- Applicant must call (262) 532-4400 for Inspection of all backfilling and pavement restoration work performed.

PERMIT PROVISIONS AND CONDITIONS OF ISSUANCE

Pursuant to Wisconsin Statutes and the Municipal Code of the Village of Menomonee Falls this permit is granted to allow performance of the specific work described herein. The following standard provisions and any included special provisions shall govern:

1. The Applicant agrees to indemnify and hold harmless the Permitting Authority, its employees and its agents, from any cost, claim, suit, liability and/or award which might come, be brought, or be assessed, because of the issuance or exercise of this permit, or because of any adverse effect upon any person or property which is attributed to the partially or entirely completed works of the Applicant. Accomplishment of the permitted work, or any part thereof, by or on behalf of the Applicant shall bind such Applicant to abide by this permit and all its conditions and provisions.
2. The entire cost of constructing and maintaining the permitted facilities shall be the obligation of the Applicant.
3. When one-way traffic or a detour is used, the Applicant shall provide and maintain all necessary signs, barricades, flagmen and lights required according to the "Manual on Uniform Traffic Control Devices." When a detour is allowed, local newspapers shall be notified prior to the work being started.
4. Access to all private drives and public street intersections shall be maintained, and all disturbed areas shall be completely restored to the satisfaction of the Permitting Authority or its representative.
5. All construction shall be performed in accordance with the requirements of OSHA and the Wisconsin Department of Workforce Development, and any applicable local regulations.
6. A copy of this approval, along with any plans and special provisions, shall be available on the job site.
7. All work must be coordinated with the Village of Menomonee Falls and the Wisconsin Department of Transportation. **VILLAGE INSPECTION ARE REQUIRED. – Call for Inspection: (262) 532-4400**
8. Upon completion of the work the Applicant shall file a written notice with the Permitting Authority.
9. All pavements removed shall be replaced in kind. Complete pavement restoration shall take place within 7 days of the pavement removal.
10. All grass restoration shall take place within 7 days of the completion of the construction. The restoration within grass areas shall consist of topsoil, seed, fertilizer and mulch, or topsoil and sod.
11. While taking any actions approved under this permit, Applicant shall at all times provide access to any property abutting the street. Any interruption to access must be approved by the Village of Menomonee Falls.
12. The grant of this permit to place certain cabinet facilities ("facilities") in the public right-of-way is conditioned upon AT&T obtaining all permits, licenses, franchises and permissions required under federal, state or local law prior to AT&T's commencement of the use of the facilities to provide any video programming or other services, as those terms are defined in 47 U.S.C. 522, as amended, to subscribers in the Village. Further, AT&T agrees it will not use the facilities as part of a network occupying the public right-of-way for the provision to subscribers in the Village of video programming or other programming service, as those terms are defined in 47 U.S.C. 522, as amended, unless AT&T provides the Village Clerk 30 days prior written notice. Except for the grant of this permit under Village Ordinance 90-92, the action of the Director of Public Works in granting this permit shall not constitute nor be construed as a grant of any permit, license, franchise or permission otherwise required under federal, state or local law.
13. **Special Conditions (office use only):**
