Dog Leash Ordinance Awareness

The Village of Menomonee Falls has received complaints with regards to citizens not abiding by the leash ordinance in public parks. The Menomonee Falls Police Department would like to remind dog owners of the village ordinance that governs maintaining control of your dog:

Village Ordinance: Sec. 66-32. - Animals.

(a) Domestic animals generally. Except for those animals placed in the park or parkways by the village, or as otherwise provided in subsections (b) and (c) of this section, no domestic animal shall be permitted within the parks or parkways or be allowed to remain therein.

(b) Dogs on leash; when excluded. **No person having the control or care of a dog shall permit such dog to enter or remain in a public park or parkway unless it is led by a leash of suitable strength and not more than six feet in length, and then only within such areas in parks as have been designated by order of the park board.** The park board shall cause signs to be posted in areas wherein dogs or cats are not permitted. Section 14-28 of this Code shall also apply to dogs in public parks and parkways under this section.

(c) Pet fairs. Animals placed into a public or parkway by organizations participating in a pet fair, as defined in section 66-21, provided that such animals are limited to and contained in areas designated for the pet fair and approved by the village manager or the village manager's designee.
