Rotary Park and Mill Pond.
Jun 23 2024 07:58 PM	.
Jun 23 2024 05:18 PM	Don't forget to include parking in these plans. Village park is so hard to use because there is so little parking.
Jun 23 2024 02:28 PM	Pool with water slides and splash pad features
Jun 23 2024 01:52 PM	It is crazy that a municipality of this size does not have a community pool!!!!

## Question 22 continued

Jun 23 2024 11:31 AM	<p>We have a HUGE influx of people on the bug line trail coming into for the dog park or swimming. Need the infrastructure to support them and businesses as well. Lannon just out our a survey for what to do with the corner of main and Lannon rd that was the antique shop. Unfortunately the coffee shop didn't survive half mile down the road but people are asking for another combo coffee//ice cream stop. Too seasonal?</p> <p>I myself living right off the bugline but have never been able to walk it due to MS and feel robbed. I never know when I'll run out of steam especially with the heat. Some misters wouldn't be a bad idea to cool off along the trail.</p> <p>I can understand why motorized vehicles are not allowed with cyclists, pedestrians etc, but can we maybe have a day or two a year where a scooter or some assisted "vehicle" would be allowed? Then again it may be too big of a draw, but it would definitely be appreciated by the ADA and for those of us that love nature.</p>
Jun 23 2024 08:36 AM	Fenced in playground areas
Jun 22 2024 05:49 PM	24/365 for trails so veterans in wheel chairs don't have to ride on the road and everyone can enjoy trails!
Jun 22 2024 03:07 PM	Having a few swings that are specific to disabled children. At least one in the main playground areas. Make it available and not keep it locked up in the Village Hall. Making the parents have to reserve and schedule to use it. Speaking of the mom of a blind and autistic son, parents of disabled children don't always have the ability to schedule... these kids are not like that.
Jun 22 2024 12:56 PM	More parks are needed to meet all these demands
Jun 22 2024 07:16 AM	Mill pond Park needs more and better picnic tables
Jun 21 2024 04:58 PM	Drinking fountains around town.
Jun 21 2024 02:59 PM	The parks we prefer and visit already have a good balance of amenities.
Jun 21 2024 01:12 PM	They have restrooms but are hardly open during the day.
Jun 21 2024 12:57 PM	Some existing trials could be updates to multi-use trails. Horse trails should be included
Jun 21 2024 12:39 PM	Bumble bikes for the Bugline
Jun 21 2024 09:36 AM	Pool
Jun 21 2024 07:26 AM	All of the above, but only where practical. With all the apartments that no longer have green space around them, you absolutely lose the sense of community, even for Seniors who just enjoy sitting and watching ...
Jun 21 2024 06:32 AM	Outdoor pool
Jun 21 2024 06:23 AM	Community pool
Jun 20 2024 10:28 PM	The new features at Village Park are wonderful for the community. Something similar at Rotary would be a great addition.
Jun 20 2024 08:00 PM	Community pool!
Jun 20 2024 07:13 PM	Leave our current parks and areas alone and only add amenities to new ones.
Jun 20 2024 06:03 PM	I'm happy with our parks
Jun 20 2024 04:13 PM	Again, I'm misleading. Question a better way to have this would've had those things being ranked.

Jun 20 2024 10:54 AM	A community garden could be a wonderful asset to the Village.
Jun 20 2024 10:34 AM	None. I do not say this to be rude, but PLEASE stop raising taxes and increasing our cost of living. It is getting out of hand and becoming increasingly difficult for many community members to stay in this area.
Jun 20 2024 10:15 AM	Area for Lacrosse, the water feature at Village Park is a step in the right direction, but larger splash features would be more attractive. Additional restrooms in the busier parks, especially Village Park. It would be nice to have an ice rink, but I also realize they are extremely hard to maintain. Outdoor pool/aquatics center.
Jun 20 2024 09:20 AM	Community gardens can be a lot of work/maintenance, but a community orchard (like clusters of fruit trees that people can pick from) would be awesome!
Jun 20 2024 09:17 AM	Beer garden/concession stands. Menomonee Park and Village park have completely come alive with the addition of beer/food vending
Jun 20 2024 06:21 AM	current newly built splash park seems to tight and cluttered - would rather drive to sussex for their splash park and playground
Jun 19 2024 11:48 PM	Campground
Jun 19 2024 10:59 PM	Mountain bike trails!
Jun 19 2024 09:39 PM	Outdoor swimming pool

Jun 19 2024 05:24 PM	No opinion
Jun 19 2024 05:05 PM	Community Pool
Jun 19 2024 03:55 PM	Restrooms at the Little League park!!
Jun 19 2024 03:47 PM	Disc golf has come a long way since the old course at rotary Park. More is known/considered regarding safety. There are plenty of parks where even a small 9 hole would be a great option (Willowood/oakwood/rotary)
Jun 19 2024 03:21 PM	Community pool
Jun 19 2024 03:16 PM	No comment
Jun 19 2024 02:40 PM	How would any of these be paid for?
Jun 19 2024 01:36 PM	Benches.
Jun 19 2024 12:15 PM	Outdoor Pool
Jun 19 2024 11:50 AM	Adding trails and improving existing trails - these are relatively low cost projects with high demand and big positive impact on quality of life
	Basketball & Skate Park - we need to build some amenities for our teenagers and young adults
Jun 19 2024 11:40 AM	Baseball fields

## Question 22 continued

Jun 19 2024 11:34 AM	More family bathrooms

Jun 19 2024 10:13 AM	bicycle rental
Jun 19 2024 10:02 AM	Would like benches on walking trails
Jun 19 2024 09:47 AM	The dog park in Menomonee Park is wonderful, but too big and dogs can easily get lost in the large brush. Would love an open field that is fully fenced off, but small that I can easily keep an eye on my dog. Additionally, I love the trail through Rotary Park, but too many people have their dogs off leashes to enjoy it.
Jun 19 2024 09:47 AM	Swimming pool
Jun 19 2024 08:45 AM	Many other communities have wonderful sport complexes. This would be great to have in the falls since Little League park can not be utilized by our feeder program teams such as the Falls Angels and Jr Phoenix baseball
Jun 19 2024 08:13 AM	new golf course
Jun 19 2024 07:40 AM	I would love more park options for the family with lots of options for kids.

Jun 18 2024 08:43 PM	More baseball fields, 90 ft xs 60 ft regulation, with lights. Village Park had lights, it no longer exists.
Jun 18 2024 08:24 PM	A more legit beer garden like estabrook
Jun 18 2024 08:11 PM	The majority of the playgrounds at the parks are exactly the same. This is a disappointment because once you've visited one park, you've essentially visited them all. As a young family, we value outdoor space and would like to see variation in park spaces.
Jun 18 2024 07:36 PM	Nothing...fix the deteriorating roads. We have enough parks and rec
Jun 18 2024 07:32 PM	Volleyball courts
Jun 18 2024 07:26 PM	Things for middle school kids to do. Took out all the basketball courts, etc when village park was renovated. Need bball coir's, skate park, picnic tables places for the kids to go

Jun 18 2024 06:36 PM	Outdoor pool
Jun 18 2024 06:16 PM	It would be great to be able to access the parks through connected trails
Jun 18 2024 06:12 PM	Anywhere there is a playground/play set where families gather with little kids, there has to be a bathroom. Kiwanis park is such a let down because there is no bathroom in sight. Always an issue when my kids were younger!
Jun 18 2024 06:11 PM	More pickleball courts!
Jun 18 2024 06:05 PM	Tennis backboards
Jun 18 2024 05:58 PM	Mostly I would love to see our village leave the parks alone to be green spaces. No more concrete! We have enough of that already.
Jun 18 2024 05:49 PM	I think it is fine the way it is. The traffic is terrible during busy hours. Adding to that is not a smart move.
Jun 18 2024 05:39 PM	Tennis courts  Give our teenagers somewhere to go. So sad when you didn't think of them when village park was redone.
Jun 18 2024 05:38 PM	Skate park!
Jun 18 2024 05:28 PM	Would be great if more variety at splash pad.

Jun 18 2024 05:11 PM	Tennis courts since so many have been changed to pickleball
Jun 18 2024 05:10 PM	Heard someone awhile ago donated money to build a hockey rink. ???  The demand for this is high, we need another sheet (or two) of ice around here. Pay my family to run it for you. If you build it right and have knowledgeable people to run it, it'll make money. bbsi4@sbcglobal.net
Jun 18 2024 05:08 PM	Just need more parks located evenly throughout the Village.
Jun 18 2024 05:06 PM	I would love to see a village pool like Brookfield Worth Park.
Jun 18 2024 05:05 PM	A real pool  Volleyball courts
Jun 18 2024 05:03 PM	I would have checked multi-use paved trails except I don't like multi-use. When I lived in Mpls, MN, some of the main lakes in the city and side-by-side paved trails: one for bikes, skateboards, etc. and one for walkers/runners. I don't like bikes and walkers on the same trails.
Jun 18 2024 04:58 PM	Programming options like nature walks.
Jun 18 2024 04:58 PM	Volleyball
Jun 18 2024 04:43 PM	More picnic tables or benches for seniors or handicap while walking. Village park only has these in a few centralized locations. Would be nice to have some seating along the paved pathway.

Jun 18 2024 04:10 PM	Outdoor pool
Jun 18 2024 03:43 PM	Ehh
Jun 18 2024 03:41 PM	Nothing that would attract druggies or homeless, please.
Jun 18 2024 03:34 PM	stock local ponds for fishing

Sep 15 2024 02:29 PM	When I go to a secluded park and people are just sitting in cars backed into their spaces, I leave.
Sep 13 2024 04:54 PM	We use them very minorly. Somewhat not interested - not always interested in the family activities or artsy-fartsy events.
Aug 26 2024 08:57 PM	Too many coyotes on park walkways by Lime Kiln
Aug 26 2024 05:50 PM	I am limited in what I can make use of at the parks because of the lack of accessibility. It is 2024, and it is like the falls has not changed in 40 years.

### Question 23 continued

Aug 26 2024 03:25 PM	My grandchildren were so excited to try out the new splash pad and playground at Village Park when it first opened. There were so many older kids that were rude, disrespectful, and rough housing that we never went back. What a shame.
Aug 26 2024 01:42 PM	willowood they kill the place bathrooms so bad its milw people they told us so we build parks for them to use my tax dollors we cant use them they fill them up not safe in milw so they come out here and downtown kick out kids with foul mouths send them home
Aug 26 2024 01:39 PM	No time
Aug 26 2024 01:24 PM	Menomonee Park was our favored place to walk and enjoy nature until the dog park "took over" so much space and changed the character on that park. Given it's size and predominance, the park we once loved is not visited daily as once it was
Aug 26 2024 01:17 PM	Older kids with no supervision acting inappropriate around smaller kids
Aug 26 2024 12:59 PM	Our children are adults and not interested in going to the parks. Village Park gets way to crowded when community activities are planned.
Aug 26 2024 12:53 PM	More parental supervision is needed at village park.
Aug 26 2024 12:24 PM	While I use the parks for some activities I find the ice rink too hazardous to want to visit. The bike trails are too far to reasonably bike to from the far east end of the village.
Aug 21 2024 11:27 AM	I use the Bug Line and the park by the middle school....the rest don't really have anything to offer (and I forget about the Oakwood one).
Aug 16 2024 02:55 PM	Would like more Pickleball courts so one is near each neighborhood.
Aug 05 2024 09:49 PM	We do about village park at certain times because of how crowded it is. It would be nice to have more than one park like that. We would use parks more if there were sidewalks to access them safely or if new parks were built within existing subdivisions
Jul 30 2024 08:32 PM	No time. Split time between home in Menomonee Falls and cottage up north.
Jul 26 2024 11:16 PM	no pool
Jul 26 2024 05:51 PM	No kids at home anymore so I can walk in the neighborhood.
Jul 26 2024 08:23 AM	I love our parks and trails
Jul 26 2024 07:46 AM	TRAILS ARE WONDERFUL, BUT THERE ARE TOO MANY CRIMINALS IN THE AREA NOW.
Jul 25 2024 01:38 PM	I use them!
Jul 18 2024 07:00 PM	Didn't know so many were available
Jul 17 2024 05:33 PM	Lack of time and opportunity.
Jul 17 2024 04:10 PM	Parking Lot congestion and roadway congestion.
Jul 13 2024 10:31 AM	The big park across from the middle school when there are events the traffic over there with the bar traffic and pedestrians just gets too crazy. Feels dangerous and I usually choose to skip the events due to this.
Jul 13 2024 08:16 AM	I use them
Jul 12 2024 12:15 PM	I occasionally use the parks. But I am too busy using other outdoor spaces that I have membership access to for my hobby.

Jul 11 2024 11:33 AM	I use Oakwood to lay pickleball

### Question 23 continued

Jul 11 2024 11:03 AM	Often crowded but that is a great thing. I love seeing every part of a park being used from the volleyball court to softball fields to families having a picnic!
Jul 11 2024 10:31 AM	Work and time constraints
Jul 11 2024 07:55 AM	The character of some of the people theses days has changed quite a bit lately and it doesn't seem to be for the good.
Jul 11 2024 07:30 AM	Would appreciate a quality park closer to my house. I currently drive about 15 minutes to Village Park and that is sometimes too far with a toddler.
Jul 11 2024 07:19 AM	Increasing nu.bers of people outside the village using our parks in large numbers. The chil-drens playback by north school frequently with large numbers of teens hanging out playing loud music and it is not the intended use for the patk and concerns re attracting activities
Jul 11 2024 07:08 AM	The park across from middle school could use a curfew if you're under 18 you need to be there with a parent after a certain time - i stopped bringing my son because of the young kids that were acting inappropriately on a daily basis.
Jul 10 2024 05:27 PM	Willow old Park is near our house. It is often crowded. Also THE PARKING IS INADEQUATE for summer leagues and events.
Jul 08 2024 06:55 PM	no base ball fealds

Jun 28 2024 01:27 PM	We do use the parks occasionally, but frequently drive to Sussex parks because they are more convenient than driving all the way to Village Park.

Jun 26 2024 06:15 PM	I love this town.
Jun 26 2024 03:43 PM	Soccer & baseball fields should have restroom facilities; other than porta-johns.

Jun 26 2024 02:41 PM	I have no children and am happy staying in my large yard
Jun 26 2024 10:55 AM	love the parks!

### Question 23 continued

Jun 26 2024 10:29 AM	Too many dog related areas at Menomonee Park. Still, dog owners let their dogs run free outside these areas.
Jun 26 2024 07:19 AM	Village park has some rowdy people in evenings as well as oakwood park. Too many non residents there
Jun 25 2024 09:04 PM	Too busy
Jun 25 2024 08:30 PM	Although we live conveniently close to the village park, I am not a frequent user of that park due to the high population and largeness of that park. Although it is awesome for being more ADA accessible, there are safety concerns due to the high volume of people, the type of kids that are on the play ground (i.e. older / swearing / inappropriate ), and large size as it can be difficult to keep eyes on the kids during these times.
Jun 25 2024 08:10 PM	Too much downtown traffic. It's not worth the hassle.
Jun 25 2024 07:56 PM	I do wish there was more police presence as sometimes child are harassing other child or using foul language
Jun 25 2024 07:11 PM	Need better up keep
Jun 25 2024 05:04 PM	I do have concerns about the number of times I have heard middle school aged kids cursing/ setting a bad example at parks with toddlers and babies playing with no parent supervision. Perhaps after a certain hour the parks should require parent supervision.
Jun 25 2024 03:14 PM	Need to use them more as I like to be active.
Jun 25 2024 03:06 PM	My yard is a park
Jun 25 2024 02:59 PM	I do use them, but do not go as often as I would like due to it being too crowded.
Jun 25 2024 01:34 PM	Splash pad area's would be nice on hot days for kids
Jun 25 2024 12:16 PM	unsupervised children -
Jun 25 2024 12:07 PM	I do use them but when I don't it is due to safety or it is too busy and no place to park.
Jun 25 2024 11:59 AM	Huge negative is the volleyball people that set-up their courts on the soccer fields in Oakwood Park. They are loud and not neighborly.
Jun 25 2024 11:41 AM	We usually do not use the Splash pad and avoid the park at certain times of the day due to the fact that they are too many older kids who are unsupervised and have no respect for anyone else there. For example, going from splash pad to the smaller kids area and getting equipment wet. Pushing and or knocking other kids over.
Jun 24 2024 04:03 PM	Inadequate parking
Jun 24 2024 01:54 PM	I have trouble walking distance.
Jun 24 2024 01:30 PM	I will add that no playgrounds/parks are walkable from my home. 1.3 miles is far with a 1 and 3 years old. Very different from living in Milwaukee county
Jun 24 2024 01:03 PM	Village Park is my favorite but I will not go after 11:00 am during the summer or in the afternoon during the school year. It is not acceptable the middle schoolers behavior at that park. They are setting a horrible example for little kids. The park is for the kids younger than them. That park needs to be more supervised by police.
Jun 24 2024 09:44 AM	Not sure
Jun 24 2024 09:21 AM	Some parks are becoming unattractive to me due to the large crowds
Jun 23 2024 10:13 PM	I have less needs for the parks as my kids have grown about. When I do use the parks, it is mostly for hiking, walking, and biking now.

### Question 23 continued

Jun 23 2024 08:00 PM	.
Jun 23 2024 05:20 PM	Parking!!!
Jun 23 2024 05:04 PM	Village park is too crowded and close to middle school. Need to build up another park in the area for parents of small young children. Or create a separate space for middle school kids to go enjoy instead of them all sitting at village park.
Jun 23 2024 03:36 PM	Extremely difficult to access unless by car. Must enhance the natural beauty of the village environment- people want to access nature! Otherwise they'd move east and be in this village.
Jun 23 2024 01:53 PM	We need a pool
Jun 23 2024 11:38 AM	We have to drive a ways to get to a nice park or paved trail. My son has me drive him to other communities to go to a skatepark because we don't have one.
Jun 21 2024 05:51 PM	I'm retired and widowed, and my recreation is not @ parks.
Jun 21 2024 02:31 PM	I am not really aware of the parks and options
Jun 21 2024 12:42 PM	NA
Jun 21 2024 11:52 AM	Overall they are really good. When non-residents use them it is awesome! Great to show off our parks and even adds opportunities for diversity.
Jun 21 2024 11:46 AM	It is unfortunate how beat up the Village Park is getting. We live down the road and decided not to go after 3pm due to older kids.
Jun 21 2024 09:42 AM	Safety... many youths wonder around and don't move over when we ride our bikes
Jun 21 2024 08:18 AM	I have heard of some safety concerns.. older kids playing there and using bad language. But I have not experienced it myself.
Jun 21 2024 07:37 AM	It's a difficult balance between having a village that is "walkable", yet does not have enough facilities like "splash pads" for young families who live within walking distance of parks. I might propose we look into the cost of adding a splash pad facility a bit more on the south side of the village perhaps at Oakwood Park... As well as investigate a rotary splash pad or perhaps consider at Rotary Park converting that play area into an "all children's" park similar to that at Village Park, but perhaps not as large to maintain costs.
Jun 21 2024 06:58 AM	Parking can be scarce
Jun 20 2024 11:39 PM	I have used the parks for my healing journey after visiting heaven in 2021. If it wasn't for the park by North middle I would've been in much worse place. A lot of tears have been shed in that park
Jun 20 2024 10:39 PM	N/A
Jun 20 2024 04:15 PM	Don't know where they are
Jun 20 2024 12:54 PM	Currently, there are not enough pickleball courts in the village and no way to reserve time on the ones you do have.
Jun 20 2024 09:11 AM	Village park has a lot of older kids/teenagers that are frequently swearing and misbehaving in front of young children.
Jun 19 2024 09:11 PM	We need a better pool/water play areas
Jun 19 2024 09:04 PM	The bridge at Lime Kiln Park is full of large,rusted holes. Starting to get concerned about it.
Jun 19 2024 07:05 PM	Would benefit to open up more pickleball courts. They are usually full.
Jun 19 2024 06:23 PM	The closest park to our home is Willow wood and it has minimal features - it is a mile walking
Jun 19 2024 06:21 PM	Older adult with limited mobility.

### Question 23 continued

Jun 19 2024 06:00 PM	I enjoy your parks and was delighted to see the Village Park renovation. The Sunday Farmers Market is fantastic!
Jun 19 2024 05:08 PM	I go where the pools are in neighboring towns and villages.. Mequon ect.
Jun 19 2024 04:19 PM	Avoid Village Park playground because it is often too crowded.
Jun 19 2024 04:11 PM	Downtown events are too crowded.
Jun 19 2024 03:50 PM	There is no clear access to Rotary park from Lilly Rd via walking. This needs to change for children to safely access crossing over. A small sidewalk was put in over the river when you redid the bridge, which makes no sense because there is no connecting sidewalk to it before or after it.
Jun 19 2024 03:48 PM	Village board is not friendly. Makes me feel very unwelcome.
Jun 19 2024 03:34 PM	I have to drive far or across a busy road, or there are no sidewalks to get there.
Jun 19 2024 10:44 AM	Parks (kids play areas & splash pad) are getting too crowded. Maybe special hours for residents only...or residents only. Need someone to monitor play areas.. kids too old climbing areas where little kids are playing.
Jun 19 2024 10:05 AM	I would use the parks more if there were seating areas along the trails. I'm handicapped and need to rest more often than many people.
Jun 19 2024 09:52 AM	I was bummed that the basketball courts were removed from the park by North Middle School.
Jun 19 2024 09:49 AM	Many people will walk with their dogs off-leash making it difficult to walk my dog, especially in Rotary Park.
Jun 19 2024 07:44 AM	Right now we only use Village Park because of the playground and splash pad. The food trucks, farmers market and events draw us in and as a family we love it. I would love to see the downtown area develop more and add more options - we'd definitely spend more time (and money) there if they did. I'd rather spend money in our village than go to surrounding areas.
Jun 19 2024 07:40 AM	The middle school kids at Village Park playground are too aggressive and swear too much around little kids. The playground at Menomonee Park is missing parts and is dangerous. I would love to see more signs at Menomonee Park about keeping your dog on a leash outside of the dog areas. There are a lot of people with dogs off leash on the trails and it makes me so nervous with my kids.
Jun 19 2024 07:03 AM	On a limited basis we use parks that are in walking distance.
Jun 18 2024 10:24 PM	I take daily walks around village park but my kids are at an age where they really don't play at the park. It was definitely designed for younger kids even though it's next to a middle school and the middle school kids have nothing to play on. It has become very busy and many people occupy the space making it less desirable to go to. Other parks teenagers are hanging around areas and proceeding to use inappropriate language with young children around making other families uncomfortable. There is no way to manage teenagers however more parks are not the answer. More activities for 9-11 year olds would be helpful.
Jun 18 2024 10:18 PM	Since kids are grown and away, haven't found reasons to be in them
Jun 18 2024 10:13 PM	We use Sussex parks more oftn
Jun 18 2024 10:00 PM	I have a large dog, it would be nice to have more than one fenced park for him to play
Jun 18 2024 09:41 PM	I have a small child and will skip some parks based on restroom availability! Feel like this could be a helpful investment!

### Question 23 continued

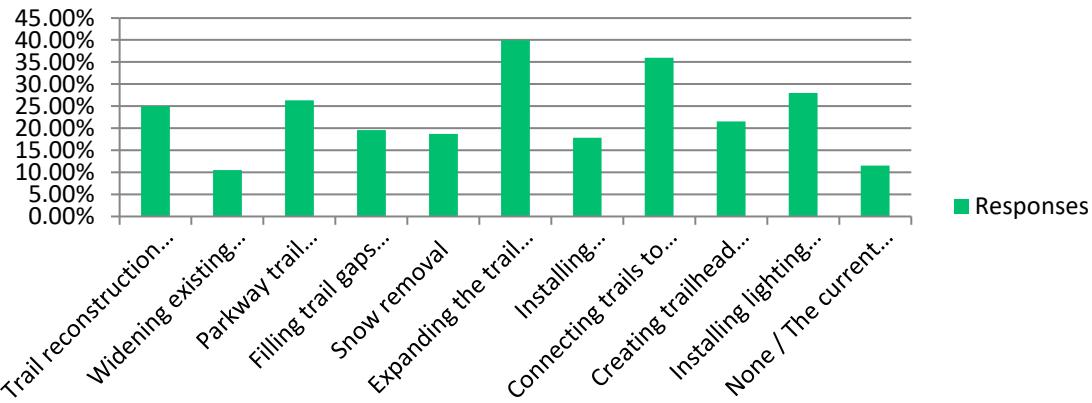

Jun 18 2024 09:10 PM	Bring grandchildren!
Jun 18 2024 08:55 PM	Locked out of facilities that used to be open to the public.
Jun 18 2024 08:36 PM	Would like to see an increase in bike/walking access to park locations, and a focus on safety for kids playgrounds.
Jun 18 2024 08:17 PM	Other priorities...but think they are very important for our community. Makes me proud to live in this community.
Jun 18 2024 08:10 PM	The new playground and splash pad facilities at village park are great however there needs to be more community supervision and maybe some walk through as by the local Police department, the teenagers that hang out are ruining the experience for families and they are not there engaging in age appropriate activities. They are mid using the equipment and intimidate the children/block access
Jun 18 2024 07:38 PM	Village park behavior issues though.
Jun 18 2024 06:59 PM	Needs to be more promotion about the parks, I wasn't familiar with many of them. Social media reminders about the amenities the parks have to offer would be great.
Jun 18 2024 06:50 PM	Middle school children's foul language
Jun 18 2024 06:44 PM	Health issues
Jun 18 2024 06:25 PM	Have had bad experiences at Kiwanis and Village Park with tween/early teens threatening kids and adults.
Jun 18 2024 06:10 PM	Winter weather discourages use
Jun 18 2024 06:03 PM	We utilize our parks in Menomonee Falls regularly.
Jun 18 2024 06:02 PM	The new Village park is too crowded all the time. Another way to have more parks are school playgrounds and having clear guidelines about using them.
Jun 18 2024 05:48 PM	The maintenance of flowers and trees in our parks is commendable! It's always so beautiful! But what happened to the ducks on the river? We used to have so many ducks, geese, herons, and now there's hardly anything.
Jun 18 2024 05:45 PM	In dire need of a skatepark. Also equipment for adult exercise.
Jun 18 2024 05:42 PM	Events downtown are way too crowded.
Jun 18 2024 05:39 PM	No time
Jun 18 2024 05:34 PM	I am over 50 years old and live by myself. I walk within a close perimeter to my home. I love my neighborhood and have supportive neighbors. I'm a "home-body", and don't do much outside.
Jun 18 2024 05:32 PM	I have heard of concerns regarding unsupervised youth at community playgrounds being inappropriate. If we could address this somehow as a community that would be great!
Jun 18 2024 05:27 PM	The behavior of older children at the new playground by north is unacceptable. I refuse to take my young children there for fear of them being hurt
Jun 18 2024 05:26 PM	Not convenient.
Jun 18 2024 05:22 PM	We use them but leave Village park before the teens come.
Jun 18 2024 05:13 PM	Safety concerns at village park. We would like to go but too many issues with teens on playground that are never resolved

### Question 23 continued

Jun 18 2024 05:11 PM	Need more parks located evenly throughout the Village. Need parks Southwest of Good Hope and Pilgrim.
Jun 18 2024 05:11 PM	Live on southside. Not as much available.
Jun 18 2024 05:08 PM	I use Willowood, minimally, but there are some "soggy" areas over there. It would be nice to have a few OBVIOUS trails in the woods to the east of Willowood that would connect to Dolphin Drive.
Jun 18 2024 04:47 PM	I'd like to meet the genius who decided that it was a great idea to paint secondary "pickle ball" lines on many of the existing tennis courts in the village ... But then not provide on site rolling nets for the pickle ball court portion? Almost no one in the world owns a Pickleball net! And if they did... They would have to carry so many weights to hold The net upright and in place that it would be impossible. Why do you think the tennis court polls are embedded in the ground? That move was stunning ignorance... And I certainly hope whoever made that decision has no part in the decision-making process of the next round of "improvements". We're much better off following the example of other nearby communities, such as Germantown, which has some parks with as many as 4 to 6 permanently painted Pickleball courts with permanent poles. It might also be nice to have those courts be able to use the existing lighting found on some of the villages tennis courts because right now the largest percentage of Pickleball players are age 50 and older and those folks typically have large social groups that like to play primarily on the weekends From 8 AM till noon. There is a huge backlog... So having an evening option with lighted courts and making that publicly known might help to alleviate the back up during weekend mornings.
Jun 18 2024 04:46 PM	I used the parks mostly to walk the dog. But my mobility is limited-which is why seating along the paths are important.
Jun 18 2024 04:42 PM	We use the parks to walk our dog, but that is all.
Jun 18 2024 04:36 PM	We do utilize the parks. However safety is a huge concern at Village Park. Needs supervision.
Jun 18 2024 04:29 PM	I use them but not often. Either a lot of people or dogs off leash etc. plus rock of time/no major map to say where they all are and what is at each
Jun 18 2024 04:28 PM	I'm fat
Jun 18 2024 04:22 PM	Young teens at village park causing problems for others not being respectful or safe
Jun 18 2024 04:15 PM	Lifeguards at Menomonee Park PLEASE
Jun 18 2024 03:44 PM	I don't get to the parks as often as I would like because I live on the edge of town, near Lisbon and Pilgrim. Maybe there is a park near me that I haven't discovered yet. I will look.
Jun 18 2024 03:33 PM	I don't always feel safe at Village Park. Two times in one week there were scary incidents with a woman overdosing on drugs in the park and an ambulance was called.
Jun 18 2024 03:25 PM	Parking spots
Jun 18 2024 03:20 PM	There is too much traffic and it makes it awful to get around in the downtown area. Because of that, I won't go to the Wednesday Farmer's Market and forget going to any of the great things going on in that park, due to the traffic on Appleton Avenue.
Jun 18 2024 03:00 PM	I like the parks, but the rough-housing, unattended teens at the Village Park playground is out of control. The police can't do anything, because there is no law against being an unattended jerk.

Sep 06 2024 02:20 PM	Also signage showing direction of next trail in area
Aug 26 2024 10:25 PM	Trailhead facilities is sorely needed! We have a beautiful Bugline trail with no true Trailhead parking area.
Aug 26 2024 08:59 PM	Expanding the multi-use path network along arterial village streets and closing sidewalk gaps are critical! Many busy arterial streets lack any sidewalk/trail, which feels too dangerous to walk without! Need paved trail paths along every arterial street.
Aug 26 2024 05:50 PM	The trails and park facilities are very basic. There is virtually no snow removal, and the snow removal on sidewalks is also poor.

## Question 24 continued

Aug 26 2024 02:48 PM	Frame Park in Waukesha has two separate paths that go pretty much side by side. One is strictly for walking and running, the other one is for bikes. This makes it much safer for both the biker and the walker and the walker isn't constantly having to get out of the bikers way. This would be a very good option for the Falls
Aug 26 2024 02:40 PM	Put in a trail/path through Tamarack Preserve, e.g., from Countryside Drive & Tamarack Trail to Shady Lane & Wildwood Drive.
Aug 26 2024 01:42 PM	they dont use the bike paths for bikes they ride in rode so use them drive down pilgram or lisbon there in the road and you spent lot money for the paths
Aug 21 2024 07:08 AM	The last time the trail was widened, all it did was cause the rain water to pool and cover the trail.
Aug 20 2024 08:07 PM	The village has done an excellent job with their way finding signage.
Aug 15 2024 04:50 PM	Trails for walking dogs off-leash
Aug 13 2024 06:48 PM	Street crossings can be problematic
Aug 05 2024 09:49 PM	Connect trails and parks to the subdivisions within the falls. With no sidewalks and spread out parks/trails, access to them is hard and then they go unused.
Aug 01 2024 10:45 AM	Don't know much about trails
Jul 26 2024 08:23 AM	Example: from Rotary park, there is no easy safe road or bike trail to bike to Oakwood park or to the south of the community.
Jul 24 2024 11:49 AM	Bicycle travel throughout the village is non-existent. All you can do is go around in a circle. Traveling to downtown by bicycle leaves one with few options to lock your bike. The last time I went downtown on my bicycle to eat lunch, I rode around for 1/2 hour before I could find an appropriate lock-up. However, I see a few more locations popping up. Placing them at pedestrian/traffic interfaces are not a good idea though. It makes it more difficult for motorists to see pedestrians through bicycles locked to a stand with cyclists coming and going. Way too much congestion and unsafe surroundings.
Jul 23 2024 11:12 AM	We don't think that snowmobiles should be allowed on the Bugline. They tear up the asphalt.
Jul 19 2024 04:09 PM	I suggest the upgrading of the walkways on both sides of Pilgrim Road between Appleton and Good Hope with installation of east/west ADA approved corners at the intersection of Pilgrim and Crossway so that a guarded crosswalk across Pilgrim Road could be considered. As a frequent walker, I would also like to request regular snow clearance from this trail and others so that walking during wintry weather is possible.
Jul 17 2024 09:14 AM	We often bike to Milwaukee - it would be nice if there were safer ways to get to the Oakleaf trail than riding down Bradley Rd.
Jul 13 2024 10:31 AM	We love the Bug Line, but when winter comes unless you have snow shoes can't really use them.
Jul 10 2024 12:32 PM	Not familiar with the current state of multi-use trails
Jul 08 2024 11:08 AM	Make filled gaps along arterial streets handicap accessible
Jul 07 2024 12:01 PM	Need more trails/connectivity around the Tamarack Nature Preserve.
Jul 07 2024 10:01 AM	Lighting should be low lighting or solar lit to reduce light pollution.
Jul 06 2024 02:00 PM	No opinion
Jul 05 2024 01:35 PM	No opinion, don't use trails

## Question 24 continued

Jul 05 2024 11:39 AM	Keep the bike off the walking path.
Jul 02 2024 07:54 PM	Making an asphalt path around Menomonee Park so people in wheelchair can go around the quarry and enjoy the scenery of the park.
Jul 02 2024 02:53 PM	It is sometimes frustrating to walk during the winter months as paths are left unshoveled. I appreciate that sometime the fault lies with the property owner. Expanding the trail network would be exciting for walkers who would prefer walking to their destinations rather than using a car/vehicle.
Jun 29 2024 09:04 AM	No opinion on question
Jun 27 2024 12:50 PM	Adding safety features where trails intersect major roads. Example is where the Bug Line crosses Main Street at Maple. The stop sign for the street occurs AFTER the train is crossed & the angle of the trail is VERY difficult to see as a driver. This is a very unsafe intersection.
Jun 25 2024 11:13 PM	Bugline to Menomonee River Parkway to Brewers Trail.
Jun 25 2024 10:42 PM	PROPERLY LISTING THE RULES OF THE TRAIL FOR ALL USERS!!! BIKERS, AND WALKERS
Jun 25 2024 06:23 PM	Trails are under utilized in the winter.
Jun 25 2024 05:21 PM	The bugline needs waste garbage for dog bags and misc garbage that people just throw on the ground. Our snow plowing in our neighborhood was horrible this year. No one could park in front of our house cause they plowed 4' from the curb. I live on Duke and Leone and our street constantly floods with lots of rain.
Jun 25 2024 05:04 PM	Is there a way to connect the baseball complex to oakwood park?
Jun 25 2024 04:03 PM	Snow removal in subdivisions sooner
Jun 25 2024 12:50 PM	make a trail for kids on appleton and Menomonee and Pilgrim. A very busy area. needs better visibility of kids for getting too and from to school. Cars are all over the place there.
Jun 25 2024 12:39 PM	Need trails from willowood to oakwood and oakwood to rotary park
Jun 25 2024 12:17 PM	sidewalks along pilgrim aren't ever cleared of snow (between silver spring and lisbon)
Jun 25 2024 12:07 PM	Adding additional safety like safety call boxes along the way, clear stop signs so riders do not barrel into traffic, etc.
Jun 25 2024 12:05 PM	NO NEW MULTI PURPOSE TRAILS. ESPECIALLY ON LILLY ROAD ON EAST SIDE OF RIVER. LEAVE THE WILDLIFE ALONE
Jun 25 2024 12:05 PM	#1 adding trails on arterial streets
Jun 25 2024 12:04 PM	Public restroom access along the Bugline
Jun 25 2024 11:49 AM	One of the best parts of cycling/running/walking is the opportunity to explore the area you live in and the neighboring communities. Ensuring that our trails are connected to Germantown, Milwaukee, Brookfield, etc. is important.
Jun 25 2024 11:47 AM	Improve what we have existing. Make it safer, maintain it. Also, make sure in winter it is clear of snow for those with disabilities to use. NO MULTI USE TRAILS ON LILLY RD West of River. Leave this area to the wildlife.
Jun 25 2024 11:41 AM	Having a small bathroom area that can be hit at some point on the trail.
Jun 25 2024 11:37 AM	our road has issues with snow removal. We are on a dead end and the snow plow always dumps snow at end of our driveway.. most times I can not get out of driveway until snowblow or shovel. It happens multiple times a day especially this winter and its hard to keep up with it.
Jun 24 2024 12:45 PM	The trail infrastructure would improve dramatically if the connections were made to the Oak Leaf Trail and to the Brookfield-Pewaukee trail networks.

## Question 24 continued

Jun 24 2024 09:23 AM	Security
Jun 23 2024 10:13 PM	Add trails through Tamarack Preserve!
Jun 23 2024 08:00 PM	.
Jun 23 2024 03:36 PM	Please do this! Would tremendously increase the village appeal and property values!
Jun 23 2024 03:07 PM	Bugline needs more lighting
Jun 23 2024 11:38 AM	None of the communities on the south side of the Falls have any access to parks or trails. Would love a way to safely get to the bugline from home (Fair Oak Pkwy).
Jun 23 2024 11:33 AM	Sorry all four go together
Jun 22 2024 05:55 PM	Other community's have enjoyed continuous repeat visiting of areas with quality maintained bicycle trails. Great trails are revenue generating investments!
Jun 22 2024 09:29 AM	No opinion.
Jun 22 2024 07:42 AM	Eagerly awaiting connection of Rotary Park trail to Rivers Edge Park.
Jun 21 2024 05:50 PM	Plow the sidewalks on Pilgrim, so walking in the winter is possible between side streets!
Jun 21 2024 11:52 AM	I prefer crushed limestone trails. Asphalt is really poor for running. I do understand that asphalt is better for bikes and other uses when wet / damp
Jun 21 2024 07:52 AM	First priority is trail gaps . . . maybe education on the difference between a "sidewalk" and path! No one will plow for you. Encourage neighbors to help their neighbors...we have many, many neighborhoods that do that...help preserve the Village "feel", no matter how many people live here!!!!
Jun 20 2024 11:39 PM	The pathways need to be fixed by north middle - by Menomonee River. They are crumbling. Metal bar on the bridge by North Middle river has been broken for months.
Jun 20 2024 07:22 PM	Stop putting in paths in the old neighborhoods that have no sidewalks. It looks terrible and it's not worth the investment vs the use. Old Fondulac road comes to mind, it looks horrible and it's hardly used.
Jun 20 2024 01:05 PM	No trail near Lisbon and Pilgrim. No parks nearby.
Jun 19 2024 09:30 PM	Lower TAXES AND STOP wasting our hard earned money
Jun 19 2024 07:13 PM	Keep connecting to neighboring Waukesha county trails.
Jun 19 2024 03:50 PM	There are no street lights at all down N Hills Rd. That would be helpful for security as there are some issues at the church across the street from time to time.
Jun 19 2024 12:25 PM	As seniors, with walking disabilities, asphalt trails allow individuals, such as us, to use walkers and/or wheelchairs to enjoy area trails too. Remember, a nature experience can be very healing .
Jun 19 2024 10:05 AM	Would like seating on trails
Jun 19 2024 10:00 AM	wheel chair access
Jun 19 2024 09:51 AM	Keep trails and road crossings sight lines open! Brush encroachment is dangerous
Jun 19 2024 07:44 AM	Expand the knowledge of these trails that are available. I only knew of the Bug Line.
Jun 19 2024 06:12 AM	Emergency communication stations (similar to college campuses) along secluded or unlit sections of bugline/trails
Jun 19 2024 01:03 AM	???

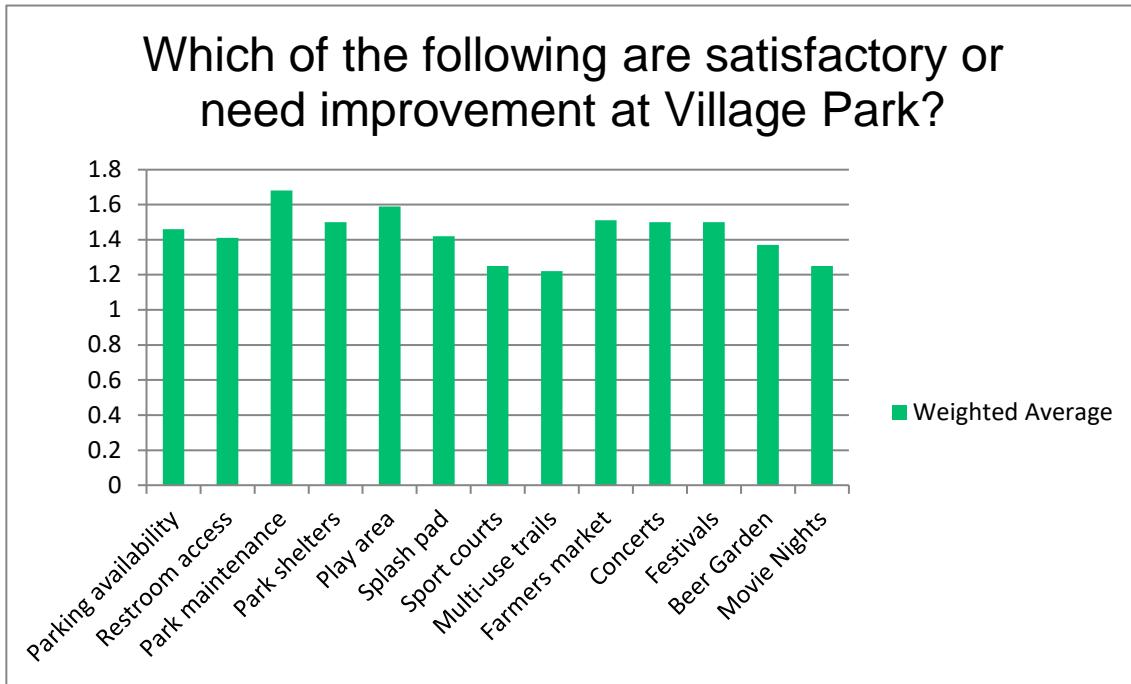

## Question 24 continued

Jun 18 2024 10:24 PM	While I do not use the bug line too much but when I did I would have liked to see more lighting and any areas that cross major streets to have flashing lights when a bike or walker etc are approaching the path. We need more support to keep everyone safe. Some bikers will ride across fast without looking for cars. And the same goes for cars not watching for bikers.
Jun 18 2024 10:13 PM	Very few parks, trails etc near the Marcy school side of menomone falls
Jun 18 2024 08:50 PM	Creating a trail from silver spring to the bug line!
Jun 18 2024 07:50 PM	Maintaining existing trails. Ex. Village park asphalt trail is a mess
Jun 18 2024 07:40 PM	Not interested.
Jun 18 2024 07:37 PM	Roads for cars
Jun 18 2024 07:36 PM	Security cameras installed in village park and posted that the park is being monitored
Jun 18 2024 06:47 PM	I'd like to bike on the Bugline trail but in order to get to it, I have to drive on Menomonee Avenue. It doesn't feel safe sharing the road with cars. I used to walk it all the time, as I've gotten older it doesn't feel as safe.
Jun 18 2024 06:38 PM	There is poison ivy on trails
Jun 18 2024 06:23 PM	Snow removal on the bugline would be amazing!
Jun 18 2024 06:08 PM	1
Jun 18 2024 06:03 PM	Mostly we think our parks are lovely. We could use more of them. No more trails with pavement please. We already have enough for recreational biking (although I think bike lanes on major streets here are a good idea).
Jun 18 2024 05:52 PM	Putting in dog waste bins
Jun 18 2024 05:48 PM	Like I said, before, the east side of the river needs a bench or two to sit in a nice walkway, like the west side.
Jun 18 2024 05:22 PM	LOVE the bug line!!!
Jun 18 2024 05:08 PM	This does not pertain to trails but to sidewalks. Brookfield clears their sidewalks in winter even along Calhoun where few people walk. We have to wait for spring and melting to walk the sidewalks along Pilgrim or Silver Spring. We have virtually no sidewalk options in winter where we live.
Jun 18 2024 05:02 PM	I do not know.
Jun 18 2024 04:57 PM	I live on Pilgrim Road and it's frustrating that the bike path has no snow removal. We plow the path in front of our home, but many residents do not, making it unusable in the winter. Plus, there are some areas that are not adjacent to a home, such as the bridge over Kohler, that no resident would be responsible for.
Jun 18 2024 04:47 PM	While Trail users are a dedicated bunch, their percentage out of total village residence is very very small. I have lived here for 25 years and I have never heard a single person say "and how many Falls does not have enough walking or biking trails. A few times that I myself have used them over the last 25 years, my primary thoughts were "this path gets a little bit tight when you have bikes and or small groups of walkers going in opposite directions. Pathways need to be in a place of good drainage because if someone does need to stand or move off of the path, they are often stepping into muddy or unstable dirt areas Doodoo poor planning regarding drainage. The other thing I noticed previously regarding paths and trails was sometimes that the pathways were not in good condition. That said, I know that the pathway at Rotary Park is fairly decent.

#### Question 24 continued

Jun 18 2024 04:46 PM	Seating options along the pathways. I live near Village park-and there is no seating along the paved path.
Jun 18 2024 04:29 PM	Parking can be hard sometimes but I prefer to keep it local and not have an eyesore parking lot near neighborhoods especially. Lighting for safety where needed.
Jun 18 2024 04:14 PM	I would love to see a connection from MF to the Oak Leaf Trail as that would open up almost the entirety of the MKE County park trails to cyclists.
Jun 18 2024 03:09 PM	better parking along trail entrances

Response Date	Comment
Sep 15 2024 02:29 PM	Whoever plans all the activities in this town does a great job.
Sep 13 2024 04:54 PM	I believe I was only at the Village Park less than 6 times in 30+ years so I feel that I can't really comment on any of this.
Sep 11 2024 10:04 AM	The paved paths in Rotary Park and the bridges need to be fixed.
Sep 10 2024 12:43 PM	i understand the ramifications of frost, but it would be nice if the splashpad would remain open through september. another great addition would be a dog watering station.
Sep 10 2024 12:11 PM	Splash pads and parks in neighboring communities are much, much better than what is in the Falls. Would rather drive my grandkids there.
Aug 28 2024 06:26 AM	How about less country music and more variety
Aug 28 2024 04:53 AM	Safety concerns at village park have become a concern. Non resident and trouble making kids spoiling park experience for innocents.
Aug 26 2024 09:47 PM	Bands in concert this year stunk!! Nobody wants up and comers playing original music just play cover songs and dancing
Aug 26 2024 06:50 PM	The ADA wheelchair swing wasnt working last time I was there
Aug 26 2024 05:50 PM	It would be great if there was one more accessible bathroom and better bubblers at village park. The concerts are usually only country music or pop music, and festivals often leave much to be desired.
Aug 26 2024 03:42 PM	Please turn off all lights immediately adjacent to the street after 10 PM when the park is "closed".
Aug 26 2024 02:48 PM	You could make this Farmers Market something really grand. I feel like it's very small for the amount of land that is there. Why not try to make it big like West Bend or Waukesha
Aug 26 2024 02:34 PM	It would be great to have wind screens around the tennis and pickleball courts
Aug 26 2024 01:42 PM	take them off the baseball field by village hall everyday ,if school playing there they handle it not village employess its not junior miller park as many in the village who dont care or not in falls school dist call it falls has a vbaseball field let the school dist cut mait it
Aug 26 2024 01:23 PM	We've spent enough here. Save money and close the library!
Aug 26 2024 01:17 PM	Security guard
Aug 26 2024 12:45 PM	Would love to see more pickleball courts added.
Aug 23 2024 07:31 PM	There are a lot of activities/downtown restaurants promoting drinking. Many people + alcohol = potential problems.
Aug 21 2024 11:27 AM	Need shade (trees and canopies), add some mini play area/activity areas throughout the whole park. We LOVE the splash pad and would love it there was another, bigger one.  Add more seating (picnic tables, big boulders)
Aug 20 2024 08:07 PM	Great job Village of Menomonee Falls. :)
Aug 16 2024 12:35 PM	Resurface and Maintain Menomonee Avenue potholes and faulty road bed construction and PROHIBIT PASSING WITH DOUBLE YELLOW LINE AND CITE DRAG RACING SPEEDING DRIVERS FROM MAIN ST TO LANNON ROAD
Aug 14 2024 12:07 AM	I LOVE all the of wonderful community events the village plans!
Aug 10 2024 02:50 PM	Farmers market doesn't attract enough fresh produce vendors.

## Question 25 continued

Aug 09 2024 04:14 PM	I did not know there was movie nights (???)
Aug 07 2024 08:37 AM	Advertising food trucks, and then only having one is misleading.
Aug 05 2024 09:49 PM	More vendors needed at the farmers market to really make it great. More food truck options too so families can make an evening out of it
Aug 04 2024 09:22 AM	Offer beer gardens or other activities on the weekends
Jul 27 2024 09:34 AM	It would be nice to move the summer weekly beer garden back to the west side of Mill Pond. Although Village Park is great for large concerts, the beer garden doesn't have an intimate atmosphere like Mill Pond did.
Jul 26 2024 07:46 AM	TOO MUCH TRAFFIC MAKES IT IMPOSSIBLE TO EVEN GET OUT OF THE AREA DURING/AFTER EVENTS. THE FARMERS MARKET NEEDS TO OPEN EARLIER ON SUNDAYS DURING THE HEAT OF SUMMER.
Jul 25 2024 12:46 PM	We live on the other side of the woods/river of Village park and always walk to the park when we go (kids age 4 and 3.5). The park is amazing but the walkways to get there from the residential area are terrible. The paths are wide, that's nice, but beyond that there are many issues. Lack of street lights-it's terrifying walking home with my kids, there is barely any lighting along the woods' trails. And the paths have massive chunks taken out in multiple areas. The steepness of the path from Jacobson to the Village Park lot next to the tennis and park is TERRIBLE! It's a huge danger, my elderly parents cannot walk up it and we have to go the long way around and if teens on bikes are nearby they come flying down the almost 90 degrees drop towards the river while people with young kids and strollers are almost mowed down. I can't believe that path passes any sort of minimum standard incline for safe walking/biking paths. It needs to be rebuilt and snake down and back with a more gradual incline.
Jul 22 2024 09:10 AM	More security is needed at movie nights. I have not and will not bring my young kids there until this is resolved. Far to many issues with bigger kids/teenagers causing issues during these times.
Jul 22 2024 04:42 AM	Add pickleball courts, post rules for time limits, consider reservations for courts
Jul 21 2024 10:41 AM	The intersection of Appleton and Garfield would benefit from a stop light/potential widening of the street to accommodate turns.
Jul 20 2024 01:52 PM	Move the Memorial Fest to Village Park and bring it back for 3 days. You have too many people that want to spend money in this town just to have a fest for a couple hours!! BRING BACK FALLS FEST
Jul 19 2024 10:44 AM	More shaded needed in the parks, like sail shade
Jul 17 2024 12:10 PM	Supervision needed in playground area. For pre-teens and teenagers. Also, add signs for no wet swimsuits or clothing on playground equipment.
Jul 14 2024 10:19 PM	Farmers market has weird hours, I can't get to it until 30 min before closing and most produce is picked over.  Events with food trucks need better/healthier options.
Jul 13 2024 10:31 AM	Figuring out a traffic flow through when events start or end would help.
Jul 11 2024 10:51 AM	Was very sad to see the removal of so many tennis courts at Village Park.

## Question 25 continued

Jul 11 2024 08:31 AM	Be sure to keep restrooms open year round because people are always out taking walks. Add big shade trees in village Park where people sit for concerts and events. It gets very hot in summer and people gravitate under the few shade trees along the perimeter instead of keeping them in front of the stage. Keep the toilet paper stocked when there are big events.
Jul 11 2024 08:03 AM	With regard to anything happening at the Village Park, I'd like to see the bins for recycling NOT EMPTIED into trash. I've seen Villagers use the recycle bins appropriately, only to have the stuff dumped into the trash! It's unconscionable/wrong.
Jul 11 2024 07:08 AM	the festivals are amazing - because of that i would love more - you're doing a great job ! What about a date night movie ?
Jul 11 2024 05:59 AM	Increase variety of vendors at markets, concerts, festivals and movie nights and expand beer garden hours
Jul 10 2024 05:50 PM	It is perfect.
Jul 09 2024 10:11 PM	Village park has been one of my favorite updates! The bathrooms themselves are great but are sometimes not open which is a struggle with potty training kids on a playground. There's also mounds on the west side that are already tearing apart and need attention.
Jul 09 2024 08:51 PM	Closed for season too early
Jul 09 2024 08:50 PM	We need year-round restrooms and more water/splash features at Village Park. But overall, our family loves it
Jul 09 2024 09:40 AM	Parking is a big challenge for Village Park events. Often find the onsite lots, middle school lots, and street parking PACKED. The traffic gets very jammed up in the area as well.
	As mentioned above, the playground would be 10x more enjoyable / safe if it were fenced in.
Jul 08 2024 03:27 PM	Would be nice to have village support in appropriate use of playground at village park. Public safety officer posted at times when older kids are most prevalent to support everyone's use of park.
Jul 08 2024 11:08 AM	Farmers market needs more food vendors and less commercial vendors. It is called a FARMERS market after all.
Jul 07 2024 08:26 PM	Bring back Falls Fest.
Jul 07 2024 10:01 AM	I don't know where this park is.
Jul 05 2024 07:12 PM	I don't mind the beer gardens, I do mind the loud music that can be heard blocks away.
Jul 03 2024 10:51 AM	Restroom facilities are too small for big events
Jul 02 2024 09:04 AM	The Farmers Market is not as good as others in the area and the limited weekend dates do not help. It is a great location and can really be expanded more.
Jul 01 2024 05:45 PM	Can't say it enough. The park is currently over booked and getting worse.
Jul 01 2024 08:31 AM	Parking is an issue with larger events even with all the on-street parking and North Middle School Parking.
Jun 29 2024 07:05 PM	Splash pad water is freezing cold - Sussex somehow warms their water a bit. Farmers Market needs more fresh fruit/vegetable vender, egg vender. Playground needs to be patrolled more frequently, have had bad run-ins with teenagers. Also the playground equipment is starting to get grafitti.

## Question 25 continued

Jun 29 2024 03:20 PM	Expand farmers market with more options
Jun 28 2024 12:29 PM	Please provide more parking/women's bathroom. Was at a venue on 6/27/24 and there must have been 20 ladies waiting to use the 2 stall bathroom. Parking needs to expand , especially if you want a more mature age group to gather or anyone with handicap needs.
Jun 28 2024 12:08 PM	More accessible parking and paved walking paths into the area by the stage
Jun 27 2024 10:05 PM	I do not use Village Park
Jun 27 2024 02:55 PM	We need to get the buckthorn under control in Limekiln park. The east side of the park is out of control.
Jun 27 2024 09:15 AM	I love the events! We need more courts including basketball and skate park. Doing so will give older kids an area for recreation while being close to the rest of the family units and steer them away from the playground areas that is intended for elementary and younger.
Jun 27 2024 07:57 AM	The farmers market needs to expand would love to see it wrap around the entire path by the stage
Jun 26 2024 06:15 PM	I love them.
Jun 26 2024 06:00 PM	Bring back Falls Fest
Jun 26 2024 05:23 PM	Bring back falls fest
Jun 26 2024 03:07 PM	The addition of the movie nights, beer garden, and festivals downtown has been great in the past few years. A lot more folks are spending time with the community. That's excellent.
Jun 26 2024 12:58 PM	Farm market- More vendors and most importantly later weekday hours. Most do not have time after work to get there.
Jun 26 2024 07:49 AM	What Downtown has done to offer concerts and markets is amazing, GREAT job with lavendar fest, festival of the arts and more I LOVE having these types of events available in our area, adds SO MUCH!
Jun 26 2024 07:19 AM	It is absurd that falls fest closes at 10pm in addition Appleton Ave needs to remain closed until the July 3rd activities are fully completed including fireworks. When they open it after parade there's cars zooming but and kids are still at curbs looking for candy
Jun 25 2024 11:06 PM	Bathrooms were built too small to accommodate most of the larger activities happening in the park.
Jun 25 2024 09:22 PM	The added activities are a nice way to bring people to the Falls
Jun 25 2024 08:10 PM	All need improvement is due to traffic congestion/parking issues.
Jun 25 2024 06:06 PM	More vendors at Farmer's markets would be nice as well as food trucks in the evening or other time not during typical weekday work hours for those of us that work outside the village.
Jun 25 2024 05:24 PM	Ever considered a calendar of events AT the park so passer-Byers know what is going on/coming up?
Jun 25 2024 04:45 PM	Routine that young teens are being unsafe on equipment making young children afraid to use them. Police should patrol more frequently.
Jun 25 2024 04:42 PM	Splash pad is more like a water feature...place to cool off when playing at playground but not coming to "splash pad" for that purpose like other city parks have (West Bend, Sussex, Germantown)
Jun 25 2024 03:46 PM	Village Park is great!
Jun 25 2024 02:59 PM	Would love to see a little more shade at Village Park.

## Question 25 continued

Jun 25 2024 02:30 PM	We love the new Village park! I just wish there was a little more shade.
Jun 25 2024 02:03 PM	Rest rooms should possibly be available all year long, especially with all the activities and the parks don't close.
Jun 25 2024 01:55 PM	Newer movies
Jun 25 2024 01:17 PM	I would love to see more actual farmers with produce to sell at the farmers market. There is shockingly little of that as it is right now.
Jun 25 2024 12:50 PM	Would love to see basketball courts and/or a skate park
Jun 25 2024 12:43 PM	Need better management during movie nights. Too many kids running in front of screen and disrupting parents/kids that actually want to watch the movies
Jun 25 2024 12:39 PM	Farmers market needs to be open over the lunch hour or after work
Jun 25 2024 12:31 PM	There is not enough shade at and near the playground. There should be shaded benches and picnic tables for parents to sit at while kids play.
Jun 25 2024 12:07 PM	It is so hard to find parking. The restrooms are nice - there needs to be more given events are well attended by families so there are often lines. And would love to use the sports courts but they are always occupied by groups or businesses, there isn't an option for individuals or families to use.
Jun 25 2024 12:07 PM	I tried to support our farmers market but there are no good farmers so I go to other community farmers markets instead. The produce is from farmers that grow produce that is unnaturally large and not good quality. I would love to see more natural and organic growers. Too many vendors of items instead of produce.  I think the village has been very successful in drawing crowds for concerts, festivals and movie nights but seems to draw far more than our community and is way too busy. It makes me uncomfortable bringing my children because I cannot easily keep an eye on them. My kids are 8 and 12, I would never bring them if they toddlers. I would love to see things done more small community-like.
Jun 25 2024 12:07 PM	Fix or replace the bridges over the creek in Village park.
Jun 25 2024 12:05 PM	NO NEW MULTI PURPOSE TRAILS. ESPECIALLY ON LILLY ROAD ON EAST SIDE OF RIVER. LEAVE THE WILDLIFE ALONE
Jun 25 2024 11:54 AM	Open up that Village Beer Garden more! We travel to Elm Grove or Fox Brook. They know how to do it! Beer Garden close to a playground!!!  You're really failing there
Jun 25 2024 11:48 AM	Splash pad is behind technology and activities compared to other villages/cities in close proximity.
Jun 25 2024 11:47 AM	You should have added more tennis/pickle ball courts. At least a couple so that the phy ed department from North can use them effectively. Some one could than run a pickle ball tournament or run a league and bring that crowd to village center like the softball field used to do.
Jun 25 2024 11:47 AM	Would love more options at beer garden and maybe some more covered options
Jun 25 2024 11:47 AM	Farmers Market has the same vendors each week. It'd be nice if they didn't have to commit to being there every week and change up vendors. Have them reserve and pay for a booth for a specific day. Not the entire season.

## Question 25 continued

Jun 25 2024 11:42 AM	Parking is probably the biggest issue, especially when there are multiple events happening at the same time. Soccer games in the summer are a nightmare to park!
Jun 25 2024 11:42 AM	Could we have more movie nights and continue into the fall? Or could we do a drive in movie night somewhere?
Jun 25 2024 11:41 AM	Everything is great except the splash pad when it is being used by people who are not respectful of the area around them.
Jun 25 2024 10:29 AM	My family and I love Village Park. The biggest issue I have come across is unsupervised kids who are making poor choices and using foul language, but that can happen at any park. We definitely avoid the playground after school lets out and after 6pm.
Jun 25 2024 06:58 AM	Need trees in open area in front of the stage.
Jun 24 2024 03:36 PM	Need expanded hours
Jun 24 2024 12:56 PM	Little league closes complex all the time and no place to practice. All fields at Oakwood and Willowood are full with dozens of teams fighting for space.
Jun 24 2024 12:50 PM	I put festivals need improvement because, they need to bring back something like FallsFest. A three day festival with live music and a beer tent, maybe rides for kids, etc.
Jun 24 2024 12:45 PM	There's no "trail".
Jun 23 2024 08:00 PM	I would like to see a much larger farmers market
Jun 23 2024 03:07 PM	Didn't know there were beer gardens, more advertising, I'd attend
Jun 23 2024 09:27 AM	We love all of the events at Village Park!
Jun 23 2024 08:38 AM	Fenced in play area would be great for safety and to keep older kids from running or biking to rough the area
Jun 23 2024 08:37 AM	Ultimately, I would like increased frequency of the Farmers markets, concerts, and village activities. There are already plenty but I feel that we would be able to utilize our already present resources more frequently.
Jun 22 2024 01:00 PM	Splash pad was a waste of tax payer money to serve a tiny segment of the population and requires extensive maintenance with monies that could be better used to serve more people. Many communities that had them removed them for this reason - inadequate research was done before contracting the structure.
Jun 22 2024 10:36 AM	weeknight concerts need to end earlier
Jun 22 2024 07:23 AM	Would be nice if the farmers market would be at later times on wed. for working families. Picked over by 5 pm and Sunday is family time
Jun 22 2024 07:19 AM	Because parking is limited, signs pointing to various public parking options would be helpful
Jun 21 2024 11:38 PM	Unfortunate that the middle school no longer has a tennis team - courts were reduced with the park renovations
Jun 21 2024 05:51 PM	Do not use it, not as familiar as necessary to answer questions truthfully.
Jun 21 2024 05:12 PM	Parking spaces on street are very narrow, especially for people trying to get kids out of car seats, strollers, etc.
Jun 21 2024 05:02 PM	The village Park is a great space- it just needs to be policed better. Kids shouldn't be climbing on the shed roof or skateboarding on the courts. Mothers shouldn't have to take their young kids away because of threats or bad language.
Jun 21 2024 05:01 PM	Village Park is awesome! great job

## Question 25 continued

Jun 21 2024 12:42 PM	Needs police supervision... older kids need to stay away from kids playground. Not safe. Need basketball courts. More shelters.
Jun 21 2024 11:52 AM	Incredible addition to our community
Jun 21 2024 07:38 AM	Trails that allow access to downtown for various events would be beneficial. A trail or bridge going over Appleton Avenue to connect trails on East and west side of that street would be beneficial for safety and access.
Jun 21 2024 07:37 AM	I had a friend told me that they play pickle ball. Is it true that someone in the village decided that it was a wise use of resources to paint Pickleball lines within the tennis court lines... But then not provide a net for the Pickleball part? Does anyone actually buy and haul around their own pickle ball net? I was questioning My friend if that was even a true story Because we are usually pretty good at "common sense" in Menomonee Falls.
Jun 21 2024 05:53 AM	Great job with activities. Just help us get there safely
Jun 20 2024 10:39 PM	LOVE the concerts!!
Jun 20 2024 09:06 PM	alcohol serving facilities are not necessary in our parks.
Jun 20 2024 10:38 AM	PLEASE STOP investing in all of these "improvements" that only affect a fraction of the community, while raising the cost of living for us all. It is getting very hard to continue living here with how high taxes and other costs are due to these additions.
Jun 20 2024 09:52 AM	Not a frequent user of Village Park
Jun 20 2024 09:19 AM	Falls fest!
Jun 20 2024 08:42 AM	You are completely underutilizing the potential for music in the park and other places, I'd love to be on that committee to help improve or if you're interested, I'd consider running it, as it's one of my jobs
Jun 20 2024 07:20 AM	I think it's wonderful to have all of these events at Village Park, but I believe there needs to be a more purposeful police presence especially near the playground. It makes me nervous to bring my young family there in the late afternoon/early evening because of inappropriate teenage activity I have witnessed there.
Jun 20 2024 12:08 AM	Trail with the bridge across the creek is falling apart
Jun 19 2024 09:30 PM	What movie nights?
Jun 19 2024 08:09 PM	I love how the community embraces Village Park since the newer construction. I know the public gets concerned with teenagers at times. More cameras to be installed could help.
Jun 19 2024 07:53 PM	Cracks in pavement make it impossible for walkers an non motorized wheels chairs to have access.
Jun 19 2024 07:13 PM	Try getting more participants within community.
Jun 19 2024 04:56 PM	Satisfactory all around but continuing to invest in our infrastructure is important! The parks can always be improved!
Jun 19 2024 04:19 PM	Would love more food trucks at the farmer's market
Jun 19 2024 04:17 PM	The farmers market is a poor shadow of other area summer markets. The hours are weird for working people.
Jun 19 2024 04:11 PM	Village park is too congested for the events you have there. No sense of community.

### Question 25 continued

Jun 19 2024 03:50 PM	For 40+ years the Village has been asked to restore the banks, rock walls, remove dead trees, free the area of invasive species, clean up the creek and implement a general restoration project of the creek from Ann Ave. to Appleton Ave. The wooded area on the hill, large dead trees and the overgrown area along the west rock wall of private residences needs attention too.
Jun 19 2024 03:20 PM	We have several war re-enactment events at the old village park. What about having an event that stands for Peace? Not reenacting war.
Jun 19 2024 03:00 PM	It can be a nightmare to find parking for things like the concerts
Jun 19 2024 02:43 PM	Bring the baseball field back
Jun 19 2024 02:28 PM	Update more parks
Jun 19 2024 01:39 PM	We tend to not even consider going to Village Park because of the parking and traffic issues.
Jun 19 2024 12:25 PM	As seniors, we love the concerts, but parking (especially handicapped parking) needs improvement. Walking to the concert can be a challenge. Also, restrooms on south side of park. (Thanks.....mobile unit there has helped.)
Jun 19 2024 12:05 PM	VP needs more bathrooms, even with porta potties there is an extreme lack of bathroom facilities at VP
Jun 19 2024 11:36 AM	Again, maybe more family bathrooms
Jun 19 2024 10:28 AM	We've spent enough...
Jun 19 2024 10:05 AM	Love this community gem. More handicapped parking during events
Jun 19 2024 09:49 AM	Would love to see the farmer's market available on the weekends for a longer duration. I cannot attend the Wednesday ones due to work.
Jun 19 2024 09:32 AM	I love the Farmer's Market and Splash Pad...I'd love more options/frequency!
Jun 19 2024 09:06 AM	More beer garden dates and better/more concert performers.
Jun 19 2024 07:44 AM	Just keep improving and adding. Doing a good job so far.
Jun 19 2024 07:33 AM	splash pad is too small and too close to playground. it mainly focuses on babies. not the under 10 child. should be bigger and spaced out more.
Jun 19 2024 06:32 AM	A park and activities for pre teens and teens, skateboard park? Need to have activities for all children age groups.
Jun 19 2024 06:01 AM	There really isn't much shade near the splash pad right now which is one of the main reasons we don't go on hot days. The current shelter fills up with only a few families.
Jun 19 2024 01:03 AM	We really haven't involved ourselves with the "no opinion" areas I marked
Jun 18 2024 11:26 PM	Have not been to village park yet
Jun 18 2024 10:13 PM	I love Menominee park!!
Jun 18 2024 10:00 PM	Less older kids running around damaging things or cursing in front of littles
Jun 18 2024 09:55 PM	Don't take the hoops down and rope off the playgrounds again like you did during covid. That was so stupid
Jun 18 2024 09:41 PM	Why the large dangerous rocks around a splashpad?? I was very glad to see they were sanded down after the initial install/open because YIKES!! so dangerous. I wouldn't have let my barely 3yr old play there if the rocks wouldn't have been rectified. Need some parents/ planners to go over plans with an eye for detail! That could have been avoided and was a strange choice.. why not some timber benches? Have them built by local students or shop classes! They can build picnic tables too!

## Question 25 continued

Jun 18 2024 09:38 PM	Work to make it more if a safe place for middle school kids from bullies r
Jun 18 2024 09:20 PM	Safety concerns at the parks.
Jun 18 2024 09:12 PM	Oakwood park swing set needs improvement.
Jun 18 2024 08:54 PM	N/A
Jun 18 2024 08:36 PM	Love the Village Park Programming, would just like to see continued growth and expansion
Jun 18 2024 08:29 PM	Hazardous trees take a while to be dealt with.  Somecstouts at the beer garden would be great!
Jun 18 2024 08:19 PM	Village park is fantastic - but some of the nuisance of disruptive and destructive middle age kids can be a drawback of such a beautiful facility.
Jun 18 2024 08:15 PM	Village park and the events there are awesome! I wish our Farmer's market were bigger though. And the splash pad should be bigger! It's always way too crowded.
Jun 18 2024 07:45 PM	I have found often in the spring the bathrooms are locked. I am not sure why the bathrooms need to be "closed for winter" but even if they are, they need to be opened as soon as it is nice enough out for the parks to be in use.
Jun 18 2024 07:38 PM	Wish restrooms were open earlier in the season. Hard to go with kids when it is closed.
Jun 18 2024 07:37 PM	Use the money to repair the roads
Jun 18 2024 07:36 PM	Security
Jun 18 2024 07:28 PM	Again for the middle school kids - there needs to be more to do
Jun 18 2024 07:24 PM	Sound for concerts at times does not reach to outer rings of seating.
Jun 18 2024 06:50 PM	Problems with young kids at the village at the play ground area where some of these young kids are disrespecting others like adults. More concerts on Friday and Saturday nights because some of us get up early the next Day so can't go too the Thursday night concert.
Jun 18 2024 06:47 PM	I think the Falls has done a great job in providing options, I'm just not interested for myself.
Jun 18 2024 06:38 PM	Village park need more nights of beer garden
Jun 18 2024 06:33 PM	Lineup for park concerts this year is terrible. Too much country music. Big snore
Jun 18 2024 06:27 PM	Concerts can often be heard in summer at our house miles away near Appleton and Lilly Rd
Jun 18 2024 06:23 PM	Our family often says that the person or committee who had started the Concert Series and the other festivals should get a raise! What a great job creating such a wonderful atmosphere in the Falls!
Jun 18 2024 06:11 PM	Police support/supervision expectations and citations - older kids cussing/unsafe play and without adult supervision
Jun 18 2024 06:03 PM	Since Village Park was paved over anyway, it could use more restrooms. I think a few more festivals at Village Park (and not on the streets of downtown Menomonee Falls) would be nice.
Jun 18 2024 06:02 PM	Some of the playground equipment is the same! Why go to different parks when it's the same stuff. Goose poop is gross. All public restrooms are gross. Events during the middle of blazing hot summer sun stink at village park concert area because there is No Shade. Not sure how you can make trees grow faster but life is better under a tree.

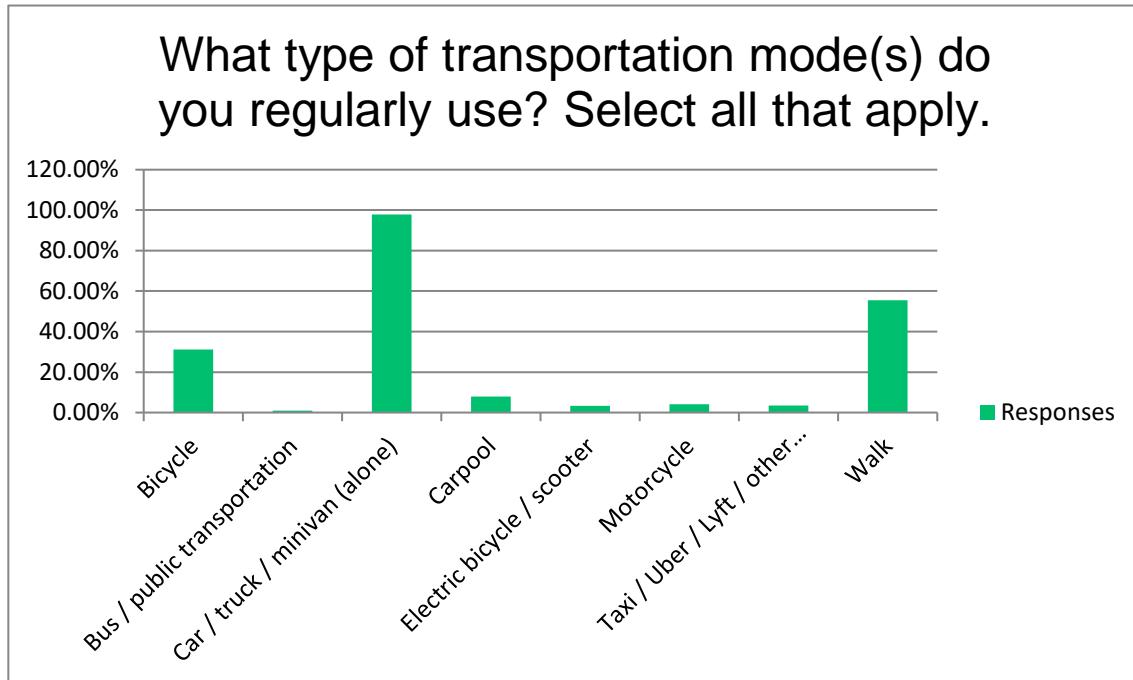

## Question 25 continued

Jun 18 2024 06:01 PM	The trail out of village park needs to be repaved
Jun 18 2024 05:57 PM	There was so much controversy around the splash pad. I was expecting a beautiful fun area with interactive water elements, not a slab of concrete with pipes sticking out of the ground.
Jun 18 2024 05:56 PM	Oils use more movie nights.
Jun 18 2024 05:32 PM	On hot days, the playground is super hot! The dark ground is hot, the metal is hot, unsafe too hot!!!!
Jun 18 2024 05:22 PM	Just police the teens in the park after school.
Jun 18 2024 05:17 PM	The beer garden needs better variety of beer and maybe draft options.
Jun 18 2024 05:14 PM	The play areas installed in the last 3-5 years are good. The ones at the remaining parks need to be updated.
Jun 18 2024 05:11 PM	need parks Southwest of Good Hope and Pilgrim
Jun 18 2024 05:11 PM	Would like more movie nights
Jun 18 2024 05:11 PM	I feel that the vendors are overcharged for a space at the farmers markets and that if the fees were lower, we would attract many more vendors and farmers with produce.
Jun 18 2024 05:11 PM	Festivals, beer gardens, movies I like. Just needs expanding and further development.
Jun 18 2024 05:08 PM	We don't really partake in many village events. See earlier comments about where we live... south of Silver Spring. Foxbrook Park and Brookfield events seem just as convenient, if not moreso.
Jun 18 2024 05:08 PM	The restrooms should be unlocked in winter. Why are they locked?
Jun 18 2024 05:07 PM	Love farmers market!!!
Jun 18 2024 05:02 PM	I would like to see Falls Fest return!! In addition to Memorial Fest
Jun 18 2024 05:01 PM	The farmers market needs to be on SATURDAY!!
Jun 18 2024 05:00 PM	Festival options that resonate with a broader array of people. How many people REALLY love lavender that much that they would attend a festival for it every year?
Jun 18 2024 04:41 PM	Need more parking for big events like concerts
Jun 18 2024 04:34 PM	Village park playground equipment, although new, already has some damage on some items in the small child area.
Jun 18 2024 04:32 PM	Bring in wine for beer garden not just beer
Jun 18 2024 04:27 PM	More pickleball courts!
Jun 18 2024 04:24 PM	There are chunks of the playground already tore. By the mounds and kids were throwing them.
Jun 18 2024 04:24 PM	Needs shade
Jun 18 2024 04:19 PM	The play area should be fenced in. Parking can get hectic at times. We could use more festivals and more movie nights.
Jun 18 2024 04:19 PM	My only issue is the teenagers defacing the toddler play pod and burning inside the space (the little veggie learning slide), it would be better if the area was a little better monitored in the evening late hours to ensure they aren't where they shouldn't be.
Jun 18 2024 04:18 PM	Wider variety of beer.
Jun 18 2024 04:15 PM	Beer garden? Give it to a business to run. See Estabrook in shorewood.

### Question 25 continued

Jun 18 2024 04:12 PM	Need more sun shelter and relief from heat in summer festivities, more concerts, basketball court
Jun 18 2024 04:02 PM	Great village park!!!
Jun 18 2024 03:58 PM	The trails need to be maintained. The splash pad is boring and could be better
Jun 18 2024 03:29 PM	The electronic billboard along Appleton as you approach Village Park from the south is too small and/or what is displayed is too small to read.
Jun 18 2024 03:27 PM	Village park doesn't need any more development. Plenty there
Jun 18 2024 03:00 PM	Again, some type of monitor or attendant is needed to report ACTIONABLE disorderly behavior. This is largely not a police issue. Something similar to a lifeguard, with authority to kick out violators is what's needed

Aug 26 2024 05:58 PM	Wheelchair. Menomonee Falls needs public transportation. Menomonee Falls is challenging to get around because of lack of transportation. People such as me are confined to a small area, and it is disastrous for mental and physical health.
Aug 26 2024 04:59 PM	Bicycle less because we have to drive to a trailhead.
Aug 26 2024 04:44 PM	There is no bus to use. If there were some, I would use them.
Aug 26 2024 03:55 PM	I cannot safely walk or ride a bike from my home
Aug 21 2024 07:10 AM	I didn't know that there is bus/public transportation in Menomonee Falls(?) - and I prefer that there isn't.

## Question 26 continued

Aug 05 2024 09:53 PM	Would love to walk more if there was anything you walk to
Jul 23 2024 11:18 AM	My ebike is an assist peddle. Some 'ebikes' are more like scooters that people fly around in and don't even peddle and irritate people on the trail because of their speed.
Jul 20 2024 11:44 AM	There' isn't much space to walk or bike.
Jul 19 2024 10:32 AM	It would be helpful to have bus transportation to downtown Milwaukee
Jul 17 2024 11:22 PM	I enjoyed having the option to take the bus downtown instead of driving, and am disappointed that the route was cancelled
Jul 17 2024 11:01 AM	When I was still working in downtown Milwaukee, I used and very much appreciated the Free-way Flyer (#79) that I rode every day. And while my knees were still good, I rode the Bugline Trail as often as possible.
Jul 11 2024 10:09 AM	Wish we could use public transit or walking/biking but not really an option
Jul 09 2024 08:53 PM	Donkey
Jul 07 2024 08:34 PM	public transportation within the village could be good for the falls.
Jul 03 2024 04:23 PM	More public transportation is needed in The Falls.
Jun 27 2024 10:36 AM	Do not bring busesto the Falls.
Jun 25 2024 02:33 PM	(I or my family)
Jun 25 2024 11:52 AM	I work in Milwaukee and love having the option of using an electric scooter to commute from place to place.
Jun 25 2024 11:50 AM	Would love to see LSV and/or Golfcart on roads under 25 posted speed
Jun 24 2024 12:47 PM	I don't feel safe walking or biking on the streets in the village. There is no public transportation option.
Jun 23 2024 11:44 AM	Would like more places to rollerblade and more walk ability or ability to bike to village from southern suburbs
Jun 22 2024 07:44 AM	Bike lanes are needed.
Jun 21 2024 06:35 AM	Speeding is an issue in several neighborhoods- this should be addressed
Jun 19 2024 06:28 PM	I would bike more with the kids to places if there where more dedicated bike lanes are especially where their aren't trails to use.
Jun 19 2024 04:58 PM	As I've already said, cycling and pedestrian infrastructure in the village is very underdeveloped and it's very unsafe to get around in these methods. Please work with Waukesha county to get more transit lines through the village, especially on main thoroughfares. Transit helps everybody.
Jun 19 2024 04:40 PM	Would use bike more (bought new one not long ago) if I could get to downtown via bike
Jun 19 2024 03:42 PM	Love to see Lime or Bird scooters
Jun 18 2024 08:14 PM	I don't live near any of the parks or trails so I need to drive to them.
Jun 18 2024 07:39 PM	Cars are most convenient. I don't want to wait around for a taxi, bus or Uber.
Jun 18 2024 06:25 PM	Walking is not easy in the village
Jun 18 2024 06:03 PM	Bicycle is limited because there are not many safe paths. Walking stinks too.
Jun 18 2024 05:47 PM	Skateboard, rollerblades, rollerskates
Jun 18 2024 05:18 PM	I would bike but don't feel safe
Jun 18 2024 04:24 PM	Skating

Sep 15 2024 02:33 PM	I would love to see a Trader Joe store. Sierra Trading Co would be another great addition.
Sep 11 2024 10:56 AM	We do not need any more banks. After Jilly's, we do not need any more car washes. We do not need any more art studios. An actual bakery would be nice.
Sep 10 2024 12:48 PM	marking grocery stores, hoping for a more natural/organic type store. it would be nice to have a sporting goods store especially if the village wants to promote use of its parks. restaurants are always nice, and it would be nice for the village to branch out from large corporate businesses
Aug 28 2024 06:29 AM	35 years ago there was talk of a steakhouse, what happened to that? Travel down Bluemound, pick any 3 restaurants and get them to locate one here
Aug 26 2024 10:26 PM	Please no more banks or dental offices- we certainly have enough!
Aug 26 2024 08:59 PM	Fine dining restaurant
Aug 26 2024 06:51 PM	Bars or pubs
Aug 26 2024 05:58 PM	The biggest issue in Menomonee Falls is the lack of affordable and on-demand transportation, especially for disabled people. Disabled people are essentially trapped in Menomonee Falls unless they can afford the high prices of Uber or Lyft, have their own vehicle, or can get rides from family or friends.
Aug 26 2024 05:57 PM	Trader Joe's
Aug 26 2024 04:59 PM	We have lots of businesses, but it is sometimes quality, not quantity, that we miss.
Aug 26 2024 03:27 PM	We need better quality and more affordable grocery stores. Despite being very careful when expecting produce it typically rots soon after getting it home. More diverse groceries stores are needed.
Aug 26 2024 02:42 PM	Let's become the next Cedarburg or Delafield.
Aug 26 2024 02:30 PM	Better places to eat
Aug 26 2024 01:52 PM	you need stuff on other side falls its easy go brookfield for us 24 gas station on silver spring industrys go 24hrs day there not all office jobs we have nothing down silver spring or lisbon
Aug 26 2024 12:50 PM	Our grocery stores are terrible. Get rid of Kroeger
Aug 23 2024 07:33 PM	We are NOT lacking in bank buildings.
Aug 21 2024 02:20 PM	high end Grocery store - we go to Brookfield every week
Aug 21 2024 11:28 AM	We have too many chain restaurants and way too many banks!
Aug 16 2024 02:57 PM	Quick heath services for minor illnesses.
Aug 13 2024 07:15 PM	How far do people living on the southwest side have to travel to buy food?
Aug 09 2024 04:21 PM	I think they should consider a "place" (similar to "boys and girls club") that was open from 3pm to 9pm, where students (12-18) could go and hang out in a safe environment.
Aug 07 2024 08:38 AM	High end specialty grocery store.
Aug 06 2024 01:47 PM	need another kiwi trip with more room
Aug 05 2024 09:53 PM	Definitely need to get some high quality restaurants here for the younger families. Too much money is being lost because young couples are going out to eat in Brookfield, Tosa, or Waukesha.
Jul 31 2024 03:59 PM	JW Designs And Components needs to be in the downtown space
Jul 30 2024 09:40 AM	Fine dining

### Question 27 continued

Jul 27 2024 09:37 AM	Please find a way to encourage occupancy of the vacant grocery store on the SE corner of Pilgrim & Main.
Jul 26 2024 07:48 AM	DEPENDS ON WHAT AREA OF THE FALLS YOU'RE TALKING ABOUT. MOST OF THE VILLAGE IS NOT LACKING BUSINESSES OR SERVICES.
Jul 25 2024 01:42 PM	Something more along the lines of a Denny's, but not. A mom and pop sort of place for coffee, breakfast, brunch, lunch, dinner and late night snack!
Jul 25 2024 12:48 PM	There isn't really a "nice" place to have dinner. We have some great sports bars and fast casual but very few mid-tier restaurants and zero top-tier restaurants.
Jul 25 2024 12:42 PM	I would use a greater variety of grocery stores if they were convenient (Aldi, Sendik)
Jul 24 2024 05:57 PM	When we want to go to a nice dinner, we always leave the falls.
Jul 24 2024 03:25 PM	Trader Joe's for groceries. Hands down
Jul 24 2024 11:53 AM	We always leave the Falls to enjoy a supper club, as there are none here. Come to think of it, there has never been a fine dining location in Menomonee Falls. Everything is either a chain or a sports/pub dining experience.
Jul 24 2024 11:14 AM	Walkable areas with access to living, grocery, restaurant etc
Jul 23 2024 02:38 PM	Hardware stores
Jul 23 2024 11:56 AM	We need a good steak house.
Jul 23 2024 11:18 AM	The only thing I would say is that people love eating outdoors and I do not think that our downtown area has figured out a good way to provide more of that. I also felt very sad when Fresh Thyme closed.
Jul 22 2024 08:57 PM	I miss the neighborhood market. Since the removal the building has been empty.
Jul 20 2024 10:38 PM	Chase Bank
Jul 19 2024 01:51 PM	Brush collection twice a year would be nice. A yard waste drop off that is separate from Orchard Ridge would be nice. Competing with the garbage trucks and watching for nails/screws so they don't get in your tires is not fun. An area where you could drop yard waste off and pick up mulch would be very much appreciated.
Jul 19 2024 10:32 AM	Although there are many restaurants in downtown MF, they are mostly pub and grill. It would be nice to have a more upscale dining option.
Jul 19 2024 08:25 AM	Really wish we had a higher class restaurant.
Jul 18 2024 01:21 PM	Motorcycle repair shops. Scrap metal recycling.
Jul 18 2024 11:32 AM	Health food stores. Restaurants with solid gluten free options.
Jul 18 2024 08:29 AM	No opinion as I don't live here.
Jul 17 2024 10:02 AM	Need a better selection than pub food in the downtown area. A brewery and a brunch place. Need a grocery store on the corner of Main and Pilgrim.
Jul 17 2024 09:18 AM	A grocery store near the Main Street and Pilgrim Road intersection. A higher end grocery store would be nice - something with a nice salad bar. Fresh Thyme was great for this and it's a shame it's no longer there. A Whole Foods or Sendik's would be nice. Piggly Wiggly is expensive for not being that great of a grocery store. Again - a beautiful brunch spot or a brewery would be nice. Third Space is great, but it is not central/walking distance for anyone. A Colectivo would be AMAZING.
Jul 15 2024 09:13 AM	A downtown grocery store for walking to would be wonderful.

## Question 27 continued

Jul 14 2024 10:21 PM	Would love a Trader Joe's or Whole Foods here.

Jul 12 2024 03:34 PM	It would be really great to have a wider multi-cultural range of fast food and full service restaurants!
Jul 11 2024 03:46 PM	Higher end restaurants
Jul 11 2024 01:31 PM	Trader Joes or Whole Foods type stores, local bakery & produce
Jul 11 2024 11:34 AM	Par 3 golf course
Jul 11 2024 10:35 AM	Children's entertainment venue options: bouncy house, etc.
Jul 11 2024 08:40 AM	More Mexican restaurant options
Jul 11 2024 08:16 AM	Healthy grocery store
Jul 11 2024 07:33 AM	quick/healthy food options, more childcare friendly places since childcare options are extremely poor and overpriced, and a child cafe
Jul 11 2024 07:10 AM	I think we have a great mix of everything we need. a few too many banks and apartments
Jul 11 2024 06:42 AM	High end grocery store is missing, the pickn save near the high school has gone down hill.
Jul 11 2024 05:54 AM	Fresh Thyme was a huge loss, would love to see it back! A breakfast spot would be nice right downtown!
Jul 11 2024 05:50 AM	Bakeries, specialty stores like cheese shops, Nino's
Jul 11 2024 04:48 AM	Non chain restaurants like Hot House.
Jul 10 2024 01:10 PM	A high end restaurant would be a benefit to MF
Jul 09 2024 08:54 PM	We have zero restaurants that rival the quality of Tosa, the Historic Third Ward, or Bay View. We need at least one! Would like to see a grocery option similar to Trader Joe's or Fresh Thyme.
Jul 09 2024 08:53 PM	Needs yarn store
Jul 08 2024 07:57 PM	Menomonee Falls is a culinary wasteland. We need to find a way to attract decent restaurateurs and chefs.
Jul 08 2024 06:59 PM	more things for familes to do indoor batting cages laser tag minny golf
Jul 08 2024 04:46 PM	childcare that is affordable
Jul 08 2024 03:59 PM	Communal co-working spaces would be so wonderful!!
Jul 08 2024 01:14 PM	I would love a higher end restaurant in town. Ala Bartolotta, etc.
Jul 08 2024 11:09 AM	Ethnic restaurants  Fresh Thyme  Whole Foods  Transportation services for seniors besides the limited-hours yellow school bus  A AAA-approved auto repair shop besides the one shop on County Line Rd.
Jul 08 2024 07:25 AM	A restaurant similar to a Lohman's!

### Question 27 continued

Jul 07 2024 12:06 PM	Could use more grocery store options on the south side of the village in the Pilgrim Road and Silver Spring Road area. Maybe an Aldi's or other type.
Jul 07 2024 09:53 AM	We are a village of chains...we'd love to see more independent, sit-down restaurants in downtown Men Falls. We have one - the Hot House - and they're not great for young families, as they are loud and mostly geared towards different demographics.
Jul 04 2024 02:55 AM	Our restaurant scene continues to be disappointing vs. other communities.
Jul 02 2024 02:53 PM	No opinion at this time
Jul 02 2024 10:21 AM	Fast food restaurants, i.e. zantigos, long John silver, Hardee's, sonic, Sholtzky, etc.... casual dinning Denny's, George webs, Kentucky Fried Chicken, etc... in the southeast side of town. Appleton ave and pilgrim rd etc..
Jul 01 2024 05:48 PM	We could use some good quality sit down restaurants. Also I'm sick of the architecture on what is being built. Why does everything have to look so modern and metal looking?
Jul 01 2024 08:32 AM	I would love a supper club type restaurant. I would love to see a Trader Joe's in the empty Walmart or fresh tyme space. We need to address the empty retail spaces on county line... inventive uses could be indoor pickle ball or child athletic spaces,
Jul 01 2024 08:23 AM	Trader Joe's
Jul 01 2024 12:40 AM	Non chain restaurants on the south east side of Menomonee falls.
Jun 29 2024 07:06 PM	It would be nice to have a bookstore.
Jun 29 2024 03:05 PM	Local restaurants - many are large chains (Ex: Applebees, Olive Garden, etc)
Jun 28 2024 10:19 PM	Multi-use indoor sports complex similar to OAW in New Berlin
Jun 28 2024 05:59 PM	No comment
Jun 27 2024 06:42 PM	Would be nice to see more unique shops and restaurants open up. Would also be nice to get rid of Burger King, Dunkin Donuts, vape stores.
Jun 27 2024 11:20 AM	Non chain type places to eat.
Jun 27 2024 10:34 AM	Regarding restaurants - more unique ones, not more hamburger, chicken joints or old school chain ones. Ones people can afford.
Jun 27 2024 09:50 AM	They offer a nice selection
Jun 27 2024 09:18 AM	It would be nice to have a few more non-chain dinner atmosphere restaurants.
Jun 27 2024 09:07 AM	A specialty grocery store - Trader Joe's
Jun 27 2024 07:46 AM	Trader Joe's!
Jun 27 2024 06:36 AM	We need an organic grocery store. And no more pub like restaurants. We need good food and no screens! The restaurants here are too loud.
Jun 26 2024 05:42 PM	Stop allowing Dentist to open.
Jun 26 2024 03:09 PM	I would love to see more locally owned restaurants. Hot House tavern has been an excellent addition in the past five or six years. I'd like to see more of those and less chain restaurants.
Jun 26 2024 03:08 PM	It would be so lovely to have activity in the old Wal-Mart and fresh thyme. Perhaps a trader joes or some sort of indoor park (skate, trampoline,etc.) for teens.
Jun 26 2024 10:56 AM	There are too many chain restaurants.
Jun 26 2024 10:38 AM	Lack of outdoor pool

## Question 27 continued

Jun 26 2024 10:07 AM	<p>There is an abundance of "bar food" and chain establishments that offer unhealthy, uninspired food in noisy, screen-filled spaces.</p> <p>Existing grocery stores are located at the periphery of the village, requiring cross-town trips to complete shopping lists and run errands. More cross-town trips translate to overwhelming congestion at main intersections in the heart of the village at peak times. There are shuttered stores in more central locations (i.e. Pilgrim and Main, Appleton and Roosevelt) that hundreds, if not thousands of cars drive PAST in order to get to stores that they can actually use, often on the opposite side of the village from where residents live. This represents gross inefficiency.</p>
Jun 26 2024 06:25 AM	The full grocery stores are fine, but having smaller convenience shops closer to neighborhoods that could be walked to would be nice. Like Karls
Jun 26 2024 05:10 AM	Hoping for more breweries
Jun 25 2024 10:45 PM	I have been enjoying what the village has to offer. Would love the safety to be better... no gun slingers and shots fired in the local bars. I am a dinner and movie person at home... and when I do go out once in awhile and hear about this it makes me glad I stay in... Would love to feel safe in my own neighborhood
Jun 25 2024 08:24 PM	Would love a healthfood/co-op style shop (Outpost, Whole Foods, Trader Joe's)
Jun 25 2024 07:47 PM	We need a Trader Joe's!
Jun 25 2024 06:43 PM	Restaurant other than fast food.
Jun 25 2024 06:08 PM	There are very few restaurants in the village that are not chains. Most of the ones that exist that are not chains, are not good either. The new additions of Third Space, Hot House, Olive Garden are great. We need more like that. A Trader Joe's or Sendik's would be nice. I also liked Fresh Thyme, not sure why it closed.
Jun 25 2024 05:35 PM	End up in Germantown most of the time
Jun 25 2024 05:10 PM	Options for after-school care at the public schools
Jun 25 2024 05:04 PM	Selected Healthcare facilities because Froedtert hospital no longer has an OB unit.
Jun 25 2024 04:47 PM	Need a Trader Joe's or sendiks style grocery store
Jun 25 2024 04:12 PM	Health food store
Jun 25 2024 04:06 PM	In my opinion, we have SuCasa and Hot House as far as non chain restaurants. Now Third Space, which I love, but not good food option there. Would love a restaurant/bar like hot house but more unique...brick behind bar, fun place to hang.
Jun 25 2024 03:48 PM	I appreciate the local restaurants we have
Jun 25 2024 03:32 PM	<p>More recreational gym space.</p> <p>We need to fill the big building by Eries Bistro and on the corner of main &amp; Pilgrim Rd. Those are huge buildings sitting empty.</p> <p>Trader Joe's? Gym space?</p>
Jun 25 2024 03:02 PM	Our downtown area is so beautiful. I'd love to see more stores go in that would bring in business – though parking is a consideration if that was to happen. Oconomowoc and Delafield are good examples. We should have more boutiques in our downtown, all within walking distance.

### Question 27 continued

Jun 25 2024 03:01 PM	Small bodega-style shops
Jun 25 2024 02:32 PM	Bus/public transportation, senior bus expanded
Jun 25 2024 01:45 PM	Bakery
Jun 25 2024 01:21 PM	Microbreweries
Jun 25 2024 12:51 PM	Too overcrowded- stop expanding this with businesses, brings crime
Jun 25 2024 12:45 PM	Too many restaurants don't have kid friendly tables. Multiple restaurants with not a single low sitting table or high chairs
Jun 25 2024 12:44 PM	More healthy grocery stores, like Fresh Thyme. I went there all the time! Not sure what forced them out, but losing them was a bad look for the village. And it's still a bad look given that nothing has filled their spot.
Jun 25 2024 12:28 PM	More dining options besides the chains would be great.
Jun 25 2024 12:27 PM	Get a Festival Foods, we need more competition in groceries, Kroger does not service at all
Jun 25 2024 12:21 PM	We are lacking quality restaurants that aren't bar food or chains.
Jun 25 2024 12:19 PM	I would love to see a Bel Aire or Hollander type restaurant in the area.
Jun 25 2024 12:17 PM	Party Halls
Jun 25 2024 12:15 PM	We could use a recplex type of facility for indoor sports so teams can rent space rather than relying on school gym availability.
Jun 25 2024 12:11 PM	Would love more of a Ceburburg feel with the shoppes and restaurnt options. We are getting there. I love the addition of The Lunch Box and Chocolate factory.
Jun 25 2024 12:10 PM	GROCERY STORES!!! We need something higher quality like a Sendiks or Outpost. I know they were trying for Trader Joes but I don't think that fits the bill either. Something where we could actually buy everything. I hate pick n save!  RESTAURANTS!! all we have is bar food! We need smaller high-quality foodie restaurants. I small quality pizza and wine place. A Mexican place like Paloma in Wauwatosa. Avoid chains and find small restaurant owners not large groups that take over the city. We need something unique.  Specialty Retail Shops - We have had some good additions; however, they will thrive with more options, making it a destination where people would actually come and shop and spend the afternoon.
Jun 25 2024 12:09 PM	We only have two Kroeger stores and a Piggly Wiggly. Would be nice to have something nice like a Sendiks (we do go to Germantown). Again - less discount and more organic/healthy.
Jun 25 2024 12:01 PM	The worst part of Menomonee Falls, other than the lack of available indoor athletic areas, is the lack of restaurants. I will almost always go to Brookfield or Wauwatosa if I go out to eat.
Jun 25 2024 12:00 PM	Put a multi-sport indoor complex at the MFLL Complex on Mill Road.
Jun 25 2024 11:59 AM	Would love to have a trader Joe's on pilgrim/main where the Walmart used to be. Not enough quality dine in food options. Taco truck on appleton Ave is the best and one of the few quality places to eat.

### Question 27 continued

Jun 25 2024 11:56 AM	<p>So many vacant spaces. Old Walmart on Main, Fresh Tyme on Appleton.</p> <p>Stop bringing in fast food restaurants. We don't need Olive Garden or Burger King. Look at Tosa Village.....Cafe Hollander, Jose Blue; we need those in this Village!</p>
Jun 25 2024 11:51 AM	We are lacking in the athletic department. No real sporting good stores to think of and we are falling behind other communities as far as athletic facilities.
Jun 25 2024 11:50 AM	Village does NOT need another bank or fast food establishment.
Jun 25 2024 11:49 AM	<p>We have many full service restaurants, but it would be great to get more upscale cocktail restaurants or upscale restaurants in general. We have no fine dining, and I don't mean Olive Garden or The Haut House Tavern. We have a lot of pub food restaurants and breweries.</p> <p>It would be nice to have more indoor concert venues or any performing art venues like Brookfield. They have a comedy venue, upscale movie theater, professional theater venue that Milwaukee Rep is using.</p> <p>Overall note, we need more upscale venues that attract big names, attract restaurant awards, national or local.</p>
Jun 25 2024 11:43 AM	Would love to see a small market like grocery store go in the shopping area where the old fresh thyme use to be.
Jun 25 2024 11:41 AM	Trader Joe's specifically. And a multi use sports complex similar to an OAW in New Berlin for our Jr Phoenix basketball/baseball programs to host tournaments and practice in.
Jun 25 2024 11:40 AM	I think the Falls is really missing good grocery stores. I hate shopping at Pick and Save or Metro Market. I miss the old Fresh Time. Would love to welcome a Sendicks, Trader Joes, or Whole Foods.
Jun 25 2024 11:38 AM	one of the reasons I love the falls is because it has access to all these things and its great!
Jun 25 2024 11:35 AM	No more chain restaurants! Need a reason for people to want to come to the falls - good restaurants w more than bar food and specialty shops
Jun 25 2024 09:32 AM	Trader Joe's
Jun 24 2024 07:34 PM	<p>upscale dining, there is nothing to go for a "nicer" feel to go out to dinner. everything is bar food, for the most part.</p> <p>the birthing center at community memorial closing is one of the most disappointing, and truly horrific, atrocities in healthcare access to happen to our community. i implore the village to reach out to competing healthcare systems (ascension, aurora, etc.) to look into the opening of a birthing center for access to maternal and prenatal health.</p>
Jun 24 2024 05:59 PM	Breakfast restaurant
Jun 24 2024 01:03 PM	We need a health store like Trader Joe's or Whole Foods
Jun 23 2024 10:14 PM	However, more quality restaurants would be welcome!
Jun 23 2024 10:12 PM	Definitely need a Sendik's here in the Falls- & Seniors could benefit from a decent grocery store in the middle of town close to Colonial Plaza for walking if they aren't driving any longer since the Falls also lacks Cab- Taxi-Community Van Services like Washington County offers.

### Question 27 continued

Jun 23 2024 11:53 AM	Fresh Thyme, Sendik's, Trader Joe's, Whole Foods or other gourmet type grocery store.
Jun 23 2024 11:38 AM	We patron many restaurants; staffing is just miserable mostly. Few have customer satisfaction as the workforce interest has declined. They don't even say hello anymore? Not the community I desire.
Jun 23 2024 10:39 AM	Need more restaurant options that aren't chains or pubs
Jun 23 2024 09:29 AM	I really miss Fresh Thyme. I would love to see a store like Fresh Thyme or Trader Joe's.
Jun 23 2024 08:08 AM	indoor kids playplace
Jun 23 2024 08:07 AM	Trader Joe would be great to have
Jun 22 2024 11:41 PM	Music/educational.
Jun 22 2024 01:47 PM	New or quality used car dealerships
Jun 22 2024 12:20 PM	No good steak house since Lohmann's left
Jun 22 2024 07:25 AM	Would be nice to see some type of grocery store go back to where fresh thyme and old Walmart on pilgrim and main. Would be nice to have another Kwik trip that is easier and bigger to get in and out of.
Jun 22 2024 07:22 AM	I don't know what businesses are lacking, but the empty Walmart market and fresh thyme are blights to the area.
Jun 21 2024 05:14 PM	We need a nice supper club
Jun 21 2024 05:04 PM	A nice steakhouse would be a great addition to the Falls.
Jun 21 2024 05:03 PM	We often travel to downtown milwaukee, places like the third ward and walkers point to try new, up &coming restaurants. There is a lot of variety, which I feel is lacking in menomonee falls

Jun 21 2024 04:14 PM	Vote for Trader Joes where Fresh Time closed years ago!!!
Jun 21 2024 01:12 PM	Overall we have a nice variety of the above.
Jun 21 2024 12:45 PM	The Village has the potential to be a welcoming and vibrant entertainment district but needs vision!! Utilize the riverfront. Stop building giant apartments/condos downtown. Look to villages like cedarburg and tosa for ideas.
Jun 21 2024 11:53 AM	Wish Fresh Thyme would return!
Jun 21 2024 11:49 AM	Breweries
Jun 21 2024 11:23 AM	Find occupants for the two empty grocery stores.

Jun 20 2024 08:54 AM	Can an appeal be made to get a Culvers around the area of Appleton and Menomonee Aves?
Jun 20 2024 08:47 AM	Metro Market is a dump, Pick N Save terrible, all have gone down hill since 2021,, Fresh Thyme tried but that's a "Tosa store" not a Falls store, I go out to the Pig in Richfield, I know it would be difficult, but get a nice grocery store like that one would be great as it's obvious the owners of Metro and Pick have thrown in the towel
Jun 20 2024 06:27 AM	Would be nice to have a couple higher-end restaurants instead of having to go to another community for a nice dinner

Jun 19 2024 10:38 AM	Removing the Fresh Thyme years ago and not replacing it has really impacted me. I now travel to Brookfield 3-5 times per week to grocery shop at Fresh Thyme & Trader Joes since they are both on Bluemound rd. I also have been to the Corners of Brookfield to go to Sweetgreen for a healthy food option since we only have a surplus of fast food or restaurants in the Falls. I would love to see us add more clean options to our village like Cava (not in WI yet), Sweetgreen, Trader Joes, etc. Adding things that Millennials and Gen Z consume will help the village continue to evolve from the great foundation that already exists.
Jun 19 2024 10:29 AM	It is not the governments responsibility to entice/induce business...

Jun 19 2024 08:47 AM	We could use more restaurants!
Jun 19 2024 07:50 AM	The grocery stores need workers. Pick n Save on Appleton Ave has been especially bad and checkout times are very, very long- even in self checkout.
Jun 19 2024 07:46 AM	I would love for the Falls to be our destination when I have family visit. Right now we go to Cedarburg, Oconomowoc or Pewaukee.  I'd also prefer to spend my money in the Falls than these areas, but we need the options of different businesses and business types to do that.

Jun 18 2024 09:43 PM	Natural grocery store!!! Fresh thyme was my family's absolute favorite and walking distance to my home. So sad to see it go. And the Walmart grocery store that was on main and pilgrim.. every time I like a store, they leave the falls!! We need a place for us crunchy folk to get our groceries, woodmans it a hike and quality has decreased.. area of opportunity there!
Jun 18 2024 09:38 PM	Trader Joes

Jun 18 2024 08:04 PM	A grocery store with healthier options would be wonderful - Whole Foods, Sendiks, Trader Joes, or similar.
Jun 18 2024 07:47 PM	I love the locally owned small businesses we have!!
Jun 18 2024 07:39 PM	No more banks needed
Jun 18 2024 07:35 PM	Health food store like we had
Jun 18 2024 07:14 PM	need golf courses

Jun 18 2024 05:31 PM	BUT NO MORE SMOKE SHOP OR VAPE SHOPS
Jun 18 2024 05:25 PM	Trader Joe's in fresh thyme building
Jun 18 2024 05:24 PM	No more chain restaurants! We have too many grocery stores, we could use more brew pubs that have outdoor areas like third space. Fresh Thyme would be a great location for something like this.
Jun 18 2024 05:23 PM	I do miss Fresh Thyme!
Jun 18 2024 05:18 PM	To many strip malls along Appleton Ave. Does not look nice.
Jun 18 2024 05:18 PM	I miss Fresh Thyme/ having a grocery option with more holistic supplies
Jun 18 2024 05:17 PM	Reach out to Outpost or Trader Joe's to fill the old Walmart or fresh thyme locations.

## Question 27 continued

Jun 18 2024 05:11 PM	I often wished there was a grocery store and/or something like a Walmart close, on Silver Spring where all the new housing development has been occurring. I don't count Karl's as a grocery store...too expensive and limited selection. Then, again, Walmart out here may have eventually gone the way of the one to the east, which wasn't too far, but I never felt safe going there.
Jun 18 2024 05:06 PM	Downtown grocery store
Jun 18 2024 05:03 PM	We have a lot of good going on. But more would be great too
Jun 18 2024 05:01 PM	Need a grocery store where Fresh Thyme Market used to be.
Jun 18 2024 04:59 PM	<p>Grocery shopping is a big problem. In our village of nearly 40,000 residents because there is a distinct lack of competition... Which leads to higher pricing. Off the top of my head I can think of 6 grocery stores... And 33% of those are the same chain which is Pick 'n Save... Woodmans on NE border where many older residents are afraid to shop due to its proximity to Milwaukee ... With target also selling groceries as well as Piggly Wiggly and Costco If you are willing to pay a membership fee and always have to buy in bulk.</p> <p>Lack of competition drives prices up. I often leave the village and go shop in Germantown either at the super Walmart or if I'm looking for high-end stuff sometimes I will go to the Sendik in Germantown. It was a horrible plan to try to put in the Walmart on Pilgrim Road and Main Street, when you already had a super Walmart close by in Germantown. That said, I'm not sure of another grocery chain that might make a go of it in that old small version Walmart shopping location on Pilgrim and Main Street other Let's say and "Aldi".</p>
Jun 18 2024 04:50 PM	Clean, well-stocked quality grocery stores.
Jun 18 2024 04:48 PM	Health foods. Vegan restaurants.
Jun 18 2024 04:38 PM	A Specialty grocery store - ie: Trader Joe's, Outpost, Sendik's
Jun 18 2024 04:36 PM	Pick n Save is terrible. Really miss Fresh Thyme in the village.
Jun 18 2024 04:34 PM	Food options could be better in the east/southeast part of the village. Having village classic restaurants like Pops is great, but adding more "adventurous" options like Evies would be even better.
Jun 18 2024 04:34 PM	Better dining
Jun 18 2024 04:31 PM	Coffee shops
Jun 18 2024 04:28 PM	Fine dining -- non-chains!
Jun 18 2024 04:26 PM	Would love a Trader Joe's
Jun 18 2024 04:21 PM	More plant shops, record stores, affordable second hand stores
Jun 18 2024 04:18 PM	Non chain restaurants
Jun 18 2024 04:17 PM	Need upscale dining. Dont like that we hve to drive to Brookfield or Tosa for date night. Just casual or sports bars (and even these are a little dicey) in MF
Jun 18 2024 04:13 PM	Not enough restaurants, too much fast food.
Jun 18 2024 04:12 PM	More diverse restaurants. Would also love to see an indoor athletic facility.
Jun 18 2024 04:12 PM	Better quality restaurants, not chain restaurants.
Jun 18 2024 04:10 PM	Meijer and Five Guys would be the two shops I think are missing
Jun 18 2024 04:08 PM	Sell of old office space that is vacant and restore it as residential apartments
Jun 18 2024 04:03 PM	Add Bookstore

### Question 27 continued

Jun 18 2024 04:00 PM	The location of the grocery stores are difficult, I wish they were more centrally located. Child-care is expensive here. I always want new restaurants
Jun 18 2024 03:52 PM	I'd love to have a nice Indian restaurant here like Taste of India or a vegetarian restaurant like Manna, as well as a fancy chocolate shop (like Fazio's) to compete with Chocolate Falls. A truly wonderful European style bakery would be great as well.
Jun 18 2024 03:39 PM	Good quality grocery store like Festival foods and close woodmans
Jun 18 2024 03:11 PM	Enough with the banks, holy cow.
Jun 18 2024 03:02 PM	We need more year-round adult lounging options. More spots like Hot House, Third Space Brewing, and Trysting Place (when it was here)

Aug 26 2024 05:58 PM	I am severely limited on what businesses I can visit because many of them are not disability accessible.
Aug 26 2024 02:30 PM	Travel outside of the falls to better optional
Aug 26 2024 01:52 PM	always out by 2 never downtown from 2-7 or 7 am till 10 traffic
Aug 26 2024 12:29 PM	I make a concerted effort to shop local before even looking elsewhere.
Aug 04 2024 08:53 PM	I support local, small businesses as much as possible.
Jul 17 2024 11:22 PM	Mainly because I work full-time, and on weekends I just want to rest and recharge at home.
Jul 13 2024 10:34 AM	Parking is rough on Main Street and Appleton Avenue.
Jul 12 2024 12:16 PM	I mainly use the grocery stores.
Jul 11 2024 10:35 AM	Usually only as a meet-up with a friend

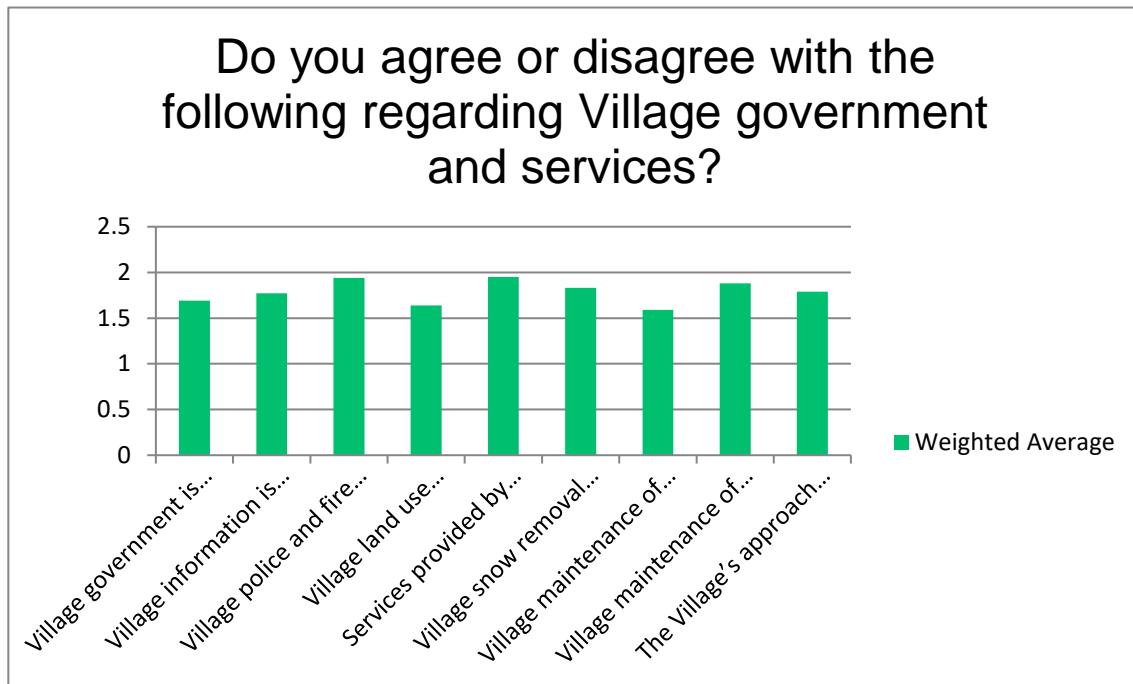

### Question 28 continued

Jul 11 2024 07:38 AM	Not sure what you consider local businesses of the Village.
Jul 11 2024 07:10 AM	I've been to the Chocolate Factory WAY too much! Love them :) The waterfall is my absolute favorite spot in town.
Jul 11 2024 04:48 AM	Love Chocolate Falls and Bank of Flowers!
Jul 08 2024 11:09 AM	It's often to crowded and/or parking is not available or too far away.
Jul 07 2024 12:06 PM	Mainly visit grocery stores in the village.
Jul 07 2024 09:53 AM	We would love to have a nice, walkable downtown with interesting shops and dining...we're getting there, but we're not there yet, and we have no hope it will change anytime soon.
Jul 03 2024 10:41 AM	Most of our visits to village businesses center around gas, CVS, and all the shopping around County Line Road (which also hits the Germantown businesses).
Jul 02 2024 02:53 PM	I walk and shop at groceries stores, sometime every day or every other.
Jun 30 2024 10:48 AM	I would go more often but the parking and traffic is terrible
Jun 27 2024 10:07 PM	I Cousins, Papa Murphy's and Marcus Theatres are considered local, more frequently.
Jun 26 2024 10:07 AM	If there is a local option for the good or service I need, I will seek it out first.
Jun 25 2024 10:45 PM	Village first, farmers markets, after I visit the farm, friends, locals, then outside if I need to.
Jun 25 2024 09:23 PM	Is a grocery store a local business? If yes than once/ week
Jun 25 2024 11:40 AM	I try to support local businesses as much as I can, but we could use some new life and excitement!
Jun 24 2024 09:16 AM	Because of the poor traffic flow through "downtown" Menomonee Falls, I tend to go south to Brookfield for shopping.
Jun 23 2024 10:12 PM	Pretty much every day for myself at one point or another for something I need.
Jun 23 2024 08:01 PM	.
Jun 23 2024 11:44 AM	We would only go to the village for a restaurant or event at village park (music, farmers market) since there isn't much else available of interest and we are isolated from the area unless we drive there
Jun 23 2024 11:38 AM	As there isn't much shopping in Iannan I'm in the Falls or Sussex to shop. Sadly I've been finding myself going more to Sussex for better community, service and availability of goods. I do love that we have every store near imaginable for home improvement!
Jun 22 2024 02:33 PM	We need more options.
Jun 22 2024 12:20 PM	Shop the Falls first!
Jun 21 2024 01:12 PM	Having different events and activities throughout the year may increase sales for our community
Jun 21 2024 08:43 AM	Like the addition of more local businesses in recent years which is drawing us to the downtown area.
Jun 20 2024 09:20 AM	When home always stay local! Miss falls house of cakes.
Jun 19 2024 09:33 PM	I support local businesses as a Top Priority
Jun 19 2024 07:17 PM	We have a good variety of businesses. We are not a city.  Stop overcrowding.
Jun 19 2024 10:38 AM	I have to travel to Brookfield to shop since there aren't many options that peak my interest. I would prefer to stay in the Village but everything seems so niche.

## Question 28 continued

Jun 19 2024 09:35 AM	If there was more downtown, I'd happily go. I'm excited about Batter & Mac, Chocolate Falls, and Sal's. I haven't been to the Lunchbox, the burger place is crazy expensive and I don't smoke so no need to visit the smoke shop.
Jun 19 2024 07:15 AM	i work at one
Jun 18 2024 10:21 PM	It would be great if the village area attracted more boutique shops instead of tattoo parlors and vape shops
Jun 18 2024 07:49 PM	On south side of falls, off silver spring. Could use more options near us for dining. usually visit Brookfield for dining and groceries as there is very limited options near our home, that is in the falls
Jun 18 2024 06:05 PM	We try to support local businesses as much as possible.
Jun 18 2024 05:51 PM	Hardly visit the downtown businesses as they are closed by the time I get home from work and I normally work my side hustle Saturday and some Sundays. So mostly my choices are chains because they are open late.
Jun 18 2024 05:23 PM	I want to just shop and not worry about political agendas.
Jun 18 2024 05:09 PM	Why has no business gone in on Appleton where the grocery used to be? Can the village offer some kind of tax incentive?
Jun 18 2024 05:09 PM	Shopping is plentiful in the Falls. I just would like more unique dining opportunities- supper club, higher end
Jun 18 2024 04:59 PM	Again, who wrote these questions? Every business that's in Menomonee Falls is a "local business" ... whether they are grocery stores, a fast food chain restaurant, or a one of a kind unique business. I'm guessing you were thinking more about the "one of a kind" unique business is such as those that might be found along Appleton Avenue on Main Street going through, what is generally perceived as the "downtown"? If downtown businesses are what you really we're getting at, you need to specify the boundaries of those so that you get them more accurate answer. You really need to put more thought into how these questions are written.
Jun 18 2024 04:55 PM	My husband and I try to frequent local businesses as much as we can.
Jun 18 2024 04:22 PM	We need more breakfast restaurants or bakeries. More options for a nice dinner.
Jun 18 2024 03:52 PM	We need more of one thing in general-- elegance. We as a town tend to be very utilitarian and casual. Just a touch of class here and there so we don't always have to go to Brookfield for things like that.
Jun 18 2024 03:22 PM	Again, this goes back to all of the awful traffic on Appleton Ave. I'd probably utilize the down town businesses more, if it wasn't for the traffic backups. I work full time, I have limited time when I get out and about and apparently, 90% of the Falls residents have the same issue as they're all out at the same time as I am.

Sep 18 2024 10:27 AM	Village PD can do more outreach events to educate and increase awareness of services provided to residents
Sep 15 2024 02:38 PM	Too many businesses landscaping maintenance is trashy. Hurts the appearance of our village.
Sep 11 2024 11:02 AM	Streets need serious work
Sep 10 2024 09:49 PM	I am not sure where to direct this comment. I emailed the chamber of commerce but received no acknowledgement. After all the village efforts to improve the downtown and make it friendly and accessible to all the village, with no fan fair, saw it appropriate to open a gun store in downtown. This decision did not take into account that this store is in a short walking distance from 2 schools, North Middle and Saint Mary. This decision seems against all thinking of creating a great downtown. Can this decision be revisited?
Aug 29 2024 01:16 PM	I disagreed with the Village's decision to not allow a facility for women who are trying to get their lives together. The Village could have provided safe, quiet, nature-enhanced space for that facility. At times, more attention could be given to conditions of roads.
Aug 28 2024 03:18 PM	Salt use during a snow storm seems excessive. Neighborhoods do not need to have clean dried streets in one hour after a snow storm.
Aug 27 2024 02:57 PM	I can't answer some so left blank. Re: police- would be nice to see more police enforcing speeds- especially Pilgrim S of Appleton!!!
Aug 26 2024 10:28 PM	There has been a strong uptick in shoplifting. There needs to be a stronger police presence in the frequently hit stores. I don't feel safe going to places like Woodman's or Ulta
Aug 26 2024 09:49 PM	Village park maintenance and employees are some of the finest I've seen. And no I don't know any of them.
Aug 26 2024 06:56 PM	The village prioritizes police funding over public safety initiatives through signage and safe crosswalks. Trustees seem politically biased and are inappropriate online.
Aug 26 2024 06:05 PM	It seems as though the most wealthy and well connected get what they want in the village, and everyone else just has to deal with it. Nepotism seems to rule Village government. Every year, snow removal is mediocre at best, and the village leaves it on disabled people to report snow removal issues. At-Large trustee Taggart openly espoused ableism as well.
Aug 26 2024 03:43 PM	Slow the growth
Aug 26 2024 03:34 PM	Some people need to be made to take care of their yards...weeds, cut grass etc
Aug 26 2024 01:59 PM	you do what you want where you want no matter what we say
Aug 26 2024 01:45 PM	Many houses and yards in our neighborhood that look trashy.
Aug 26 2024 12:51 PM	I feel that many streets, including associated curb/gutter, sidewalks, traffic control, pavements, etc go too long between maintenance and renewal cycles leaving them in poor condition
Aug 26 2024 12:50 PM	Too many water main break this year. The infrastructure needs replacing not repair.
Aug 21 2024 02:23 PM	Property maintenance is very poor related to other communities
Aug 20 2024 08:08 PM	Pizza Hut...
Aug 16 2024 12:48 PM	RECENT SEWER CHARGE PER METER IS EXCESSIVE AND NEEDS TO HAVE RESIDENT FEEDBACK
Aug 13 2024 07:35 PM	This is a nice place to live, work, play. It is NOT Cedarburg, thank goodness.

## Question 29 continued

Aug 09 2024 02:14 PM	The are far too many homes with grass almost up to the knees and tall weeds. I drive down Marcy Road and Townhall Road frequently and there are multiple homes like this. It was my understanding that the village would cut those homeowners yards and then charge them. If they don't, they should. On Marcy Road last year there were two homes that never cut their grass the entire summer. This just brings down the aesthetics of the entire Menomonee Falls Village when Properties are left like this and not addressed in a swift and timely manner.
Jul 30 2024 08:36 PM	Would like to see people with sidewalks be sure to shovel them when it snows. If you want to walk outside in winter or early spring, there are often sidewalks that aren't cleared so you can't get through.
Jul 27 2024 09:46 AM	Not enough speed limit enforcement.
Jul 26 2024 06:13 PM	I'm not sure what the approach to property maintenance is but there are some pretty poorly maintained properties around
Jul 26 2024 05:51 PM	re: village information and land use decisions which are concerns because of the one-sided philosophies of our Village Board. It is no secret that there is not Bipartisan representation on many decisions starting with honest open communication about many issues our village has faced --from committee appointments, land use issues and budget decisions.
Jul 25 2024 12:50 PM	Our street in particular has many houses with extremely overgrown invasive weeds and plants. It affects all the houses around them. The area of Dardis, Theodore, Ann Ave.
Jul 25 2024 12:23 PM	More emphasis on weed control of private property
Jul 23 2024 08:24 PM	Pilgrim road is major thoroughway and poorly maintained
Jul 23 2024 11:25 AM	-- Our library and its employees have been a valuable resource for us. --This past winter snow removal was not timely and the job was not well done. -- We have a woman down the street whose yard is full of weeds and junk. She has a huge solar panel on a huge post in her back yard. After complaining several times to the Village, there's not much improvement. I think there needs to be guidelines regarding things like solar panels and action taken when a complaint is made.
Jul 22 2024 09:13 AM	I am very happy with our police and fire response times and responsiveness. I am not happy with the condition of some of our roads. As stated previously, in the winter, it is almost impossible to enjoy outside or get in and out of our own driveway. My husband and I sometimes spend 3-4 hrs EACH DAY trying to keep the ice dam manageable and safe for everyone.
Jul 19 2024 01:53 PM	For the most part, the street maintenance is very good. However, in my neighborhood, the streets need maintenance.
Jul 18 2024 08:30 AM	I don't know enough to comment on this.
Jul 17 2024 11:25 PM	With there was a "No Opinion" or "Don't Know" option
Jul 17 2024 04:12 PM	The Library meets the needs even though it is constantly challenged by members of the political Village Board, and their appointments of partisan Library Board Members.
Jul 14 2024 10:48 AM	Recently moved back to MF. Not sure of answers now.
Jul 12 2024 09:36 AM	The library is amazing! I utilize it, I hope and wish the community would utilize it more. What a fantastic facility, great staff, beautiful location. I love it!
Jul 11 2024 05:46 PM	Village land use decisions are generally in the best interest of the community. - but what about wildlife?
Jul 11 2024 01:45 PM	I know there are a lot of side streets to maintain, but quite a few have pot holes.
Jul 11 2024 10:37 AM	No opinion.

### Question 29 continued

Jul 11 2024 10:29 AM	They only care about enforcing ordinances in high income neighborhoods
Jul 11 2024 09:23 AM	Many side roads are poorly lit and dangerous to drive or walk through with many potholes and damaged surface roads.
Jul 11 2024 08:41 AM	Brush pickup didn't happen in a timely manner this year. There were piles of brush sitting at the curb so long that grass was growing up through it. It seems it used to be picked up in a week or two. Was it an outside company that did it this year?
Jul 11 2024 07:27 AM	Increasing numbers of homes with very poorly maintained exteriors, multiple vehicles or boats etc parked on grass, junk in yard that is there yearround. Yard never mowed etc.
Jul 11 2024 07:15 AM	We could use more police (I'm not familiar with the other first responders), I know they are overworked at an already stressful job - we need to care for the mental health of all of our first responders. You don't realize how vital it is until you've been in a family of a first responder.
Jul 09 2024 11:30 AM	Snow removal on sidewalks is not enforced by the village.
Jul 08 2024 01:15 PM	I applaud Village administration and services. They do a great job.
Jul 08 2024 09:20 AM	The development in the southwestern portion of the village needs to be slowed down. Too many high-density housing units along with the regular new home construction is beginning to put a strain on local traffic as well as the local schools (Hamilton district).
Jul 08 2024 07:27 AM	Don't care for the jungle plantings just put in on Appleton Avenue.
Jul 07 2024 06:00 PM	Before our condo HOA took over maintenance from the developers, no one did anything about the hill of thistles (your website calls these noxious weeds) behind my condo. It was there for over 3 years. Do you not look for these types of things?
Jul 07 2024 12:19 PM	Need to start addressing the invasive Buckthorn in the village with education and removal.  Need snow removal on trails adjacent to Pilgrim Road.
Jul 07 2024 10:05 AM	Village information - the website could provide more information. When we first moved in, and still, it can be difficult to find basic information. Newsletters often talk about "new" or "improving" which is great, but more about what is already available would be helpful.
Jul 07 2024 06:50 AM	We could use more staff on the fire department
Jul 06 2024 08:37 PM	I love the library, and am put off by the village board's threats to defund it or ban books from it.
Jul 06 2024 07:15 PM	Had an encounter with a village building inspector who launched an obscenity laced tirade at me because he thought I was letting water out of my pool and flooding the neighbors lot. No, it was because it rained heavily you moron.
Jul 04 2024 05:29 PM	There are overgrown trees/shrubs on private land that is blocking stop signs and the sidewalks throughout the village. Those should be fixed ASAP. The walking path along the parkway close to Neu's is too narrow and uneven for riding hard wheeled transportation (scooters, strollers, inline skates)
Jul 04 2024 06:19 AM	General village information is accessible; Village and School Boards information is not always timely or easily accessed.

## Question 29 continued

Jul 04 2024 03:01 AM	Please reduce the political "noise" on the Village Board and School Boards. It detracts from the strengths of our community and isn't relevant for our community issues. This has nothing to do with preferring "right" or "left" politics, but just wanting our community leadership to be a place where we don't have to deal with this level of division. And also acknowledging almost none of the political matters have anything to do with how to make our village better (investments in infrastructure and safety).
Jul 04 2024 02:43 AM	Disagree related to village government is my dissatisfaction with increasingly political rhetoric. It's unnecessary and unproductive at the community level. Creates too much distraction as well as creates negative image of the village.
Jul 03 2024 11:40 AM	Public library needs funding to remain a vital asset or all residents.
Jul 03 2024 11:31 AM	Although the mentioned services are satisfactory, some are more so than others. Street maintenance, for example, can vary depending on the neighborhood you live in and whether projects have torn things up.
Jul 03 2024 08:34 AM	The library is excellent! Keep it going!
Jul 02 2024 08:42 PM	Need to enforce the codes. Especially grass cutting and weed abatement
Jul 02 2024 03:03 PM	Sadly village information is most accessible via negative/inappropriate comments on social media. The Menomonee Falls Library is a important to our community and the village. It meets the needs of the community but has greater potential. I am hopeful past friction between library and the village is behind us with both sharing goals which best serve patrons and residents without personal bias.
Jul 01 2024 05:50 PM	Not ever happy about the snow removal. No need to plug up peoples driveways like they do.
Jul 01 2024 08:38 AM	We loved our experience being a village homeowner for 30 years!!!
Jun 30 2024 10:14 AM	We need more police and fire. The service they provide is good, just need a lot more of them
Jun 29 2024 03:22 PM	No opinion
Jun 29 2024 02:40 PM	Village needs to maintain, clean up, and cut down fallen trees around creeks. Village needs to stop letting developers build more and more apartments.
Jun 28 2024 08:49 PM	The speeding and lack of law enforcement at Oakwood Park is very disappointing. We had to move because it was unsafe for our children to be in the driveway where people speed excessively. The racing down Oakwood Drive and Judith Lane is out of control. We tried to encourage speed bumps for the safety of everyone, but it was never considered because of plows in the winter. We even offered for the police to sit in our driveway. They never did. All of our neighbors moved before us and then we finally had to, too.
Jun 28 2024 02:22 PM	I LOVE our library and brag about it often
Jun 28 2024 01:30 PM	Snow removal procedures need to be drastically improved. They were absolutely unacceptable this past winter. The length of time to have snow removed from main streets was far too long. In addition, snow plows caused a fair amount of damage to residential areas.
Jun 28 2024 07:08 AM	Although, again - I do not want to see more rental buildings because in 10 years or more - they'll turn to low income rental units. We don't want that.
Jun 27 2024 02:45 PM	I know some residents complain about the now removal or road maintenance but as a past village trustee, residents do not understand budget constraint or employee time constraints or weather. I've lived here on St. Thomas for 32 years and do not have any complaints about anything.
Jun 27 2024 10:46 AM	Menomonee River Pkwy trail south needs improvements

### Question 29 continued

Jun 27 2024 10:18 AM	Hate to see new areas developed for more big box stores when so many structures are already vacant and have been for years (Walmart market, Linens & Things, etc.)
Jun 27 2024 09:53 AM	The snowplow guy is outstanding in our area. The street we need a bit of work on in our subdivision. There are a lot of chunks of broken up street which create hold when you walk and hope for no sprains.
Jun 27 2024 07:48 AM	Could use improvement in upkeep of baseball fields
Jun 27 2024 06:44 AM	The village government is only responsive to those people of like political beliefs. They don't take into account the natural environment when doing build projects. For example the lighting along fall parkway is excessive and not bird friendly.
Jun 26 2024 03:12 PM	Snow removal satisfactory minus paths- is an area of need and concern.
Jun 26 2024 10:40 AM	I appreciate all of the existing park and trail opportunities in the village! They are an immediately visible example of how much a municipality cares or doesn't care about its residents' quality of life. Visitors, prospective residents, and prospective business owners take notice. I use the parkway segment adjacent to my neighborhood a lot and I enjoy visiting other segments around the village to see how others are using it in creative ways, or in ways that I don't! These resources are valuable to lots of different people in lots of different ways.  I was initially skeptical of the work that was done to connect the parkway trails (construction of boardwalks, pedestrian bridges over the river) but I have found them valuable and people use them to get around!
Jun 26 2024 07:52 AM	Police are over worked and understaffed - the interactions I've had with current staff are always helpful and responsive
Jun 26 2024 07:43 AM	why can't weeds be sprayed at intersections. so easy, your trucks drive by all the time.
Jun 26 2024 06:53 AM	The water runoff in our neighborhood leaves standing water for weeks.
Jun 26 2024 06:45 AM	Trail snow removal is very poor
Jun 25 2024 10:53 PM	People around area have houses tall grass and weeds nothing done
Jun 25 2024 10:53 PM	My biggest problem is I have a drain tile that releases in front of my property and for 18 years they did not block it and since the new truck has been pushing snow he has been putting it all in front of my yard blocking my drain tile in winter. On my cul-de-sac I have the smallest front yard, I asked him if he could please push the snow and ice to the larger open areas of the cul-de-sac personal asked and he literally pushed even more snow in front of my yard. This caused a back up of water into my basement, flooding and thousands of dollars of repair... I asked two years in a row.... this winter if it happens again with all the photos and documentation I will be using a lawyer to assist me. Obviously, speaking with the driver is only costing me money. This has gone on for 3 years now and I have personally gone out and spoken with the driver and called the village with no relief. I hope you are reading this.
Jun 25 2024 06:11 PM	I feel like the only thing I see the police doing are pulling over speeders. There must be other crime in the village that would be a better use of resources. Many houses are being built and new subdivisions but there is a lack of retail and restaurant space to go along with those.
Jun 25 2024 05:40 PM	My gripe with the trails is that they have not been properly maintained for years. It's resulted in them looking very unkempt and it is a bit embarrassing, to be honest. It looks very run down through Lime Kiln and on a pathway that runs alongside the river.
Jun 25 2024 04:48 PM	Leave the library alone!

### Question 29 continued

Jun 25 2024 04:15 PM	Some people's houses are completely overgrown.
Jun 25 2024 03:42 PM	I think using the property adjacent to the waterfalls for private apartments was a big mistake on the part of the village, though I understand the population is likely a boon to downtown businesses. I hope the apartments are maintained to a high standard for many years to come.
	I do think there needs to be a little more street maintenance on Appleton, County Line, and around the schools. I also wonder if there are any plans on water main replacements down the line as there seem to be a great many number of leaks and repairs happening.
Jun 25 2024 03:35 PM	We live near Oakwood Park. That employee does an amazing job keeping that park cleaned up year round. We see so many people using the park, renting shelters, playing volleyball in the fields. Many people leave it a mess when they leave, especially by the basketball courts.
Jun 25 2024 02:12 PM	Snow removal is not dealt with in the best way possible. Piling it up at the high school isn't the best solution. Maintenance of the village dead trees in the parts of the village that doesn't have curbs and sidewalks isn't as big of a priority as the areas of the village that do have curbs and sidewalks. Also maintenance of our main roads doesn't happen that often either.
Jun 25 2024 02:11 PM	The material used to resurface Ash Drive has been unacceptable, very rough, continues to have loose gravel
Jun 25 2024 01:34 PM	I really don't know about many of these.
Jun 25 2024 12:48 PM	Police and fire services are adequate and responsive. However, police resources should be directed away from traffic enforcement and more towards police presence and prevention of property and violent crime creep into the Village.
Jun 25 2024 12:47 PM	Need better maintenance of roads. Way too many pot holes and damaged street where street parking. Way too many uneven sidewalks for walking young children.
Jun 25 2024 12:45 PM	Would love expanded bike trails !
Jun 25 2024 12:36 PM	More funding for the library. Germantown's library is a wonderful model.
Jun 25 2024 12:30 PM	repair side streets regularly, no more bandaids
Jun 25 2024 12:29 PM	The roads here are awful, worse than some of the much poorer communities I've lived.
Jun 25 2024 12:18 PM	bad potholes on El Rio Dr
Jun 25 2024 12:16 PM	Street cleanup and repairs after the (many) local water main breaks is slow.
Jun 25 2024 12:12 PM	It would be great to see more social services instead of law enforcement support. Having both will only increase safety and perception of safety. The lack of social services doesn't make me feel the village cares for its people. Just wanted them to be silent and obey instead.
Jun 25 2024 12:12 PM	I feel the snow removal of the streets is just fine, I just want snow removal a couple times a year on the paved paths to remove piles.
Jun 25 2024 12:11 PM	The village has allowed a couple of businesses to locate or expand with inadequate parking or property. For example, the drive through for the Starbucks on Appleton and parking at the Social Haus. Both are safety issues.
Jun 25 2024 11:52 AM	Let people have chickens. Snow removal needs to include wheelchair inlets and outlets. Existing parks and trails need to be safer/ better lit/ better maintained/ and improved. No new trails. We have enough. The village government is very disappointing. The representatives that have been elected are disrespectful and not inclusive of all families that live in Menomonee Falls.

### Question 29 continued

Jun 25 2024 11:52 AM	I wish they wouldn't chop down all the vegetation around the ponds at Oakwood park. It looks horrible and seems to be contributing to erosion
Jun 25 2024 11:52 AM	Could use more police presence/enforcement around stops signs and speeding in school zones when children are present.
Jun 25 2024 11:42 AM	A lot of these I don't really have an opinion on. I wish there was more leaf or stick collections. I had sticks in front of my house for weeks before they got picked up and it turned all my grass in my front yard brown.
Jun 25 2024 11:41 AM	Why can't there be on-street parking in Lily Creek. Getting a parking ticket for parking my quite suburban street in the summer is insane.
Jun 25 2024 11:41 AM	After redoing the watermain in several areas (Manhattan Drive, Pilgram Rd), the street was partially repaved making a rough patchwork of the entire work section. The street should be fully repaved and smoothed.
Jun 24 2024 09:19 AM	As noted earlier, the Village needs to be more diligent on maintenance of medians on public roads. As an example, each year several people in our neighborhood contact the village regarding the condition of the medians on Northfield Dr. Nothing has been done to clean them up.
Jun 24 2024 06:18 AM	We have a few homes that lawn care is not done. It hurts the property values and gives an impression that neighborhood is of poor value
Jun 23 2024 10:27 PM	All areas have lots of room for improvement considering how this Town now (not a Village anymore) has grown way too big for its britches, too darn fast & has not in my opinion been prepared well ahead of time for this kind of growth. I believe it's ill prepared.
Jun 23 2024 08:02 PM	.
Jun 23 2024 03:17 PM	This past winter the plow did not get close enough to the curb and I had to shovel a foot into the street
Jun 23 2024 12:56 PM	Not sure what the last item means.
Jun 23 2024 12:19 PM	I'm not familiar with your library or all things government. I do know we now employ your FD and appreciate their fast responses. However I'm not happy you dropped our snow removal service. It's been horrible with bad Village board members lacking in responsibilities. There are some things at Meno park that need fixing but overall the dog park is well maintained. Need water now in small dog section. Sometimes it's too much to get back to the All dog area
Jun 23 2024 11:59 AM	Willowood park is the closest to us but is not well maintained or very user friendly. Would be great if it had a multituse trail from there connecting it to the village and/or other parks/recreation areas/bugline trail as well as other communities
Jun 23 2024 11:55 AM	The streamed village board meetings allow all residents to keep in touch with village issues.
Jun 23 2024 09:44 AM	Village trustees seem to have their own personal agendas rather than working for the entire village.
Jun 23 2024 09:21 AM	Passive enforcement does not work and pits neighbors against each other. Some things like in appropriate signing are obvious and village staff should proactively enforce. Should be able to report neighbor issue anonymously
Jun 23 2024 08:13 AM	I am amazed at all the activities our library offers to all ages!
	Thank you to our police officers and fire department for all they do! They do very important work! Safety can never be under valued.

### Question 29 continued

Jun 22 2024 06:01 PM	Snow removal enforcement is non existent!
Jun 22 2024 02:34 PM	What property maintenance enforcement?
Jun 22 2024 01:49 PM	Fix localized dips and/or sunken manholes (e.g. Appleton Ave.)
Jun 22 2024 09:33 AM	Have no opinion on the rest.
Jun 22 2024 08:14 AM	River Bridge condition.  Replacement soon needed.  Park to Mill.
Jun 21 2024 05:18 PM	Downtown is improving nicely, all the apartments going up, seems like a lot. I hate to see the Village lose its old world charm.
Jun 21 2024 05:07 PM	The village needs more police. There is a surge of shoplifting and stealing happening at area businesses.
Jun 21 2024 01:23 PM	These questions are poorly written as it only allows 1 response for the entire gov/service entity. My response varies depending on the particular gov/service provided
Jun 21 2024 11:59 AM	“property maintenance” is tricky. I wish we could help some elderly / physically limited home owners with the large task of keeping a property looking great.
Jun 21 2024 09:51 AM	The village had done nothing about an abandon house on our street. Many complaints but no action at all from the village. Also get rid of weeds growing along the gutters on the main streets. Looks like a run down town. We have had many issues with snow removal tearing up our yard and no one comes and fixes it. Plus, the driver plows us in
Jun 21 2024 09:42 AM	Rotary Park Trail is in desperate need of repairs (and widening)
Jun 21 2024 08:50 AM	While the snow removal is fine, we live right on the Brookfield border and there is a visible difference between how quickly snow is removed (Brookfields is always removed immediately even on big snowstorms and they seem to prep with surface treatments before storms)
Jun 21 2024 08:06 AM	A sense of community goes a lot further than Village enforcement!
Jun 20 2024 11:42 PM	Need more trash cans around the village. Menomonee Ave needs to be fixed instead of patched up. I injured my knee in 2024 when snow wasn't removed by Appleton Apartments. Unsafe crossing of streets due to lack of stop lights on Appleton and Arthur (last year there was an officer involved accident)
Jun 20 2024 11:01 PM	The timing of snow removal is great, but we live on a cal de sac and our yard gets ripped up every year. It is never repaired well.
Jun 20 2024 10:46 PM	Lack of trees!! Feel the Village Board is under the influence & direction of a republican group which runs board go decisions behind the scenes!!!!
Jun 20 2024 09:50 PM	The sidewalk snow removal along Silver Spring is significantly lacking
Jun 20 2024 09:11 PM	Snow removal is non-existent in the Downtown BID District. Should be a high priority (to help the local merchants who pay the extra taxes for the services). A little more attention to street sweeping and maintenance would be good, too.
Jun 20 2024 03:27 PM	I've submitted testimony to the board before and only heard back from three of them so I would say the board is not responsive, however other parts of the village government that I have interacted with are responsive. I have a hard time finding what I want to know on the village website, the search function is not helpful to me. The ones I left blank, I do not know enough about to agree or disagree.

## Question 29 continued

Jun 20 2024 02:37 PM	I live on Oakwood Dr north of Good Hope and it is being over grown by trees and grasses along the road
Jun 20 2024 02:05 PM	As previously mentioned - I live in an older neighborhood that feels is lower on the priority list and my ratings reflect that.
Jun 20 2024 01:04 PM	Library is getting goofy  I support the coffee shop  We are wasting too much on antiquated systems ... get with it. Modernize
Jun 20 2024 01:02 PM	There doesn't seem to be much enforcement of property maintenance in the village. We have filed 2 or 3 complaints regarding our neighbors lack of property maintenance with no resolution. They don't seem to care how their poor upkeep of their property affects the people around them.
Jun 20 2024 10:59 AM	I think improved environmental maintenance of the parks could take place to create and maintain quality habitat.  The recent road work on Menomonee Ave was atrocious. I think they were working on pipes underneath, but the patchwork was just awful, it was much worse than when they began.
Jun 20 2024 10:47 AM	The tax hikes in the last 1 - 2 years are absolutely insane. I moved to Menomonee Falls for the reasonable pricing, beautiful area, and great community. My property taxes rose over 70% last year and I received no response from the village or city to get a new appraisal. The cost and taxes are all on the rise while construction, noise, and clutter are all rising too with no positive improvement. Shady Lane has been torn up for weeks now and many days nobody is working on the area. The roads stay terrible and only get temporary pot hole fixes that never last long. I have seen many people fall, bikes fall, and cars blow out tires on the pot holes and nothing is ever done to fix them. I love this area, but am seriously considering selling my house and moving as there is no end in sight and it seems that the village is only concerned with the main park area and nothing else, while forcing the residents to pay more every year.
Jun 20 2024 08:50 AM	Too much "junk" old cars other stuff just sitting in peoples yards,
Jun 20 2024 12:11 AM	HOA policies should be considered when issuing construction permits.
Jun 19 2024 09:11 PM	Again, enforce developer agreements!
Jun 19 2024 08:51 PM	Recycling pickup weekly and more prompt brush pick up would be an improvement. The roads are terrible and the traffic has increased with all of the apartments.
Jun 19 2024 07:29 PM	1. Snow removal needs to be out before 7:15am. This was a problem several times last winter. Should be out by 6:00am and a sweep of every neighborhood asap.  2. Streets in the old neighborhood across from the little league complex need to be fixed, they are some of the worst.  3. The lack of snow plowing enforcement on Appleton Ave when children are walking to North MS is appalling. Children are walking on Appleton in the winter (apartment building across from DQ)!! It's an embarrassment that the village won't do anything and let's the children risk their lives.
Jun 19 2024 07:26 PM	What does the Village do to enforce property maintenance? How?

## Question 29 continued

Jun 19 2024 05:44 PM	Regarding village government: Steve Taggart needs to listen to his constituents instead of constantly imposing his own options on the village.
Jun 19 2024 05:31 PM	The Library did not need a coffee shop - waste of money and space.
Jun 19 2024 05:00 PM	The village needs to be more transparent. Recently, in the spring primary, our polling station was closed because there was no need to vote, and no announcement was given to us beforehand. We went to the poll and were surprised to find there was nothing to vote on, instead of being informed beforehand by the clerk. This is unacceptable. Additionally, there is too much corrupt politicking and not enough actual work being done, our tax dollars being spent appropriately, by people who wish to grandstand about local businesses and our library instead of actually governing. If you don't want to govern, resign and let someone else do your job for you.
Jun 19 2024 03:57 PM	<p>The Village Board and Manager must renegotiate the contract with Waste Management.</p> <p>Waste Management is stealing the community blind without having to share their profits from selling methane gas and charging us for garbage pickup.</p> <p>There should not be a "garbage collection fee" on our property taxes.</p> <p>Our taxes should be lower with a credit from Waste Management for the decades that they will be able to sell methane gas to any and all utility producers.</p>
Jun 19 2024 03:52 PM	Steve taggart is ruining the villages reputation. His is disrespectful and spends his time on the Facebook page "men falls uncensored" harassing village members. Instead of responding professionally, he doesn't answer the questions being asked and gets mad when he isn't responded to fast enough when he is asking questions like "can men be pregnant?" But when other village memebers ask him questions ABOUT THE VILLAGE he is nothing but nasty and unprofessional. He even is asking members how to find the PUBLIC agendas. Shouldn't he know that...
Jun 19 2024 03:48 PM	Street maintenance in Meno Falls (WI) is a constant job. My street was recently "patched" (cracks) with tar and "grit material". Would be nice to circle back and sweep up all of the grit that didn't stick. (Parkway drive in River Heights South neighborhood)
Jun 19 2024 03:10 PM	Need snow removal along curbs/sidewalks to allow easier access to businesses without having to climb over snow banks. Need more enforcement of removing weeds and sometimes garbage from around businesses as well as private residences.
Jun 19 2024 03:03 PM	Engineering should consider syncing the street paving program with the water main/storm water/sewer rather than zigzagging patches that are more likely to deteriorate faster. Additionally, rather than paying for HMA patching after a WM project and then a few years to a decade later paying for HMA resurfacing, resurface the road after the WM project to reduce lifecycle cost
Jun 19 2024 02:27 PM	Far too many homes now have 'hoarding like' conditions on the outside creating the possibility of vermin as well as value reduction to the community as a whole.
Jun 19 2024 11:53 AM	Please repair the asphalt trails and plow them in the winter
Jun 19 2024 10:47 AM	Called numerous times about sewer grates...
Jun 19 2024 10:19 AM	I feel too much money is spent on fire dept.
Jun 19 2024 10:10 AM	Would like to see more enforcement of speed and weight limits of traffic on Pilgrim Road.

## Question 29 continued

Jun 19 2024 09:18 AM	For example: The Pizza Hut next to the Falls municipal building/police station is an eye sore and right on a main street. It took 6+ months for them to do any building/landscaping maintenance. Things like this should be a priority for the village so the area doesn't look worn down/junky.
Jun 19 2024 07:54 AM	Please fix the playground at Menomonee Park
Jun 19 2024 07:49 AM	I marked disagree on Village government items because I don't have time / childcare to go to meetings as a working parent so I feel out of the loop. If you sent out the information discussed in meetings or applicable to residents in emails like this one came in I'd know more.
Jun 19 2024 07:33 AM	I had emailed a village board member with no response for days, when I finally called and was able to get a hold of someone, I was told we don't check that email. Why give them a Village email if they don't check it?  It is difficult for me to find information on the website because I don't know where I'm looking most of the time. When I call the office to ask a question, the representatives are very helpful.
Jun 19 2024 07:23 AM	Trash collection inconsistent
Jun 19 2024 01:06 AM	When our neighbor passed away several years ago it was a constant problem to get her grass mowed because the house was vacant and no living relatives. It was a real issue to get the grass mowed for three years until the house was finally public auctioned off.
Jun 18 2024 11:29 PM	As the village continues to build out its green spaces with higher priced apartments and condos , emergency services should also increase with the population . Not to mention the uptick in retail crime happening from Milwaukee residents
Jun 18 2024 10:33 PM	Ridiculous that a storm water fee was added for those not on the storm water system.
Jun 18 2024 09:53 PM	Maple road(between Menomonee and county line Q) is a dangerous disaster!! Potholes on sides sucks cars in and not enough room to move over as oncoming traffic is working with a narrow lane as well as potholes of their own.. and just wait until there's a truck next to you, talk about nerve wracking! I have several close calls on this road however it is the only way to get from Sussex to my childcare without adding 10minutes to my route...  As for snow removal, I live on Goode Ave (dead end road off Pershing and Appleton) our road was SKIPPED several times on bad snow storms and elderly residents on the street could not have their son drop off items they needed, and I was told that the village employee directed them to skip the road.. so we weren't salted or plowed and then police told us it was too slippery to come down the road to assist the elderly neighbors.. all do to the negligent decision of whoever dispatched plow drivers to service Appleton (which was a completely black visible road from windows of my house that I'm stuck in because there's glare ice on 2 feet of snow without so much as a single pass of salt.. right after we paid the property taxes too. Very great feeling for us residents. Hopefully next year this is rectified because it will be inexcusable if it occurs again.
Jun 18 2024 09:27 PM	The library is essential to the community and should receive more funding!
Jun 18 2024 09:25 PM	Snow removal in our subdivision is an embarrassment compared to Brookfield.
Jun 18 2024 08:57 PM	Village Board and President are TOP NOTCH
Jun 18 2024 08:57 PM	Poor roads and snow plowing are causing personal property damage.
Jun 18 2024 08:47 PM	again, the grouping of the village and the school district programs is confusing.

## Question 29 continued

Jun 18 2024 08:23 PM	Snow removal tore up all the grass this winter. Pot holes.
Jun 18 2024 08:17 PM	Our public library is such an asset to this community!
Jun 18 2024 08:13 PM	Village board lacks transparency
Jun 18 2024 07:58 PM	Winter clearance of ice and snow isn't enforced strictly enough. Sump pump discharge across sidewalks freezes in winter also.
Jun 18 2024 07:47 PM	My backyard stays flooded. Storm drain is 2 yards down. Approached engineering for help and was told the city does not enforce yard grade compliance...it is up to me to take my neighbor to court. It baffles me how a house requires multiple inspections on the structure but not a single enforcement on the yard grade. Having to sue my neighbor does not foster community harmony...and in this instance lack of enforcement has left 4 neighbors with needless flooding if only the one yard was properly graded to the engineered grade plan.
Jun 18 2024 07:40 PM	The library is overfunded. We should only fund the minimum required
Jun 18 2024 07:31 PM	Snow removal on the pathways - pilgrim rd is needed
Jun 18 2024 07:29 PM	Village Board needs to work at being more transparent and diverse—too much group think with current makeup.
Jun 18 2024 07:27 PM	My neighbor constructed a shed without a permit years ago and when another neighbor tried to alert the city they were told that their name would be given out if asked. So now my neighbor has a shed and multiple chickens for many years against city policy. Their yard also has high growing weeds. I have not seen any enforcement.
Jun 18 2024 07:21 PM	Junk vehicles on 2 properties in particular are horrific & shouldn't be allowed
Jun 18 2024 07:20 PM	June 1 the village should send out citations for those that have refrained from cutting their grass the month of May. The look of unkept yards brings down the appeal of the home, the neighborhood and the village attracts rodents and critters that we others spend 11 months and hundreds of dollars to get rid of!
Jun 18 2024 07:18 PM	We are dissatisfied how now that the library is being run by people(trustees) who have an agenda. The people who were running it before were doing a great job.
Jun 18 2024 07:17 PM	Village needs to do a better job of park management to insure those using the park are adhering to park rules as stated online.. There are no rules posted anywhere in regards to loud music, traffic, park closure, large groups, alcohol, or renting pavilions. As a resident who lives on Oakwood Park border, it is many times difficult to sit in back yard without volleyball players blasting music and gathering in massive groups creating noise. When these players leave the park, it becomes a speedway on residential streets as they leave and come back well into the night. Menomonee Falls has been good at creating well maintained parks but not so good posting rules and monitoring whether people are adhering to them. All of this creates anger amongst residents subjected to living on or bordering the parks. This has been more prevalent in the past 4 years and getting worse.
Jun 18 2024 07:10 PM	It appears the Village is more concerned about revenue from more apartments vs best interest of the community.
Jun 18 2024 07:03 PM	Our current leadership is not knowledgeable, is driven by a political agenda, and is not responsible. Funding for the library must continue to serve all community members.
Jun 18 2024 07:02 PM	Snow removal enforcement on sidewalks is extremely lacking. We have to be conscious of our neighbors who must use the sidewalks to get to work, move about the community. So often properties fail to fully clear their walks and the crosswalks.

## Question 29 continued

Jun 18 2024 06:59 PM	With the growth the village had been steadily experiencing, police officers and fire fighters need to be increased. Theft (retail and residential), robberies and wild and inattentive drivers have all exponentially increased.
Jun 18 2024 06:57 PM	We need to make sure sewers are cleared before spring / summer storms come so that main intersections or streets are not flooding.
Jun 18 2024 06:56 PM	Village enforcement of loose dog policies is lacking.  Village enforcement of safe driving is lacking.
Jun 18 2024 06:42 PM	Trail on shady lane has poison ivy
Jun 18 2024 06:41 PM	Potholes get filled in, but seem to be deep again in a couple of months.
Jun 18 2024 06:40 PM	again foolish question format, should have had a no opinion option
Jun 18 2024 06:35 PM	Loads of potholes that need repair
Jun 18 2024 06:14 PM	Stop the street sweeper and fix the roads. Approaches are terrible
Jun 18 2024 06:13 PM	At least once a month our recycling pick up is skipped. The brush pickup too way too long. Brush pickup and leaf pickup should be available more than just once each. Leaf pickup is too early in the season.
Jun 18 2024 06:09 PM	The Village Board seems hostile to opinions outside of its own. That will never lead to anything good. Get thicker skins and consider that others might have better solutions than you do. Fix our streets, stop allowing huge apartment complexes, support local businesses that are already here, and be better stewards of what we already have.
Jun 18 2024 05:41 PM	Snow removal and upkeep of sidewalks is terrible
Jun 18 2024 05:33 PM	I have left phone messages to the proper village department about our street condition (pot holes) for 2 straight years and no reply nor action taken
Jun 18 2024 05:28 PM	The library is so political now we never use it. It's constantly pushing its own agenda. I just want to go to the library for relaxation and family time. I don't need to be preached to about banned books, defunding the library, gay or trans addenda's.. I just want to relax there.
Jun 18 2024 05:22 PM	There are way too many yards with grass that is beyond what is allowed. And weeds in the streets and curbs are often out of control
Jun 18 2024 05:17 PM	Our subdivision (Claremore) streets haven't been resurfaced for many, many years and are in extreme disrepair.  The Village Board is not responsive to many concerns and, in my opinion, is of an elitist and "clique-y" mindset. They need to be less SNOBBY!
Jun 18 2024 05:15 PM	These have gotten worse since we first moved in. Snow removal and street repair is unsatisfactory.
Jun 18 2024 05:15 PM	I think our village government gets easily distracted on issues like who should control what is in our library rather than how to fix basic problems or finishing partially completed projects. There is a small maintenance building by Kiwanis Park that has been partially sided for years now. Half of it is Tyvek paper. It needs to be finished. There are sections of sidewalk on Lavergne that have been taken out and filled with gravel. When is that going to be finished. Focus on what is important.
Jun 18 2024 05:13 PM	We live in a large subdivision- they applied asphalt to one side of road and left the other. I live in Lilly Creek - roads are uneven

### Question 29 continued

Jun 18 2024 05:12 PM	for what we pay in taxes, it would be nice if you'd fix the roads . They are in horrible condition!
Jun 18 2024 05:10 PM	I have a vacant house next door. The village did not let me make an anonymous complaint and didn't care.
Jun 18 2024 05:05 PM	I don't think the village makes much of an effort at all to let hard-working homeowners know what their rights are with regard to neighboring properties that are not kept up to the "standards of Menomonee Falls". Fortunately, most residents make an honest effort to keep their property up, but when retired folks get deep into their 70s and into their 80s, it is harder to maintain the property both due to physical limitations as well as Typically, lower discretionary income Being available as we age.
Jun 18 2024 04:53 PM	Unleashed dog enforcement I'm parks needs to be a higher priority.it is rampant and dangerous I'm the parks.
Jun 18 2024 04:40 PM	Snow plowing in winter is embarrassing. The schedule of the village drivers needs to be updated instead of just the 1 shift.  Fire department is improving staffing but the village needs to better support them.
Jun 18 2024 04:38 PM	Agree or Disagree? Should be a third choice like 'partially agree/disagree' because not all of them are black or white.
Jun 18 2024 04:36 PM	Please god, stop destroying my mailbox on Pilgrim every time it snows.  Library services should be a priority for any community that wants to increase access to quality information for the people who need it the most.
Jun 18 2024 04:35 PM	Overgrown grass, bushes, large campers in driveways
Jun 18 2024 04:34 PM	Agree that Library meets needs but also don't want to make that a reason not to put more investment there. It is important for many people.
Jun 18 2024 04:16 PM	Village Board is clueless when it comes to police and fire needs!!!!
Jun 18 2024 04:03 PM	Side streets are not maintained
Jun 18 2024 03:40 PM	I very much appreciate snow removal and road maintenance.  I do NOT want the Menomonee Falls Public Library to close or for book banning or book challenges to proceed without discussion and forums for the community. This matters more than any other issues you have asked about in the survey, in my opinion
Jun 18 2024 03:32 PM	Village is amazing at winter snow removal. They do a great job
Jun 18 2024 03:27 PM	Is Appleton Ave. 6 lanes or 4 lanes?
Jun 18 2024 03:11 PM	Mill Ridge subdivision "patching" several years ago left the streets more treacherous than they were before the work was done
Jun 18 2024 03:10 PM	Please have the lights under the bridge on pilgrim road by the police station replaced. They are old technology and they do not light the pathway very well

## Question 30

**Please share any thoughts or ideas you have about the future of the Village and our parks and trails.**

**Answered 529**  
**Skipped 2216**

Response Date	Responses
Sep 25 2024 01:13 AM	The library is over funded
Sep 22 2024 05:37 PM	Expand the use of parks to get more tourism involved in the parks. Old Falls Village Park is getting underutilized.
Sep 19 2024 12:21 PM	Fix the streets!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
Sep 18 2024 11:06 AM	Bring more businesses around the area that bring jobs and also contribute to taxes to the city.
Sep 15 2024 02:38 PM	The abundant flowers this summer in our village downtown made everything look so appealing, quaint, and beautiful. I wish the hanging baskets would continue down Appleton to Shady Lane. Start the flowers at Pilgrim and continue up to Shady Lane. Too many businesses look trashy and weedy and unkept.
Sep 11 2024 11:02 AM	need spaces in the parks for everyone. I believe a skate park in a couple of the parks would be good for our teenagers. Maintenance of the benches throughout the park and trail system. Government should seek more opinions from villagers as to where they would like to see things progress in the future. These surveys are nice, and maybe more of these.
Sep 11 2024 10:06 AM	I would like to see less development and more preservation. It takes away from the small town feel.
Sep 10 2024 12:58 PM	it would be nice if the village would hold businesses more accountable for property upkeep, ie landscaping, garbage/litter pickup, etc. some businesses in the downtown area and the surrounding gas stations could use a little help in those areas. not sure if that is something the village has any say in or if its up to the property owner completely. it would also be fun, if funding would allow, to have events in the parks and trails for kids to learn more about nature and be aware of what parks and trails can offer. for example, i have found many turtles and frogs walking along the lime kiln path, which also has a mulberry tree and raspberry bushes. i am sure there are many more things to see and learn about in many of the other parks.
Sep 07 2024 09:24 PM	Need areas for preteen kids to hang out and have activities.
Sep 06 2024 02:29 PM	it would be great to see some smaller homes, like 900 sqft. or less, on small lots as individual homes. They would serve singles, starting homeowners, downsizers. They also hopefully would be lower cost than the McMansions that pop up all over. They would give benefits over apartment and condo owning as an individual homeowner.  The parks and trails we have are great. Maybe more signage at beginnings and endings of trails understanding distance and point to where next fork in trail starts.
Aug 29 2024 01:16 PM	I appreciate natural areas like Lime Kiln Park where a natural waterfall and river occur. Visiting there is like a mini-vacation.
Aug 28 2024 10:50 AM	FIX THE STREETS! Routine maintenance is lacking, crack sealing and leveling should be done sooner, seal coating, etc. Too much is spent on parks and should be directed to street maintenance!

### Question30 continued

Aug 27 2024 02:57 PM	Try to keep as natural as possible. Have restrooms, grills, picnic tables at a couple of parks so those in apartments can enjoy outdoor life more!
Aug 26 2024 09:49 PM	More off leash dog areas are desperately needed.
Aug 26 2024 09:21 PM	The future Village of Menomonee Falls should have multi-use paved paths along all arterial streets, allowing neighborhoods to connect to and take advantage of the great existing bugline trail and other village trails. Family-friendly recreation is natural and encouraged when the facilities are provided. Providing multi-use paths along all village arterial streets will encourage family friendly recreation, encourage a healthy lifestyle, increase property values, and instill a general sense of safety and wellbeing among village residents.
Aug 26 2024 06:56 PM	Restrictions on private property re:hobby farms is outdated and anti-family. Surrounding counties allow chickens.
Aug 26 2024 06:05 PM	The Village is far behind the times when it comes to most things, and its less wealthy citizens, and disabled people, pay the price.
Aug 26 2024 03:59 PM	All should have access, The recent bike to Old Falls Village would be dangerous for many.
Aug 26 2024 02:50 PM	Values are more important than practical strategies, although good practical strategies are important. Menomonee Falls will rise or fall depending on whether it stays true to the best American values of liberty and justice for all, and not DEI; rewarding merit, not identity; and respecting everyone's human dignity without going Woke.
Aug 26 2024 02:37 PM	We could use more hiking and walking trails.
Aug 26 2024 02:08 PM	It would be nice to have a trail at Rotary Park that goes all the way around the park, like a loop trail
Aug 26 2024 01:59 PM	safty cops by splash pad charge out menomonee falls people money put guy to park at entrance collage kids less tax dollars
Aug 26 2024 01:55 PM	Plant more trees and perennials
Aug 26 2024 01:36 PM	Snow removal is terrible, seems the village only runs one shift of drivers.
Aug 26 2024 01:21 PM	Public lands should be open to archery hunting
Aug 26 2024 01:10 PM	I would like to see more restrooms and baby changing stations. It is very awkward trying to have small children, especially my daughter, pee on the woods when its too far to make it back to a bathroom when going for nature walks!
Aug 26 2024 12:50 PM	Please provide more policing around Shady Ln. So many people race through a residential area and ignore pedestrian right aways.
Aug 23 2024 08:04 PM	I would love to see more sidewalks/pathways added to the Village. The roads connecting many subdivisions/residential areas are very fast and unsafe to walk on (or even cross). I am originally from West Bend and because sidewalks/pathways were on almost all streets (both major and minor), it was easy to walk and bike all over town.
Aug 23 2024 07:35 PM	Love the sense of community in our Village. Hope we never lose focus.
Aug 22 2024 08:07 AM	N/A
Aug 21 2024 02:23 PM	The Village is a great place to live. I'd like it to be more attractive, safer, and a place that has pride. We need a better overall appearance.
Aug 21 2024 11:29 AM	I would also love to see rain gardens added to our parks/Village and solar panels.
Aug 21 2024 08:38 AM	Expansion is unnecessary
Aug 21 2024 07:11 AM	Keep up the good work.

### Question 30 continued

Aug 18 2024 04:15 PM	Like I said I want to move out out but still near by but haven't had luck finding a decent priced apartment here.
Aug 16 2024 12:48 PM	I am not willing to support liberal left ideas that are promoting non-traditional family values in growth and development in education and housing.
Aug 13 2024 07:35 PM	Nothing more than what has been already written.
Aug 13 2024 10:35 AM	I would like the village to take on the going problem of non native invasive plants especially buckthorn it seems to be everywhere
Aug 11 2024 04:30 PM	Very happy with how nicely the areas are kept up and the quick response if I have called about something needing repair
Aug 10 2024 02:52 PM	Skatepark please, and more affordable single-family home options.
Aug 09 2024 04:36 PM	<p>I love the Falls, that's why I've stayed so long. Why my kids live here. But it's losing its small town appeal.</p> <p>Also like "everywhere else" there is so much criticism, and not enough positive and productive ideas.</p> <p>It's all what "I" want or feel and not what's good for the community as a whole.</p> <p>Also for the "kids club" idea, it could be limited to the kids that go to MF's schools and have passes given at the school, not from the village. Ask the school kids what they want in their club, not the adults who just want to argue the idea to death, (ie: the HS logo) rather than make it enjoyable and relaxing for the kids.</p>
Aug 09 2024 02:14 PM	We are growing too fast with cheaply made home. Homeowners should be held accountable to keep their property properly maintained. In a positive note I like all the community events like how popular lavender fest was. I wish we could get a farmers market bigger like West Bend's. We have the space and the people to frequent it.
Aug 08 2024 09:07 PM	People like myself and my wife would love to move to Menomonee Falls, but your rent out there is one of the highest around.
Aug 05 2024 09:59 PM	<p>As I said in prior comments:</p> <ol style="list-style-type: none"> <li>1. Add more sidewalks especially on busy roads and near parks so families can more safely access them. Connecting these to bike paths would be an extra bonus</li> <li>2. Build a public outdoor pool similar to Hoyt Park (playground, beer garden, running paths that connect to subdivisions, etc). A lot of money to be made here and the nearest outdoor pool is in Brookfield- lost revenue. There is a large plot of land on Good Hope and Pilgrim that could work as there is already a small and kind of depressing dog park next to it</li> <li>3. Build small, quaint parks within existing subdivisions to increase property values and access to parks. Buy extra plots of land off of current homeowners, purchase run down houses in ideal locations and replace with nature area, consider adding community gardens to these park spaces</li> </ol>

### Question30 continued

Aug 05 2024 08:21 PM	<p>Add pollinators gardens</p> <p>Minimize use of pesticides</p> <p>Make community garden plots available for rent/lease</p>
Aug 04 2024 08:55 PM	Maintain more natural green space as much as possible.
Aug 01 2024 12:45 PM	Add multiuse trail linking Oakwood Park to Menomonee Park and incorporate natural walking/bike trails in Tamarack swamp area
Aug 01 2024 10:48 AM	<p>Be sure emergency services are ready for terrorism like Oct. 7, especially if 911 service is unavailable.</p> <p>We have an excellent Village!</p>
Jul 31 2024 04:00 PM	I love the village and the parks,
Jul 27 2024 09:46 AM	The corner of Rozanne and Main is getting too busy. With the food truck and a new (soon to be two) apartment building there are cars and people all over the place making passage through that area dangerous. Please move the truck elsewhere- possibly east the other side of I41.
Jul 26 2024 07:15 PM	Would like to see the river maintained better. The weeds etc are so overgrown you can't see the river anymore. They stopped mowing the grass down and it looks like crap. The roads in the older park of the falls (grand avenue) need to be resurfaced the patching is terrible. This area has been forgotten about in years.
Jul 26 2024 06:13 PM	I'm not sure if you are looking for two things-the Village and parks ad trails, or if you just want my opinions about the Village's parks and trail, so take what you want from this...I like the growth I see. I wish many of these improvements were available when my kids were young. Too many gas stations and apartments. Put in more natural spaces...a community garden/arboretum. More arts-a new performing arts auditorium would be nice. The high school's auditorium is terrible(last I saw it), and North's isn't great. More artwork on display. Would rather see improvements in existing neighborhoods than construction of bigger and better homes(although I know we need to compete with our neighbors). I don't like what I see and hear in regards to retail theft in the Falls. Need to find a way to stop the bad elements from coming here for nefarious purposes. Prosecute and jail(bigger than the Falls). Finally, I wasn't really impressed with MF high school when my kids attended (10+ years ago). Lack of rigor; low expectations; crowded/unruly hallways; lack of classroom management in many classrooms. Teachers were not equipped to handle the influx of non-resident students. Lack of prep for future endeavors. Students need greater exposure to possible careers/vocations. Hopefully things are better, but I think we want a better rep like Germantown and Brookfield.
Jul 26 2024 05:51 PM	Go Bipartisan so our village has equal representation!
Jul 26 2024 08:28 AM	More safe biking and walking trails and pavement to connect the whole Village and its parks system is needed otherwise we have a great community. We LOVE the library and the downtown. The Rec Center and its activities offering is great. Schools are good!! Fun festivals!
Jul 26 2024 07:49 AM	STOP BUILDING APARTMENTS IN THE DOWNTOWN AREA! WHAT PART OF TOO MUCH TRAFFIC DON'T YOU PEOPLE UNDERSTAND!
Jul 25 2024 11:11 PM	We would like to move there but it's too expensive.

### Question 30 continued

Jul 25 2024 10:51 PM	The Village needs to work on unity, the Village boards are unbalanced. People need to come together and care about others. We should also care about our neighboring communities and make bridges not walls.
Jul 25 2024 01:44 PM	Already did!!
Jul 25 2024 01:35 PM	Too much new development right now
Jul 25 2024 12:50 PM	Biking paths that connect more places within the city would be great. It's hard to bike to village park, downtown, and the library. The streets around those places are very steep and no bike lanes or bike awareness for drivers in those areas.
Jul 24 2024 11:57 AM	Would like more people to be able to travel by bike or walk from their doorstep to the downtown area rather than have to drive there.
Jul 23 2024 08:24 PM	Would love more playground equipment in better shape
Jul 23 2024 11:25 AM	Menomonee Falls needs to be careful. We are on the cusp of losing our small town character with all of the development that has been taking place.
Jul 22 2024 04:46 AM	Need pickleball courts at more parks. Fastest growing sport. Create and post rules for time limits on courts. Consider a reservation system for courts.
Jul 20 2024 01:55 PM	Bring back FALLS FEST!! Utilize the millions on dollars you spent on that park with the stage that sits vacant more then not.
Jul 20 2024 11:45 AM	The needs to be more preservation of nature.
Jul 19 2024 04:13 PM	As previously mentioned, I would like to suggest investigating a guarded crosswalk at the intersection of Pilgrim Road and Crossway. Outside of the Pilgrim and Appleton guarded crosswalk, the only other crosswalk in the vicinity is at the corner of Pilgrim and Good Hope Road, which is farther away from the Village Center. Making this possible would require the upgrade of the existing walking trails on both sides of Pilgrim, with ADA approved corners for accessibility. Thank you for this consideration.
Jul 19 2024 10:46 AM	More shade & more splash pads. Have a pool indoor / outdoor
Jul 18 2024 08:28 PM	Could there be use of volunteers to assist with trail maintenance??
Jul 18 2024 08:30 AM	My esthetician just moved here which is why I am visiting. As an outsider, I find your community welcoming and attractive.
Jul 17 2024 11:25 PM	I hope the Village will continue investing in parks and trails. Nature is wonderful, and people should have options to enjoy it. I would like to see encouragement for planting native flowers instead of useless lawns.
Jul 17 2024 06:12 PM	Less country music
Jul 17 2024 06:01 PM	I just moved here a few months ago. I sometimes have trouble learning about events until after they happen.
Jul 17 2024 12:03 PM	I am relatively happy with the. Village but the village board and the school board give me many trepidations! I don't like the fact that they are run by a person that has a vendetta against the Falls and could give a hoot about the work that has been done in the past to make it the wonderful community that exists today!
Jul 15 2024 10:45 PM	We need an outdoor community pool.
Jul 14 2024 10:30 PM	Village Park splash pad has attracted a large number of families, some whom do not supervise their children. Could use a security officer, or "play coach" there or establish some enforceable rules for parents.

### Question30 continued

Jul 13 2024 10:36 AM	Adding trees or shaded areas in and close to some of the Play areas would be nice.
Jul 12 2024 05:18 PM	Would love to see investment in a multi use trail network. Love living in the falls!!
Jul 12 2024 09:36 AM	Kayaking would be great
Jul 12 2024 07:04 AM	Bike lanes need to be incorporated on all streets to encourage biking whenever possible.
Jul 11 2024 11:05 PM	Need more paved trails. Need strict enforcement of rules on trails - like no bikes on walking / running trails, dogs on lease. More kids play areas
Jul 11 2024 09:44 PM	So far you are doing an incredible job. Is there room to put pickleball courts in Village Park?
Jul 11 2024 10:37 AM	It's a beautiful town. I enjoy living here.
Jul 11 2024 09:53 AM	The village needs to take a good look at how they view/prioritize members of marginalized communities. Approaches taken by the village and school board regarding the LGBTQ+ community is appalling.
Jul 11 2024 09:23 AM	The playground by the library needs maintenance. It is unsafe for our children while they are playing. The ground has patches of flooring missing and the equipment is squeaky. The slides have holes in them that could hurt tiny legs and bottoms. Please repair this playground to benefit our children. Thank you! Our family loves the other parks and trails in our village and visit many of them on a weekly basis. Roads in our neighborhood are terribly damaged and need repairing. Please fix them!
Jul 11 2024 09:22 AM	Trails and rec paths need clean up so full path is walkable and not cut off by weeds and overgrown brush - Path on Pilgrim just north of Silver Spring for example.
Jul 11 2024 08:41 AM	The improvements to village Park are great. Add more benches and places to sit so people don't always have to haul out their lawn chairs; this would be nice in all of the parks.
Jul 11 2024 08:16 AM	I walk in the parks every day. The trees that have fallen in the river need to be removed. The woods along the river need maintenance. Rotary park lost many trees and they have done an excellent job cleaning it up. I wish those paths were plowed in the winter. I love walking along the river every day. Thank you.
Jul 11 2024 08:10 AM	The village needs more affordable housing.  The Old Falls Village needs to remain intact. No development.  Our public schools need to embrace diversity.
Jul 11 2024 07:35 AM	Stop building new subdivisions.  Build more things to support our existing community.  Improve our school districts rating
Jul 11 2024 07:27 AM	The traffic is getting awful. Why are you expanding multinunit housing so much when there's already so much traffic, tgevtennants don't pay property taxes, have no connection or investment in the village . STOP ALL THE DEVELOPMENT. FIX THE DAMN STREETS. CITE PEOPLE FOR JUNK IN THEIR YARD AND NOT KEEPING UP THEIR LAWNS and NOT AHOVELING THEIR SIDE-WALKS

### Question 30 continued

Jul 11 2024 07:15 AM	I'd love to freshen up the look of the bottom of the waterfall and I'm sure if there was a call for volunteers people would respond (I definitely would). I LOVE Menomonee Falls, I appreciate all of the men and women who make this such a great place to live. Thank you for taking the time to ask these questions. You will get more than one righteous keyboard warrior who will say negative things. Ignore them. You're doing great work and we appreciate you.
Jul 11 2024 06:04 AM	Please continue to invest in downtown events and parks! Village Park is a magical place for families to meet and I am so grateful for all of the events and wonderful things offered there!
Jul 11 2024 05:59 AM	More splash features at parks, stroller access to the river at lime kiln park (down the banks), different time for farmers market, more specialty businesses (home decor, clothing, garden, etc.), a play cafe
Jul 11 2024 05:14 AM	We need to have more dining and park options that can compete with Brookfield. That's where our family typically goes.
Jul 09 2024 10:14 PM	I would love to see more bike trails and paths on roads. For example on Menomonee and/or Appleton.
Jul 09 2024 08:57 PM	Paved Trail through east end of Rotary park needs maintenance. I play tennis & pickleball. Add more pickleball if needed, don't convert all the tennis! Old TJ lot?
Jul 09 2024 11:30 AM	All parks within the village should be free to all residents. This includes county parks such as Menomonee Park.
Jul 09 2024 07:39 AM	More trail/path connections needed, especially with new housing developments.
Jul 09 2024 07:35 AM	Please put diaper changing station at Rotary Park in the bathroom that is near the playground equipment
Jul 08 2024 09:21 PM	Kudos to Cory Kleeba and his team at the Village! He works so hard with limited resources. Put more money into our village Park is should be our Village Showpiece. If so it will be a win, win, win for the businesses, the community, and property values!
Jul 08 2024 04:00 PM	I would love to see the village attract more local and small businesses. We have far too many chain restaurants and retail. Let's support our local people and products!!
Jul 08 2024 03:30 PM	Fenced in playground/splash pad areas for specific age groups (0-5, etc) would be great to so many young families whose kids get plowed over by older kids
Jul 08 2024 01:27 PM	Sidewalk on Silver Spring needs to have snow removal during winter months!
Jul 08 2024 01:15 PM	Please continue putting resources into creating and maintaining.
Jul 08 2024 11:10 AM	I think that the Village will no longer be a village in the future, but will become another over-developed and over-populated city. So sad. Hopefully you will continue to preserve the parks and trails.
Jul 08 2024 09:20 AM	I think the revitalization of the business district is going well though it is concerning that some of the bigger retail chains are becoming magnets for crime. I would like to see a strong message sent to these people before the crime moves inward to our downtown area.
Jul 08 2024 07:27 AM	Better maintenance of pot holes!
Jul 07 2024 08:38 PM	Trails connecting parks, neighborhoods and community spaces are good for the villagers young and old.
Jul 07 2024 02:23 PM	STOP burning by residents in village, smoke and smell is horrendous, this isn't the country, this is a beautiful village

### Question 30 continued

Jul 07 2024 12:19 PM	<p>Need more trails/connectivity around the Tamarack Nature Preserve.</p> <p>Need snow removal on trails adjacent to Pilgrim Road and other major roads.</p> <p>Need to start addressing the invasive Buckthorn in the village with education and removal.</p>
Jul 07 2024 10:24 AM	<p>It would be really nice if we had an outdoor facility (like the LL Complex) that was available for other teams to rent for running tournaments. It seems all the fields in the village are booked, reserved during season. We could use more!</p> <p>Also, please expect residents/businesses to remove snow and keep yard growth from sidewalks. There are so many trees, bushes and growth overhanging and growing into sidewalks on Main St.</p> <p>Overall, happy with our life in the Falls being close enough to so many activities and some small town feel with the events in the downtown area!</p>
Jul 07 2024 06:50 AM	Protecting our green space and nature is so important. I love the mixture of space with housing. I love the feeling of space in this community. I don't want things to become overcrowded.
Jul 07 2024 01:11 AM	Please no more large senior housing buildings or apartments
Jul 07 2024 12:16 AM	LOW INCOME COMMUNITIES FOR US FULL TIME MINIMUM WAGE WORKERS!
Jul 06 2024 08:37 PM	I like this village, but it is getting a bit too crowded for my liking. Would love to see one day a week where the village offices could have either early or late hours. The current 8:00a - 4:30p hours make it impossible for me to conduct business without wasting a vacation day. Same for the limited availability of mandatory village inspections. I have had to use 3 days of vacation this year alone to deal with permit inspections, assessment inspections, and well water sample testing ... all of which could have been avoided with a bit better availability of hours for village services.
Jul 06 2024 07:11 PM	The trails through Rotary park and throughout the village really need to be updated. The village also needs more park options. Use of the land where Thomas Jefferson school used to be would make a lot of sense rather than all of that vacant land.
Jul 06 2024 11:35 AM	<p>Anything to help reduce the amount of cars in the village.</p> <p>Walkability, free public transportation?</p>
Jul 05 2024 10:22 PM	There is a disconnect with the bus line going through the Village.
Jul 05 2024 06:58 PM	I'm mostly a bike commuter, NOT safe to bike at all in the Falls, Fond du Lac Ave (the bike path is so dangerous due to speeding/reckless driving/cars pulling out of apartments not paying attention- they drive on the path sometimes) Appleton Ave and Main St. are a nightmare to cross and ride on. A friend was killed on his bike and nothing has been done for change. We need a Skate Park, Mountain Biking Trails, Pump Tracks for the kids, more police enforcement on busy roads for reckless driving
Jul 05 2024 11:43 AM	Would like to see a separate trails for bikes and walkers/ runners.
Jul 05 2024 07:47 AM	Stop building massive apartment complexes
Jul 04 2024 06:48 PM	Doing a good job!
Jul 04 2024 05:29 PM	Make the roads and sidewalks safe for walkers, scooter riders, skaters, and bikes. There are so many uneven surfaces that are sorely in need of quality maintenance, not a quick fix.

### Question 30 continued

Jul 04 2024 03:01 AM	Please maintain the rural nature of our Village and our "medium" size. We don't need to grow into every remaining open space available to increase our size/tax base. We can maximize value with our natural resources that other communities don't have. If we just develop everything, we've become like other communities and have nothing unique to offer. Instead, we have a real opportunity to continue to leverage our green space and Village feel and differentiate ourselves.
Jul 03 2024 11:13 PM	More 2 bedroom apartments within income limits. More sidewalks reaching outskirts of village on all sides to the connecting cities. A walking bridge over county line to Germantown.
Jul 03 2024 10:58 PM	My wife and i have several family members who live in the falls, we are planning to move in with them until we can find an apartment or duplex that matches our income. I am in manufacturing and my wife teaches piano. I hope you will have reasonable priced rent sooner rather than later - dont want to live with my extended family too long. Thank you for asking all these questions, i hope you take the answers seriously.
Jul 03 2024 11:40 AM	The bugline is a great asset and efforts should be made to connect it to other trails. We need "complete streets" that better accommodate bicycles and pedestrians along with cars. Encouraging safe walking and biking is vital to the health of our community.
Jul 03 2024 10:41 AM	More up keep...find ways to attract families. Improve quality of educational system as families are choosing the surrounding areas due to high test scores and educational growth opportunities.
Jul 03 2024 08:34 AM	I'm pretty impressed overall with the village parks.
Jul 02 2024 05:20 PM	The village has very poor walkability. Since I will have to drive to most parks, shops, and restaurants I often bypass local options and instead choose my favorites from the surrounding area. Since the level of effort to get to either place is roughly the same.
Jul 02 2024 03:03 PM	I had once heard rumors of walking paths through the Tamarack. Please don't. Allow wildlife to have a place without interference from humans. I would encourage a walk way/bike path along Good Hope Road from Pilgrim to Main Street. Traffic moves quickly in this area but it is an enjoyable walk with the Tamarack on both sides. Thank you.
Jul 02 2024 10:23 AM	Outdoor theater, more choices for dining, more age neutral activities
Jul 02 2024 09:18 AM	There is much that I like about the Village, its parks and trails, and general amenities that make me want to move my family there and I have been looking at houses for a while. I think if there were more small neighborhood parks, greater walkability and connectivity for pedestrians to get around the Village it would be a slam dunk.
Jul 01 2024 09:02 PM	KEEP CRIME DOWN!! Milwaukee's problems are becoming our problems.
Jul 01 2024 05:50 PM	Keep some green space and quiet.
Jul 01 2024 05:30 PM	The village should not be controlling and allows home owners to use their land.
Jul 01 2024 01:26 PM	It would be great to get a sidewalk that connects to the Parks from Appleton to Fond du Lac on Lilly Road
Jul 01 2024 08:59 AM	Thank you for the opportunity for this feedback.
Jul 01 2024 08:38 AM	Keeping a community safe and healthy relies on keeping our assets viable and current. The new village park and old falls village are examples of keeping our community desirable for new families. The schools and library need to stay top notch and the access paths need to be safe! A visible police presence also keeps help accessible and relevant. Thank you for all that you do!

### Question 30 continued

Jun 30 2024 08:36 PM	Kudos for getting direct feedback from the Menomonee Falls residents!
Jun 30 2024 04:12 PM	Village has become way too overcrowded in last dozen years. Becoming more and more like Brown Deer and pretty soon our crime rate will be just like theirs.
Jun 30 2024 10:52 AM	None at the moment
Jun 29 2024 06:07 PM	Support for the library and schools are most important to keep our community strong. Without political pressures and interference. Hire the best people and let them do their jobs!
Jun 29 2024 02:40 PM	Need sidewalk or black top trails around older neighborhoods, Lilly Rd. and both sides of Appleton Ave. from Lilly Rd. to Pick N Save/High School. Not just side walks for the new subdivision streets.
Jun 29 2024 11:11 AM	Please do maintenance to trails in village Park, so bumpy, especially by the bridges.
Jun 28 2024 03:26 PM	Love the Beer Run and fun activities at the parks and trails. I believe these promote what our village has to offer too.
Jun 28 2024 02:22 PM	need areas where teens can gather. Currently, the best free place is the library. There is little gear toward teens at the parks and very few low cost / free options for them
Jun 28 2024 01:47 PM	As a young family we value parks and recreation. One downfall to the current Village playgrounds is that the majority are exactly the same (library, Oakwood, etc). Once you've been to one, you've been to them all. It does not make you want to visit other parks in the village, but visit parks in surrounding communities. It would be nice to see variation.
Jun 28 2024 12:32 PM	On Main St where the Water fall is, the bump outs and AJ's seating are hazardous to the vehicle/foot traffic. Now with the new Subs/Soups added, this is causing more foot traffic.
Jun 28 2024 07:08 AM	Excellent parks and trails. We're a big softball family, so of course, would like to see excellent softball fields. Softball is a great sport for girls and their families.
Jun 27 2024 10:10 PM	Trails in the south of the Village and possibly a connection to the Brookfield trails would be beneficial - there really are no trails on the south side of the Village. Better connection to the bulging would also help.
Jun 27 2024 04:09 PM	We need a mountain biking trail system at menomonee park.
Jun 27 2024 01:46 PM	satisfied as is.
Jun 27 2024 12:30 PM	I would like to see development of wild/natural areas stopped as there is so little left. Also block any development that directly or indirectly profits village board members as has been done in the past.
Jun 27 2024 11:04 AM	Keep our community safe.
Jun 27 2024 10:46 AM	Thank you for all your hard work
Jun 27 2024 10:39 AM	Please put in a skateboard park. These kids can't skate anywhere . There are signs posted. This is a means of transportation and fun for many of our youths. The splash pad has causes nothing but terrible and would of been a great place for a skatepark. Listen to the residents who have raised children here. Not what you want!
Jun 27 2024 10:18 AM	Could we stop obsessively mowing along the creeks down to the water line? It impacts nobody to leave some greenery. Better for wildlife as well.
Jun 27 2024 09:53 AM	They are all good. Maybe a walking club?
Jun 27 2024 09:21 AM	I already did. More athletic fields and gymnasiums. Teen spaces like basketball courts and skate parks. Connecting more of the village with bike paths and walking trails.

### Question 30 continued

Jun 27 2024 08:21 AM	Village Park has too many late night guest that like to honk their horns for no reason. It happens too often.
Jun 27 2024 06:44 AM	Reduce the dog park size in the front of menomonee park, restore the original x-country trail and bring back ice skating.
Jun 26 2024 06:21 PM	The best way to sustain the village's current trajectory is to add an additional full time squad to the police force, 3 more members, and 2 more vehicles, and to continue with consistent interaction with the residents such as this feedback survey. Many people I talk with accidentally moved to the falls out of housing necessity or short term intentions, only to love it and stay here!
Jun 26 2024 03:12 PM	So happy to see that the village is forward thinking! Love the addition of the murals and the support of the art galleries and shops. When a community supports the arts it truly does draw visitors and residents. If you are considering how to make improvements and add new venues- think arts!
Jun 26 2024 02:01 PM	I feel in the over 40 years of living here, the Village has matured and grown in a very positive direction. Keep up the good work. Menomonee Falls is a better place to live today than ever.
Jun 26 2024 01:54 PM	Stop building so many apartments and high rise buildings. Really took the beauty away from historic downtown with the high riser apartment buildings. Poor decision.
Jun 26 2024 12:24 PM	Road repair is a must
Jun 26 2024 10:57 AM	Continue to ask the community!
Jun 26 2024 10:40 AM	Wisconsin Master Naturalists are volunteers and instructors that participate in conservation stewardship and education. They represent a potential resource for projects in village parks!
Jun 26 2024 10:20 AM	When renting diamond space at our local parks, I do not feel it is appropriate to also require payment for the pavilions. They are not used or needed.
Jun 26 2024 08:31 AM	Love to keep the bugline open all year and include more pottys along the route that are retained. Snow removal in winter would be great. A few port o pots along bugline that are maintained along with trash area would be great!
Jun 26 2024 07:43 AM	i love the falls, would like to see more safe bike and walking trails around town. people drive sometimes to fast. shoulders on alot of roads are to small. thank you
Jun 26 2024 06:35 AM	I wish there was more communication of what is happening recreationally and developmentally in the Falls.
Jun 26 2024 05:13 AM	The streets I the neighborhood behind Badero County Grill (Cumberland/richmond/lexington) are falling apart. They need repaved. A sound wall along 41 is needed as well.
Jun 25 2024 11:34 PM	Please build more affordable apartments or community units
Jun 25 2024 11:18 PM	I would love to move there so that when my grandkids are over we could enjoy the parks but the rent is way too high and the little income units waiting lists are way too long - I shouldn't have to wait until someone dies to get a place to live. Thanks
Jun 25 2024 08:12 PM	You need to just stop growing this community! The traffic is horrid, people are driving dangerously and it continues to get worse with every multi-unit development that is built!
Jun 25 2024 07:14 PM	The restrooms at village parks should always be available when the park is open.
Jun 25 2024 06:25 PM	Please plow the trails in the winter :)
Jun 25 2024 06:11 PM	More trails around town would be great, especially for biking.
Jun 25 2024 05:40 PM	Just take care of the dead wood please. And clean up under that underpass bridge by Trenary.

### Question 30 continued

Jun 25 2024 05:26 PM	Thanks for offering this survey!
Jun 25 2024 04:52 PM	We frequent many of the Village Parks and library often, and use the Bugline trail regularly. We love the parks and trails!
Jun 25 2024 04:41 PM	NA
Jun 25 2024 04:15 PM	Keep our green space, this is what sets us apart as a village and place to live in general. It's great for recreation and mental health, which is now more important than ever.
Jun 25 2024 04:09 PM	Would love to combine public pool/outdoor beer garden like Hoyt Park.
Jun 25 2024 03:42 PM	I am very happy with the developmental course of the Village so far, and hope it continues to grow as a wonderful family town with a vibrant and promising future! I hope you continue to maintain the wonderful parks and trails here! I love the new Village park playground and area. I do wish there was a little more shade, or more to the splash pad, but you all did an amazing job.
Jun 25 2024 03:14 PM	Are retention ponds dangerous or unhealthy to use for ice skating or boating?
Jun 25 2024 03:03 PM	We have a great mountain bike team, giving them better trails closer to home would be great.
Jun 25 2024 02:32 PM	I would love to see more recreational paths on arterial roads like Lilly Rd. And more sidewalks to enhance walkability, in general.
Jun 25 2024 02:23 PM	Be more upfront with the residents on what you are doing with land. Also need to stop micro-managing people's properties.
Jun 25 2024 01:41 PM	They are beautiful and I am thankful to live so near to them
Jun 25 2024 01:37 PM	Water Bill is too high and all the service fees and taxes that go along with quarterly bill. Average bill per year per single family is approximately \$1,040.00
Jun 25 2024 01:37 PM	There needs to be more new houses built in the Menomonee Falls School District
Jun 25 2024 01:25 PM	Bring more entertainment businesses to Falls, Improve schools to compete with Mequon and Brookfield, make it young community, limit old age/senior living homes, improve/build biking paths
Jun 25 2024 01:16 PM	Crack down on speeding down Appleton Ave. The ghetto is bleeding into our community and you're doing nothing about it.
Jun 25 2024 01:00 PM	Excellent so far. Keep up the continuous work on all of them
Jun 25 2024 12:57 PM	Bike lanes between the Bug Line and trails, downtown, busier roads, and bike lanes around the schools.
Jun 25 2024 12:48 PM	We use parks and trails frequently for walking, biking, sports, and leisure. I wish there were additional trails or sidewalk in the southern part of the Village and any new development, which link up with the existing trails and sidewalks in the north.
Jun 25 2024 12:48 PM	I loved living in the Falls, and wish we would've gotten an accepted offer on a house that would've kept us in town. That said, I like that we're still close (Germantown), and we still do plenty of shopping and eating in town. The only thing I really started to dislike were all the apartments being built in town. I know it brings in people, but it takes away from the charm and character of The Falls, which is part of what makes The Falls great.
Jun 25 2024 12:47 PM	Overall decent city to live in. Need to prioritizing fixed the roads and sidewalks instead of investing in new infrastructure when current is sooo poor
Jun 25 2024 12:45 PM	Would love expanded bike trails to connect our parks. Would love hiking trails with bark from dolphin drive to willowood and a bike trail dolphin drive to El Rio to get to Willowood

### Question 30 continued

Jun 25 2024 12:26 PM	I have great hope for the parks and trails of the Falls. I have doubts our village board will want to invest in beautification of those spaces as well as utility. That being said, Menomonee Falls could be one of the top suburbs if we can connect our parks and trails so that the community is connected and walkable / bike able. It would be incredible to bike to a park from one of the many subdivisions without crossing several high speed high traffic areas.
Jun 25 2024 12:24 PM	What do you want the village to be as it "grows up"? Are you wanting to make us into a major metro area like downtown Milwaukee? Are we trying to stay a quaint community? It is discount shopping and apartments/condos or small retail and restaurants with mixed housing? It does not sound like you want the opinions of the community but more the money of what a metro area can bring. If that is the case, then at least be honest with the community and tell them what you are trying to create.
Jun 25 2024 12:22 PM	Please keep supporting our library and keep expanding parks! Thanks for the survey!!
Jun 25 2024 12:18 PM	Adequate lighting would be an added bonus for people who like to walk at night to feel ssfe.
Jun 25 2024 12:17 PM	PLOW THEM!
Jun 25 2024 12:12 PM	All in my previous comments. I don't usually dine in MF, I go to other farmer's markets, and I usually find other towns to do boutique shopping. We have a cute town that really could be a destination - it doesn't even need to draw people from out of town, we have a large population and an income level that supports a lot of this stuff. And for goodness sakes, please entice the red bag Sendiks!!!
Jun 25 2024 12:11 PM	The Village has done a great job developing downtown. Keep up the good work.
Jun 25 2024 12:09 PM	Maintain what we have already. We have expanded enough. Improve safety and lighting. Elected officials need to represent ALL residents.
Jun 25 2024 12:08 PM	Side walks and snow removal on Pilgrim between Appleton and silver spring would help a lot of people who walk, bike, or use mobilizable scooters as main transportation to grocery and drug stores. Many are cut off Jan-March or force to use pilgrim road edge and it is dangerous with fast cars
Jun 25 2024 12:05 PM	One or two larger "festivals" that block off from Bank of Flowers to Just past the falls. More restaurants in the downtown strip. More "character". We don't need a dumpy VFW, we need a contemporary Mediterranean/Mexican/sandwich/sub place. More places like Hot House, less like Lunchbox. We don't need a chocolate shop, we need a chocolate shop that has chocolate dipping nights with wine for the women. Stuff to do would be great. Also the state of some of the houses on Menomonee Ave is crazy. You're only as good as your worst area. Those terrible apartments on Menomonee across from the oil change place have to go. Other than that, we love it!
Jun 25 2024 12:04 PM	Continued investment in the downtown area (a big draw of MF), additional investment in the schools (aging facilities), further attracting businesses to the area (increased opportunities), favoring housing ownership over rental properties in new and existing dwellings (keep money, investment in the community. Housing as a need, not a commodity), and ensuring maintenance and upkeep of rental/apartment properties (continued investment, not maximizing/siphoning profit)
Jun 25 2024 12:03 PM	More gym space. Would love to have a facility like OAW in new Berlin or Franklin or Center Court in Waukesha. Apprise more restaurants. We need more diversity in food options. We are falling behind. Drive through other downtown areas and there are many more options. We are improving but at a snails pace.

### Question 30 continued

Jun 25 2024 12:01 PM	Huge negative is the volleyball people that set-up their courts on the soccer fields in Oakwood Park. They are loud and not neighborly.
Jun 25 2024 11:58 AM	You're catering to an old generation. Falls will be out run my seniors in 10 years and you'll be playing catch up. Fix glaring issues now so people come to the Falls not for Costco or Target, but rather more community reasons!
Jun 25 2024 11:57 AM	<p>Snow removal is slow! I do not like that there are few times the village picks up lawn waste. We should not have to take our lawn waste to the dump ourselves. There needs to be more frequent times throughout the summer, fall and spring to have our yard waste collected.</p> <p>In terms of land use- we have so many empty buildings along the highway and county line road. We have so many empty car lots. Stop building more business that cater to cars unless it is innovative for electric cars! We need more interesting businesses along the highway- not car dealerships! And we should not build anymore until the old car dealerships that are now vacant lots are taken up first! They are such an eyesore.</p> <p>I do not think the village is fast to respond. In fact, I am still waiting for a response on if MF, or my side of MF, can get a lm air quality gauge. Our homes re located right by the factories on pilgrim that smell of glue in the air, and we smell the dump. Interestingly, or intentionally, we cannot gauge the air quality near us and the DNR won't do anything about it. So MF has to do it. We need to know that our lungs are safe. You can call me at 414 217 8817 to collaboratively figure out how to get an air quality gauge next to these factories.</p>
Jun 25 2024 11:56 AM	Please make the old TJ school into an athletic complex where kids and adults can play soccer and lacrosse. The high school is running out of space and north is limited. The other parks aren't really set up for people to come together and play.
Jun 25 2024 11:54 AM	In addition to the bug line trail I'd like to see streets and County highways widened or accommodate bike lanes. This is not a bike friendly place unless you are on the bug line.
Jun 25 2024 11:53 AM	Please consider adding a garbage receptacle(s) on Tamarack Trail on the bike path portion. It may encourage people to discard their dog droppings and other garbage that is often tossed.
Jun 25 2024 11:52 AM	<p>We have a lot of beautiful parks.</p> <p>Village lesdership has a problem with how they repesent themselves in person and on social media.</p>
Jun 25 2024 11:52 AM	NO MORE PARKS AND TRAILS. Improve, maintain, make safer (lighting, police presence) (like the tree that broke off at Rotary Park that someone is going to get impaled on) Improve the functions at these places. NO NEW TRAILS...leave the wildlife areas alone.
Jun 25 2024 11:48 AM	Our streets are terrible in the are between Menomonee Ave and appleton (Shady Lane Area). Shady Lane needs to be completely redone and traffic lines need to be drawn to indicate that it is a 1 lane road. Too many people drive up Shady in the parking / bike lane. It is dangerous and there is a school there
Jun 25 2024 11:46 AM	Would love a way for kids to switch from one side of Pilgrim/Appleton without having to cross the busy road. For example, my kids can't bike to the library.

### Question 30 continued

Jun 25 2024 11:45 AM	My Main concern is teenagers/ young adults that are just up to know good and threaten others in the community. Menomonee Falls is for the most part a very safe community and I would love for it to stay that way. Also the retail theft that occurs is troublesome because I am afraid that criminals see the area as weak and will continue to commit crimes in our village.
Jun 25 2024 11:42 AM	I would love to see expanding hiking trails or more to do in the parks. Maybe hosting more community events in the parks we have would help promote their use and get people to experience them that don't know they are there.
Jun 25 2024 11:40 AM	I absolutely love the Falls and would love to see some of the vacant spaces utilized for mom and pop shops.
Jun 25 2024 07:30 AM	No trail from Lilly street bridge to rivers edge park.
Jun 25 2024 05:39 AM	See prior comments
Jun 24 2024 08:26 PM	Continue to invest in our parks and the bike trails throughout the village. Connecting them together for safe travel away from busy, high speed roads with no shoulder. The village does a great job overall.
Jun 24 2024 05:43 PM	Do not develop homes on the property of old falls village park!
Jun 24 2024 01:05 PM	Downtown is really starting to look great, the traffic at the intersection of Appleton and Main Street can get very backed up. I think some different light patterns may be necessary.
Jun 24 2024 12:59 PM	Find a way to stop theft and Appleton Ave being a highway to crime!!! Really should have done round about at Pilgrim. Maybe add one by high school and again by River before 41/45.
Jun 24 2024 12:53 PM	Keep up the good work. There are only minor things that could be improved. Overall all I love Menomonee Falls.
Jun 24 2024 12:48 PM	I think there needs to be an enhanced focus on connecting the various neighborhoods throughout the village, and a reduction in the width of several of the arterial roads.  The village will benefit if people are able to access amenities by means other than cars.
Jun 24 2024 09:29 AM	Riverwalk apartment building looks nice BUT....that land should have been reserved for the public to enjoy the river & the actual "falls"....
Jun 24 2024 08:39 AM	Like I mentioned previously, I am concerned about the loss of natural/open areas. New businesses and homes are quickly taking up these spaces. It seems unimportant, but everything from bugs to deer need these increasingly limited spaces. If we continue to build at the current pace we'll all be staring at concrete and buildings everywhere we go.
Jun 24 2024 06:18 AM	I know that cycling trails bring people into your area and allow a community to show off. A good walk ability allows for opportunities to have more events to draw people to business.
Jun 23 2024 10:27 PM	I'm not concerned about Parks & Trails. I'm honestly concerned about the amount of people, traffic etc. coming in to this community & not actually living here. The Law Enforcement & Police Presence needs to expand two fold. I travel Appleton Ave. from one end to the other multiple times a day for nearly 50 plus years & the amount of unlawful drivers coming in & out of Menomonee Falls is absolutely disturbing & disgusting. Where are our Falls Police when they could be pulling people over 24/7 on that stretch of road solely all day long not to mention the rest of the Falls area as well. Again over growth & not prepared!
Jun 23 2024 10:14 PM	Add trails through Tamarack Preserve!

### Question30 continued

Jun 23 2024 08:03 PM	<p>Stop building huge apartment complexes in the center of our village.</p> <p>Trim trees in medians that can be a hazard to drivers and bicyclists, especially when residents have asked the village more than once to do so.</p> <p>Instead of just marking where there is a bump or dip on the bike trail, and leaving that way for a year or more, fix it within the same year as marking it.</p>
Jun 23 2024 08:02 PM	.
Jun 23 2024 07:50 PM	There are a lot of off leash dogs on the trails and in the parks. Signage may be helpful.
Jun 23 2024 05:07 PM	<p>Need another splash pad somewhere.</p> <p>Would like to see a footpath bridge added on manor hills Blvd to get over the creek.</p>
Jun 23 2024 03:42 PM	Establish a written policy for notification of open positions on boards. Appleton and main is a very dangerous intersection with many people not waiting for a turn signal to go left on main. They just drive thru. So put police up there at times to ticket. Enclose that open stinky water hole near Neus hardware. It is dangerous for kids to fall in and stinks during hot weather in water levels are low. You should have allowed that women's half way house for recovering addicts.
Jun 23 2024 03:39 PM	Please invest in village pedestrian paths and trails - look at Brookfield for an example - such a great opportunity exists for the village to connect with their existing paths on Calhoun and Brookfield roads.
Jun 23 2024 03:35 PM	More non chain sit down restaurants. Revive downtown. Add high quality non chain stores. Make village a destination.
Jun 23 2024 03:17 PM	<p>Would like the farmers market on the weekend</p> <p>More ethnic stores eg: world market, Mexican/asian grocery store</p>
Jun 23 2024 01:55 PM	we need a community pool and it needs to be easier for young people to get around town on bicycles.
Jun 23 2024 12:19 PM	As I've mentioned, many of us need assistance for trail riding and so having access to that and perhaps some golf cart/ scooter rentals would regulate the noise, times, maintenance, etc. would be a huge plus for us with disabilities and for our seniors to enjoy along with everyone else. It's like the grocery store, you know it's busy on double coupon and senior times so avoid if wish. And don't just give times of like 6-7am when many haven't risen yet or need assistance or in the heat of the day. Thank you for allowing me to take this survey. I hope it makes some difference.
Jun 23 2024 11:59 AM	We live on fair oak pkwy and I feel very disconnected from the best parts of Menomonee falls (village area where all of the activities take place, Menomonee park, bugline). Would be awesome to have a multiuse trail system connecting us safely to these great places and adjoining communities. Would love a place to safely bike, run/walk, rollerblade that connects the many subdivisions to the larger community. My kids who are in high school now always wished there had been a community swimming pool and skatepark.
Jun 23 2024 11:55 AM	The Village Park transformation has been very nice. We have enough for now.

### Question 30 continued

Jun 23 2024 09:44 AM	In order to compete with surrounding suburban communities, Menomonee Falls needs to prioritize making the village a destination for young families. This means creating facilities and events that cater towards families (I think this has improved a lot in recent years). I would like to see less focus on keeping taxes low and investing in our community with more money towards fixing roads, parks, the school district, and creating a better sense of community. Another barrier to the sense of community is the highly partisan attitudes of many of the village trustees. Their words, actions, and general demeanor prioritize extreme viewpoints. I have been especially disappointed to see the politicization of the library and how some businesses in the Village are treated by board members. Although these culture war topics are popular at the national level, it is embarrassing to see it happen in the village and will discourage many young people and families from being a part of the community. I have been embarrassed on multiple occasions as people I know from the area ask me what is wrong with Menomonee Falls based on the actions of our local government and school board.
Jun 23 2024 08:13 AM	I'm also impressed with the business community and the group organizing all the events downtown! Always something going on! Keep up the good work!
Jun 23 2024 08:08 AM	With the expansion of the housing in the area I would love to see more Wauwatosa, Cedarburg, downtown West Bend types of community feel. Village Park concerts, movies, etc are a huge plus. The addition of Third Space Brewery is another large plus for the community.
Jun 22 2024 06:07 PM	I use a lot of the trails for walking and biking. I would like to see more street bike paths so I could access current bike trails like the Bugline more safely. Currently I put my bike in my car because I don't feel safe biking on the streets.  I would also like to see snow removal on at least one trail so that we can walk in the winter.
Jun 22 2024 06:01 PM	Trails and bike paths need maintenance and completion! Bike friendly city's benefit from great trails!
Jun 22 2024 05:52 PM	I love Menomonee Falls.
Jun 22 2024 03:12 PM	Work to drawing in the community and bringing families together. Building a strong fabric for the community to take care of the people who they share the Village with.
Jun 22 2024 08:14 AM	Replacement of River Bridge at the crossing near Park Blvd and Mill Street.
Jun 22 2024 07:50 AM	Rotary Park trail South/East toward Menomonee Ave and Lilly should be widened and re-surfaced. Disappointed that access to trail off Lilly (South of new bridge) is only directly East. Awkward/unsafe when accessing from Lilly (bike, walking, stroller, etc).
Jun 22 2024 07:29 AM	Keep up our nice parks and trails. Wish the village would publish all the parks and trails some place easy for people to view and decide how to walk/bike around the village and trails that lead outside of village also. If there already is something like this where is it?
Jun 21 2024 11:25 PM	I think Menomonee Falls has really worked hard to make our downtown more inviting & has improved the looks of the downtown with flower pots & hanging flowers & upgrading the store fronts.
Jun 21 2024 08:28 PM	As someone that enjoys long distance running and cycling (in all seasons), a well-thought out, connected system of mixed-use trails is important to me. I feel creating opportunities to navigate the Village on foot and via bike creates a positive environment for our hometown that attracts young and active individuals. I believe dedicated bike lanes should also be considered for main thorough-ways to encourage safe biking practices.

### Question 30 continued

Jun 21 2024 05:56 PM	When reviewing developer proposals, be sure to answer the questions about how to have better local service access, w/out having to drive to more distant locations.
Jun 21 2024 05:18 PM	Menomonee Park does an excellent job of maintaining the park, dog bags are always filled, garbage emptied, I love it there!
Jun 21 2024 05:04 PM	It would be nice if biking trails were more easily accessible via bike versus parking and bringing your bike.
Jun 21 2024 03:12 PM	Preserve the greenspace. The Village seriously doesn't need more apartments. They're over-priced and the volume takes away from the Village appeal.
Jun 21 2024 03:03 PM	I have no faith in the current village board to protect the future of the Village.
Jun 21 2024 01:23 PM	MF has overbuilt and overpopulated itself. Sadly it is becoming just like Milw. I hope MF focuses on reviving and revitalizing what we already have; and not continue destroying our natural areas.
Jun 21 2024 01:17 PM	The Village should enforce property owners to keep their property clean and kept up better.
Jun 21 2024 12:47 PM	The village relies too heavily on "the good old boy" crowd that grew up here to make decisions. Need to invite newcomers and younger families ( new to the community) in for suggestions. There is too much " this is how it's always been"!!
Jun 21 2024 12:16 PM	Small streets need police monitor of 6 ton truck traffic.  Crazy fast drivers is getting worse.  Residents are an asset and as important than businesses.  Thank you for the survey !!
Jun 21 2024 11:59 AM	As a long time resident, it is so bad that the village board and school board are all of the same general philosophy. It has created a mess where 47% of the population feels totally unheard. There is very little constructive debate. I am looking to leave this community in the near future.
Jun 21 2024 11:27 AM	Repave many of the old bumpy roads, stop apartment permits, no more high property tax raises as in 2024 tax bills. Maintain safety with Milwaukee's crime at our door step.
Jun 21 2024 11:20 AM	The redo of Village Park was fantastic. The usage of the park is great. The increase of events at Old Falls Village is welcoming. Keep going to increase reasonable usage at other parks and trails where needed.
Jun 21 2024 10:55 AM	Focus on preserving the remainder of natural habitat and wooded areas of Menomonee Falls.
Jun 21 2024 09:51 AM	Please bear in mind safety of these areas.
Jun 21 2024 09:40 AM	Our family gathers every Friday to socialize. Unfortunately, there's not high end food restaurants to choose from in Menomonee Falls. Would have loved a BJ's Brewing here.
Jun 21 2024 08:50 AM	We love all the parks and the city has done a great job maintaining and upgrading parks and the entire downtown. However, we live in the very southern part of the village and would love to see more paths/trails/sidewalks for both safety (especially kids) and connection to major paths in other parts of Menomonee Falls. Overall we would just love to feel more connected to the northern half of Menomonee Falls where it seems much of the activity is.
Jun 21 2024 08:06 AM	We have enough, just not enough green space around multi-family apartments! Should be a requirement to build.

### Question 30 continued

Jun 21 2024 07:21 AM	We need a public outdoor pool.
Jun 21 2024 06:14 AM	As I said in the last survey, my family loves living in the Falls.
Jun 21 2024 05:55 AM	Fix trails
Jun 21 2024 12:02 AM	A park like 10 Club park would be amazing. It was beautiful and an easier place to watch kids than village park
Jun 20 2024 11:45 PM	<p>Roads are terrible.</p> <p>Snow removal is a joke, village does not provide around the clock scheduling, still stuck in the 50's.</p> <p>Old falls village and friends of old falls village is a conflict. Turn the park over to the friends of old falls village and get rid of the old boys club, they do not have a vision for the future. Let friends of run the park and make it profitable.</p> <p>Police services are good, the fire department needs better support of the village.</p>
Jun 20 2024 11:39 PM	I am extremely concerned with actions like those of trustee Lassila, who seems to pick and choose which local businesses to support/disparage based on her personal views rather than what is best for the community. Local government officials should be looking for ways to support all small businesses in the village. Her actions concerning "Batter and Mac" in particular do nothing to improve our community. Instead, they are a black mark on Menomonee Falls.
Jun 20 2024 11:01 PM	The Village could do more to make the Menomonee River more accessible to the public. Many people do not even know it is there. It would be wonderful to have it accessible for kayaking, tubing especially in the summer.
Jun 20 2024 07:27 PM	Focus on the new parks and leave the old parks alone.
Jun 20 2024 06:07 PM	Plant more native trees, bushes, and plants. Remove invasive trees, bushes, and plants
Jun 20 2024 05:21 PM	Promote business regardless of their cultural beliefs ( Batter & Mac). I do not feel that this community is accepting of mainstream and progressive beliefs. This will be a destination community if the Village Board opens their minds.
Jun 20 2024 04:59 PM	As I've already stated, I would like to see more sidewalks so that the healthy lifestyle of walking/biking is encouraged.
Jun 20 2024 04:24 PM	Stop building apartments!
Jun 20 2024 04:21 PM	We live in a very unique area. Unfortunately, we are not doing a very good job of highlighting the uniqueness. Many parts of our city, that are controlled by the city, looks shabby. There's no enforcement of trying to make our buildings look up and pleasant. We have a cute Shopping area but it is so hodgepodge that it looks rundown and decay. There's not enough signage to highlight our various parks. we look like a tired city. Well, I think it's important to have true change, I also believe that slapping a little bit of lipstick on A pig would go along way and making our community more welcoming and desirable. So that means making sure that we enforce buildings being kept up and painted and lawns being mowed and lines being drawn on the street to stop at Lites and working walk don't walk signs and bushes being trimmed up, things that nature would go along way and making our neighbourhood and our community seem, quaint and unique.
Jun 20 2024 03:27 PM	Give library hard working staff a 5% raise and more study rooms in library AND safer sidewalks that are wide enough for 2 side. BY side strollers to comfortable pass each other.

### Question 30 continued

Jun 20 2024 03:17 PM	Add more bike/ walking trails to new subdivisions. Leave the older neighborhoods alone! Trees should not be removed to make a walking trail. Do not add trails through peoples yards! It looks terrible on Fond du lac road. Add trails to new building projects.
Jun 20 2024 02:56 PM	Willowwood Park shut off drinking water fountains year ago and never fixed/replaced. Existing items like drinking fountains should not be removed.
Jun 20 2024 01:51 PM	Skate area. This can and is being done in other municipalities.
Jun 20 2024 01:09 PM	Please connect/create a trail near RidgeField (End of Menomonee towards Brookfield). There is huge population of families, who doesn't have a good walkways and trail access. No walkway to Marcy School so we always have to get our cars out to pick/drop kids.
Jun 20 2024 01:04 PM	Happy with our direction. Wish it would just move in that direction faster !
Jun 20 2024 01:02 PM	I think snow removal from the trails and wide sidewalks is a must. It's difficult to use them in the winter when they stay snow and ice covered.
Jun 20 2024 10:59 AM	I think further collaboration with the Waukesha County Land Trust could lead to ideas and a framework to improve the parks and trails in the Village in an environmentally sensitive manner.
Jun 20 2024 10:51 AM	Need to keep a large portion of affordable housing of all types.
Jun 20 2024 10:47 AM	PLEASE just maintain the parks and trails and don't add new things. The taxes are out of control and the cost of living each year rises exponentially while roads and other necessities continue to lack. It really feels like the village only cares about investing huge amounts of money in new niche projects while the basics of living fall to the wayside. I am begging you to please just consider the actual residents, all of them, when making these huge financial decisions. I love Menomonee Falls , but me and many community members will be forced to leave in the next couple years if this trend of cost increases continue.  Thank you for reading this.
Jun 20 2024 09:27 AM	There's tons of potential with the trail network, but a lot of the trails are shorter and don't really go anywhere.
Jun 20 2024 09:21 AM	Keep it safe. The thefts quite scary.
Jun 20 2024 08:50 AM	Ya have a great thing going in the old village  Now you need to work on reconfiguring the area by fleet farm, the fast food district  That area needs to be updated and cleaned up
Jun 20 2024 06:28 AM	You are never going to please everyone....
Jun 20 2024 06:25 AM	before spending or giving grants have village input. meetings now are not scheduled to meet peoples work schedules
Jun 20 2024 06:06 AM	Lower water prices, don't regulate and require permits for so many things.
Jun 20 2024 12:11 AM	My family treasures the library. Such a useful and welcoming space. We are excited to see how Aero park develops. Great work on Village Park!
Jun 19 2024 10:17 PM	No need to connect rivers edge park to Lilly rd. Because the park is so tucked away, it lends itself to inappropriate behavior. I'm afraid it would become more prevalent if there is access from Lilly.

### Question 30 continued

Jun 19 2024 09:55 PM	I would like to see splash pad on the south side of Menomonee falls . We have a lot of new subdivisions on silver spring and lannon and all the way down . Need more playgrounds for kids
Jun 19 2024 09:38 PM	No more trails through peoples back yards and be honest with future communications and plans
Jun 19 2024 08:47 PM	Leave River park alone
Jun 19 2024 08:43 PM	I do not want to see a trail connecting rotary part to rivers edge park. I live on Parkview dr and we have constant problems with rift raft on our street. I've lived on this street for 30 years and before they made rivers edge a park we had almost zero problems. I bought the house across the street from my parents and with the first two year we had multiple problems. That trail will be so secluded. I think it's gonna bring more problems to our neighborhood. I would think if anything you connect the sidewalk where it ends at Lily Road to connect to the sidewalk to Fond du Lac.
Jun 19 2024 08:41 PM	I don't think we should open more parks or paths that aren't monitored. The larger parks have more to offer and seem to be better lit, monitored and safer.
Jun 19 2024 08:35 PM	I love menomonee falls and we have the best village board we have ever had! They stand firm and do not buckle under the radical minority pressure.
Jun 19 2024 08:12 PM	Just to be mindful of all age groups and interests of the community.
Jun 19 2024 08:10 PM	Fix the streets!!! There is enough spent on parks
Jun 19 2024 08:05 PM	We need more restaurants. Not chain restaurants. We find we leave the falls a lot when going out to eat.
Jun 19 2024 07:53 PM	Develop safer ways to bike across Pilgrim, Appleton, Menomonee ( and not add more wide bump outs on Main St which make walking safer but worse for biking. Plow paths on Pilgrim during winter
Jun 19 2024 07:26 PM	More Bike /walking paths leading to parks. Signage on these paths. Connect all the Lisbon road paths together. Very dangerous when having to go out in street to get to next pathway. At least from Lilly to Calhoun rd.  Keep more of our community involvement with our resources we pay for.
Jun 19 2024 07:15 PM	Continue to build out the areas around downtown. Find a way to keep the playground area safe for all families.
Jun 19 2024 06:30 PM	I think our library and the extra activities they offer is amazing. So glad to have such an amazing resource.
Jun 19 2024 06:09 PM	Continue preserving and improving your existing parks. Grab hold of any green space opportunities that come your way. Cut back on building so many huge homes and new subdivisions. Spend \$\$ on maintaining and building up your police and fire departments along with your DPW. These 3 departments are essential for keeping the Falls a good safe community.
Jun 19 2024 05:58 PM	I'm concerned of privatization of Old Falls. I'm concerned with potential fund reductions to the library. I wish Appleton were put on a road diet instead of a six lane highway.

### Question 30 continued

Jun 19 2024 05:31 PM	Lets fix and maintain the trails we have. Put in handicap accessible ramps at each cross street. Cut grass and bushes back by Grand Ave trail crossing (near fire hydrant). Snow removal at intersections with sidewalks needs to be focused on.
Jun 19 2024 05:00 PM	Love the idea of connecting further to other communities! The falls needs more pedestrian and cyclist amenities, as well as public transit.
Jun 19 2024 04:42 PM	We live on southern end of the village and there is no way to get to downtown safely it seems by anyway other than car. Would very much like a walking or biking trail to downtown of more sidewalks on Pilgrim and Lilly road
Jun 19 2024 04:33 PM	Would be nice to rent scooters or bikes for those who don't have those. I would like another more complete splash pad I would LOVE to see a community pool!!! More pickleball courts Would love to have some women's clothing stores especially for the over 40 age group. Maybe an outdoor mass at the music pavilion would be good for families with little kids. The farmers market doesn't have enough produce vendors, cheeses and homemade breads etc would be great too! How about "Taste of the Falls" with all the restaurants offering small bites (for a fee) and then we can all taste what these restaurants have to offer!! I do love the bandshell and that whole area is quite nice!
Jun 19 2024 04:25 PM	Get rid of the wisred puppets
Jun 19 2024 04:15 PM	Sometimes bigger isn't always better.
Jun 19 2024 04:08 PM	Love living in the Falls, keep up the work! (Please add some lights to bugline though, I do not feel safe once it starts to get dark)
Jun 19 2024 03:57 PM	<p>Menominee Falls appears to be in a good place with the current Village Manager, Staff and Village Board.</p> <p>Keep up the good work.</p> <p>Thank you for being approachable.</p> <p>Thank you for providing a safe community with good churches, good schools, plenty of opportunities, plenty of shopping choices, good restaurants, low taxes and good housing choices.</p>
Jun 19 2024 03:53 PM	Please install a sidewalk/path or widen the road on Lilly to make it safer for children to walk to the parks and the school, as well as bike. Right now it is not safe at all and there is no shoulder. Kids have to walk in the grass right now.
Jun 19 2024 03:50 PM	Any extension on Tamarack trails bike lane would be great. Any connecting of the bike trails would be nice. Widening the Menominee parkway trail to fit bikes would be nice. All cost money, but if any are possible, that'd be great!
Jun 19 2024 03:48 PM	<p>I wish I used them more but since I haven't so far I don't have much of a position.</p> <p>On another note..... I'd love to see some creative development or new retail/restaurants make use of the empty lot near the post office, the empty lot across from Alumni Club, the empty retail space across from St. Paul's UCC, the empty retail on Pilgrim and main.</p>
Jun 19 2024 03:37 PM	Please provide smaller pocket parks with play structures that are walkable from home.

### Question 30 continued

Jun 19 2024 03:29 PM	See above comments. MF is getting better than what it was 10 years ago. With the influx of people from the new subdivisions, it's only getting bigger. We need to keep up with all the other communities in the area. No more apartments or condos!
Jun 19 2024 03:23 PM	More bike lanes on busy roads.
Jun 19 2024 03:22 PM	In my opinion, the village needs to improve their response to potholes more quickly. There are a bunch of them on Maple Road and Meno Avenue every year. Also, the snow plow service - sometimes our street isn't plowed til a day or even 2 days later after a storm.
Jun 19 2024 03:10 PM	Higher quality development and housing, no low income housing. Continue maintaining parks and trails. Snow removal would be nice so can walk on trails instead of in street
Jun 19 2024 03:03 PM	Would love to have the bugline connect across Appleton or have a 10' wide shared use path next to Appleton going up to the crosswalk and connecting to the path on the other side that runs up toward Costco
Jun 19 2024 02:45 PM	It is too late to restore the village charm that previously existed. You should be ashamed.
Jun 19 2024 02:37 PM	Parks are impressive
Jun 19 2024 02:31 PM	Farmers market needs different hours. Another pedestrian walkway on Appleton between Main and Cleveland. Fill that empty Fresh Thyme location with a public market scenario.
Jun 19 2024 02:27 PM	The teenagers need a skate park, basketball court and a place for older kids to hangout. Village Park is overrun with teens who have no where else to go.
Jun 19 2024 02:27 PM	I love Menomonee Falls, but no longer feel as safe because of all the shoplifting. We need to show people MORE that we won't tolerate that here. Start fining these stores for not doing enough! Kohls, Ulta etc.
Jun 19 2024 01:44 PM	Village is very fractured along political/ideological lines. Communication needs improvement - in the absence of factual information, people make crap up. Too much is aired on social media and it is very difficult to find facts. Keep up the good work in trying to improve MF. Make decisions for the whole and not for the ones that scream the loudest. Thank you for asking our opinion.
Jun 19 2024 01:32 PM	We love living in The Falls!!
Jun 19 2024 01:22 PM	Would like to see a mix of paved and natural trails
Jun 19 2024 12:39 PM	We love Menomonee Falls. We have lived here for 50 plus years. As stated in my comments, I would love to see an outdoor pool/water park for family use. I'd like to have more entertainment (theatre/concert) venues at the Middle School. A vision for me has always been a Nature Center and boardwalk developed for educational and recreational use of the Tamarack Preserve. It's such a precious natural area in the Village and it needs to be utilized by more people. It would also encourage more people to visit Menomonee Falls and enjoy what we have to offer. Thanks for the opportunity to share my thoughts and vision for our great Village.
Jun 19 2024 12:06 PM	need more active park features, archery range, skate park, better playground facilities at parks other than VP
Jun 19 2024 11:16 AM	Too many TIF districts and the like that have cost taxpayers money, such as the hotel on main street.
Jun 19 2024 10:55 AM	A well run village!

### Question30 continued

Jun 19 2024 10:50 AM	I think that members of the board should consider what's best for the citizens and not what's best for their personal interests. I would say that decisions have been made to benefit individuals and the economy rather than for the betterment of the community.
Jun 19 2024 10:47 AM	Village is improving but still has a way to go....
Jun 19 2024 10:40 AM	I have many more thoughts about how to continue to evolve the Village. While my family is new to living here, i've worked in the falls for many years and appreciate the charm it has. Please continue to add surveys for those of us to continue to share feedback. Thank you!
Jun 19 2024 10:19 AM	reducing the size of our fire dept. and partnering with other communities in order share equipment
Jun 19 2024 10:10 AM	Speed and wreckless driving on main streets such as Appleton, Pilgrim, Main, Town Line, Silverspring, Menomonee and Lilly could be enforced a little better. Otherwise government officials do a great job.
Jun 19 2024 09:51 AM	Better restaurants on Main Street
Jun 19 2024 09:18 AM	We are absolutely satisfied with our move to the Falls as a young family. My husband works here. My kids go to school here. The Falls is a nice place to live. But, people aren't coming into the Falls from other areas to hang out. Third Space will start that but we need more. And the more for young families to enjoy, the more young families will want to move here. I truly believe Menomonee Falls has what it takes to become the next "Tosa." It's just not there yet.
Jun 19 2024 09:18 AM	Need to create more space for the growing student population in the schools, or close our schools to non residents. Need to clean up all the fallen branches and dead trees on the Bu-gline.
Jun 19 2024 08:12 AM	With all of the traffic on Appleton, there should be additional stop lights to help with walkers crossing Appleton safely. In addition, cars being able to move from side streets on to Appleton. There is only a cross light at Pilgrim and then at Main Street.
Jun 19 2024 07:54 AM	Would love to see a new playground at Menomonee Park. Would love to see a new playground that isn't close to the middle school. Ice rink would be amazing and local hockey would benefit the community. The Old Thyme building would be better utilized as small shops? It is such a a waste to see it unoccupied.
Jun 19 2024 07:49 AM	I'd love to see more. Having a fun, safe place for kids to play and exercise is important...for parents too. You should definitely add more and continue to improve on what we do have.
Jun 19 2024 07:47 AM	The northwest side of the village is in need of additional park resources as this area of the village continues to grow in residential properties at a fast pace.
Jun 19 2024 07:38 AM	I feel that safety is sometimes a concern in the Village parks.
Jun 19 2024 07:33 AM	I feel that we need affordable housing. Reasonable size single home properties, not four bedroom large lot properties. People can't afford it. My son recently moved out of a townhouse in the Falls because rent was too high!
Jun 19 2024 07:15 AM	If the Village can continue to keep the streets clear and passable year round, the public safe, and properties clean and maintained the village will continue to grow and do well. Don't turn into Wauwatosa.
Jun 19 2024 06:33 AM	Public safety should be the government's highest priority!
Jun 19 2024 05:45 AM	Would love a sidewalk on Lilly Rd near Rotary park. Kids walking to and from school walk along Lilly and we walk our young children to Rotary and Lilly can get busy/difficult to walk along.

### Question 30 continued

Jun 19 2024 02:24 AM	Sidewalk on lisbon from pilgram going west. PLEASE!! PLEASE
Jun 19 2024 01:06 AM	Thanks for working hard to keep and improve them
Jun 18 2024 11:56 PM	How about a rib fest during the summer. It would bring in more money for the village and bring the community together. Have an art fair along side the rib fest. Carnival rides.
Jun 18 2024 11:07 PM	Keep it green and natural and preserve as much as you can. Don't sell out and develop more land - it is a limited and precious resource. The village is a beautiful town and we are blessed to call such a peaceful community home. MANY people are not as luck around the world.
Jun 18 2024 11:03 PM	Thank you I love the village I live in!
Jun 18 2024 10:55 PM	It is getting overcrowded. I have concerns for local wildlife. We need to preserve farms and nature spaces
Jun 18 2024 10:28 PM	I just want some sidewalks/paths on main streets cleared off during winter so that people can use them for exercise
Jun 18 2024 10:25 PM	Make the village area by Appleton and Main more pedestrian friendly. Give more incentives for small businesses and restaurants to locate there. Create safe walking trails and bike trails on busy roads. Would love to see a network of boardwalks in the swamp area.
Jun 18 2024 10:21 PM	Village government needs to be more balance and engaging of all perspectives
Jun 18 2024 10:04 PM	The south side of the village is barren. Grocery or sit down dining would be great
Jun 18 2024 09:53 PM	Bathrooms will improve opportunities for families with children to utilize! Also would love maybe a vending machine? As silly as that sounds always helpful to have a consistent snack spot. Maybe even diapers/toothbrush/sanitizer/wet wipes/basic hygiene items in the machine?? Oh! And a boot scraper by walking trails! Always welcome :]
Jun 18 2024 09:49 PM	We need better sidewalks, especially on busy streets. Our library needs updated/more current books.
Jun 18 2024 09:48 PM	Somehow have security patrols make rounds to the various parks to keep the teens in line
Jun 18 2024 09:45 PM	I would like to see the parks and rec department offer better more diverse exercise class options. Strength training, step aerobics, etc.
Jun 18 2024 09:38 PM	More/better dine-in restaurants
Jun 18 2024 09:31 PM	Concerned about over usage of the parks by people outside of the immediate Falls area. I live close to Oakwood Park and use by a consistent group of people gets excessive. This results in extra maintenance of soccer fields and pavilions. It also likely results in higher related property taxes Also noise gets excessive and some park property is damaged. Not an easy solution, but hopefully some adjustments can be made
Jun 18 2024 09:30 PM	Please stop developing all green spaces there is too much new homes and businesses and it is taking away from the nature and charm of the village
Jun 18 2024 09:24 PM	I am excited about the improvements to the park across from North Middle School and downtown Main Street area. (Area description of surveyed parks should be provided as though I use several parks beyond the area of my home, I don't always know the names.)
Jun 18 2024 09:21 PM	We need security at village park. It's not safe, I don't like taking my toddler there.
Jun 18 2024 09:20 PM	I would live to see outdoor workout fitness equipment in Rotary Park.
Jun 18 2024 09:10 PM	We need less luxury unaffordable apartments and more housing solutions to bring in more young adults and families.
Jun 18 2024 09:09 PM	Widen and improve the upkeep of existing trails before building new ones.

### Question 30 continued

Jun 18 2024 09:08 PM	More parties! People in the the Falls want to get wild!
Jun 18 2024 09:07 PM	Stop building banks and apartment buildings. We don't need anymore. We need more green space and locally owned healthy restaurants.
Jun 18 2024 08:57 PM	It would be nice if members of the Village Board didn't encourage marginalization and attacks against the LGBT members of this community. I've lived here for over 20 years and have formed many relationships with friends and neighbors in the community. I really don't need you starting trouble and getting people all worked up. Just do your jobs and be good stewards of the community I love.
Jun 18 2024 08:47 PM	Future of the village, security on the east side of the village, Milwaukee County line is getting more challenging. Along with shoplifting from the stores in the Village is becoming a concern
Jun 18 2024 08:46 PM	Lots of overgrown areas and many park or forest areas with tons of dead trees.
Jun 18 2024 08:44 PM	Please keep all parks clean and trails clean. Try and make something out of the old Walmart.
Jun 18 2024 08:35 PM	Loved seeing the invasive species cleared along the river south of downtown! Great work!!! Keep it up.
Jun 18 2024 08:30 PM	A better and more established beer garden with music. Preferably German music. Better bike paths that connect with each other.
Jun 18 2024 08:27 PM	I like living in the Falls but it's changed a lot from when I was a kid living here to now. Since you've ask to share any thoughts/idea, I don't like the idea of people in our community giving our local business flack for something they support because those individual do not understand and are unwilling to have a conversation with someone different than themself- and yes I'm talking about Batter & Mac. They are a great asset to our village and downtown area. I feel if we are all to progress further together then the village government needs to step up and show that they back our business.  Other than that, just concern for the school district and how ultra political the school board has become. All kids regardless of their upbringing need to get a good education. I think if the members of the school board (regardless of what side they are on) can put their personal political feelings aside and everyone can be neutral or at least moderate the kids would ultimately win.  I don't believe saying any of this will make a difference since so many people in control are so set in their ways, but I hope that in the future the Falls is an inviting place to all people.
Jun 18 2024 08:23 PM	Stop the mass building of single family homes that a lot of people can't afford. Taking all the green space away
Jun 18 2024 08:19 PM	Thanks for caring for our community! You usually only hear complaints!
Jun 18 2024 08:05 PM	While anything could be improved, overall they are quite good today and I wouldn't want to see them decline
Jun 18 2024 07:47 PM	Optimistic. Whereas more houses increase tax revenue...I personally would like to see more green space retained...at present it is all rapidly being developed with structures for which I think we have enough of. I used to visit the mill pond frequently but not a fan anymore.... and I am not a fan that no provision was made for renters their to accomplish a turn into their homes without means for through traffic to go around. If I wanted congestion I would move to a bigger city....has not been a horrible inconvenience...the buildings are beautiful...but open areas are what makes a village feel like a village and not a city.

### Question 30 continued

Jun 18 2024 07:40 PM	n/a
Jun 18 2024 07:40 PM	Enough
Jun 18 2024 07:39 PM	Keep up the good work. The radical leftists that want to overtake MF and destroy our way of life must never succeed.
Jun 18 2024 07:29 PM	I enjoy living in Menomonee Falls!
Jun 18 2024 07:26 PM	Luke to see healthy grocery, restaurants
Jun 18 2024 07:23 PM	Stop building banks and add some decent restaurants other than fast food. Also crack down on speeding throughout the village and enforce the prosecution of criminals who continually shoplift our small businesses
Jun 18 2024 07:20 PM	I'd love to see more development of multiuse trails thru out the Falls connecting the southern portion to the northern portion
Jun 18 2024 07:18 PM	Please maintain the trails
Jun 18 2024 07:17 PM	The parks need to have a ranger type position whose sole purpose is to enforce the rules or at minimum show presence. This should not take away from law enforcement who is busy managing crime and protecting our Village. If the parks system grows the parks need to budget a process to manage or enforce the rules to help create a safe environment for all residents.
Jun 18 2024 07:04 PM	The new playground at village park is amazing but it really needs more shade!
Jun 18 2024 07:03 PM	More biking trail connections to Milwaukee (Fond du Lac Av to Bradley Rd). More low income housing areas (like Greenbrier Village).
Jun 18 2024 07:03 PM	Leash laws need to be better enforced in parks and in neighborhoods. This is a big problem.
Jun 18 2024 06:52 PM	Bike path on busy roads that don't have bike paths.
Jun 18 2024 06:42 PM	Add outdoor pool and maintain plants around trails
Jun 18 2024 06:41 PM	I love that the Village has invested in Village Park and made it a destination for so many, but if people don't feel safe bringing their kids, they may not come and not spend money in our downtown area. Anything we can do to continue to make the Village a destination is a great thing. Also maintaining enough diversity of businesses to attract all.
Jun 18 2024 06:40 PM	n/a
Jun 18 2024 06:35 PM	Give people land options to buy that aren't in a HOA.
Jun 18 2024 06:25 PM	We desperately need additional sidewalks on main roads. For example, Marcy school is surrounded by housing, but there are no paths to get to the school from the neighborhoods so we force more cars on the road because walking is not accessible,
Jun 18 2024 06:22 PM	Increased wildflowers (native) would be lovely. It could also be cool to have a regularly scheduled litter pick-up for the community to join in? If there is already litter collection, perhaps increasing frequency would help. I always do it on my own when I am on the trails or at the parks, but it seems to be something that needs more attention. I also love the idea of improving connectivity to the existing trails to neighborhoods in The Falls.
Jun 18 2024 06:21 PM	I would love to see a connected walking/biking path from all major neighborhoods/subdivisions to the downtown area.  Very impressed with the development of the downtown area around the waterfall, main street, Village Park. Well done!

### Question 30 continued

Jun 18 2024 06:20 PM	Basketball Courts would be a great investment!! There is currently no great areas to play full court basketball. I also feel more natural style trails would be great for walking/running. Natural style trails are much easier on your knees than hard pavement.
Jun 18 2024 06:13 PM	Please install walk signals on all major crosswalks/busy streets. Make the Village a safe place to walk!
Jun 18 2024 06:09 PM	We need more green space. None of the new apartment monstrosities have green space. Why was that acceptable? More green and less concrete please.
Jun 18 2024 06:07 PM	Work towards becoming a "Blue Zone"  Remember the foundation this community was built on, small family oriented safe community with traditional values and lifestyles. No more businesses like Batter and Mac causing drama and bringing negative publicity to our beautiful community.
Jun 18 2024 06:07 PM	If you do not live downtown you are treated poorly. No leaf pick up. Storm water fee . No water or sewer lines.
Jun 18 2024 06:07 PM	Gas cars are not the future. Make all bike/walking paths lead to Menomonee Falls. Having intra-village public transportation could be sweet (Rickshaws/trolley/diver-less taxis).
Jun 18 2024 05:59 PM	The Village representatives need to take into account all residents and not just their neighbors or friends. Social media seems to be taking over how things are decided. I believe in freedom of speech but when it is attacking residents, businesses and groups it is beyond how a Village representative should represent.
Jun 18 2024 05:56 PM	Keep open and transparent governance and don't keep kicking the maintenance can down the road.
Jun 18 2024 05:54 PM	Stop the removal of any more historic buildings in our Village. We've already lost too much history. Have a little more respect for the historical society and get rid of the "friends".
Jun 18 2024 05:52 PM	I think you are doing a good job. There is little to no need for changes.
Jun 18 2024 05:48 PM	Skatepark! Adult outdoor exercise equipment!
Jun 18 2024 05:47 PM	too many condos and apartments on busy roads
Jun 18 2024 05:41 PM	Would love more community events for first time parents. Would love a skate park!
Jun 18 2024 05:41 PM	The Village Board is whack
Jun 18 2024 05:39 PM	I love my home, I love my neighborhood, I love my work being in my neighborhood. I love living in Menomonee Falls <3
Jun 18 2024 05:36 PM	Street maintenance needs a larger budget. Many roads need replacing.
Jun 18 2024 05:34 PM	Village park is great but more and more things are breaking. When I have reported it gets fixed but kind of wish I didn't need to report every time. Bimonthly walkthroughs would be nice.  Have more trails and or fishing spots available for youth. Kids go to mill pond but gets backed there. There is a pond near the little league area that would be great to have a pier and some shade.
Jun 18 2024 05:33 PM	Please keep the remainder of village park green and limit impervious surfaces. Also consider reducing light pollution. If the park closes at 10 - lights should be off.
Jun 18 2024 05:29 PM	Please add a walking/running/biking trail around the perimeter of the pond at Willowood Park.

### Question 30 continued

Jun 18 2024 05:28 PM	Village needs to slow down the unbridled residential development.
Jun 18 2024 05:28 PM	I love all the options we have as a village for walking and biking. Thank you.
Jun 18 2024 05:26 PM	Try catering to a younger generation, under 50. Example are the great restaurant's, coffee shoos, music & events like Tosa or Downtown Milwaukee.
Jun 18 2024 05:26 PM	Last winter plows came by and instead of moving the plowed snow to the end of the dead end, they placed it in our driveway. My husband has metal rods in his back and has a hard time plowing and shoveling and this made it hell to get out of our driveway. Road conditions were the worst I've seen this past winter.
Jun 18 2024 05:25 PM	Love this village.
Jun 18 2024 05:22 PM	To much focus has been on exclusion, book banning, pushing business out. It has made Menomonee Falls feel very unwelcoming. Also greater focus on reducing retail crime.
Jun 18 2024 05:21 PM	I would love to patronize the businesses in the downtown area or attend more activities but it gets so congested and difficult to park, so I therefore don't. But I would like to....
Jun 18 2024 05:19 PM	Counting school sites as public park sites in the SCORP is questionable, especially when they are not walkable from the adjacent neighborhood nor available consistently (Marcy School). We need more public parks and trails!
Jun 18 2024 05:17 PM	So many people use current "recreational trails" however because they are considered recreational they are never plowed and it is winter more than summer. I've seen people having to walk on unsafe situations and even had a friend hit by a car because she was walking down pilgrim rd instead of being able to use trails despite having reflective gear on too. My kids love biking but many roads do not connect trails or are unsafe down roads like lily rd and silver spring or parts of Appleton. The Falls seems to only focus on downtown area and neglects our larger community. Older neighborhoods are being overlooked for road repairs and newer neighborhoods are having roads repairs over smaller residential and older homes.
Jun 18 2024 05:17 PM	I am not nearly as proud to live in Menomonee falls as I once was. Too many snooty people. It's likely that I wouldn't choose this community if I was shopping for housing/residence as I once did. Most citizens are not as friendly and helpful and considerate as they were 50 years ago when we moved here. Why cant we be nicer to people - (read the Menomonee Falls Face-book page - most are not nice!)
Jun 18 2024 05:15 PM	While decisions by the village will never be liked by all, I feel they have the best interests of the community in mind. This was a major factor in my choosing to move my family here.
Jun 18 2024 05:15 PM	Street maintenance should be first and foremost in improving the Village both now and in the future.
Jun 18 2024 05:15 PM	Parkway paths and trials need to be maintained. Paths along menomonee river are crumbling from weed expansion and need to be replaced and widened. The Bugline is becoming more and more spots of florescent orange paint marking danger spots for bicycles. It would be nice to have them fixed.
Jun 18 2024 05:15 PM	Overall satisfied.
Jun 18 2024 05:15 PM	Need parks Southwest of Good Hope and Pilgrim. If the Village wants to keep all the SW land, and not hand it over to Brookfield or Sussex, act like it.
Jun 18 2024 05:13 PM	Please know I walk Menomonee Park at least 5 times a week. Amazing property! I love Oakwood Park as well .
Jun 18 2024 05:12 PM	Aero park needs priority. The southwest portion of the village is grossly undeserved

### Question 30 continued

Jun 18 2024 05:10 PM	<p>The splash pad is too small. I appreciate the mindset to add a water item but we need our own pool or water park type fun. So many communities have them and this pad is just not enough.</p> <p>Love Village Park now with the stage and events that are there for much of the spring-fall time. This has given a huge community feel to our community and the downtown area.</p>
Jun 18 2024 05:09 PM	I would love to see some real innovation in this village. Better walkability, better dining options, preservation of natural spaces, more opportunities to engage and come together as a community. Fewer grimy businesses like CBD shops, massage places that are fronts for illegal activity (orient spa). Put on events like nature walks, scavenger hunts, spooky haunted walks around Halloween, encourage neighborhoods to have block parties where they meet their neighbors, have a beer and wine fest, etc.
Jun 18 2024 05:08 PM	Add more dog parks like the one at Menomonee Park
Jun 18 2024 05:07 PM	We need a pool like all the other surrounding communities
Jun 18 2024 05:06 PM	Parks and trails create a positive Village identity. Work to make these spaces accessible to all.
Jun 18 2024 05:05 PM	<p>The splash pad is LAME! Only geared towards 3 yrs and under.</p> <p>Make bigger, need to be more like Sussex splash pad which is legit and worth my taxes.</p>
Jun 18 2024 05:05 PM	Planting many diverse trees, very very many is important. In 100 years it would be great if the Falls would be known for many nice sized forests; leading to old growth trees.
Jun 18 2024 05:05 PM	I think the village needs to do a much better job at publicizing possible options for improvements at various parks. It should not be expected that everybody is proficient at using Village website. If park projects are going to be in the cost range of over \$100,000 to as much as perhaps millions of dollars... They're also needs to be either a phone call campaign encouraging residence to go onto the village website... Or postcard mailing campaign, encouraging residence to go, and look at the information available on the village website. We had lived in the village for over 20 years and had raised four kids through the fall school district When the new playground and splash pad for Village Park came to fruition. Unfortunately, information regarding what the facilities were going to be... How much it was going to cost... Where the funding was coming from... Was not over Lee well communicated.
Jun 18 2024 04:59 PM	Keep the liberals out of MF government and school boards!
Jun 18 2024 04:57 PM	N/A
Jun 18 2024 04:56 PM	My biggest complaint with my nearest park (rotary park) is that in the winter the snow doesn't get cleared which becomes a huge flooded mess in the spring.
Jun 18 2024 04:53 PM	Very important resource for the mental and physical health of our children and families.
Jun 18 2024 04:53 PM	Please strive to keep it a community of homeowners and working class people. No Section 8 whatsoever.
Jun 18 2024 04:53 PM	Enforce leash and animal waste laws
Jun 18 2024 04:53 PM	Build parks in new subdivisions and on the south western part of the village. Leave Lilly Road Appleton to Fond du Lac as is. No multipurpose trail.
Jun 18 2024 04:52 PM	Do not like the conservatives who are taking over.
Jun 18 2024 04:51 PM	We should allow residents to own chickens and should support locally grown foods or a community garden.

### Question 30 continued

Jun 18 2024 04:49 PM	More seating along the paths, and the pathway through most of Village park really needs repaving. Love the creek that runs along the path. Bridge over creek needs some help. No widening.
Jun 18 2024 04:48 PM	A trail to connect bug line and oak leaf would be fantastic.
Jun 18 2024 04:47 PM	The future housing in Menomonee falls seems to be becoming more expensive. We were drawn to Menomonee falls for its location to downtown Milwaukee, larger properties, and affordable starter homes.
Jun 18 2024 04:47 PM	ACTUALLY DEVELOP AERO PARK
Jun 18 2024 04:43 PM	The streets around Menomonee Falls are an embarrassment to our community
Jun 18 2024 04:41 PM	There needs to be more transparency and less partisanship. No current boards listen to constituents. They listen to who is funding their campaigns. It's not appropriate.
Jun 18 2024 04:41 PM	Menomonee Falls has been home all my life. It's exciting to see the development that has taken place in the heart of the village in recent years. I hope that other areas of Menomonee Falls park systems will receive similar attention.
Jun 18 2024 04:40 PM	Stop building apartments. There is enough.
Jun 18 2024 04:40 PM	Sadly menomonee falls is no longer the village it was and it really has not found its identity. The mix of new, retro and original architecture in the village does not flow or have a theme.
	The historical society old school members are a joke and this property needs to be turned over to the friends of old falls village.
	Stop over developing the village and decide on a theme instead of what is going on now.
	Pilgrim road and many others are terrible to drive on.
Jun 18 2024 04:36 PM	Great job so far. Expand walking trails. Build more pickleball courts(what you've done is excellent, we just need more).
Jun 18 2024 04:35 PM	Expand Mill pond grass and trees, more security around Rotary park, more police presence throughout the village
Jun 18 2024 04:34 PM	The parks and trails are very nice. Continuing the maintenance of these areas is crucial.
	Less rental units
	Less chain restaurants
	More parking in downtown so visitors can get to the shops
	More retail in the SW part of the Village
Jun 18 2024 04:33 PM	I would love to see more updated parks!

### Question 30 continued

Jun 18 2024 04:31 PM	<p>Wider and more connected sidewalks/walkways. Throughout the Village, many of the current sidewalks are too narrow and feel unsafe to use when walking/biking next to the roads of Pilgrim and Appleton. I would like to be able to safely bike to the library from the suburbs without having to cross the road multiple time due to sidewalks ending or not being present in the first place.</p> <p>Sidewalks are not efficiently cleared when it snows forcing me to walk in the road.</p>
Jun 18 2024 04:31 PM	Please add more trails! Otherwise a great place to live.
Jun 18 2024 04:31 PM	Fixing streets are a concern in the small neighborhoods in MF
Jun 18 2024 04:30 PM	Attract more fine-dining restaurants so we don't have to go elsewhere. Offer social pickleball and part of Parks and Rec.
Jun 18 2024 04:27 PM	N/A
Jun 18 2024 04:26 PM	Establishing better connections along trails in the Village will help connect not only the trail systems themselves, but the community as well.
Jun 18 2024 04:25 PM	We need more sidewalks, bike paths, and bike lanes. Biking and walking in my neighborhood is dangerous due to the lack of consideration for any mode of transportation besides cars. I have coworkers who chose not to live in the village due to the lack of sidewalks.
Jun 18 2024 04:25 PM	Increase walkability. More outdoor exercise equipment. Perhaps even outdoor group exercise classes at the parks. Trails for biking. Another splash pad or dare I say an outdoor pool!
Jun 18 2024 04:22 PM	no more apartments/condos
Jun 18 2024 04:21 PM	Village Board members should be reflective of, respectful to, and responsive to of ALL village residents, not only those who's politics they agree with
Jun 18 2024 04:21 PM	Oktoberfest in Village Park
Jun 18 2024 04:19 PM	connect bike trails to other trails
Jun 18 2024 04:19 PM	Less apartments buildings would be nice.
Jun 18 2024 04:17 PM	I'm concerned that open spaces are being overly developed as of late. Integration of bike trails and green space are critical for maintaining a village feel.
Jun 18 2024 04:16 PM	Would love to see the elected officials out in the community more and while Jeremy is doing a good job, I literally couldn't pick another elected official out in a crowd and that's disappointing.
Jun 18 2024 04:16 PM	Get rid of our Village manager!!!!!!!
Jun 18 2024 04:15 PM	More public outdoor pools for the community.
Jun 18 2024 04:08 PM	Disc golf courses
Jun 18 2024 04:03 PM	I love the village and want to foster an engaged community. This is one of the better places I've lived, but I wish there were more places within walking distance. New developments should include commercial areas like the downtown area.
Jun 18 2024 04:02 PM	I am concerned with the village developing land too quickly. Land has been sold, and subdivisions are going up and an extremely rapid place. Not sure what kind of thoughts have been going into services that need to be established to support the new growth. Also, Space should be considered a priority as well as protecting her beautiful natural resources.
Jun 18 2024 03:54 PM	Just focus on keeping us safe, clean, fairly quiet and with good schools. Anything else is really icing on the cake (but iced cake is good too!).

### Question 30 continued

Jun 18 2024 03:48 PM	We are concerned that village elected officials lack civility, do not lead by example and respect differing opinions.
Jun 18 2024 03:46 PM	Village park walk path requires repaving and bridges and railings
Jun 18 2024 03:40 PM	more walkable areas within the village, where we do not also come in contact with cars (ie., sidewalks or trails, so I don't have to always walk on the road way) would be wonderful
Jun 18 2024 03:33 PM	Please take better care of resurfacing streets in subdivisions. Our streets in the Mill Ridge Subdivision are TERRIBLE!!!
Jun 18 2024 03:32 PM	So much money has been invested in downtown area (Village Park / Centennial Plaza). Progress at aero park is well behind the original schedule.
Jun 18 2024 03:25 PM	Wonderful place too live, we raised our family here, and two of our kids raised their families here. Has about every thing you want or Need
Jun 18 2024 03:24 PM	If you insist on growing the Falls, do it with business development, not housing!
Jun 18 2024 03:21 PM	Something needs to be done with the teenagers that bully the younger kids and elderly
Jun 18 2024 03:10 PM	Please continue to include parks that are all accessible. Promote family events like pickleball and include more shelters and bathrooms where needed
Jun 18 2024 03:06 PM	Don't cater to the 1%....I'm curious, do younger people ride bikes or go to parks?
Jun 18 2024 02:28 PM	improve the existing paved trails and add new trails
Jun 18 2024 02:19 PM	trail connections should be a priority, but the existing conditions of older trails need attention first

29	Bicycle Improvement	More bike lanes! It's perilous to bike through here.

30	Bicycle Improvement	This street is really wide for a 25 MPH speed limit. A protected bike lane on both sides would be a great way to calm traffic as well as encourage bike travel. It's a win-win!
31	Bicycle Improvement	This entire stretch of Good Hope Road from Pilgrim to Appleton to the village line (124th?) is a prime stretch for protected bike lanes.
32	Bicycle Improvement	I would like to see a bike lane on Roosevelt Drive from Falls Parkway to Shady Lane school
33	Bicycle Improvement	
34	Bicycle Improvement	All of Lisbon be pedestrian and bike friendly (like the paths Brookfield is installing. Which are wonderful)
35	Bicycle Improvement	As with Menomonee Ave, need a bike lane that would also serve as a pedestrian lane.
36	Bicycle Improvement	Path is in rough shape here.
37	Bicycle Improvement	Menomonee Ave could use a designated bike lane.
38	Bicycle Improvement	
39	Bicycle Improvement	
40	Bicycle Improvement	signs for bike path
41	Bicycle Improvement	safe bike lines
42	Bicycle Improvement	Bike trail 124th to connect to Bradley rd down to oak leaf

44	Bicycle Improvement	
45	Bicycle Improvement	
46	Bicycle Improvement	Bike route lanes on county line and signage to connect to Oak Leaf Trail for us bicicle goers
47	Bicycle Improvement	Bike trail signage connection center - to Oak Leaf via main street and via fonddulac to Bradley rd Oak leaf
48	Bicycle Improvement	Continue walk/bike path down to main
49	Bicycle Improvement	Bike path to fondu lac and main street to hook up to Menomonee River Parkway and down to Lakefront
50	Bicycle Improvement	Continue walk/bike path down to main street
51	Bicycle Improvement	Needs to be more bike and pedestrian friendly.
52	Bicycle Improvement	Seeds to be more bike and pedestrian friendly.
53	Bicycle Improvement	Add bicycle/pedestrian trail that eventually connects to Bug Line
54	Bicycle Improvement	Road or path connection to Good Hope Road.
55	Bicycle Improvement	Pathway to Good Hope Road.
56	Bicycle Improvement	Please limit to path and do not construct a road. A road will only increase traffic on Tamarack Trail. Thank you
57	Bicycle Improvement	Bicycle path would be nice. Do not construct a road link to Good Hope. Traffic on Tamarack Trail will increase.
58	Community Asset	History is important to a community. This great park not only shares the history of the Falls it is a great nature park. Would be great to make a nature walk labeling trees and other vegetation for educational use.
59	Community Asset	The work and effort recently gone into the old falls village is an assets to the community. Everything from historical reenactments to beer gardens. I think given another year and marketing this could be a great place for the community to hang out.

79	Community Asset	We love the park and splash pad! Though I do wish splash pad ran later than Labor Day like this year when it has been so hot the last few weeks.
80	Community Asset	
81	Community Asset	The Police live here - Thank you for keeping us safe
82	Community Asset	Old Falls Village Park is a very important asset to the community as it not only preserves Menomonee Falls History both in stories, memories, artifacts and buildings, but it is a treasure of Menomonee Falls that is unlike anything else in Menomonee Falls.

98	Community Asset	The library's collection, the forge inside, and the park/playground outside are wonderful amenities!
99	Community Asset	beautiful, peaceful path
100	Community Asset	
101	Community Asset	The Historical Society at Old Falls Village Park is an incredible asset to our community. Their hard work for the past 50 plus years is what has made the Park such a treasure.
102	Community Asset	This is a nice park, the trail and trees are nice
103	Community Asset	
104	Community Asset	Our library is fantastic!
105	Community Asset	Most amazing public library with incredibly helpful staff! Fund our library!

119	Community Asset	frisbee golf
120	Community Asset	The Historic Society is an wonderful asset and engages the community in great historical events
121	Community Asset	keep this wonderful area for the historic society.
122	Community Asset	keep the historic society here. no reason to give it back to its proper owners - I dont think the Menomonee or Chippewa tribes would want it back anymore
123	Community Asset	mental health teen center, recently it was reported that 60 percen of teens in waukesha county are in need of mental health services but do not have access to it
124	Community Asset	community gardens
125	Community Asset	we could use a library on this side of town
126	Community Asset	community gardens
127	Community Asset	Community gardens
128	Community Asset	Or community garden with steps going up the hill
129	Community Asset	Our Library is our best asset, we could use another one on the other side of town somewhere

130	Community Asset	Community gardens
131	Community Asset	Discgolf
132	Community Asset	Mill Road Public Library
133	Community Asset	Farms and farmland should be left to the farmer. Farm fields are beneficial to nature. Wish we had more farm fields.

148	Community Asset	The library is a fantastic asset for our community and one of the primary drivers for moving here for my family.
149	Community Asset	Library
150	Community Asset	I enjoy going to the library browsing for books on various topics. They have had a number of enjoyable programs we've enjoyed. It's fun to watch the little kids come out with an arm full of books.
151	Community Asset	Keep library, best resources in the village
152	Community Asset	Unban our books in the school library, let kids learn.
153	Other	I am concerned for children who walk to and from school. This is the route for many kids who have to walk to school and I think it is unsafe that kids are either climbing over the boards on the bridge or walking on lily road where people drive too fast.
154	Other	we have lots of talented youth musicians and should have teen open mic once a month on the Milwaukee Tool Stage
155	Other	Get rid of the two groups holding events. It is confusing for people in the community and it's just stupid.
156	Other	Please stop building multi-family apartments & condos next to single-family subdivisions
157	Other	Extend city water to Ridgefield subdivision which is currently on municiple well.
158	Other	Cars turning on to Appleton Ave struggle to see oncoming traffic due to the residence front yard being elevated and blocking a clear view.
159	Other	Definitely not a car wash
160	Other	This parking lot seems a bit out place. Would be nice to have it labeled more as a park n ride if possible!

161	Other	It would be amazing to have a bus option again... I know it's not the most popular option, but connecting with MCTS or Waukesha County Metro would be amazing.
162	Other	This is a real eyesore to the downtown area. I wonder who is getting kickbacks from Wimmer to tear down the historical buildings and put this garbage up?!
163	Other	Redoing this small small so food trucks can park here is a horrible idea. Traffic is to busy here. Again the people who run the village are idiots!
164	Other	There should be a fixed-route bus that serves Appleton Ave. It is challenging and tiring to get from point A to point B without transportation.
165	Other	
166	Other	
167	Other	Music programs should appeal to wider age groups.
168	Other	The drainage upstream as well as drainage (under Marcy Rd) into the wetlands is filled of silt in the culverts. Makes for poor drainage throughout the entire neighborhood. Maintenance is needed to restore back to original design.
169	Other	busroute all along appleton ave up and down
170	Other	We love this Kwik Trip they are so friendly can we ask them for another free air pump
171	Other	Please put an Aldi in Big Lots place
172	Other	For all the activities offered downtown, we keep taking away parking or holding the activity IN the parking lots. Poor planning.
173	Other	Electric Utility Improvement needed to allow for reliable electric service- Bury lines to prevent outages from trees, wind and rain.
174	Other	For months no one has picked up our recycling bins up here !!
175	Other	Good place for food trucks
176	Other	Food Truck
177	Other	What is this?
178	Other	We should change the village border and extend it down Town Line Road, annexing Lannon and incorporating them into the Falls. We would then be a square instead of a puzzle piece on the map.
179	Other	Tree has branches growing into a light pole surrounding the power line.
180	Other	This would make for a nice brush and yard waste drop off site for this side of the village.
181	Other	Could be used for brush and yard waste drop off site.
182	Other	The landscaping around the CVS property is very poorly kept up.
183	Other	The landscaping around the Dunkin property is very poorly kept up.
184	Park / Landscaping Improvement	When this land is available for purchase it would be great if Men Falls could create a park to compliment old falls village. All the people living in the Arrowhead neighborhood do not have a park where they can take their children to play on playground e
185	Park / Landscaping Improvement	Would be nice to develop this into an actual park with actual equipment, pavilions, tennis/pickleball courts, and much more.

186	Park / Landscaping Improvement	This area is just begging to be made into a neighborhood park! Playground equipment, soccer fields, and a shelter building would be an incredible addition to the existing baseball field, all within walking distance of a large number of homes .
187	Park / Landscaping Improvement	Someone needs to clean up the graffiti on our gazebo
188	Park / Landscaping Improvement	Consider disc golf course that plays around the stream. Could start in rotary park play down to the bridge by the library then have holes coming back on other side of stream.
189	Park / Landscaping Improvement	Addisional parking and bathrooms that are open all the time.
190	Park / Landscaping Improvement	To keep middle school children off the playground intended for younger children this area should be developed into a skate park or teen-friendly amenity.
191	Park / Landscaping Improvement	This space has the opportunity to become something other than a plot of grass. Perhaps an outdoor classroom for the middle school, ice skating rink, skateboard park, etc.
192	Park / Landscaping Improvement	More pickleball courts! The 4 that exist are always full.
193	Park / Landscaping Improvement	Add two tennis courts here and turn the existing 2 into pickleball courts.
194	Park / Landscaping Improvement	The park only has 2 full size swings. I would like to see more swings and perhaps zipline equipment like at the park in Sussex.
195	Park / Landscaping Improvement	would love to see a butterfly garden and/or this area returned to a natural prairie.
196	Park / Landscaping Improvement	Landscaping needs to be done. You can't even see the falls, that the Falls was named after
197	Park / Landscaping Improvement	Why is there no playground in a public park? Everything here is so old and boring
198	Park / Landscaping Improvement	Better signage at beginning of trail.
199	Park / Landscaping Improvement	Would love this to be a neighborhood park!
200	Park / Landscaping Improvement	Here is a good opportunity to expand the park to include more playground, for tots and bigger kids too
201	Park / Landscaping Improvement	Would love to see some sort of youth baseball complex here. Add a couple of fields in partnership with village/school District/ and Jr. Phoenix organization
202	Park / Landscaping Improvement	Village should purchase this property and turn it into something similar to Centennial Park.k
203	Park / Landscaping Improvement	a nice park with trails would be nice addition in this empty space
204	Park / Landscaping Improvement	trails through the park would enhance the use of this space
205	Park / Landscaping Improvement	a community use track would be a nice asset here
206	Park / Landscaping Improvement	a trail around this natural resource would be great
207	Park / Landscaping Improvement	Would love some more trails (hoping to keep the integrity of the preserve)
208	Park / Landscaping Improvement	A park would be a great idea here, can't go wrong with any of the suggestions others have proposed
209	Park / Landscaping Improvement	Disc golf
210	Park / Landscaping Improvement	Add walking trails
211	Park / Landscaping Improvement	Create a park with walking trails thru the wooded areas, creek, opportunities for prairie restoration
212	Park / Landscaping Improvement	park surrounded by low income smaller houses
213	Park / Landscaping Improvement	small park surrounded by low income apts

214	Park / Landscaping Improvement	splash pad park for the low income family units near by
215	Park / Landscaping Improvement	small park or picnic area for low income units
216	Park / Landscaping Improvement	Splash pad
217	Park / Landscaping Improvement	Please talk to actual skaters to come up with a plan for an awesome skate park!
218	Park / Landscaping Improvement	What is the long-range plan with Tower Hill Park? Is there any plan to activate it? An observation tower would be great!
219	Park / Landscaping Improvement	An outdoor community pool would be excellent. Not a splash pad, a real pool!!!
220	Park / Landscaping Improvement	This is an underutilized area. Could be developed into parkland or trails.
221	Park / Landscaping Improvement	Clear out the Buckthorn and dead Ash trees.
222	Park / Landscaping Improvement	Could be developed into a biking or hiking trailhead.
223	Park / Landscaping Improvement	Clear out the Buckthorn along the edge of the water.
224	Park / Landscaping Improvement	Small vacant land that will be prohibitively expensive to develop for a small business. Grade and place a small seasonal ice rink to support downtown businesses with outdoor recreation foot traffic in the winter. Can be cemented to use as a roller rink.
225	Park / Landscaping Improvement	Make this a park, not another apartment building, it's too small of a space and there would need to be roadwork done to account for the additional traffic
226	Park / Landscaping Improvement	Create Maple Park like was promised in 2016
227	Park / Landscaping Improvement	Landscaping blocks view of oncoming traffic.
228	Park / Landscaping Improvement	Landscaping blocks view of oncoming traffic
229	Park / Landscaping Improvement	Need a walkable public park option! or minimally bike path connections to school playfield
230	Park / Landscaping Improvement	LED color changing lights on the waterfall
231	Park / Landscaping Improvement	The Old Falls Village park offers so many events and opportunities for the folks in the community to get together and have a great time.
232	Park / Landscaping Improvement	This park is a asset to the village. One mistake the village did was to allow another non historical group ( The Friends group) to use this park for their own ill concieved agenda. The Menomonee Falls Historical Society should be the only group!
233	Park / Landscaping Improvement	This park is an asset to the village, a lot of potential, the building do need some updating and work. This park shows so much history of the village, additional pathway, bathrooms nature paths and possibly a museum to highlight of the village.
234	Park / Landscaping Improvement	Should make this old middle school property into a park with a playground
235	Park / Landscaping Improvement	Fire the Historical Society
236	Park / Landscaping Improvement	The Historical Society is occupying stolen land. Evict them immediately and restore to the proper owners
237	Park / Landscaping Improvement	Remove basketball and install Pickleball. Always problems with basketball
238	Park / Landscaping Improvement	There should be a trail here on the old Hayes Ave to connect Roosevelt to Pershing. Make a meadow with the rest of the village land.
239	Park / Landscaping Improvement	Can village buy up rest of this land and do something with it?
240	Park / Landscaping Improvement	community garden
241	Park / Landscaping Improvement	community garden
242	Park / Landscaping Improvement	beautiful park for grandfamily apts

243	Park / Landscaping Improvement	little park
244	Park / Landscaping Improvement	A nice park here for the children in the trailer homes
245	Park / Landscaping Improvement	This giant hill in an eyesore, can't we have a little park here
246	Park / Landscaping Improvement	Park and low income tiny houses or low income houses based on income
247	Park / Landscaping Improvement	Clear out the Buckthorn and dead Ash trees.
248	Park / Landscaping Improvement	Public access to county park from this side would be great.
249	Pedestrian Improvement	Trail Connection from Bugline Trail to Mill Pond Park
250	Pedestrian Improvement	Menomonee River Parkway Trail is in bad condition and too narrow here - should be repaved / widened.
251	Pedestrian Improvement	Would like to see a sidewalk that goes from Main Street to Rotary Park along Fond du Lac Ave. A trail might also be an option.
252	Pedestrian Improvement	Extend sidewalk South to bugline to avoid pedestrians in the road.
253	Pedestrian Improvement	Create official pedestrian path to connect these parts of Menomonee River Pkwy on this side of the river.
254	Pedestrian Improvement	Add trail extension to Rivers Edge Park with a pedestrian bridge over the river
255	Pedestrian Improvement	Connect Menomonee Ave neighborhood to River edge Park via walking path. This is a beautiful park that should be walkable from rotary park neighborhood
256	Pedestrian Improvement	Adding the missing 20 feet of sidewalk here would be a big connectivity improvement to the bug line trail
257	Pedestrian Improvement	Consider adding a short sidewalk/trail extension here along the east side of Woodland Dr to improve ped/bike access and safety for people heading to Oakwood park
258	Pedestrian Improvement	Add missing 20ft of sidewalk to connect to the Bug Line trail
259	Pedestrian Improvement	This would be a great place to have a path that connects to River's Edge Park, especially now that the bridge is done.
260	Pedestrian Improvement	Add curb cutaway. This should have been thought of years ago. It is a blatant insult to those who use mobility devices and a possible ADA violation.
261	Pedestrian Improvement	Sidewalks on Shady Ln. right by Main needs repair. This stretch of sidewalk is specifically bad. I have been ejected from my chair from hitting the uneven sidewalks
262	Pedestrian Improvement	Add 8'-10' asphalt multiuse path along Lannon between Lisbon Rd-Aero Park to Bugline Trail. This would accommodate Bikes and Pedestrians!
263	Pedestrian Improvement	sidewalks and footbridge from new low income apts over to rotary park
264	Pedestrian Improvement	A nice improvement to the parks would add a path connecting Rotary park with Rivers edge park.
265	Pedestrian Improvement	Repair/replacement of the walk/bike path, areas sunken, to narrow, portions of the path flooded after heavy rain.
266	Pedestrian Improvement	Would be nice to have more paths or trails in and around the Tamarack Preserve.
267	Pedestrian Improvement	Reconstruction of path is years overdue
268	Pedestrian Improvement	Pave the path.
269	Pedestrian Improvement	Why aren't there sidewalks on both sides of Good Hope Road?
270	Pedestrian Improvement	Would love to see sidewalks on both sides of Appleton Ave west of Lily Road

271	Pedestrian Improvement	Downtown's infrastructure has been greatly improved recently to calm traffic and protect pedestrians. Would love to see more, such as signaled and raised crosswalks and even wider sidewalks.
272	Pedestrian Improvement	Add a sidewalk or bike lane to protect pedestrians and bikers traveling to Menomonee Ave.
273	Pedestrian Improvement	As a regular walker and understanding that pedestrian walkways are only cared for (plowed) by the village if they are concrete, I would request that the walkways on both sides of Pilgrim Road between Appleton and Good Hope are paved.
274	Pedestrian Improvement	I would request that the intersections along with walkways on both sides of Pilgrim Road between Appleton Avenue and Good Hope be redone up to the most recent ADA standards.
275	Pedestrian Improvement	Extend sidewalk to Silver Spring Rd to protect pedestrians from traffic.
276	Pedestrian Improvement	I would ask the village to explore the feasibility of adding a guarded intersection at the corner of Crossway and Pilgrim Road.
277	Pedestrian Improvement	Add pedestrian path to connect these and eliminate walking through weeds.
278	Pedestrian Improvement	Would like to see trail from Lisbon to Willowood Park in SilverSpring Rd
279	Pedestrian Improvement	
280	Pedestrian Improvement	
281	Pedestrian Improvement	Sidewalk/safer path from Good Hope Rd up to Fond du Lac.
282	Pedestrian Improvement	it would be nice to have another North/South walking/biking route on the west side connected to the bug line
283	Pedestrian Improvement	It would be nice if Lisbon was biking/walking friendly
284	Pedestrian Improvement	
285	Pedestrian Improvement	The crosswalk here seems to go unnoticed. better signage and new paint would be nice.
286	Pedestrian Improvement	Crosswalk
287	Pedestrian Improvement	Have a sidewalk on the southside of the County Line Rd.
288	Pedestrian Improvement	A nature trail in the park and forest would be great for school groups
289	Pedestrian Improvement	There is a wonderful walkway on the west side of the river, but nothing on the right side. A nice walkway would be wonderful and a bench to sit on would be even better.
290	Pedestrian Improvement	More walking paths through the park.
291	Pedestrian Improvement	Add short pedestrian path here linking the streets
292	Pedestrian Improvement	Continue path to grand Ave intersection
293	Pedestrian Improvement	Add trail curb ramp
294	Pedestrian Improvement	Add trail curb ramp and crosswalk
295	Pedestrian Improvement	Improve deteriorated curb ramp
296	Pedestrian Improvement	Extend sidewalk north to improve bugline access
297	Pedestrian Improvement	Would like for there to be a pedestrian/bike path connecting both ends of Menomonee River Parkway.
298	Pedestrian Improvement	The sidewalks along Pilgrim from Good Hope to Appleton Ave are not plowed. Can't be used in the winter.
299	Pedestrian Improvement	
300	Pedestrian Improvement	
301	Pedestrian Improvement	

302	Pedestrian Improvement	Sidewalks on W and E side of Pilgrim need to be plowed. Waukesha County says it is MF responsibility and MF says it is Waukesha County's responsibility.
303	Pedestrian Improvement	Many of the pedestrian buttons at this intersection do not function properly
304	Pedestrian Improvement	Would love to see a crosswalk going across Appleton from either side of Jacobson Dr.
305	Pedestrian Improvement	Would be nice to have some sort of path to connect these points.
306	Pedestrian Improvement	Additional walking paths here would be amazing. I never understood why they you need to cross the intersection to get to the next path. This intersection has alot of accidents and you always take a risk crossing the roads here.
307	Pedestrian Improvement	cross walk and pedestrian shoulder over bridge
308	Pedestrian Improvement	a protected shoulder down lilly till it connects with prkwy trail would be nice
309	Pedestrian Improvement	protected shoulder/trail/sidewalk along lisbon to make for safer travel
310	Pedestrian Improvement	Sidewalk cuts off on Appleton right around Wittlins.
311	Pedestrian Improvement	another request for a pedestrian connection
312	Pedestrian Improvement	Walkability from Fond du Lac ave to Woodmans Supermarket
313	Pedestrian Improvement	safer walk across or little foot bridge
314	Pedestrian Improvement	safe walk across appleton ave
315	Pedestrian Improvement	continue sidewalks
316	Pedestrian Improvement	continue sidewalks
317	Pedestrian Improvement	sidewalks to connect shadylane to county line rd
318	Pedestrian Improvement	safer crosswalks here and across county line road many of our youth have to cross this street to get to their restaurant jobs
319	Pedestrian Improvement	another foot bridge over the freeway
320	Pedestrian Improvement	Safe walking to woodmans
321	Pedestrian Improvement	Give the kids in the trailer homes a sidewalk on their side of the street
322	Pedestrian Improvement	Make it safer and easier to walk along Lisbon Rd. There lacks any crossing points across Lisbon, a two-stage crossing would be nice. And grass-terrace separated sidewalks to the east.
323	Pedestrian Improvement	At night this intersection gets very dark and pedestrians get very hard to see by drivers. A light post here could make both pedestrians and wildlife safer night.
324	Pedestrian Improvement	No way for pedestrians to cross Lisbon. Traffic drives very fast, need two-stage pedestrian crossing.
325	Pedestrian Improvement	Paved paths on both sides of major roadways would be good.
326	Pedestrian Improvement	Pathways along major roads should be plowed in winter.
327	Pedestrian Improvement	Add small pedestrian bridge
328	Pedestrian Improvement	Pathways at intersections need to be brought up to current ADA standards.
329	Pedestrian Improvement	Pathway on north side of road would be nice here.
330	Preserve Use / Bldg / Natural Area	Preserve the buildings and create hiking trails for both summer and winter use.
331	Preserve Use / Bldg / Natural Area	Add walking trails to access park
332	Preserve Use / Bldg / Natural Area	Too many institutionally owned and zoned properties. The area is polloferated with private institutions, who have been granted many planning and zoning exceptions or conditional uses despite providing little benefit to the public.

333	Preserve Use / Bldg / Natural Area	Preserve area or create a park, this land is too small to develop apartments on and there would be traffic concerns
334	Preserve Use / Bldg / Natural Area	Protect our existing downtown businesses and buildings. No more wimmer nonsense tearing apart downtown.
335	Preserve Use / Bldg / Natural Area	Keep this land as is - no use. Preserve the few natural spaces we have in suburban areas.
336	Preserve Use / Bldg / Natural Area	Too many new subdivision causing increased traffic and people but not enough stores, restaurants, etc to accomodate. Menomonee Falls is becoming too overcrowded. Used to be nice, semi-rural and is not anymore due to all the new subdivisions
337	Preserve Use / Bldg / Natural Area	
338	Preserve Use / Bldg / Natural Area	
339	Preserve Use / Bldg / Natural Area	
340	Preserve Use / Bldg / Natural Area	
341	Preserve Use / Bldg / Natural Area	
342	Preserve Use / Bldg / Natural Area	
343	Preserve Use / Bldg / Natural Area	Too many new homes with small yards. Meno Falls was such a nice community. Stop putting in so many homes so fast. Community can't adapt and adopt the changes this fast.
344	Preserve Use / Bldg / Natural Area	Please keep this a natural area. This intersection is already quite busy at morning/evening rush hour adding commercial/retail space here would only increase traffic concerns for the area.
345	Preserve Use / Bldg / Natural Area	Too many new subdivisions and homes are being built village is losing its charm and becoming too crowded stop development
346	Preserve Use / Bldg / Natural Area	Maintain farmlands and forests for wildlife!
347	Preserve Use / Bldg / Natural Area	This space is too small to turn into apartments. Plus with the abundance of apartments going up on Main St, this space should be used as a green space for the community
348	Preserve Use / Bldg / Natural Area	This area should be preserved, and an unpaved walking trail through or around it could help increase public visibility of its natural beauty.
349	Preserve Use / Bldg / Natural Area	Preserve Old Falls Village Park for its buildings and natural area
350	Preserve Use / Bldg / Natural Area	
351	Preserve Use / Bldg / Natural Area	
352	Preserve Use / Bldg / Natural Area	This property has a wetland listing. It needs to be preserved as green space as it has for almost 70 years. It is home to deer, fox, owls,ravens and one turkey.
353	Preserve Use / Bldg / Natural Area	Preserve natural wooded area, prairie restoration opportunity, add walking trails
354	Preserve Use / Bldg / Natural Area	
355	Preserve Use / Bldg / Natural Area	Preserve wooded areas, add walking trails, opportunity for prairie restoration.
356	Preserve Use / Bldg / Natural Area	
357	Preserve Use / Bldg / Natural Area	Old Growth Forest currently in danger of loosing if not preserved soon. WE Energies has already removed the forest canopy over these three streets that many pedestrians previously enjoyed on a hot summer/spring/fall day.
358	Preserve Use / Bldg / Natural Area	Old Growth Forest- Northwood/Woodland and Oakwood Drive should be preserved.

359	Preserve Use / Bldg / Natural Area	An important nature preserve for hiking and walking!
360	Preserve Use / Bldg / Natural Area	
361	Preserve Use / Bldg / Natural Area	
362	Preserve Use / Bldg / Natural Area	
363	Preserve Use / Bldg / Natural Area	Bury or re-route high volatage lines and preserve beauty of this wooded asset
364	Redevelopment Opportunity	Not sure the current status of the senior facility proposed here, but regardless, this site is prime for multifamily development. Would love to see the continued growth of this area at Appleton/Good Hope.
365	Redevelopment Opportunity	The Falls needs more housing! I see this empty field all the time and think this would be a no-brainer for apartments or a cluster of duplex-style condos
366	Redevelopment Opportunity	We need more housing. This seems like a prime area for SF subdivisions. Let's encourage smaller, denser, more affordable homes here through zoning code reform.
367	Redevelopment Opportunity	Would like to see more SF or duplex/fourplex housing here to complement the new multifamily housing across the street
368	Redevelopment Opportunity	What can the village do through zoning reform or incentives to further encourage redevelopment here? It's prime real estate.
369	Redevelopment Opportunity	This space would be an amazing opportunity for a mixed use development building with housing, shops and/or office space.
370	Redevelopment Opportunity	It would be nice to see some movement in developing this space between a restaurant and/or apartment areas
371	Redevelopment Opportunity	This would be a great area for a small shopping area or mixed use development with apartments too!
372	Redevelopment Opportunity	This parking lot always seems to be unused and continues to not be used. This could be great to build either another store or other opportunity.
373	Redevelopment Opportunity	Please help work on getting something in this vacant space! It is a complete eyesore now that Walmart has been gone
374	Redevelopment Opportunity	I think another restaurant/drive-thru coffee type place would be perfect here similar to the dunkin on Appleton. It's just wasted concrete.
375	Redevelopment Opportunity	These parking lots are always empty and an eye sore. Would be nice to put something else there.
376	Redevelopment Opportunity	Definitely a need for another nice downtown shop instead of a bad open space. Could even be a little park area if it's too much to build anything
377	Redevelopment Opportunity	Would be nice to see some food spaces around this area with all the businesses nearby.
378	Redevelopment Opportunity	Extend city water to Broadview Subdivision
379	Redevelopment Opportunity	This eyesore needs to be bulldozed. This area is prime for commercial development - no democrat infested apartments!!!
380	Redevelopment Opportunity	Opportunity for apartment and/or shopping and dining
381	Redevelopment Opportunity	Find a replacement for Fresh Thyme. Trader Joe's or Whole foods would be amazing
382	Redevelopment Opportunity	This would be a great spot for some multi-use development buildings. houses, shops and then you can incorporate the park space next to it too!
383	Redevelopment Opportunity	Find sustainable business for this area - every iteration of large storefront has failed for last decade (AJ's Live, Main Mill, Wisconsin on Tap.)

384	Redevelopment Opportunity	Additional Elementary and Middle School
385	Redevelopment Opportunity	Additional Elementary and Middle School
386	Redevelopment Opportunity	Additional Elementary and Middle School
387	Redevelopment Opportunity	Additional Elementary and Middle School
388	Redevelopment Opportunity	A sporting goods store would work well here.
389	Redevelopment Opportunity	Build a neighborhood with sf affordable houses here geared towards teachers of MF schools.
390	Redevelopment Opportunity	The last thing we need is more developement. The Village can't handle the traffic flow as it is!
391	Redevelopment Opportunity	We need to keep green space! Why do you think there is so much run off in the village - it's due to all of the concrete. Stop already!
392	Redevelopment Opportunity	Luxury condos with shopping options like a Trader Joes
393	Redevelopment Opportunity	This would be a great spot to redevelop as a Public Market Style space. Restaurants & Shops similarly to those in Mequon and Milwaukee.
394	Redevelopment Opportunity	This small portion along Menomonee Ave could be good for higher density housing or mixed-use but the remainder of the lot should be a park.
395	Redevelopment Opportunity	A small grocery store like Trader Joe's or a public market like others commented would do well here to fill the hole left by Walmart.
396	Redevelopment Opportunity	Kwik Trip should relocate to here, their current location on Main St is too cramped
397	Redevelopment Opportunity	Everything here is old and a waste of a good location
398	Redevelopment Opportunity	NO APARTMENTS!! Apartments allow invaders into a good community. Perfect for senior care.
399	Redevelopment Opportunity	Would be nice to see some food spaces around this area with all the businesses nearby.
400	Redevelopment Opportunity	No more businesses that groom young children
401	Redevelopment Opportunity	Senior care facility. Everything here is already old and crazy so it would be the perfect fit
402	Redevelopment Opportunity	great location for townhomes or multilevel condos with a park in the front and back.
403	Redevelopment Opportunity	
404	Redevelopment Opportunity	Starbucks should relocate next to cafe agora. the drive thru impedes on traffic.
405	Redevelopment Opportunity	Most boring park in the county, they don't even have a playground for children. What a waste of a beautiful space.
406	Redevelopment Opportunity	This is a PRIME location for a trailer park. The existing trailer park is too small and all residents should move here. Trailer parks make a lot of money and if this space is done correctly rentals could be included for needed tourism funds.
407	Redevelopment Opportunity	Additional resturants and shopping
408	Redevelopment Opportunity	Clean this place up to possibly be a nice park for people to rest and relax. Maybe a small shop would make this area further expand.
409	Redevelopment Opportunity	Cell phone tower would be amazing here. Cell found service is terrible with constant 1 bars. Blows my mind that in a suburb near milwaukee can't get Cell phone signal to make calls in case of emergencies.
410	Redevelopment Opportunity	Why not senior housing with green space.
411	Redevelopment Opportunity	This house is a eyesore for Main St.

412	Redevelopment Opportunity	A few tiny houses for low income people, veterans or disabled

444	Redevelopment Opportunity	low income housing units

470	Redevelopment Opportunity	
471	Redevelopment Opportunity	This lot is mostly empty, we need some low income buildings for families to rent with rent assistance
472	Redevelopment Opportunity	Low income grandfamily units would be great with Panerai and Noodles and Target nearby

474	Redevelopment Opportunity	Connected Housing Unit for LOW INCOME WAGE EARNER Families 
475	Redevelopment Opportunity	Grandfamily LOW INCOME apts
476	Redevelopment Opportunity	Low income housing project with park
477	Redevelopment Opportunity	Grandfamily low income apts
478	Redevelopment Opportunity	Low income connected unit like Greenbriar village because there are families on the waiting list and no one wants to bunk up with 3 families in one apt
479	Redevelopment Opportunity	Low income family project with walking trails all around
480	Redevelopment Opportunity	Lilly Mall our very own shopping mall, would give kids a place to work and shop without having to go to Mayfair Mall!
481	Redevelopment Opportunity	Grandfamily apts for low Income 
482	Redevelopment Opportunity	Low-income small houses all along Parkway Dr Dr
483	Redevelopment Opportunity	Tiny Houses (it's a new simple concept) a circular subdivision of tiny houses with Greenspan in middle. Offer all the trailer owners new tiny houses. These people will never get out of poverty with the outrages rent they pay this land owner!

484	Redevelopment Opportunity	This would make a nice Tiny House development, give these motel dwellers a real place to call home.
485	Redevelopment Opportunity	Thus would be a great place for a Tiny Home Devolpment rather than a motel. For veterans or disabled or single parents with a greenspace with benches
486	Redevelopment Opportunity	Low income housing hete
487	Redevelopment Opportunity	Tiny Home subdivision
488	Redevelopment Opportunity	Family unit low income housing FOR FAMILIES we have enough senior low income housing
489	Redevelopment Opportunity	A village without a library is not a community. We could use 2 more libraries in our village
490	Redevelopment Opportunity	No more fancy Dancy condos that mist people here can't afford. We are in need of small affordable houses
491	Redevelopment Opportunity	Low income apartments complex
492	Redevelopment Opportunity	Building like across the street based on income, next to rotary park is perfect
493	Redevelopment Opportunity	Housing for low income  families
494	Redevelopment Opportunity	Similar to Greenbriar - families are on wait list and have to bunk with other families to make ends meet.
495	Redevelopment Opportunity	Tiny house circled community with small park in middle.
496	Redevelopment Opportunity	Tiny Homes for Suburbs - affordable for single parents and grandparents taking care of their gradchildren
497	Redevelopment Opportunity	Apartment complex for low income families - we have homeless people on our streets
498	Redevelopment Opportunity	
499	Redevelopment Opportunity	We vote for Aldi in OUR neighborhoid
500	Redevelopment Opportunity	ALDI!!
501	Redevelopment Opportunity	Indoor Sports Complex so that everything doesn't have to funnel through North Middle School or to give the rec department another venue
502	Redevelopment Opportunity	Add healthy food options like Sweet Green or Cava or Goddess and The Baker.
503	Redevelopment Opportunity	We need something like "The Corners of Brookfield" here. High end stores like Anthropologie or Alo. Add a Trader Joes or Whole Foods to the mix.
504	Redevelopment Opportunity	Please ask Trader Joes to move in here. Beg them!
505	Redevelopment Opportunity	More grocery and retail options would be nice in this area.
506	Redevelopment Opportunity	An Aldi or other grocery store is needed in near here.
507	Redevelopment Opportunity	Lowincome housing on this stretch or a tine house neighborhood
508	Redevelopment Opportunity	Low income apartments
509	Redevelopment Opportunity	Low income apartments and a small park for the kids
510	Redevelopment Opportunity	Lowincome housing unit perfect here next to library, school, park
511	Redevelopment Opportunity	A Festival Foods would be a great option here
512	Road Improvement	Road especially on side is up a ton. Looks like all curbs need to be better.
513	Road Improvement	Curbs
514	Road Improvement	Resurface/widen Maple Road from Q to 74
515	Road Improvement	Improvements need to be made to this intersection due to crossing traffic
516	Road Improvement	Improvements need to be made to this intersection due to crossing traffic
517	Road Improvement	Is this going to be repaved after all of the water main breaks?
518	Road Improvement	They did each side of the road but not the middle what's up with that?

519	Road Improvement	Horrible to drive on. Really "jars your preserves."
520	Road Improvement	Would be great to have a roundabout at the intersection of Lisbon and Lannon road. Turning from southbound Lannon to Eastbound Lisbon can take a significant amount of time.
521	Road Improvement	Would be nice if this were a protected crossing that didn't require a train horn.
522	Road Improvement	Fix aging roads in Creekwood Highlands and Creekwood Crossing. They were resurfaced 10 years ago and started cracking again by the next summer.
523	Road Improvement	The new traffic pattern here is confusing people, maybe because the painted lines are very hard to see until you are very very close.
524	Road Improvement	Can we widen the entry and exit points out of the Target parking lot off of Rivercrest? Current lanes are too tight for a proper turn without hitting the curb...a lot of traffic coming in and out this exit/entry.
525	Road Improvement	Add an actual left turn lane here to reduce conflicts
526	Road Improvement	I wish Stadium Blvd connected to Northpoint. So many students/parents have to quickly cross 2 lanes on Appleton to enter the left turn lane.
527	Road Improvement	Honey Lane is in rough shape.
528	Road Improvement	Could we have more lights here. Drivers often speed up cause they think they can't be seen in the dark. Causes a lot of problems
529	Road Improvement	This intersection has seen increased traffic over the past several years and with the addition of a new housing subdivision, traffic will only continue to increase. Please consider a round-about or traffic signal at this intersection.
530	Road Improvement	Big cracks in the road on Appleton and Rivercrest. Dangerous for pedestrians and those who use mobility devices.
531	Road Improvement	
532	Road Improvement	safer for pedestrians to cross slower to 30mph
533	Road Improvement	close this entrance and use other entrance only seen many close call accidents
534	Road Improvement	slower speeds on this road!
535	Road Improvement	Raise speed limit to 35mph there are 4 lanes AND islands and space for turn lanes
536	Road Improvement	Fix the closed road.
537	Road Improvement	Fix the bridge that has been closed for over 3 years!!!!
538	Road Improvement	This intersection could be improved for cars and pedestrians.
539	Road Improvement	Change Menomonee & Pilgrim to Roundabout similar to Janesville & Forest Home in Hales Corners!
540	Road Improvement	Cumberland Rd is nothing but potholes and is dangerous to walk on.
541	Road Improvement	Make Railroad Crossing into a silent crossing.
542	Road Improvement	Please reconfigure the lanes on both north and southbound Marcy Road at Silver Spring. With increased traffic, both north and south directions would be better suited to have a left turn only lane and a lane for straight/right turns.
543	Road Improvement	Widen and improve Goodhope Road.
544	Road Improvement	Widen and improve Lisbon Road.
545	Road Improvement	Fix the bridge, get rid of detour

546	Road Improvement	Third lane on both sides of road next to curb are not clearly marked as to how the should or shouldn't be used.
547	Road Improvement	Widen bridge, add turn lanes and add pedestrian improvements to intersection.
548	Road Improvement	Roundabout here?
549	Road Improvement	
550	Road Improvement	Roundabout here?
551	Road Improvement	Roundabout here?
552	Road Improvement	Would be nice if we could get to the Woodman's and Aldi area from this side without having to get on and off the freeway.
553	Road Improvement	Roundabout here?
554	Road Improvement	Roundabout here?
555	Road Improvement	Separate right turn lanes from Pilgrim to Silver Spring.
556	Road Improvement	Separate right turn lanes.
557	Road Improvement	Separate right turn lanes.
558	Traffic/Speed Concern	Appleton Ave needs a road diet. It's much too wide, and combined with the grass median, it encourages people to speed to great excess. I would like to see protected bike lanes, raised crosswalks or other traffic calming/pedestrian friendly infrastructure.
559	Traffic/Speed Concern	Traffic speeds through this part of downtown, with the nearby amenities there are frequently children and near misses at the crosswalks where vehicles do not stop. Suggest adding speed bumps before the crosswalks
560	Traffic/Speed Concern	Traffic during rush hour time near Main & Appleton are bad enough, but turning left on Garfield while on Appleton causes backups and can be dangerous for pedestrians. We've done a great job adding to this area, but have not addressed foot & car traffic
561	Traffic/Speed Concern	There should be a Green Arrow option for those turning from Appleton. Vehicles often dart across oncoming traffic to make the light. Simple fix.
562	Traffic/Speed Concern	
563	Traffic/Speed Concern	Due to all new subdivisions along Lisbon, large number of dump trucks and construction vehicles speeding and running red lights along Lisbon
564	Traffic/Speed Concern	This can be a difficult intersection to cross. Stop signs would work well and slow down traffic on Menomonee Ave with the stop.
565	Traffic/Speed Concern	The section of Pilgrim Road between Mill and Good Hope has become ripe for speeders. The speeding vehicles are a danger to those exiting Tartan or Chateau as the speeders come quickly over the hill.
566	Traffic/Speed Concern	It is impossible to make left turns when going north because the turn lane is too short and blocked by cars going straight.
567	Traffic/Speed Concern	This path from Pilgrim to Appleton is used by people who don't want to wait to make the right turn onto Appleton. They fly through the neighborhood, where there are two school bus stops in the morning
568	Traffic/Speed Concern	Left turns from Mill onto Appleton are very dangerous.
569	Traffic/Speed Concern	
570	Traffic/Speed Concern	Unnecessary stop light
571	Traffic/Speed Concern	
572	Traffic/Speed Concern	Make this a constant flashing yellow. There is no need to stop south bound traffic here. EVER!

573	Traffic/Speed Concern	There shouldn't be stop lights here for traffic turning on to the freeway. They should have a yield sign or flashing yellows.
574	Traffic/Speed Concern	This intersection will continue to increase in traffic and pedestrian students - better pedestrian crossing and visibility is required
575	Traffic/Speed Concern	This intersection will continue to increase in traffic and pedestrian students - better pedestrian crossing and visibility is required
576	Traffic/Speed Concern	This traffic light is unnecessary especially to stop southbound traffic.
577	Traffic/Speed Concern	This is a scary intersection to try to cross as a pedestrian
578	Traffic/Speed Concern	There is never an easy way in or out from the post office... maybe it should be required right turn only
579	Traffic/Speed Concern	Always seems to be close calls here for accidents. Between the Starbucks lines and people coming across that intersection it's becoming dangerous.
580	Traffic/Speed Concern	People speed down Lisbon. A street light to allow pedestrian crossing and discourage speeding by new neighborhoods
581	Traffic/Speed Concern	Extreme speeds
582	Traffic/Speed Concern	Soliciting for ❤️s on Facebook proves how useless park is
583	Traffic/Speed Concern	This intersection will continue to increase in traffic and pedestrian students - better pedestrian crossing and visibility is required
584	Traffic/Speed Concern	This intersection will continue to increase in traffic and pedestrian students - better pedestrian crossing and visibility is required
585	Traffic/Speed Concern	Should be a green left turn arrow for people turning from southbound Appleton Ave onto eastbound Menomonee Ave and vice versa
586	Traffic/Speed Concern	These traffic signals are badly designed and programmed - they do not follow norms and do not adequately deal with the angled intersection
587	Traffic/Speed Concern	The currently flashing yellow arrow setup for left turns is inappropriate and dangerous, because the hill gradient blocks views of oncoming vehicles
588	Traffic/Speed Concern	
589	Traffic/Speed Concern	
590	Traffic/Speed Concern	CVS sign blocks view of oncoming traffic while exiting the parking lot
591	Traffic/Speed Concern	Traffic lights are placed in a way that obstructs view of oncoming traffic
592	Traffic/Speed Concern	Add a green arrow!
593	Traffic/Speed Concern	Add a green arrow
594	Traffic/Speed Concern	
595	Traffic/Speed Concern	Difficult to turn on to Appleton, especially NW, from Northfield Dr because of the volume of traffic and the hills on Appleton obstructing the views. There should be traffic lights here
596	Traffic/Speed Concern	Difficulty turning on to Appleton Ave from Northfield Dr, especially NW, due to the volume of traffic and hills on Appleton obstructing the view. There should be traffic lights at this intersection.
597	Traffic/Speed Concern	
598	Traffic/Speed Concern	
599	Traffic/Speed Concern	The intersection at Appleton and Main needs to be redesigned to make it safer. There are long backups in all directions waiting on red lights. I was just a victim of being rear ended while stopped in a long line of traffic waiting for the light.

600	Traffic/Speed Concern	There needs to be a traffic light here. Pedestrians who want to go towards Target/Metro Market currently have to walk opposite direction, and then back, uphill, towards the direction of Target (and areas where many business are located)
601	Traffic/Speed Concern	It would be nice if a light could be put in here. It is so difficult to take a left here from the WAC to get back onto pilgrim. Its hard to see too and cars fly through
602	Traffic/Speed Concern	Traffic on this hill travels at speeds in access of 40 MPH.
603	Traffic/Speed Concern	Please pavement mark the 3rd outside lane on Appleton Ave as either a lane or shoulder. No one knows what the lane is for and everyone uses it differently.
604	Traffic/Speed Concern	constant speeding add a roundabout near here
605	Traffic/Speed Concern	Every direction should have an arrow.
606	Traffic/Speed Concern	Every direction should have an arrow at all times of day.
607	Traffic/Speed Concern	It is rare for this stop sign to be followed. Many pedestrians very close to being hit. Many accidents almost happen when pulling into traffic.
608	Traffic/Speed Concern	Need arrows for all directions to be active all times of the day. Cannot see who is coming up a hill.
609	Traffic/Speed Concern	The sidewalk ends her - you have to cross Appleton to get to the sidewalk on the other side we need a flashing walk across button
610	Traffic/Speed Concern	There's no time to merge here, we need a roundabout!
611	Traffic/Speed Concern	Dangerous crossroad - unsafe for kids to cross we need walk buttons fir kids to cross main street
612	Traffic/Speed Concern	Hard to tell when people are turning or going straight during busy hours
613	Traffic/Speed Concern	Agree with previous commenter. Please mark that open area on Appleton Avenue as a lane or shoulder.
614	Traffic/Speed Concern	Make it so the train cannot stop for extended periods on the road, especially during morning/evening commutes.
615	Traffic/Speed Concern	Speed limit transitions here, and southbound lefts are difficult. Would be good spot for roundabout with tabled (raised) crossings for pedestrians/bikes.
616	Traffic/Speed Concern	With all of the new subdivisions and apartments, there is an increase in vehicles traveling at a very high rate of speed along Marcy between Good Hope and Silver Spring and even passing traffic. Marcy is becoming very dangerous.
617	Traffic/Speed Concern	Grand Ave parking should be restricted within 100 ft of the intersection to improve pedestrian and driver saftey.
618	Traffic/Speed Concern	People are blowing through this turning lane and going straight instead of turning. Maybe more signage is needed?
619	Traffic/Speed Concern	People are pulling up side by side and then gunning it at the light to beat the other vehicle. Accident waiting to happen. Maybe the right lane should be right turn only?
620	Traffic/Speed Concern	Awful intersection. People heading south on Appleton turning into CVS never pull in far enough and are always blocking traffic on the southbound lane. The median should be modified to create a turning lane.
621	Traffic/Speed Concern	Speed limit too low here.
622	Traffic/Speed Concern	Green left turn arrow needed.

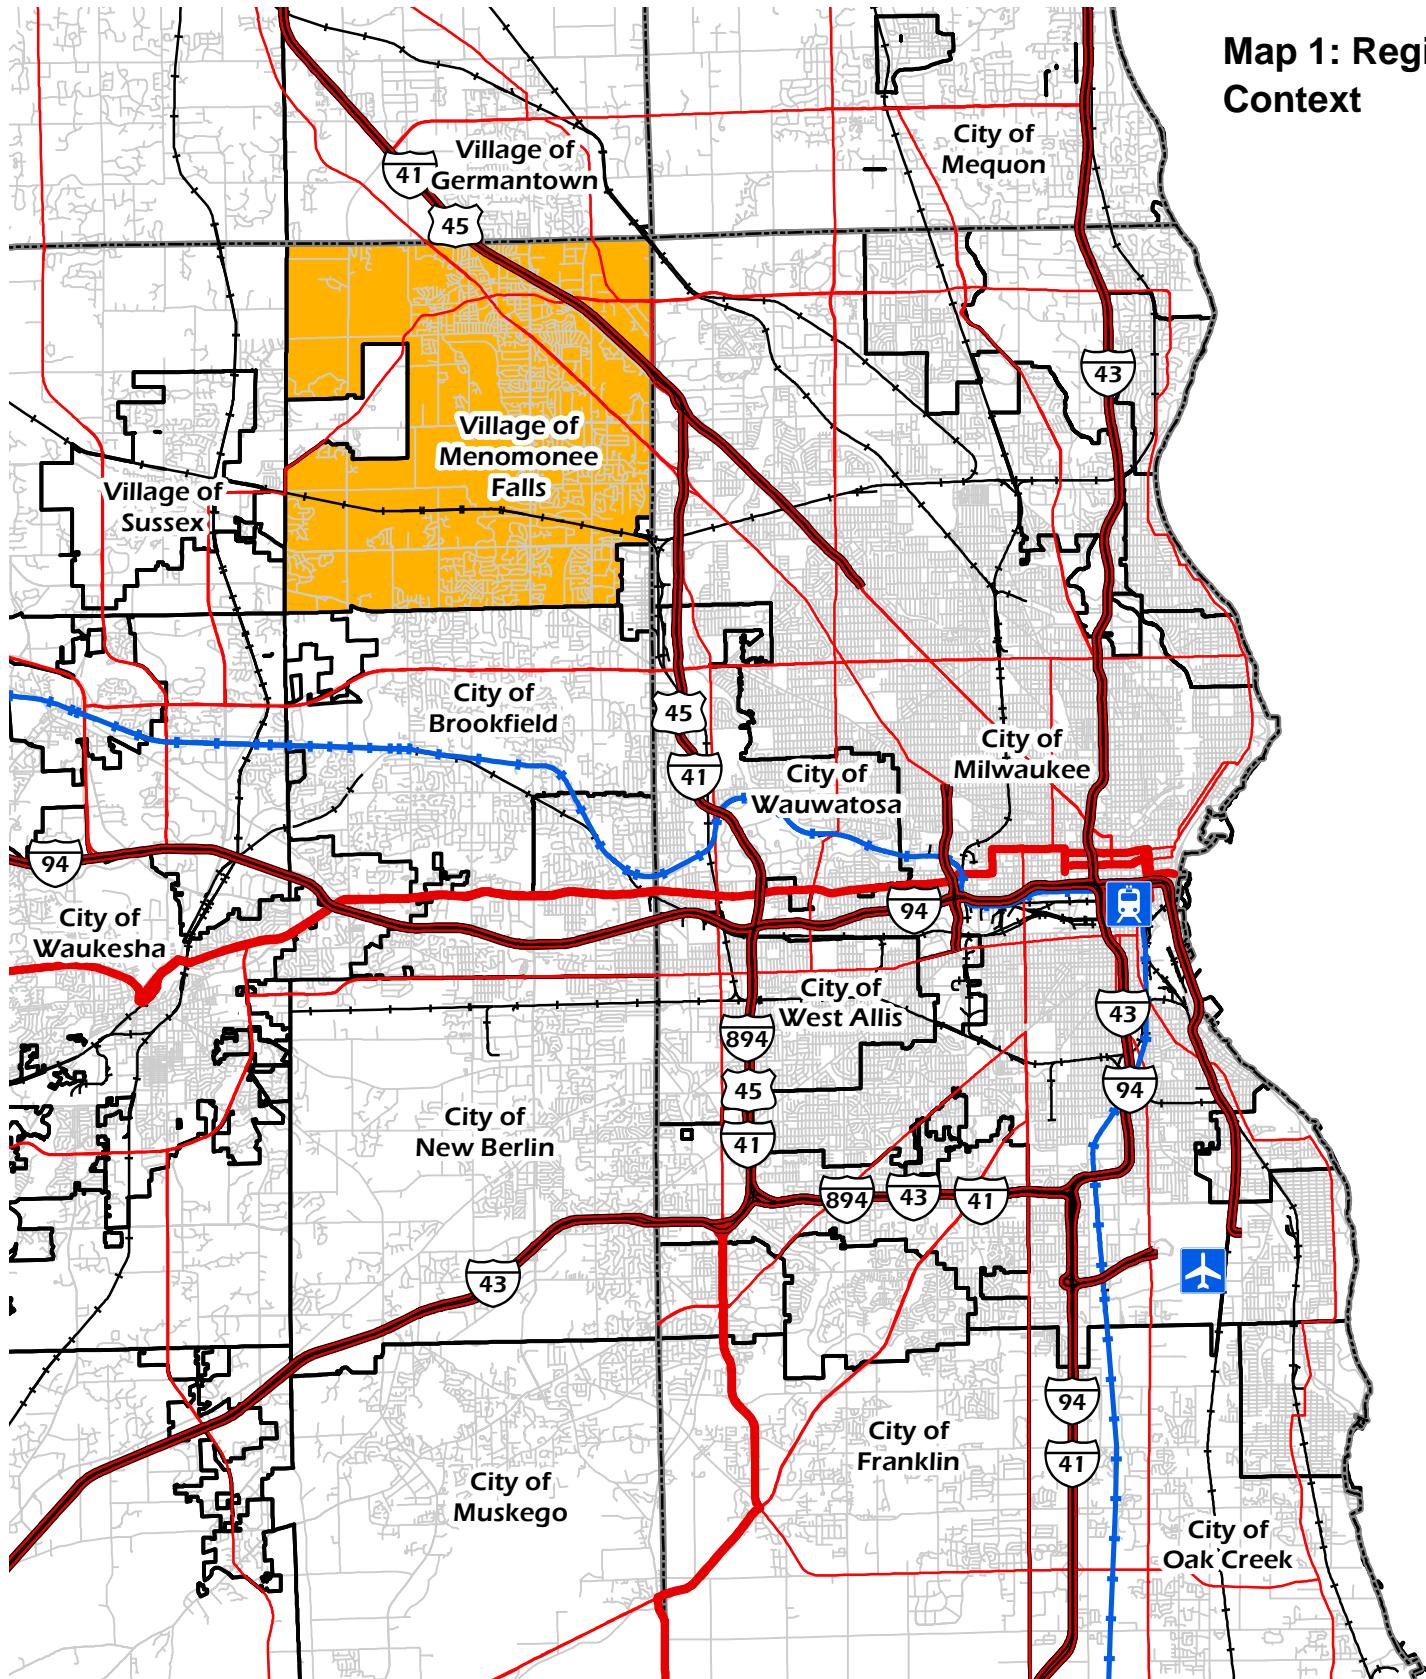

623	Traffic/Speed Concern	These intersections are confusing and the signals should have a left turn on green cycle on all of them.
624		A highly valued nature preserve for hiking and walking dogs.
625		Affordable housing is at such a shortage, please make an additional Greenbriar Low Income unit. We have a park across the street

**September 9, 2025**  
**OPEN HOUSE COMP PLAN UPDATE COMMENTS**

Timing of Lime Kiln bridge reopening?  
Are downtown buildings going to be razed?  
What is happening with the Tamarind subdivision? Improvements on One Mile and Lisbon? More traffic.  
Ten years not long enough of a planning horizon. Community should look out 50+ years  
Village need an asset management plan – replacement strategy  
Affordable housing needed to attract younger people to the community  
Too much growth, too fast  
Potential Path through Rotary Park  
Need greater tree canopy  
We need more housing density and units in and around downtown  
What is the Village doing to promote redevelopment of under used properties?  
Where are potential redevelopment sites in Menomonee Falls?  
I don't approve of the proposed trail/boardwalk connection between Rotary Park and River's Edge Park  
I don't want a sidewalk or trail along Lilly Road between Appleton Avenue and Rotary Park  
Improve the connection to the eastern end of the Bugline Trail  
Signs should be added to direct Bugline trail users from Shady Lane to the portion that connects to Water Street  
Will the Menomonee Avenue project be completed soon?  
A no right turn on red sign or leading pedestrian walk signal should be installed at the Four Corners – I have witnessed lots of close calls for walkers at Appleton & Main Street

# Appendix E: Housing Assessment

## Menomonee Falls Housing Assessment

This section serves as a more detailed overview of the housing market conditions within the Village of Menomonee Falls. The information below describes existing conditions for both ownership and rental housing markets, as well as projected need for additional housing units over the next ten years in Menomonee Falls. This Housing Assessment should be taken into consideration when reviewing residential development proposals, plans, and other decisions affecting housing in the Village of Menomonee Falls. However, it is important to note that the findings of this report are a snippet in time and reflect the existing conditions and market conditions of the Menomonee Falls housing market as of Spring 2025.

*Data for this section is sourced from the US Census American Community Survey (ACS), the US Department of Housing and Urban Development (HUD), Zillow, CoStar, and the Village of Menomonee Falls.*

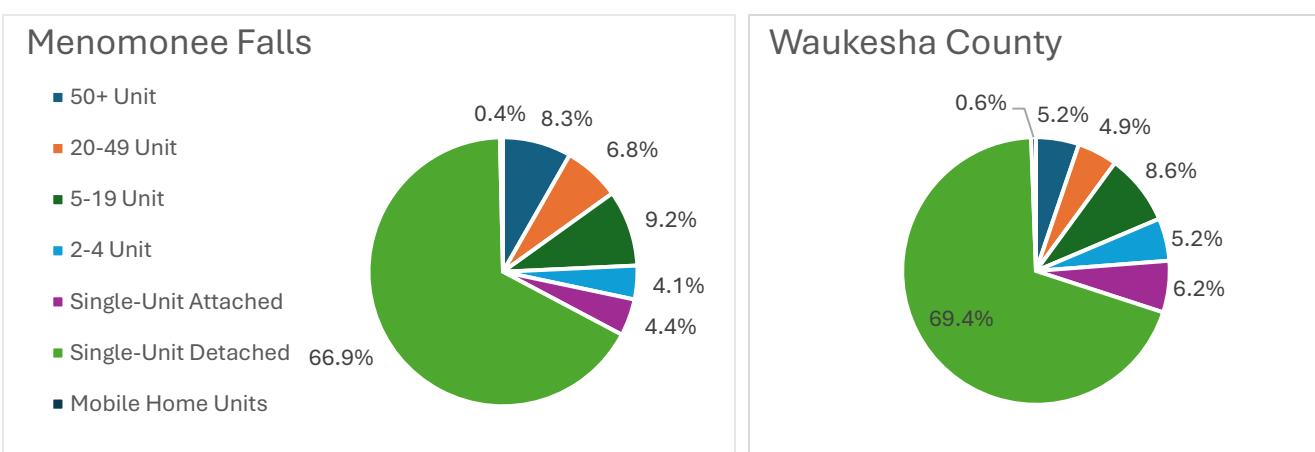

### Overall Housing Themes

*Balanced in housing mix, but larger multi-unit buildings are in greater concentration than County*

The most common housing structure type in Menomonee Falls, Waukesha County, and statewide are detached, single-unit homes. Menomonee Falls has a total of 11,334 detached single-unit housing units, which makes up 67% of the total housing stock. This percentage is slightly below the County as whole, which is 69% of the housing stock.

Providing a variety of housing types is essential to allow residents choice within a housing market. Roughly a quarter of the housing stock is split between 50+ unit buildings (8.3%), 20–49-unit buildings (6.8%), and 5–19-unit buildings (9.2%). This makeup is slightly skewed to larger buildings as compared to both the State and County, which includes a greater percentage of smaller scale multi-unit buildings. Notably within Waukesha County, lack of access to utilities often prevents larger multi-family units from being built. Statewide, 10% of the housing stock is in 2–4-unit buildings. In Menomonee Falls, additional single-family home, duplex, and attached condo development could align with current market demands.

Since 2015, single-unit homes have only accounted for 40% of homes built, while duplexes, multi-family homes, and senior living making up the remaining 60%. Menomonee Falls' recent 40/60 mix should be tracked to ensure predominantly ownership and single-family home development.

*An aging housing stock with uptick in newer housing production post Great Recession*

Nearly half of all housing units in Menomonee Falls were built before 1980, which is similar to Waukesha County's housing stock. These older homes can lack amenities that current buyers are interested in, often require rehabilitation, and tend to have higher maintenance costs. While it will be important to see consistent home repair and updates to maintain home values and neighborhood character, older homes provide for naturally occurring affordable housing (NOAH).

**WHAT IS NOAH?**

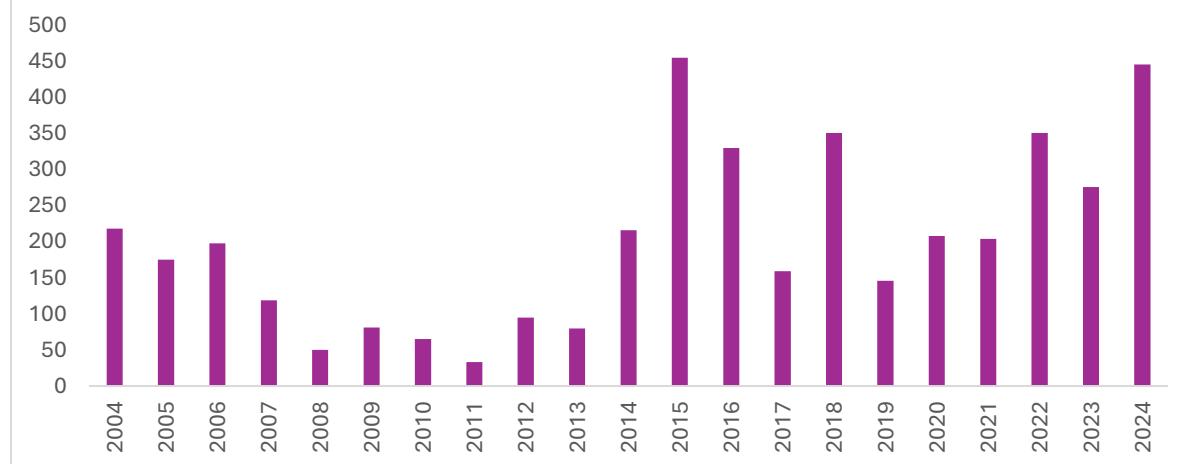

Naturally Occurring Affordable Housing, or NOAH, refers to rental or owner units that are affordable because of low market values. According to Harvard's Joint Center for Housing Studies, 75% of affordable rental units across the country do not receive any government subsidy.

Source: US Census Bureau ACS, 2023 5-year Estimate

Permit data from the Village of Menomonee Falls indicates strong residential growth in the years after the Great Recession. From 2015-2024, nearly 3,000 units were constructed. This growth mirrors the housing construction boom in early periods seen in 1990-1999, as well as 1950-1970.

*Household incomes are keeping up with cost of living*

Since 2019, the median household income of Menomonee Falls has risen from \$82,396 to \$98,460 in 2023. This represents an increase of 19.5%, as compared to 19.2% in the County.

Overall, the Village has seen a decrease in number of lowest income households (< \$50K) and an increase in highest income households (> \$100K). During that same time period, average rents and home prices have increased 15% and 24%, respectively. Based on the data, wages have generally been keeping up with the rising cost of housing in Menomonee Falls.

*Housing stock growth at the current rate is needed to meet 2040 demand*

In order to mitigate market pressure causing an increase in housing costs, the Village should continue to increase housing supply as demand increases. The Village added 2,776 housing units from 2013 through 2023, which outpaced the estimated 1,518 households that moved to the community in that same period according to the US Census American Community Survey. The Village will need to continue at the current rate of construction to meet the Village's projected increase of 2,448 households through 2040.

*Home Affordability vastly different between Homeowner and Renter*

Menomonee Falls has generally maintained a household split of 75% ownership households and 25% renter households for last ten years. While the Villages' median owner household income is \$120,000, renter household median income is \$53,000. This discrepancy (i.e., more than twice as much) leads to vastly different housing affordability outcomes for each group.

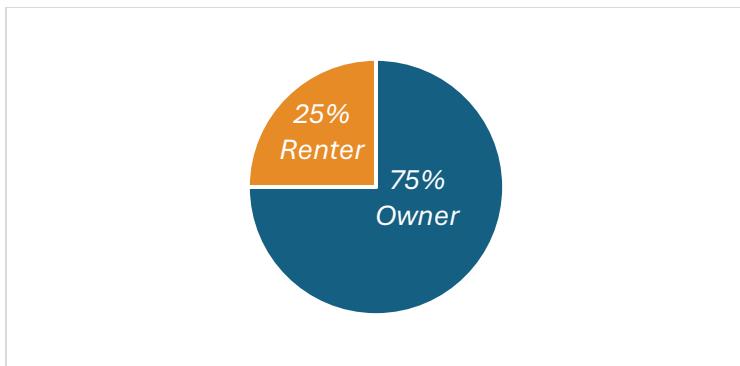

For reference, the median owner household could afford up to a \$400,000 home. The existing median starter home is selling for \$317,000. Meanwhile, the median renter household could afford to rent a home for \$1,300 while the average rental rate in Menomonee Falls is currently \$1,700/month.

## Rental Market

### *Rental Unit Absorption, Deliveries, and Vacancy*

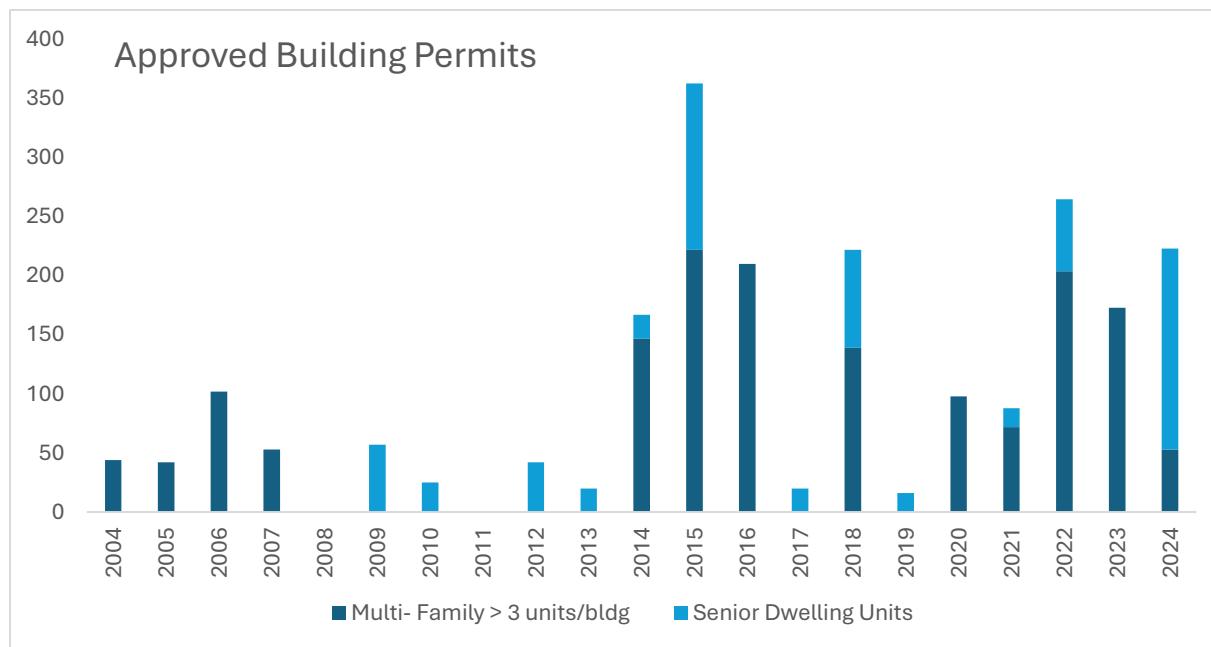

From 2014-2024, 1,845 senior units and multi-family units (in buildings of > 3 units) were constructed according to Village permit records. The greatest span of multi-family development took place in the last three years, delivering 711 units from 2022-2024, slightly more than the 2016-2018 span (662 units). This contrasted with post-recession multi-family deliveries of only 30 units built between 2008-2013. Pent-up demand from the recession and recent market conditions are contributors to this boom in the rental market.

Outside of the rental housing delivery in 2018, the units were absorbed within the first year of construction. Over the last few years, the rental deliveries have generally outpaced the pre-pandemic boom. This can, in part, be contributed to rising construction costs and cost living imbalance regionally.

The Village currently has a rental vacancy rate of 4.6% and has averaged 4.7% over the last decade. This percentage is slightly below the healthy range of 5-7%, making it harder for renters to find units and less likely for renters to experience modest rental rate increases. The Village's vacancy rate and areawide housing demand suggests there is still opportunity for more rental unit development.

### Housing Affordability

Rent is generally affordable to households earning over 80% of the Area Median Income or about \$79,000 annually. The table below shows the monthly rent a household could afford, by household size, at various income levels as a percentage of the Area Median Income (AMI). Using HUD methodology, the median household income of \$98,460 is used to calculate the maximum amount a median household of four could spend on monthly rent for it to be considered affordable is \$2,462. In comparison, the average monthly rent in 2025 was approximately \$1,700 in Menomonee Falls, meaning households earning over 80% AMI can generally afford rent, but households falling below that income level may be cost burdened. The median renter household earns \$53,000 annually which equates to an affordable monthly rent of \$1,300.

### Area Median Income or AMI:

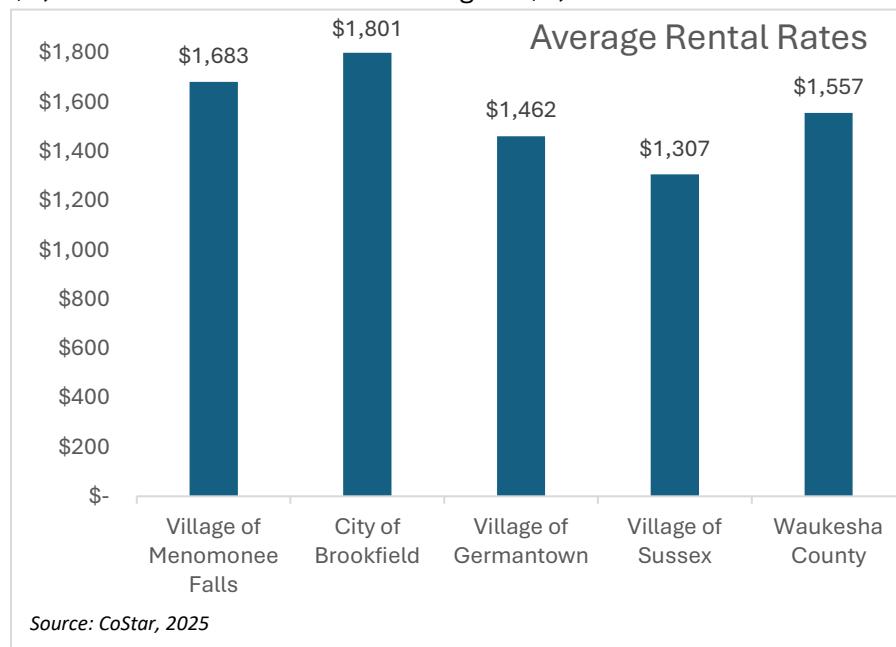

The median household income of a given area (in Menomonee Falls the AMI is \$98,460).

Maximum Monthly Affordable Rent for Median Household of 4	Income Limit Category	Persons in Household					
		1	2	3	4	5	6
\$2,462	Extremely Low Income (30% AMI)	\$517	\$591	\$665	\$738	\$798	\$857
	Very Low Income (50% AMI)	\$862	\$985	\$1,108	\$1,231	\$1,329	\$1,428
	Low Income (80% AMI)	\$1,378	\$1,575	\$1,772	\$1,969	\$2,127	\$2,284
	Median Income (100% AMI)	\$1,723	\$1,969	\$2,215	\$2,462	\$2,658	\$2,855

### Rental Rates

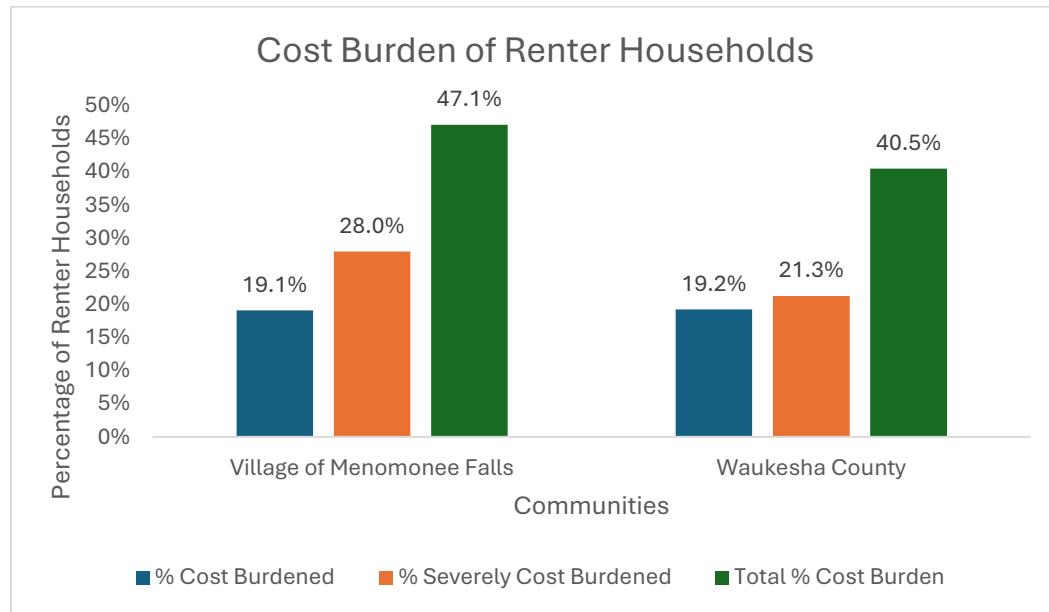

Among peer communities, Menomonee Falls generally sees slightly higher than average rents for units of all sizes. Median rent as of 2025 (\$1,683) in the Village is just above the County average of \$1,557 but below the national average of \$2,000.

### Housing Cost Burden

According to the Comprehensive Housing Affordability Statistics (CHAS) from HUD, 28% of renter households in Menomonee Falls (1,100 households) are severely cost burdened (spending more than 50% of their income on housing costs). This is occurring at a higher rate than the county level.

Cost burden amongst Menomonee Falls residents exists primarily with renter households at or below 50% of the area median income.

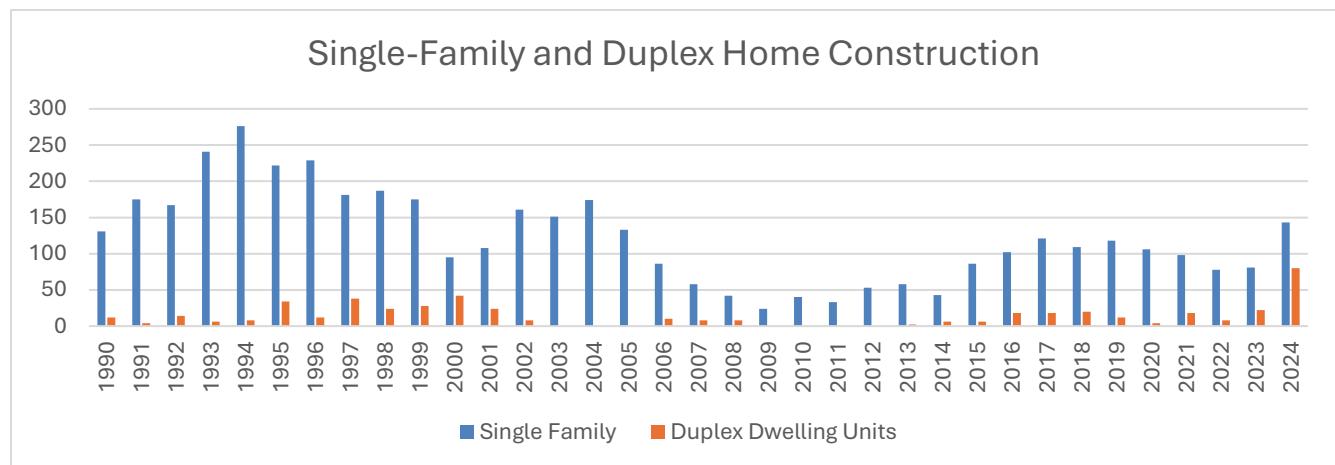

## Ownership Market

### *Single-Family and Duplex Home Construction*

Home construction has picked up but is still below pre-Great Recession levels for single-family homes. Since 2014, an average of 98 single family homes were constructed annually. For comparison of recent historical building trends, in 2004, 174 homes were constructed and home construction peaked at 276 homes built in 1994.

Meanwhile, duplex home construction has increased in recent years with 80 duplexes constructed in 2024. Duplexes are often more affordable than a single-family home, providing a lower barrier entry for families to attain home ownership.

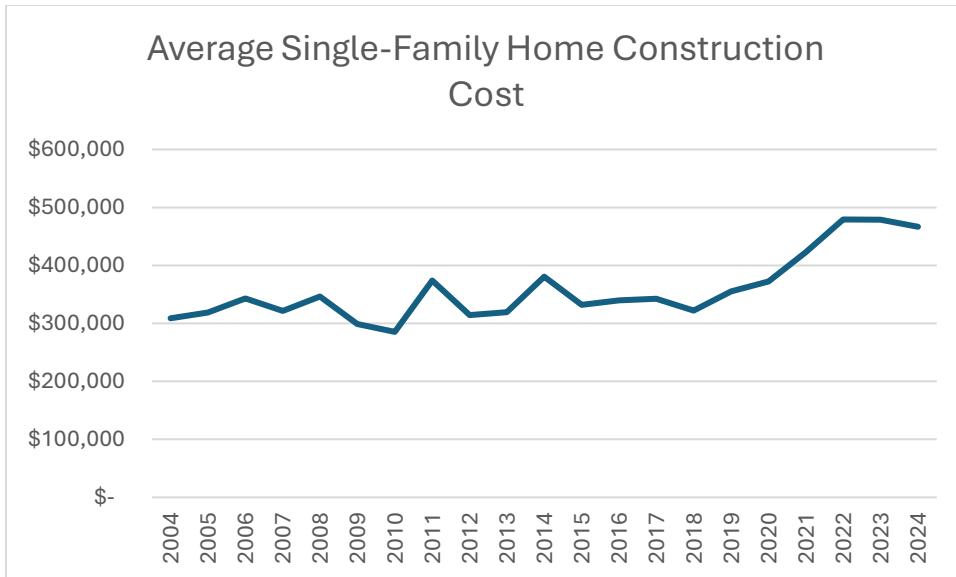

Source: Village of Menomonee Falls, 2025

### *Ownership Vacancy Rate*

The vacancy rate of owner-occupied units in Menomonee Falls was 0.6% in 2023 according to US Census ACS estimates. Typically, a healthy vacancy rate for the ownership market is about 2-3%. This allows for there to be ample supply of homes to meet demand and reduces market competition over a limited supply that causes home prices to spike.

### *Single-Family Home Construction Cost*

A major factor in the recent rise in housing costs has been the growing cost to build homes. The average cost to construct a single-family home in Menomonee Falls has increased by 51% (from \$308,000 to \$466,000) since 2004. After the large jump in the construction costs during the Covid-19 pandemic, costs have plateaued yet remain much higher than pre-pandemic years. The rising construction costs during the pandemic era can be attributed to global supply chain disruptions, inflation and interest rate hikes, rising insurance premiums, and labor shortages. Nationally, stricter zoning codes, pro-longed development review process, and development costs such as impact fees and infrastructure implementation have been cited as barriers to producing housing that is more affordable.

Source: Village of Menomonee Falls, 2025

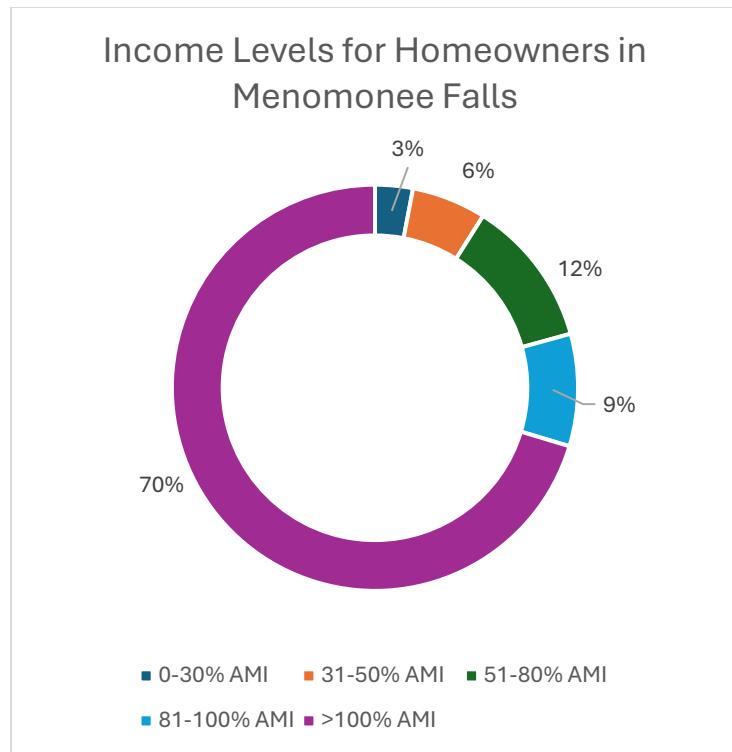

#### *Affordability and Owner Income Levels*

The table below demonstrates the purchase price a household could afford at various income levels and household sizes, without being cost burdened (paying more than 30% of gross income paid towards housing). Most of these price points are a challenge for developers to build at due to the increasing costs of labor and supplies.

70% of the Village's owner-occupied households earn an income that is 100% or more of the area median income indicating these owner households are capable of purchasing a home at or above \$330,000. Based on the existing median starter home value of \$317,000 (based on Zillow), most households earning below 100% of the area median income (\$98,000) would not be able to afford home ownership.

Maximum Affordable Home for Median Household of 4	Income Limit Category	Persons in Household					
		1	2	3	4	5	6
\$330,826	Extremely Low Income (30% AMI)	\$69,473	\$79,398	\$89,323	\$99,248	\$107,187	\$115,127
	Very Low Income (50% AMI)	\$115,789	\$132,330	\$148,872	\$165,413	\$178,646	\$191,879
	Low Income (80% AMI)	\$185,262	\$211,728	\$238,194	\$264,660	\$285,833	\$307,006
	Median Income (100% AMI)	\$231,578	\$264,660	\$297,743	\$330,826	\$357,292	\$383,758

### Median and Starter Home Prices

The median home value in Menomonee Falls has seen persistent growth in the post-pandemic era. The current estimate for median home value is \$390,000, up from \$291,500 in February 2019. The median home price has risen by 25% in the past six years in Menomonee Falls.

Based on the Zillow Bottom-Tier Home Value Index range of 5-35% percentile of home value on the market, existing median starter home value is \$317,000 in Menomonee Falls. Typically, these homes are older and require increased maintenance costs than newer homes. New homes are generally priced between \$550,000-\$700,000 in Menomonee Falls. Additional homes are needed that are affordable for households earning 80% or above the area median income to relieve demand pressure. These homes may be priced at \$300,000-\$350,000, which in this market, will likely require subsidies to provide this home value.

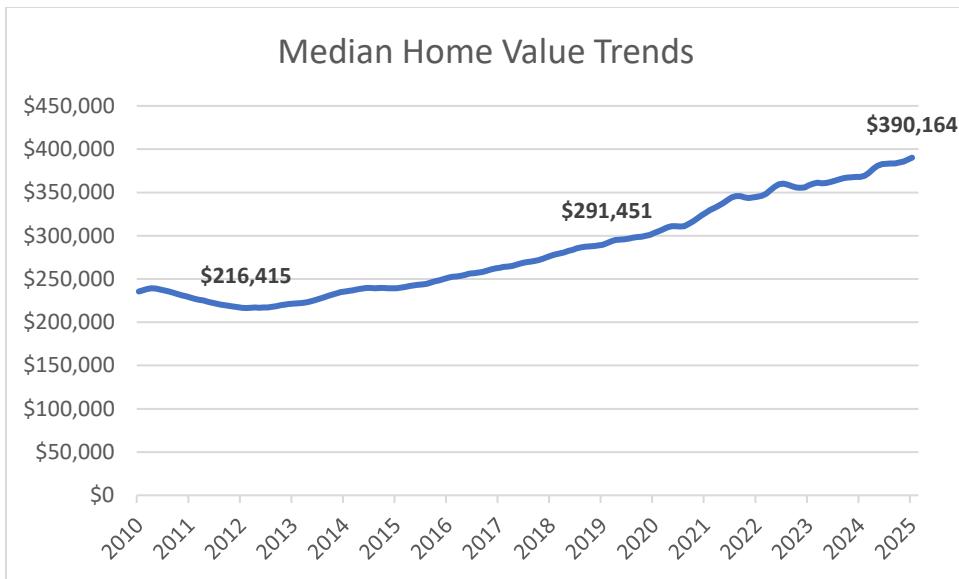

### WHAT IS A STARTER HOME?

A "starter home" typically refers to a smaller, more affordable dwelling, often serving as a first home purchase for young families or individuals and is usually in the lower third of home values in a given region.

#### *Housing Cost Burden*

Ownership households within the Village and County are experiencing cost burden at much lower rates than renters. Still, 15% of household owners in Menomonee Falls are spending more than 30% of their income on housing costs.

When the housing market is “tight” or competitive, this drives up costs for consumers through higher monthly mortgage payments, especially for households without down payment savings. Newer units are needed to relieve market demand pressure of higher earner buyers competing with lower income households for more affordable homes.

## Housing Need and Development Opportunities

This study projects the need for new net housing of rental and ownership units from 2025 to 2035, including units to accommodate new household growth and units to restore healthy vacancy rates. Two growth scenarios are offered:

- **Moderate Growth** demand estimate follows the 2013 WI DOA Population and Household Projections for Menomonee Falls, adjusted for the 2020 Census results. The modified DOA projections estimate household growth of 0.76% each year totaling 1,302 new additional households from 2025-2035.
- **High Growth** demand estimate assumes the 2000-2020 average of 11% household growth per decade (1.1% annually) for 2025-2035, totaling 2,066 net additional households from 2025-2035.

### Methodology

1. *Demand from Household Growth 2025-2035:*
  - Net additional households added to the community are calculated for 2025-2035. Projections utilize the growth scenarios outlined above.
  - Households are separated to account for the ownership and renter mix. The current owner vs renter tenure mix (75/25) is assumed for future projections.
  - Additional units are added to reach a healthy vacancy rate of 6% for rental units and 2% for ownership units.
2. *Units Needed to Restore Target Vacancy:*
  - 2025 ownership and renter households are sourced from Village data.
  - 2023/25 vacancy rates are sourced from ACS data and CoStar when applicable. Additional units are added to reach a healthy vacancy rate of 6% for rental units and 2% for ownership units.
3. *Total Additional Units by 2035:*
  - Estimated units from new Household Growth and Units Needed to Restore Target Vacancy are totaled for final calculation and broken down into annual need.

## Rental Housing Need

Based on estimates, the Village would need to produce 420-620 additional rental housing units in the next 10 years to meet demand and restore vacancy rates. The recent high absorption rates of new rental housing may suggest additional units on top of this estimate will be needed.

### Ownership Housing Need

Based on estimates, the Village would need to produce 1,185-1,770 additional owner housing units in the next 10 years to meet demand and restore vacancy rates. This would require the Village to return to pre-Great Recession levels of construction when an average of 175 single-family homes were being built annually between 1990-2005.

## Housing Opportunity Areas

The map below indicates undeveloped parcels in the Village of Menomonee Falls that are currently zoned for residential or mixed-use housing. In total, there are 762 acres of available land that allow for housing to be built. Notably, not all of this land is accessible to municipal water and sewer facilities. Additional infrastructure investment would be needed to extend utilities to these parcels to develop in an efficient and sustainable fashion.
